

Here!
I'm
returning
the game
I borrowed

Hm?
What's up
Natsume
?

Yuu-kun!
Yuu-kuu
uun!

Ehehe...
These kinds
of games
don't scare
me
anymore...

Oh?
Did you
already
beat it?

What
gave you such
a confidence
boost?
These games
used to
really scare
you...

HUH!?

Ugh...
Miyashita
from
Chemistry
Just our luck...

Is your
brain too
sluggish
to under-
stand the
school
rules?

I'm going to
confiscate
this crap,
maybe you'll
study a little
better
at home
without it!

What are
you doing
bringing
this kind
of trash
to school?

Miyashita
...Sen
...Sei

Wha?
...Yeah

And you
just let
him go
by
himself?

He really
took
Natsume-kun
to his
office
Yuu-kun?

But they
couldn't
prove
he ever put
his hands
on her so
he changed
schools,
isn't that
true?

I did!
I heard
that he was
touching
one of his
students,
it's so
disgusting

Haven't you
heard those
horrible
rumors about
Miyashita-
Sensei?

You mean
Miyashita
Sensei
the scary
one,
right?

What?
He's
not so
scary

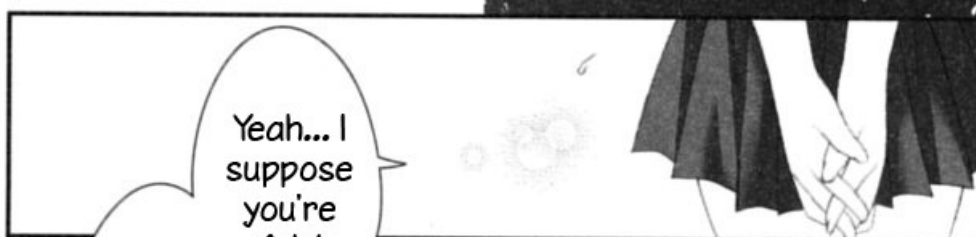

Also--

I heard
more kids
spoke out
against him
but nothing
came of it...
It seems
a little
strange

Oh come on,
Natsume
is a boy
after all...
So I'm sure
he'll be okay

Miyashita
took my
video
game

And
Natsume
took the fall
for me,
since he
brought it
to school in
the first
place

Yeah... I
suppose
you're
right

Still...
I hope
nothing
happens
to him

Ya...! Quit... Ah!

Sen... Sei Why are... you doing this...?

You don't need to concern yourself with being heard, no one will be coming to this side of the building for the rest of the day

You should try to be a bit more quiet but...

Ha...

Hahh

Huh

I suppose... It's a physical exam

What should we call it?

If you do what I say I promise you won't be in trouble and I'll even give back what I took

Now maybe should we examine Natsume himself...?

Hmm, well there's nothing unusual in your bag...

I have to see what else you brought with you...

This is
Natsume's
punishment

Punishment
for
breaking
the rules

All the
rule
breakers
always say
they've
got
nothing
to hide

And your
kind
never
change
their
behavior

Are you
trying
to act
like a
victim?

You're no
different
from any
of the
others

As a
teacher it's
my duty
to put
misguided
students
back
on track

So maybe
you don't
have anything
else?
It makes no
difference,
you must
still be
disciplined

I must
teach you
properly

We'll
continue
until you
realize
what
you've
done
is wrong...

You don't
seem to
show any
regret
Natsume

Keep
your ass
