DINARANGER

～ヒロイン快樂洗脳計画～

Vol.15/Vol.16

THE STORY SO FAR...

In the year 2XXX, the shadowy organization ZOFA begins its campaign of world domination.

DinA is founded as a means to counter ZOFA's ruthless tactics.

The global defense agency develops biological implants and protective suits which boost the human body well beyond its normal limits, and grant the power needed to go toe-to-toe with ZOFA's bloodthirsty assassins.

However, candidates for DinA's enhancement procedure are exceedingly rare. To this day, only a handful of women have been proven to be compatible with the DinA Suit.

They are the DinA Rangers:

DINA RED
AYASE MAYA

DINA YELLOW
FUJIWARA MIKI

DINA BLUE
UCHIHARA SAORI

These elite warriors of DinA serve as a vanguard of justice and hope for humanity. Day after day, they beat back the forces of ZOFA.

ZOFA's crusade against civilization is now into its ninth year. Since the inception of the DinA Rangers five years ago, they have been losing ground. But now, General Ghana has devised a new strategy. Using a fearsome bioweapon, the ZOFA Cells, she can convert humans into ZOFA Soldiers, mindlessly obedient creatures driven by pure lust and fanatic loyalty to ZOFA.

One after another, civilians and DinA staff alike succumb to the corruptive influence of the ZOFA Cells.

Even DinA Blue, Uchihara Saori, suffers the same fate...

Having lost a dear friend and powerful ally, the DinA Rangers are devastated. As the situation continues to grow more dire, DinA is forced to play their trump card, and call upon a fourth DinA Ranger candidate... Saori's younger sister, Uchihara Shiori.

Shiori is hesitant, until she and the DinA Rangers discover that Saori has been brainwashed into serving ZOFA. With newfound resolve, Shiori joins the DinA Rangers, vowing to save her sister.

ZOFA SOLDIER

DINA BLUE
UCHIHARA SHIORI

Saori's condition leads the Commander of DinA to conclude that all of ZOFA's abductees have been similarly corrupted. Ayase Maya is especially unsettled by the news; her mother, the lead designer of the DinA Suit, was kidnapped by ZOFA five years ago. Maya is uncertain if she has the courage to face her own mother in combat.

ZOFA becomes increasingly aggressive in its tactics. Ghana defiles Saori even further, mutating her into a frighteningly inhuman ZOFA Chimera.

With the newly-christened "Chimera #01" in tow, Generals Ghana, Benin, and Sierra carry out a mass ZOFA Soldier conversion in Sector G, in order to draw out the DinA Rangers... in particular, Fujiwara Miki.

GENERAL GHANA

Blindsided, Miki is separated from her allies and drained of her strength. Unable to fight back, she is slowly corrupted by the creature that used to be Saori, and becomes a ZOFA Soldier...

ZOFA CHIMERA

But as Maya is forced to witness yet another of her friends fall to the ZOFA Cells, her rage comes to a boil. Her righteous fury unlocks the true potential of the DinA Suit:

SG Mode.

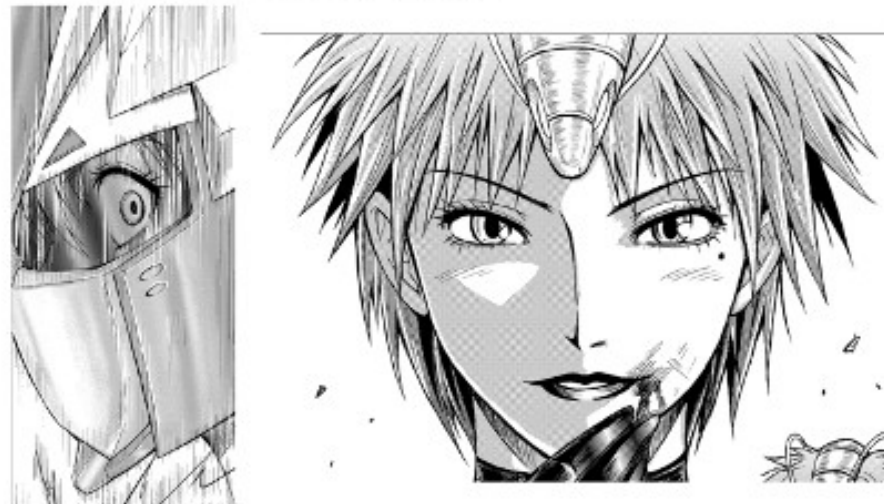

Wielding this awesome power, Maya effortlessly defeats Sierra in combat, fends off General Ghana, and retrieves Miki. But right before she escapes, Maya catches a glimpse of the true identity of Ghana...

GENERAL BENIN

GENERAL SIERRA

...her mother.

The remaining members of DinA, including Maya and Shiori, devise a plan to rescue Miki, still in the infirmary, and recover the newly-created samples of AntiZOFAs. Things quickly go awry, as Miki has already woken up, and is nowhere to be found.

Before Shiori can find her, General Sierra appears and attacks. Pinned down, pushed to her limit, and unwilling to let her friends' sacrifices be in vain, she manages to tap into SG Mode for the first time.

At the entrance to the Command Post, Maya is locked in battle with her own adversary: her mother, General Ghana. Without SG Mode on the DinA Ranger's side, the two are evenly matched... but Maya soon realizes she needs an extra boost in order to use the AntiZOFAs on her. Knowing that SG Mode could cripple her, she nevertheless takes the risk.

Maya's gamble appears to pay off... until Ghana shrugs off the AntiZOFAs without any ill effects. Maya's mother, it turns out, is not being controlled with the ZOFA Cells. She joined ZOFA voluntarily.

In that instant, Maya's heroic resolve shatters, and the suit malfunctions as a result.

She is smothered in ZOFA Cells... unable to move or resist, she inevitably becomes a ZOFA Soldier...

Below, the fight between Shiori and Sierra rages on, until the general inexplicably retreats. Shiori decides to go back and help Maya.

But what has become of the Command Post, and its Commander...?

REALIZE
THAT I AM
PURPOSELY
WASTING
YOUR

WE ALL
PUT OUR
LIVES ON
THE LINE...
...TO PROTECT
THE PLANET...

YOU
BEG
FOR
MERCY
!!!

That's it!!
That's the skirt I wanted!!

Oh my gosh!!

Ta-daa!

I looked everywhere for it, but I just couldn't find the right kind!

Oh, good!

Then how d'ja get-

A-ha, yeah... I'm no good at sewing. Or doing anything with my hands, really...

But if there's one thing I can do, it's research.

?
Mommy ...
Did you ...?

This is the best thing ever!!

Yay!! Thank you so much, Mommy!

...so I'm sure it'll fit you just fine!

