# FOREWORD

HELLO AND NICE TO MEET YOU, GAI HERE. THIS TIME I INTENDED TO START OFF WITH MY TRY-HARD PANTS ON BUT, SINCE THIS WAS MY LONG-AWAITED FIRST INSTALLMENT THE DEADLINE WAS MOVED, BUT QUITE SOME TIME PASSED BEFORE WE NOTICED, AND THE NEW PUBLISHERS NEVER MENTIONED ANY SORT OF PROBLEM, THIS IS OFCOURSE TWO WEEKS BEFORE THE DEADLINE. BUT, SINCE THIS WAS SUCH A LONG-AWAITED RELEASE I THOUGHT OF A "COPY STORY" TO USE AS A REPLACEMENT. SO I THOUGHT UP A STORY INVOLVING A PRINCESS AND A DOG-LIKE OSSAN. JUST IN TIME I MANAGED TO WRITE UP THE REPLACEMENT STORY WITH ONLY 6 DAYS REMAINING(PAINED CHUCKLE). AS I'M WRITING THIS I STILL HAVEN'T EVEN STARTED THE FIRST PAGE OF THE STORY(\*SWEAT\*). WELL THAT'S HOW THINGS TURNED OUT, PLEASE GO AHEAD AND READ.

# AFTERWORD

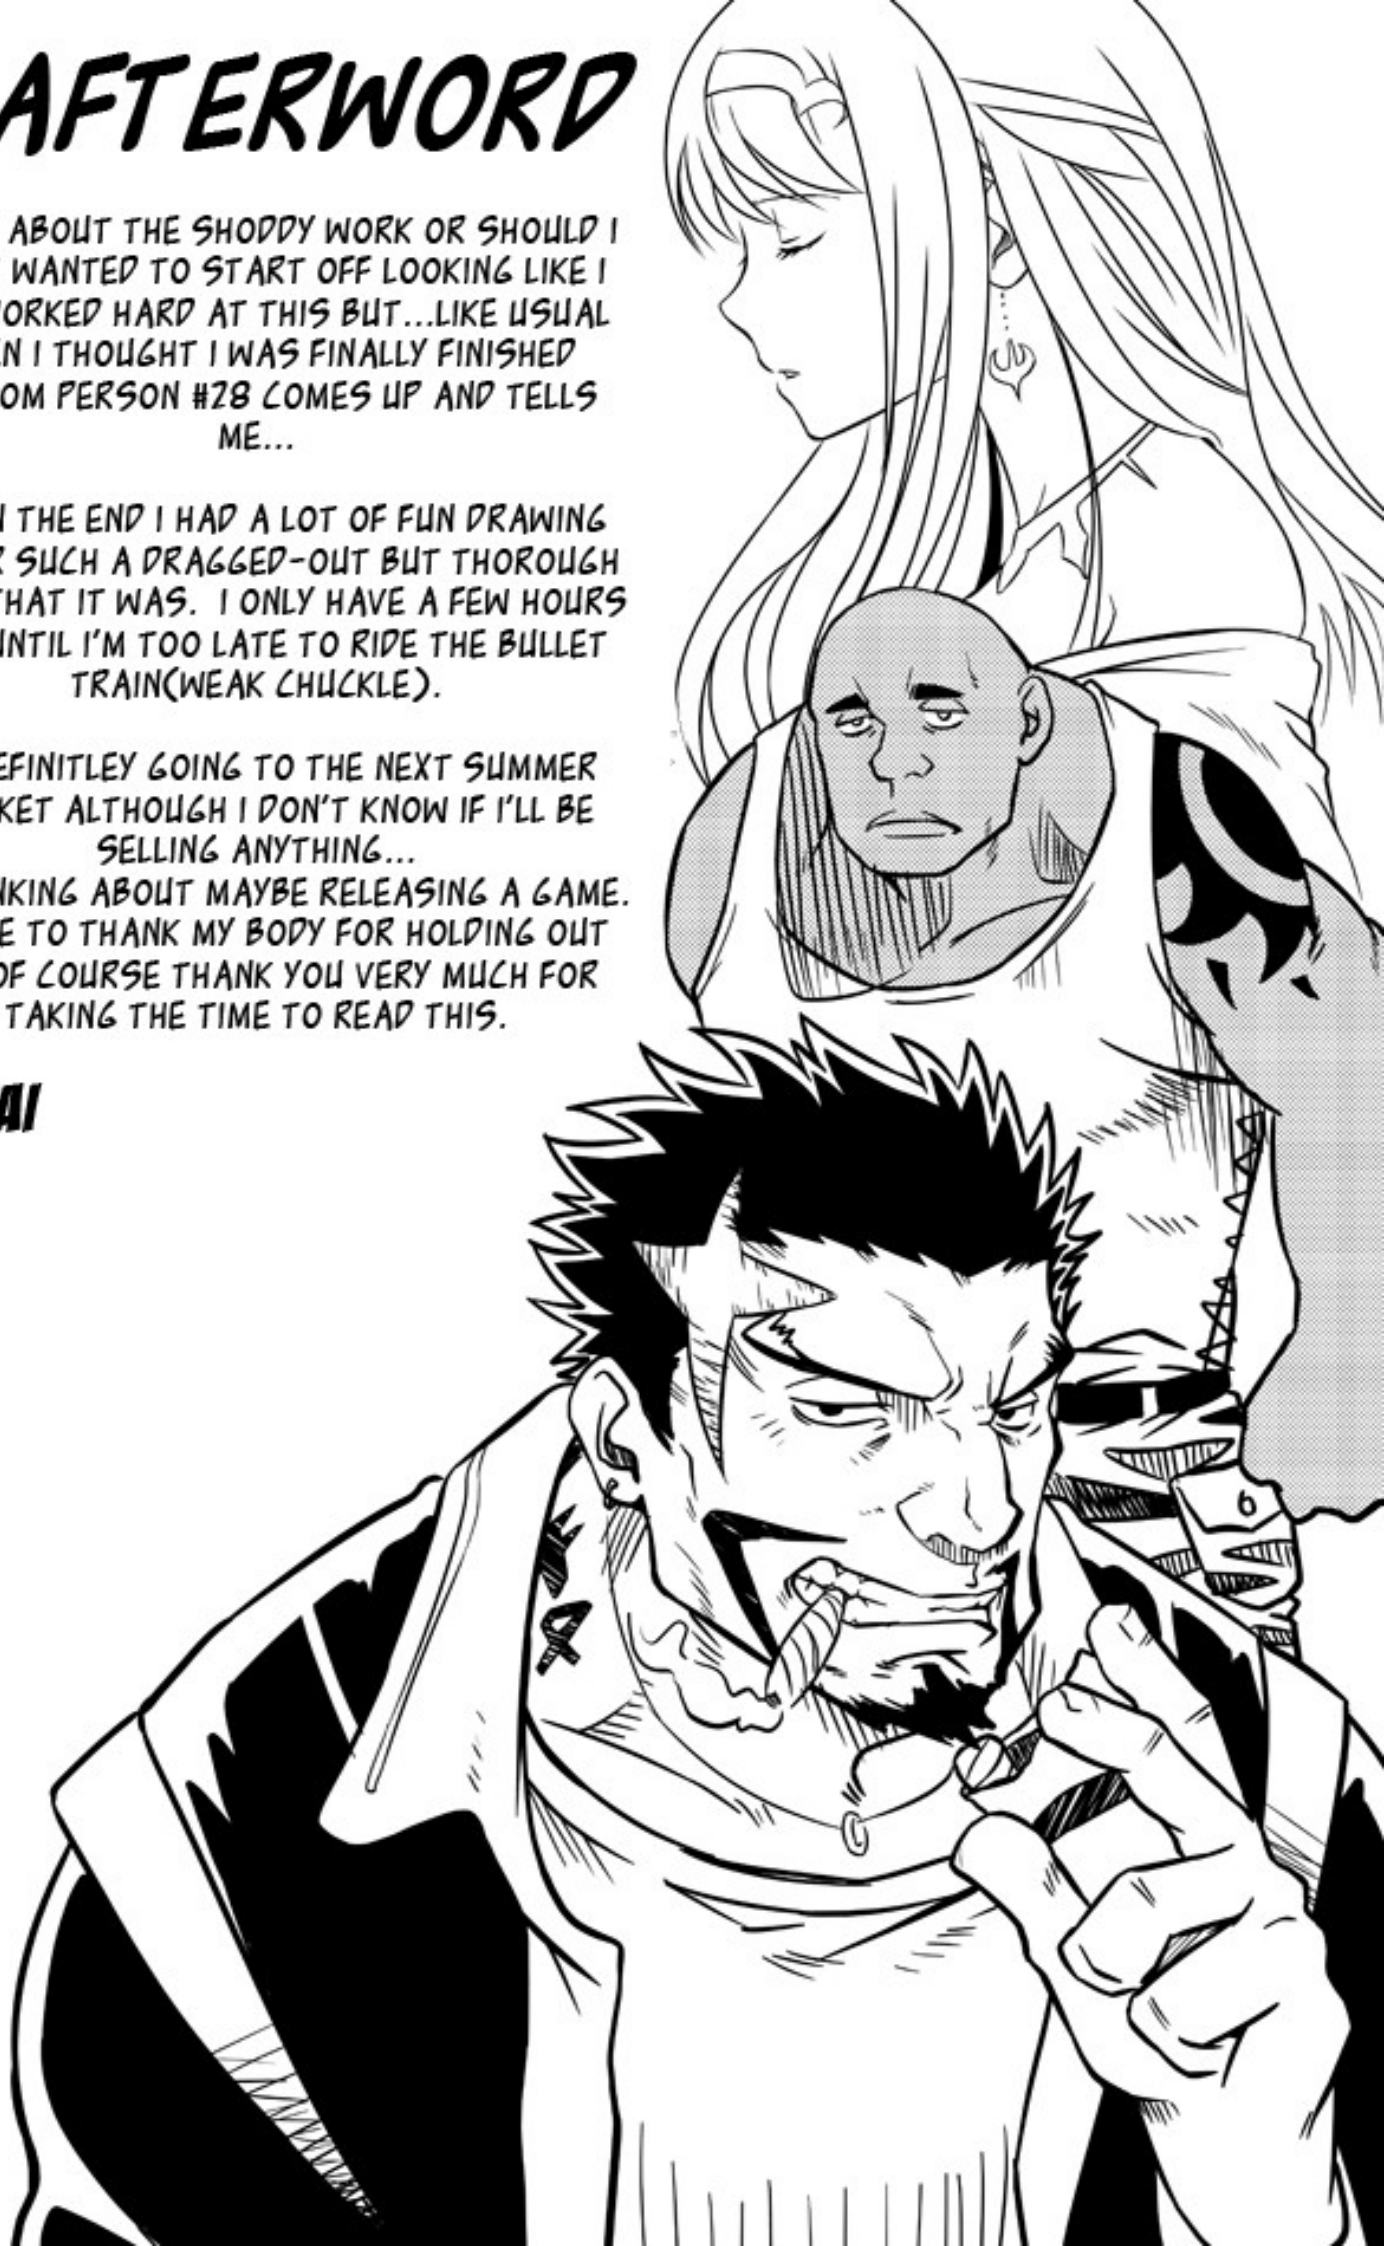

SORRY ABOUT THE SHODDY WORK OR SHOULD I SAY, I WANTED TO START OFF LOOKING LIKE I HAD WORKED HARD AT THIS BUT...LIKE USUAL WHEN I THOUGHT I WAS FINALLY FINISHED RANDOM PERSON #28 COMES UP AND TELLS ME...

