

Hahaha...
That's
ridiculous!
How could
that possibly
go smoothly?

Hmm... Should
I quit my job
and just go do
it?

This
unknown
land.

If you were
to ask me,
I'd tell you
that this is
my home-
town.

Ah...
Eh...

That...

Filled with
new things
and new
people.

...last
time...

Every-
thing is so
unfamiliar.

But I
couldn't
stay away.
I felt very
homesick.

Ahh... I
really
want to
go back
home!

I
really miss
all those
friends of
mine and
those times
we fooled
around
together.

Thanks
a lot!

Is that so?

Oh!

Really? Wow! I also came here about three months ago!

Oh!

...about, like, three months ago?

Wasn't it...

Yep~

...a local girl?

I totally don't understand how this could be.

Yeah,

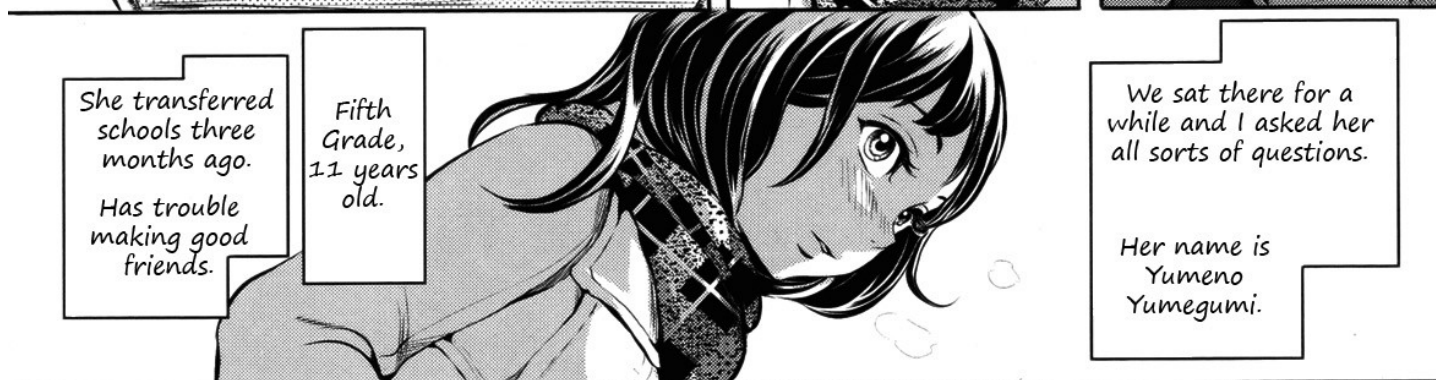

She transferred schools three months ago.

Has trouble making good friends.

Fifth Grade, 11 years old.

We sat there for a while and I asked her all sorts of questions.

Her name is Yumeno Yumegumi.

She's a completely different age than I am, and the things on her mind are very different as well, but none of that matters.

We're able to talk to each other about the things that matter to us.

Since the assigned seats changed last class,

The person who sits next to me is from Ueno.

By fifth grade, everyone is already divided into cliques...

Her situation and mine are very similar.

From then on...

friend?

be my...