I went through lots of books to learn how to make this...

Huh...?

A fight?? Is she okay...?

He was bullying one of her friends, right? Maya was protecting her!

Hold on!

She's a bad influence on the rest of the girls.

I'm sorry, but...

Please, talk to her at home. I don't want this happening again.

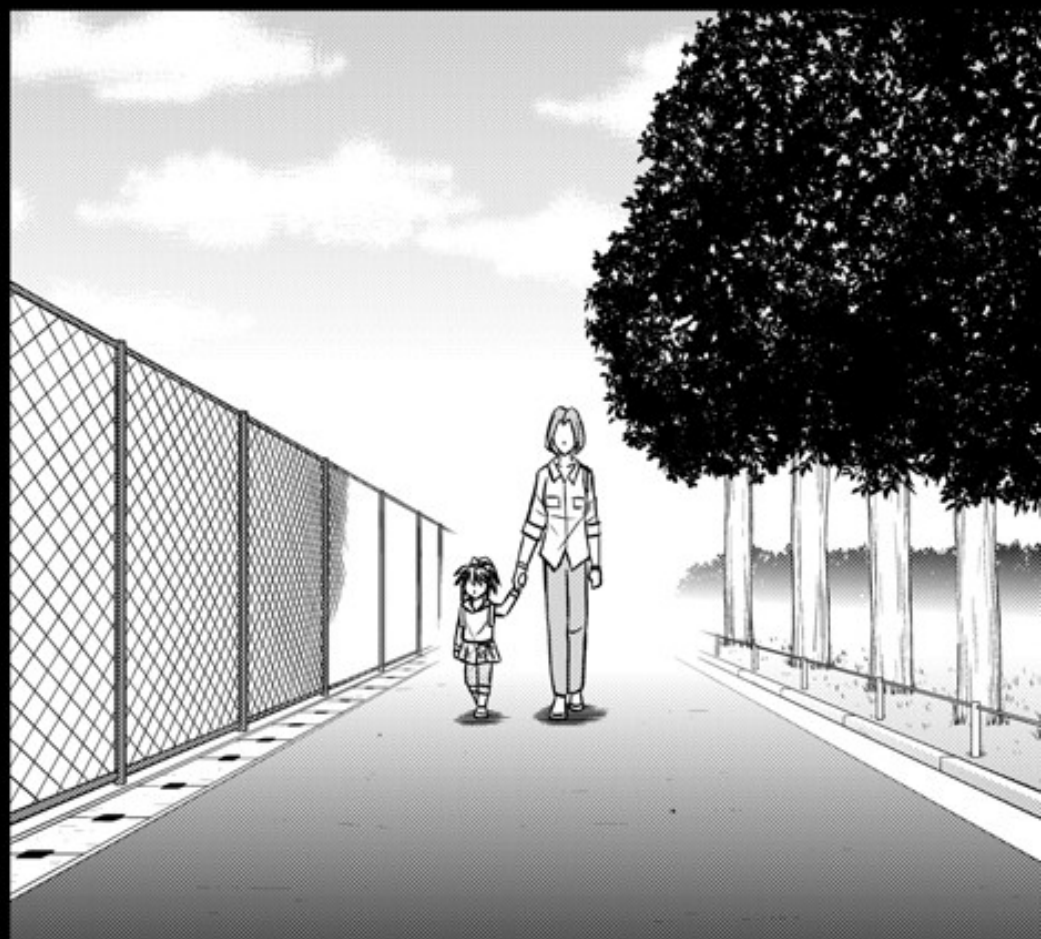

Boys will be boys, Mrs. Ayase. And getting into fights is not proper behavior for a girl!

She's making my class look bad...

...
sorry,
Mom
...

I ruined my new clothes... You worked so hard to make 'em, and...

Yeah but...

