

No one lives on this isolated island but someone called Kii.

On an island, far away to the south.

Gou, I'm over heere!

Let's go fishing!

Let's catch a lot!

Kii has fun every day with her dolphin friend Gou. That's how she peacefully spends her time.

There's plenty of fruits on the island and the fish is abundant in the ocean so that feeding is not a problem at all.

Both of them headed today for the ocean.

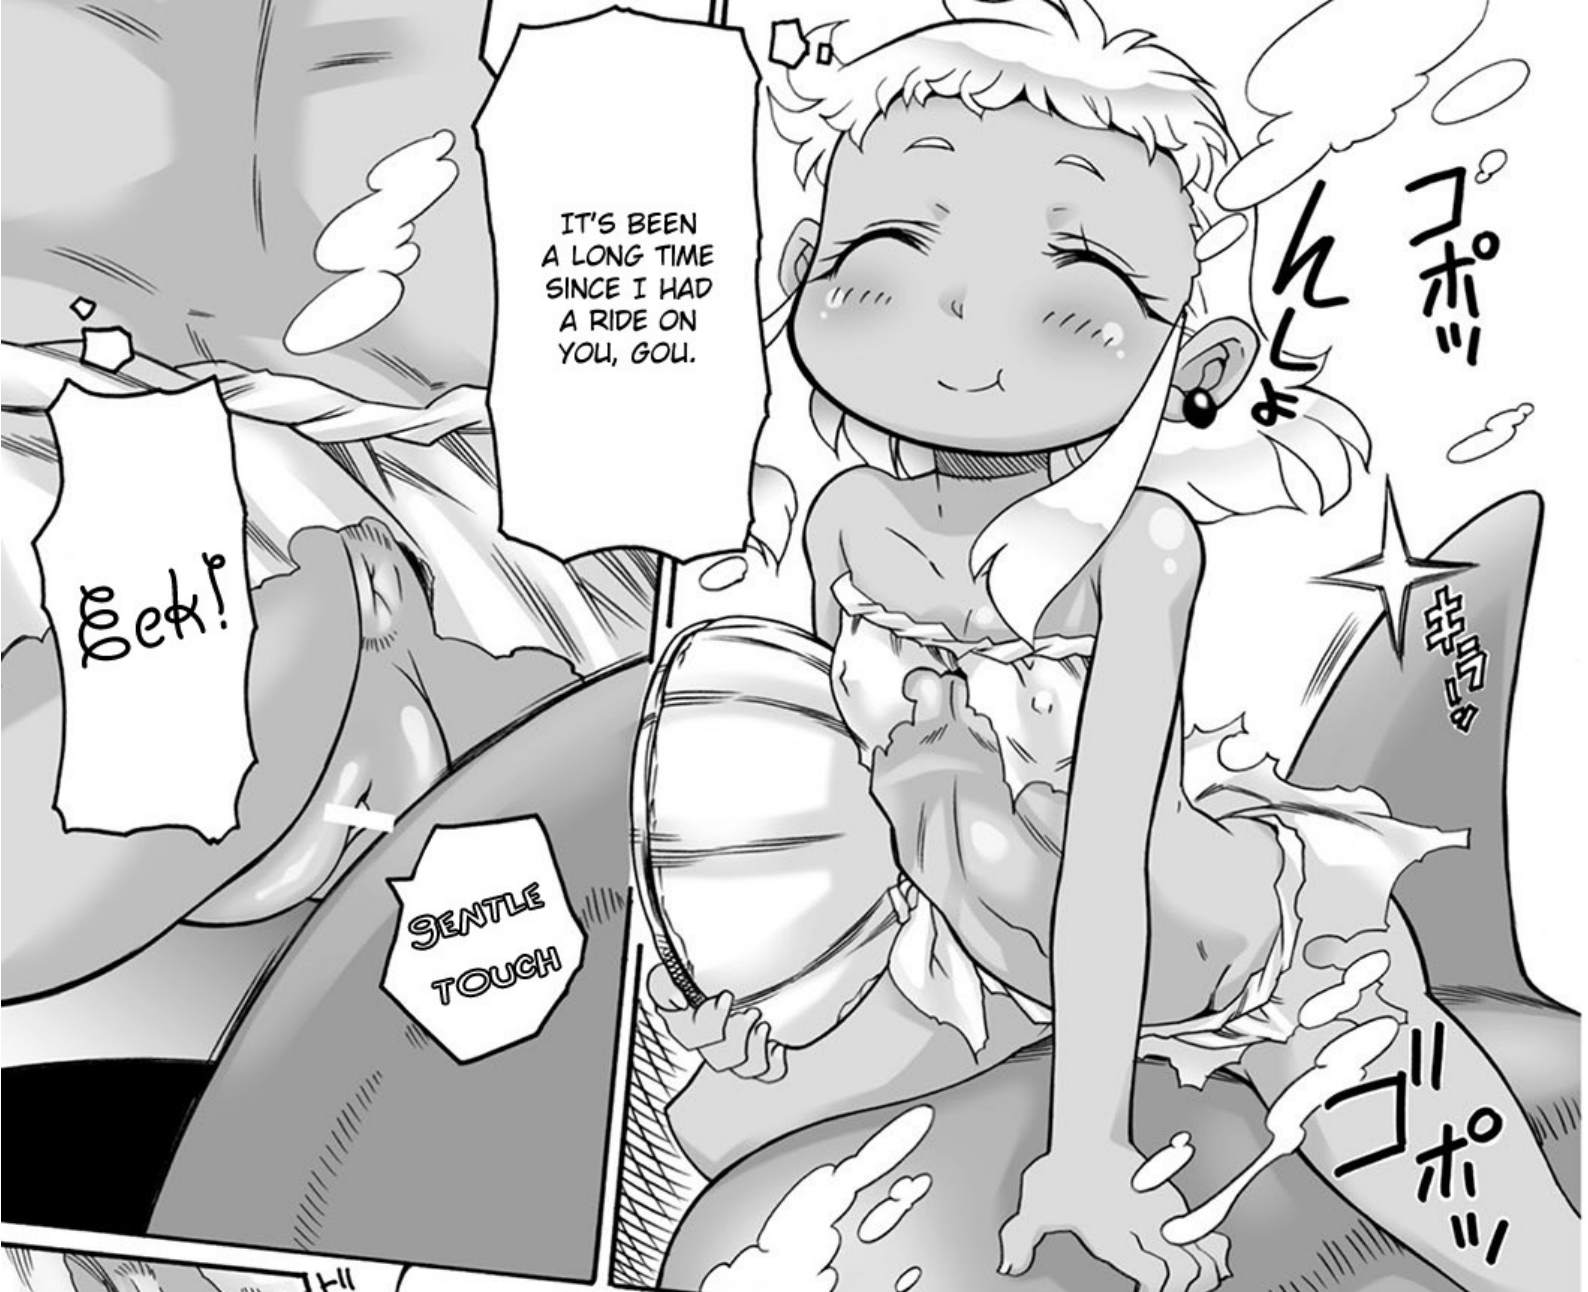

WOW, YOU'RE GIVING ME A RIDE, GOU?

Kyu-

THE THING IS, I CAN'T SWIM WHILE CARRYING THAT.

AWESOME, GOU! THAT'S SOME BIG SHELL-FISH!

IT'S BEEN
