

Then,
tonight too;
at that Kouya
sacred
shrine...

Tonight's
a full
moon?

Yes

Yes, it's
northeast
of the
mountain

There are
spells that
suppresses the
demons that
lives in the
mountain

It's
a blessing
that monk on
that pilgrimage
came to this
village half a
year ago

Thus,
every month
we haven't
miss a casting
the spell

The demons
have not
cause anymore
racket.

It's a monk with real powers

Oy, Here...

ティ

Pu...

雨降りお月さん

Ohh~
Yes
Look, I'm cumming!

Look, you'll have to suck it again

カホ

mugu...

It's annoying, Monk

Just a little more. There...

Soon, the effect will kick in

Because monkey's semen is thick

nn... gu...

nguu... nguu....

nguu... nguu... nguu...

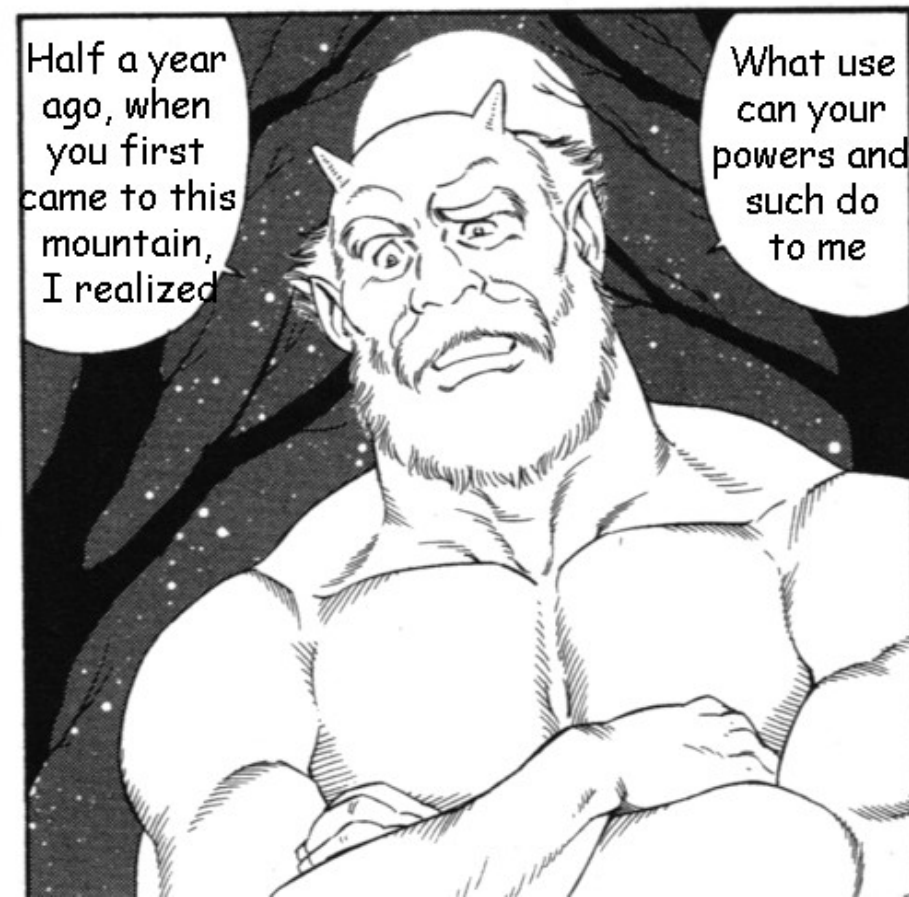

See, your fundoshi is bursting and engorge...

uh... ah...

ah... ahah...

nguu... nguu... nguu...

Sheesh,
Such a
stubborn
monk!

Ha...

Jackal,
how's his
hole
looking?

But it's
still very
tight...

It has
loosen up
quite
a bit...

And then
I have a
feeling
that soon..

So just
stop resist-
ing. How
about just
obediently
give your-
self up?

S-Shut up,
Be quite!

キツキツ...

St-

Stop
That's

Ok.
Stand back,
and leave it
to the
worms

うわあああああ

UWA
AH..!

Hi...
Ah...