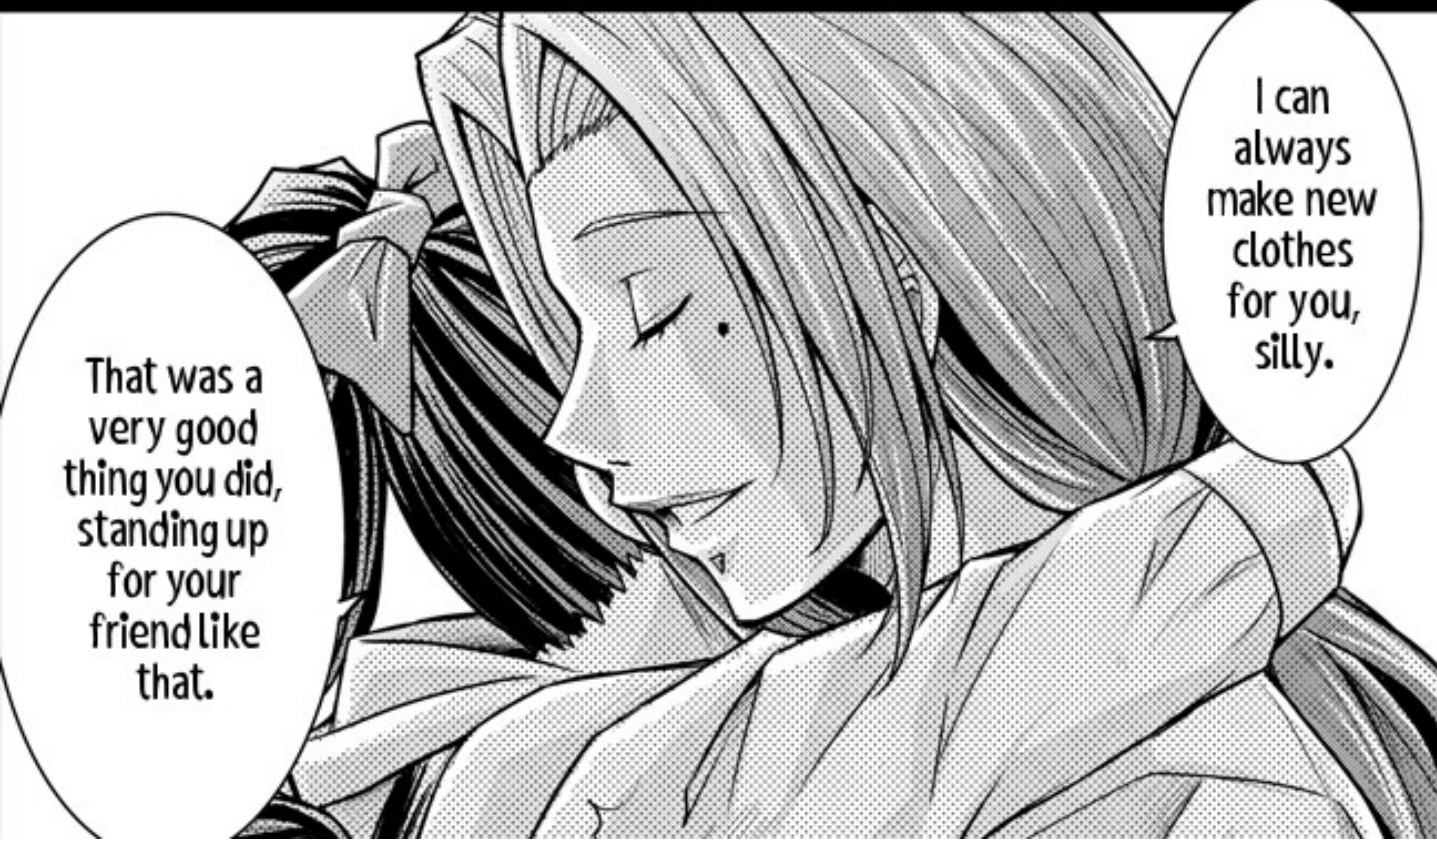

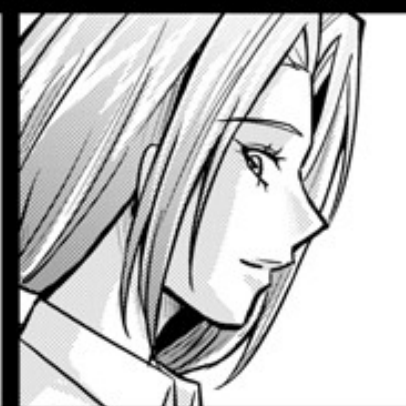

Don't be sorry!

You didn't do anything wrong!

C'mere.

I can always make new clothes for you, silly.

That was a very good thing you did, standing up for your friend like that.

...proud
of you.

I am
very,
very...

...she was
caring...
and kind...

...she loved
me... with
all her heart...

...I COULD
JUST
DISPOSE
OF YOU
AND YOUR
FRIENDS
RIGHT
HERE.

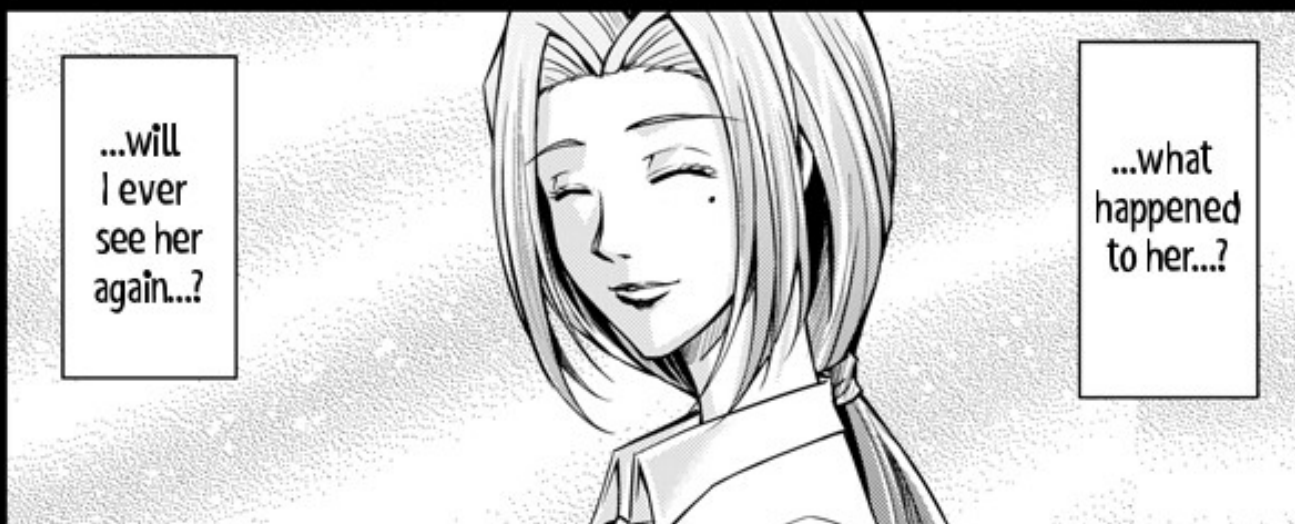

WELL
THEN,
IF YOU
PREFER...

...now...
she's
nothing
but a
monster...

...I
PROUD
YOU...
IT JUST
GIVE
I FOR
RYING
OFF.