BUT IN THE END I HAD A LOT OF FUN DRAWING IT, FOR SUCH A DRAGGED-OUT BUT THOROUGH WORK THAT IT WAS. I ONLY HAVE A FEW HOURS LEFT UNTIL I'M TOO LATE TO RIDE THE BULLET TRAIN(WEAK CHUCKLE).

I'M DEFINITELY GOING TO THE NEXT SUMMER COMIKET ALTHOUGH I DON'T KNOW IF I'LL BE SELLING ANYTHING...

I'M THINKING ABOUT MAYBE RELEASING A GAME. I'D LIKE TO THANK MY BODY FOR HOLDING OUT AND OF COURSE THANK YOU VERY MUCH FOR TAKING THE TIME TO READ THIS.

# TRANSLATOR NOTES

Just a putting these here so the manga isn't cluttered with random comments.

First off, during the whole "she's unconscious what should we do" scene I read that over so many freaking times and apparently even though she's KO'ed they still have to proceed. Though to me it just looks like they were using it as an excuse to just have sex which is fine by me~.

Translating sound effects is weird because sometimes if they're left out you actually miss pretty "important" events (since they're used the most during the sexings) so I translated a few of the but not all because then to me it feels weird and forced (as they're just onomatopiea and not actual conversation)

Gai mentions a game in his afterword this manga is a good 1 or 2 old, the game hes talking about is probably one of the 3 he has out that I'm aware of which is LOOPS, HONEY COME BING and one other that escapes me because aside from the little minigame there wasn't much porn in it ;)

Also words like ossan and are odd to translate because directly they MEAN uncle but he of course isn't an uncle its more a refernce to his age which from what i understand is past the 20s but before the 40~50s. At the end the princess calls the man oniisama which directly translated means brother or young man, but sounded "weird" so I took a little liberty but no harm no foul no one cares about her anyways the story was over one panel before that.

And the little "to be continued" comment at the end was a little joke by the author, there is no continuation this is a one-shot.

Thank's for reading!