あああああ

AAH-

ヒューン

Look,
My
Lord

It looks
like the
monk is
almost
at his limit

ははは

HA...

ははは

Ah...
Ah

ははは

ははは

Hey, worms,
plug it before
the semen
leak out

What,
that is
still too
soon

Fa...

nn...

Fu...

Oh...

Go...

Yes,
yes

Come,
go on,
continue...

ぐわんぐわん

If you...

If you...

If you...

If you...

Ok, Monk, come here and straddle **this**

アハ...

UAH...

look, it's already in

ah...
ahah...

Yes, support it like that

Then slowly, lower your waist

I'm going to enjoy this slowly

But, you're still not compliant.

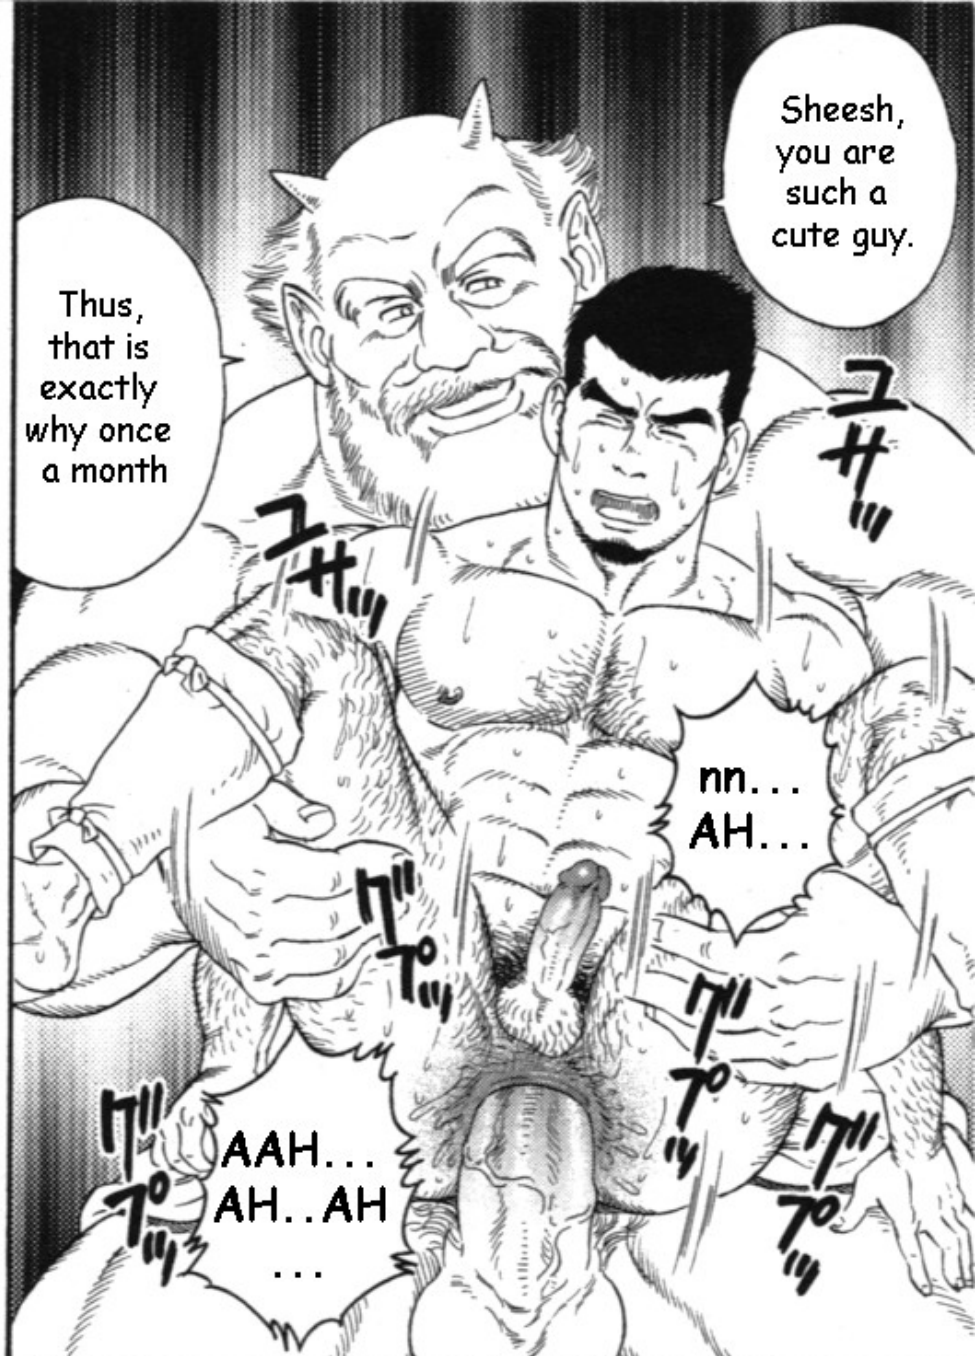

AH...

AH...

OH...

アハ...

アハ...

And you have the impudence to say that. Why, I...

S- Stop playing with me!

A union is suppose to be a happy occasion, and yet-

I'm not a dog, I'm a jackal

to be call a beast is rude

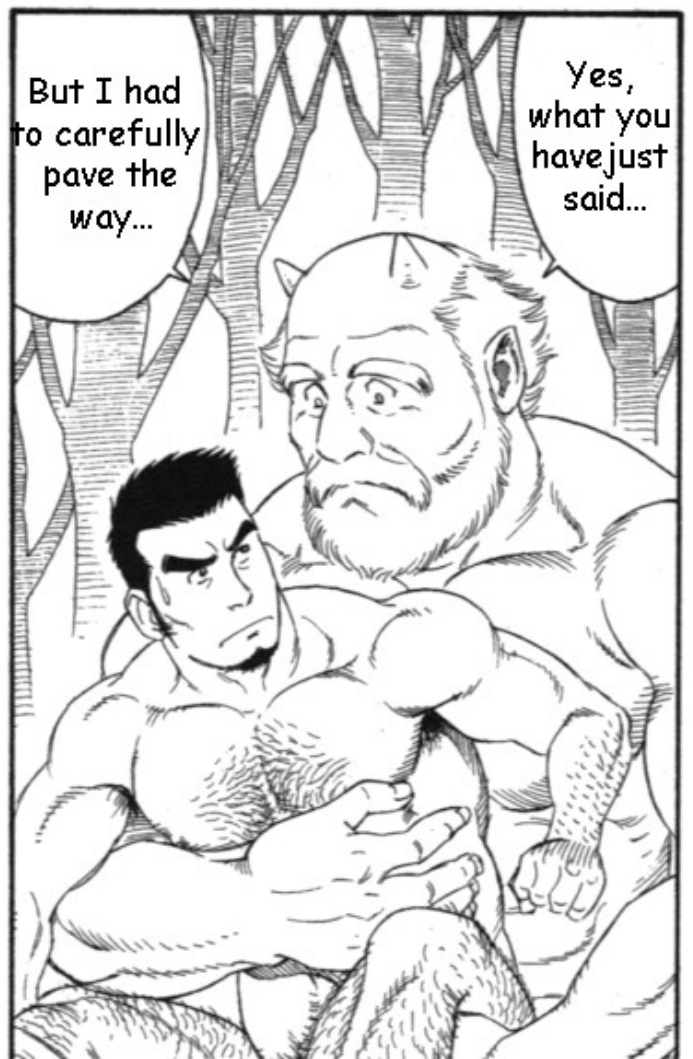

and with that sort of beasts...

to be played with by a monkey, a dog, and a worm

your hole would not have been able to endure and be tear apart in the end

because you accepted my cock, right?

But I had to carefully pave the way...

Yes, what you have just said...

ah...

あゝ

ah...

I think you're going to be my darling soon

I want to always be with you

That's all I have to confess

That's how I am improperly troubled by your figure

Still you're exceptionally cute

Stu-

please be my bride

ah... ah...

That's why,

AH..!?

I'm determine that

a more wider space would feel better

ふん...

It's about time I remove the plug

But anyway, in that case

ha... ha...

ha... ha...

but the moon is still out...

Oh? rain...

た〜ん

That mysterious moon, shine with so brightly...

look, there it is again

サササササ

It's almost like a sunshower