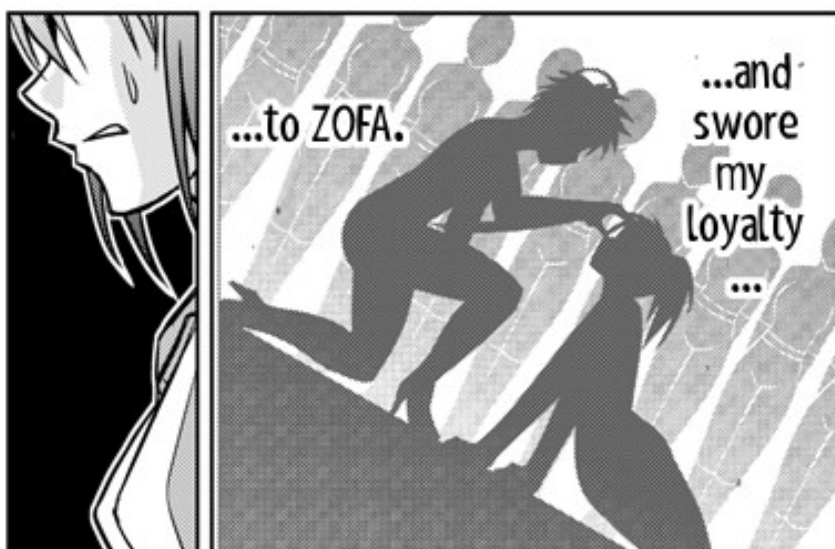

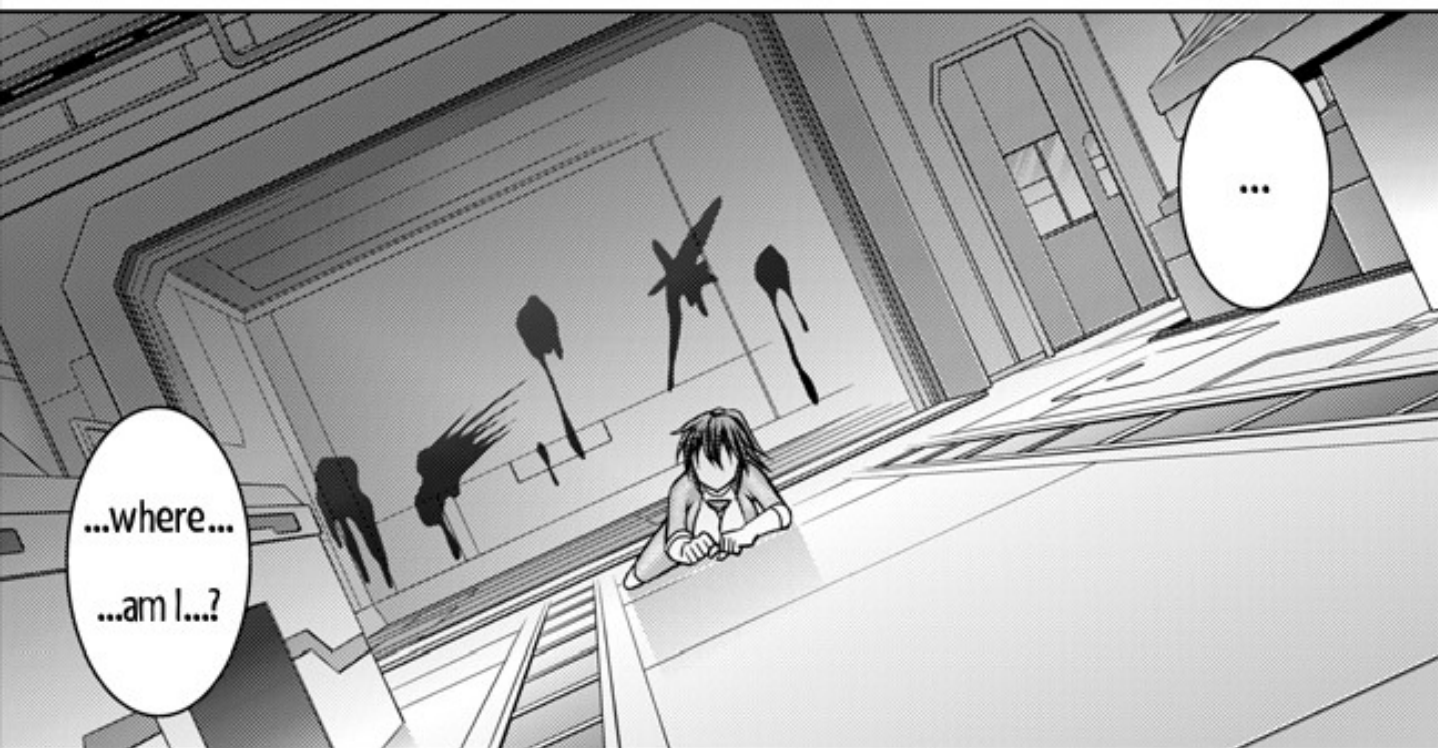

THAT CURE
OF YOURS
DOESN'T
WORK ON ME,
BECAUSE
I'M NOT
BRAINWASHED.

...that
creature...
is not my
mother...
not
anymore...

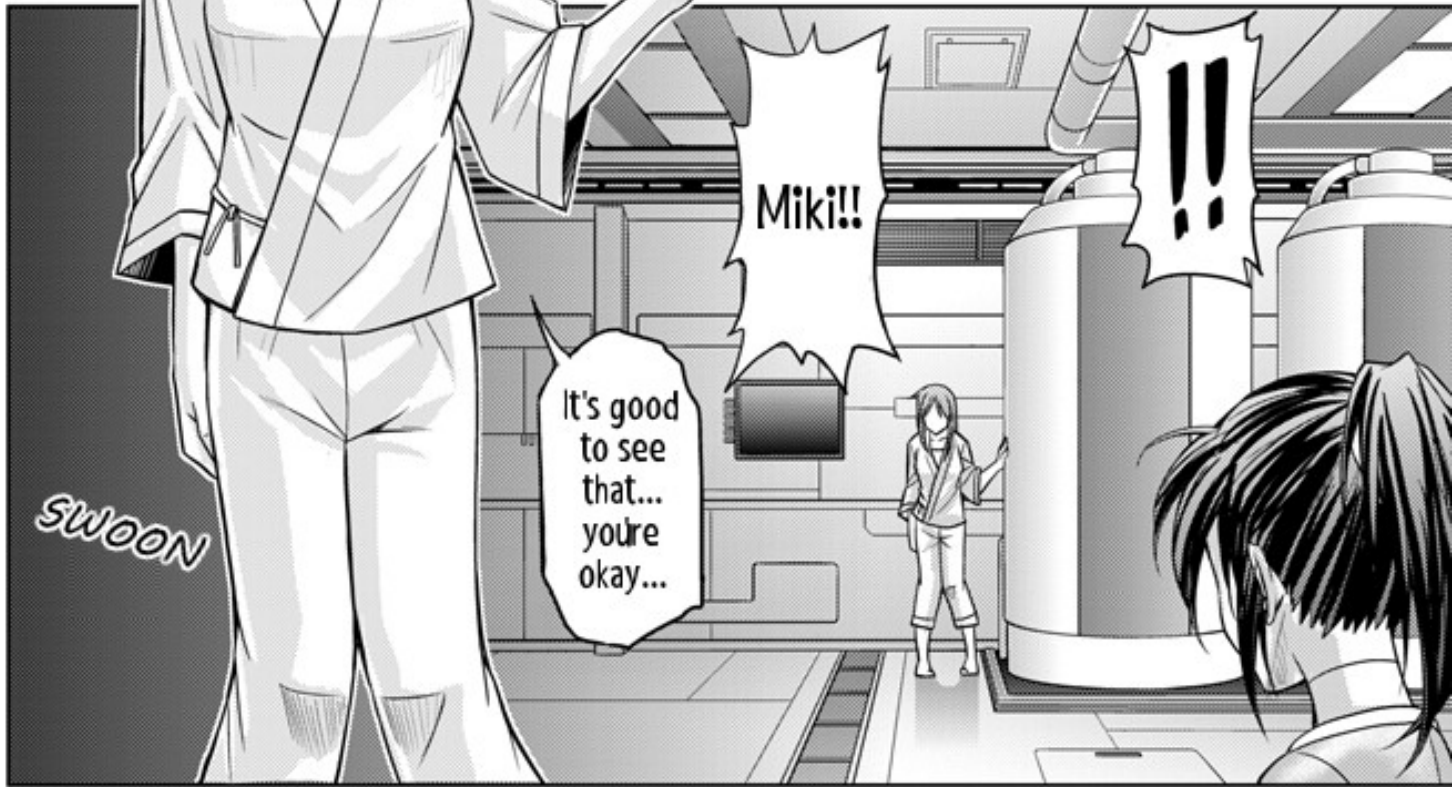

...will
I ever
see her
again...?

...what
happened
to her...?

Maya!

Miki!!

It's good to see that... you're okay...

SWOON

CLENCH

It's all my fault... They were counting on me...

It's over... I failed...

I think... I was given a knockout drug... but I'll be fine...

Yeah ...

What about you?! You look awful!!

TUP TUP TUP

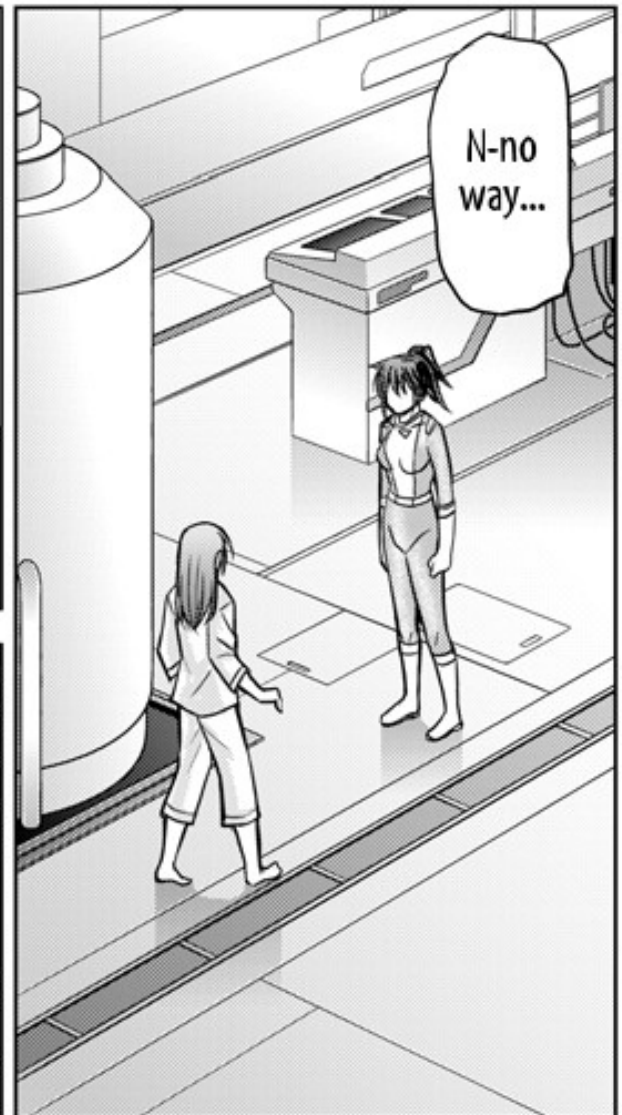

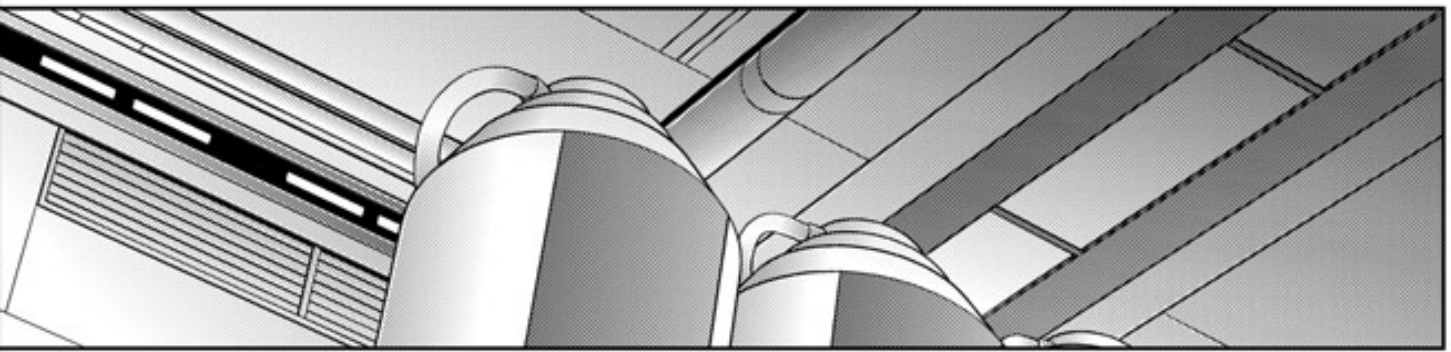

...

Did we ...?

Anyway, how is Dina holding up?

...my suit isn't working at all for me. I don't know... unless...

...It's... all a blur. I definitely escaped, but...

...how did you keep from getting turned?

So...

Maybe we still have a chance to-

...the Commander got out okay?

Hey... You think...

Maybe someone gave me a dose of AntiZOFa?

I'm saying that the Commander... **is the one behind this whole thing.**

No.

That's not what's happening here.

What are you talking about??

YOUR
PRECIOUS
FATHER
IS THE
LEADER
OF
ZOFFA.

Back in
Sector G,
before
I got
corrupted,
Benin said
to me:

...He
built me.
I'm his
puppet.

Wha
?!

He's used
me... all of
us... as pawns
in his twisted
little game.

No...
He never
cared about
me... until
I became
a DinA
Ranger.

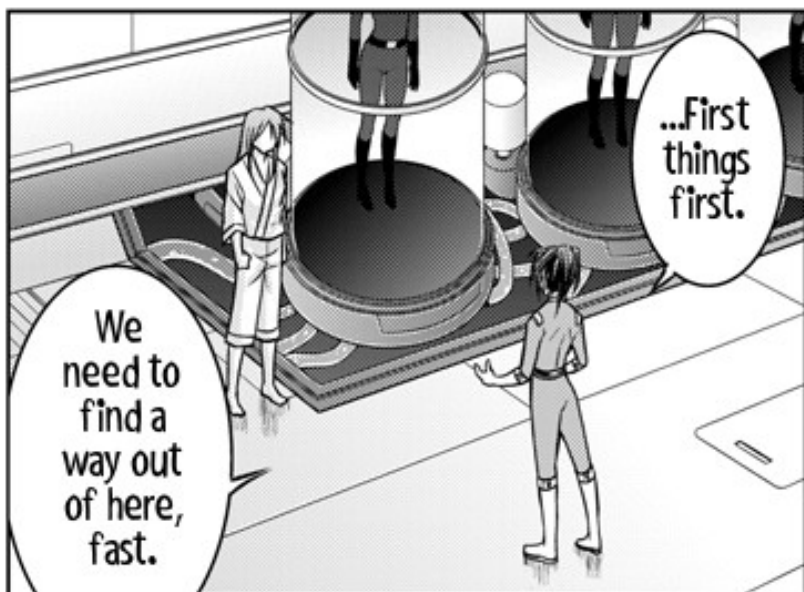

Your
father
loves
you!!

That
can't
be...!!

BUT
NO
MORE
!!

THAT
BASTARD
WILL DIE
AT MY
OWN
HANDS!!

I SWEAR
ON MY
LIFE THAT
I WILL
MAKE
HIM
PAY!!

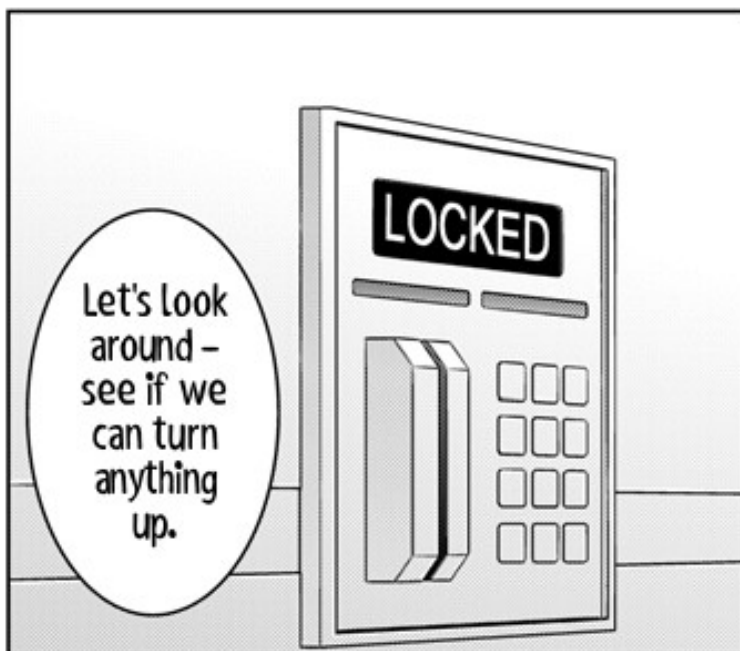

We need to find a way out of here, fast.

...First things first.

...but I have to keep fighting. I can't... **we can't...** give up now.

...That's right!

My mother may be gone for good...

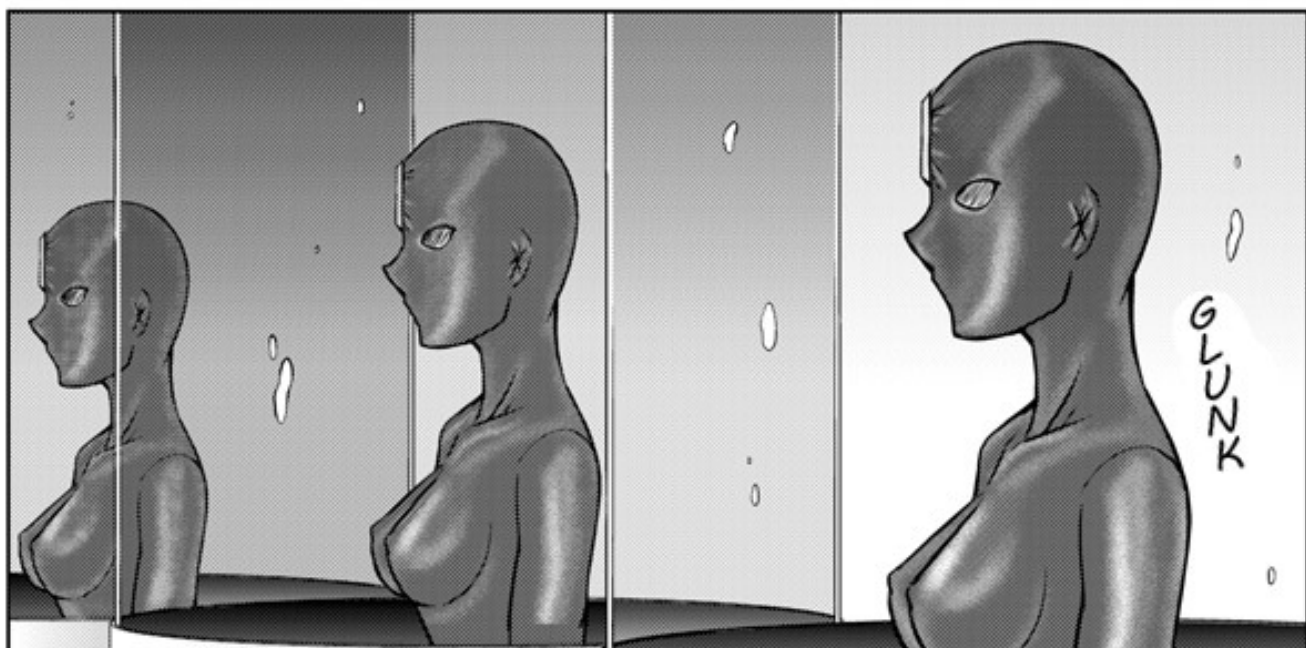

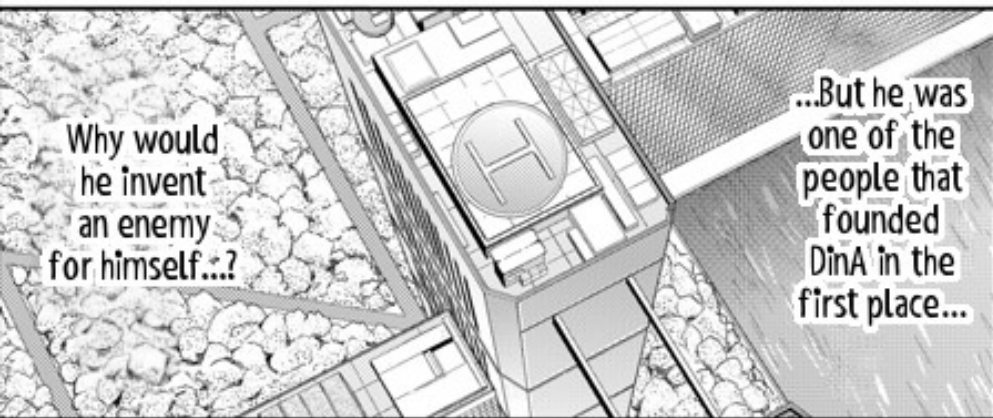

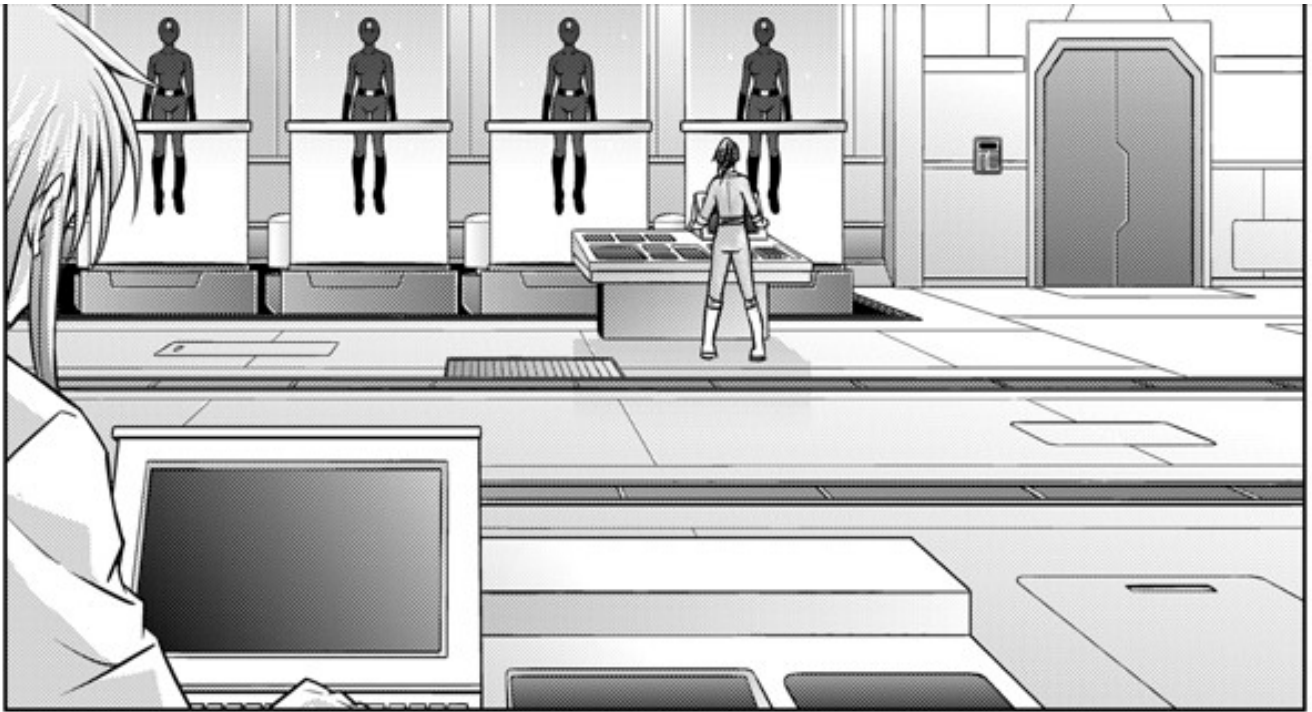

Let's look around - see if we can turn anything up.

Any ideas on how we can open it?

The exit's locked.

Why would he invent an enemy for himself...?

...But he was one of the people that founded DinA in the first place...

I still can't believe it...

Our Commander was behind this whole thing all along...?

It's like...

...he was waiting for something...

So why did he wait until now to do that...?

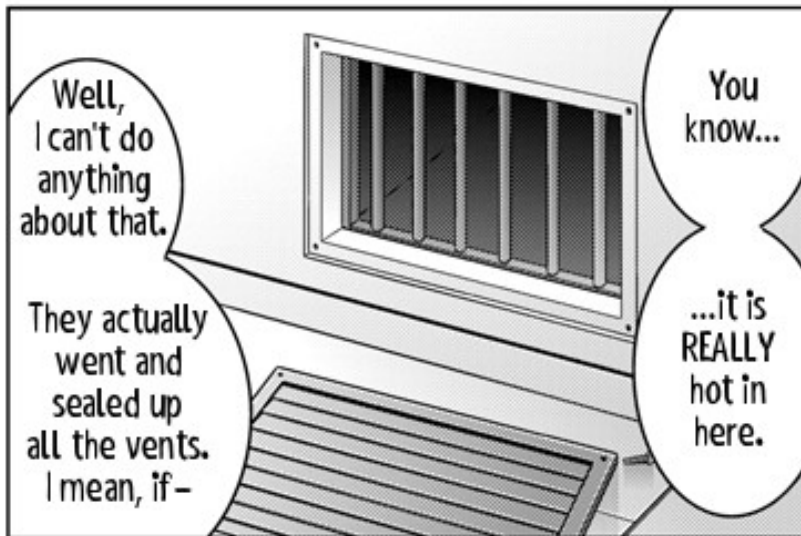

And besides, he could have easily orchestrated the fall of DinA at any time...

TWITCH

I can't access the lock from in here!

SLAM
DAMN IT!!

Well, I can't do anything about that.

They actually went and sealed up all the vents. I mean, if-

You know...

...it is **REALLY** hot in here.

PHEW

I'd be surprised if it was that easy...

RUSTLE

Ahh...

It's all right, you can look.

Hm?

WHOA!! Miki, what are you--?!

It's like a sauna in here!

Phew... It's hard to stay focused.

Whoa... okay, she's decent. Scared me for a second there.

...Still...

GULP...

it would be so GOOD to FUCK her to DRENCH her in ZOFA CELLS

Wow... she looks... so sexy... How did I not notice before...?

I never realized how pretty Miki is...

Nice breasts... slim waist... and a cute butt...

This...
this
feels...
just
like...
when I
became...

Ohh...
my suit
feels...
so tight,
all of a
sudden...

Hey, are you okay...?

...fine... stomach-ache... it's fine...

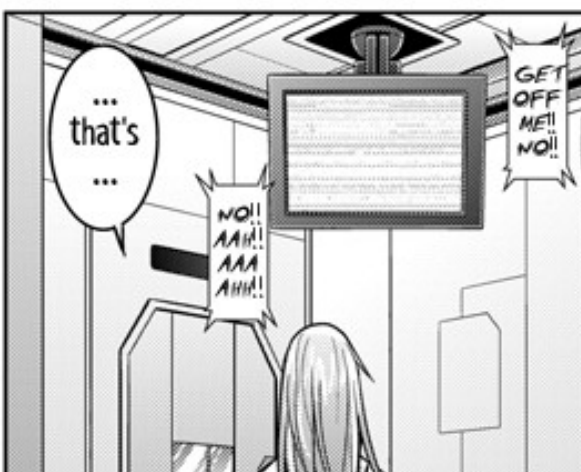

LISTEN TO ME!!! STOP!!!

STOP IT!!! PLEASE!!!

OH GOD!! SOME ONE HELP ME!!

No... Rukia...

... that's ...

NO!! AAA!! AAA AAA!!

GET OFF ME!! NO!!

やめて...みんな...
ちゅる

...What's wrong with me?!
Am... am I still infected...??
No... that's not possible...

あ...れ...
私...感じてる...

ハッ!
...it's... making me remember... how it feels... to be...
...なの...

UGH!!
AHH... I'M SO...

NO...!
IT'S SO... NO...

The Chief said she was clean...
so...
if it's only affecting me... then...

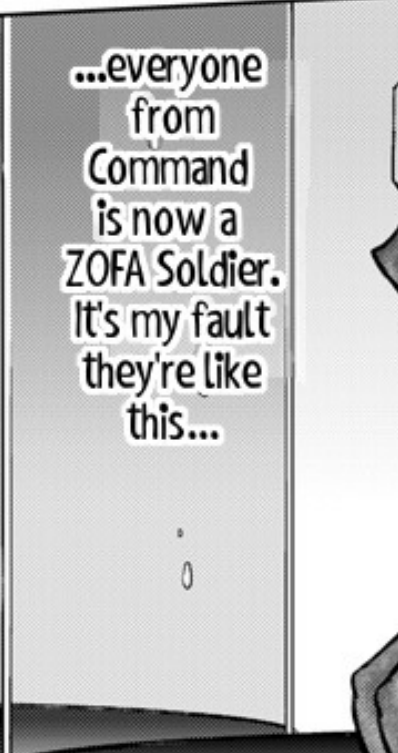

Miki still seems fine, though...

God-dammit!!
You bastards ...!

...My fault...
I don't know what to do...
I just...
I just feel so helpless...

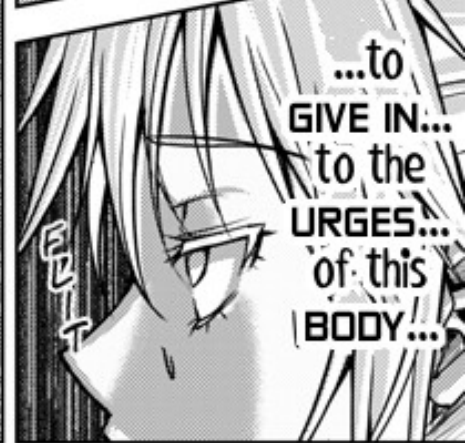

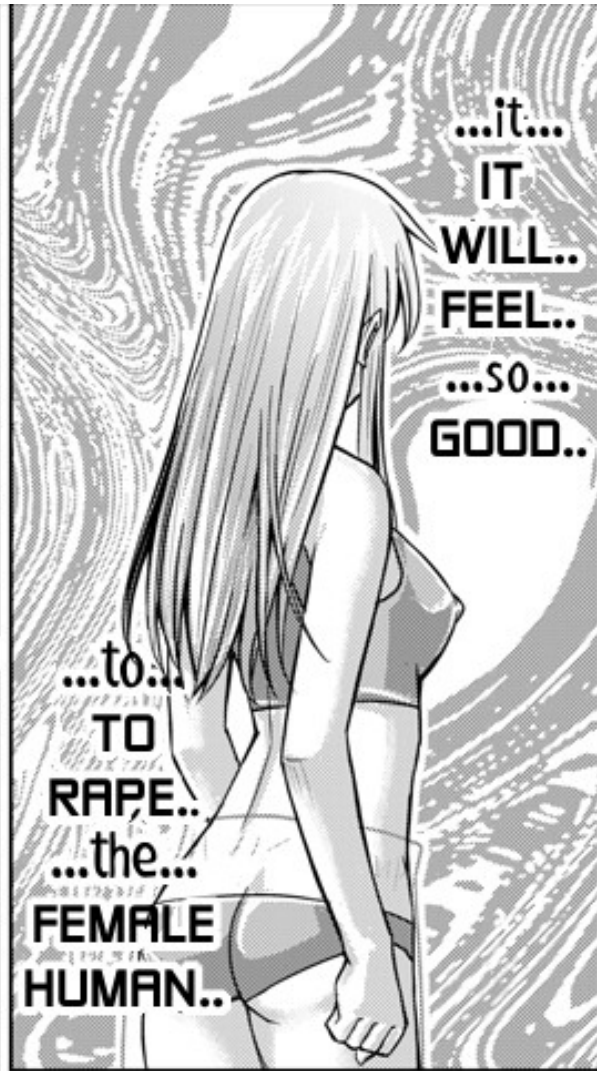

...everyone from Command is now a ZOFA Soldier. It's my fault they're like this...

I was supposed to protect DinA... but...
...because of me...

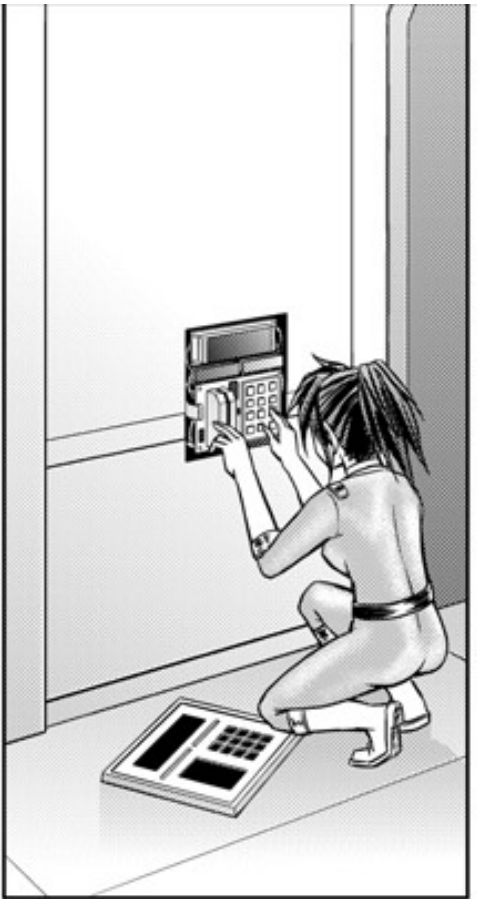

...shit...
...I can't
stop...
...thinking
about...
...Miki's
body...

PHEW

...what's...
...wrong
with
me...?

PLOP

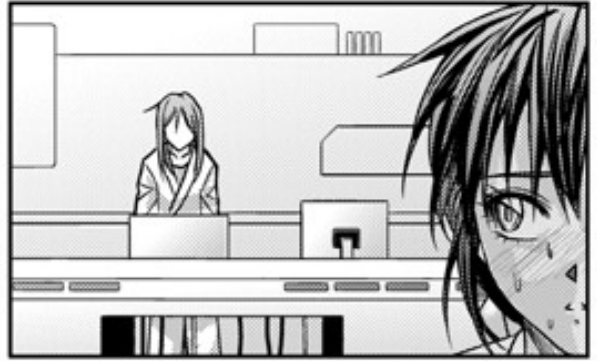

SHIT!