Mr. Iizuka

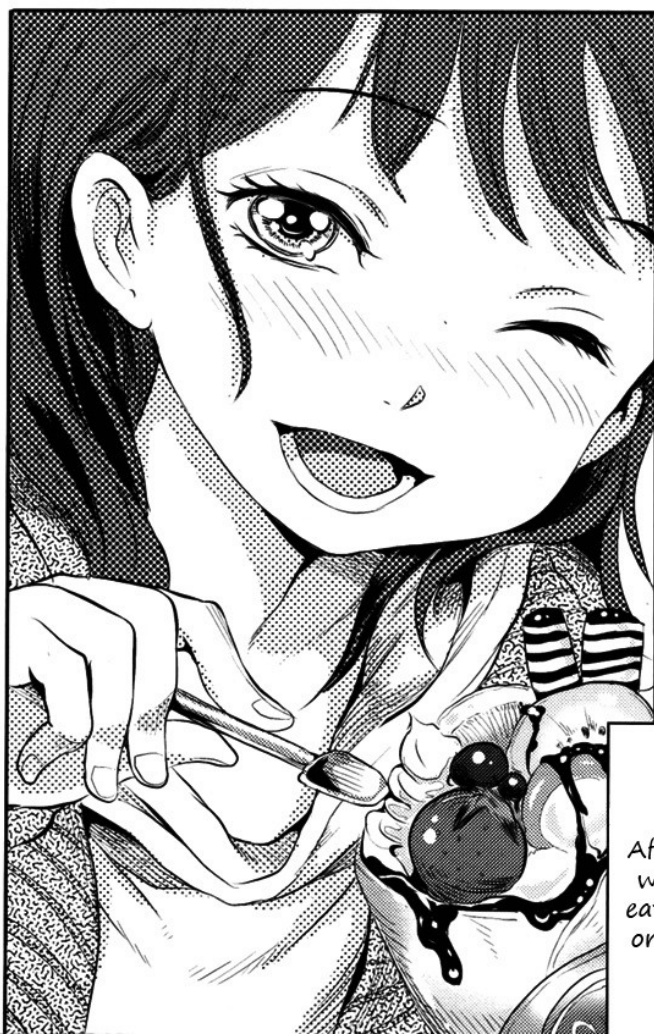

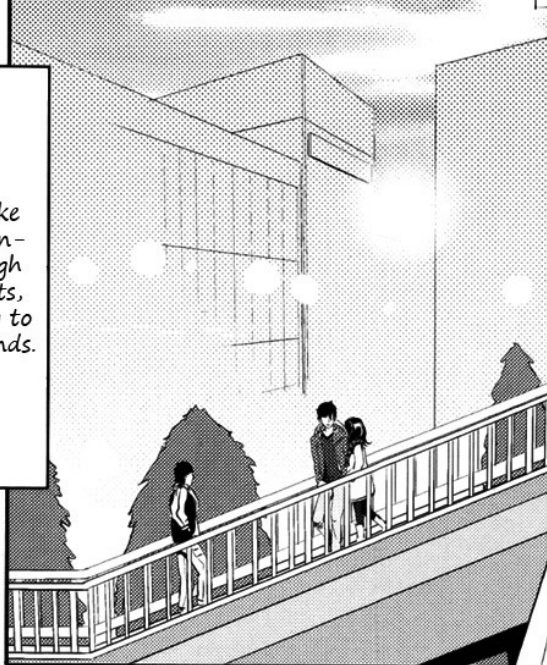

Please...

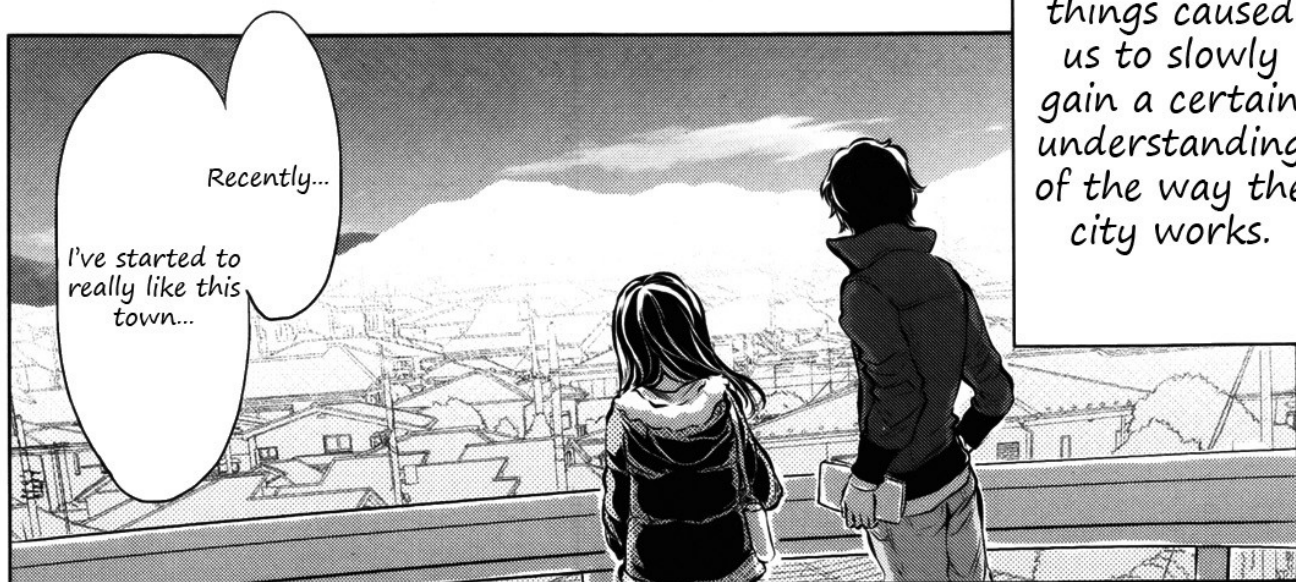

Could you...

Going
wherever our
curiosity
guided us.

Recently...
I've started to
really like this
town...

Doing these
things caused
us to slowly
gain a certain
understanding
of the way the
city works.

Yeah!
They're
pretty
kind to
us, huh?

Yeah...
I know,
I know.
Finally,
I feel like
I could
actually
live in this
town.
I'm also
acquainted
with a few
shop owners.

...Mr Iizuka's
Apartment,
for instance...

.....

One of
the scenic
spots we
haven't seen,
or something
like that?
There are
still quite
a few.

Where do
you want to
go today?

Oh?
Where?

Ah!
Can I
make a
request?

A
place we
haven't
gone...

Huh?

She said that,

And I had no means for refusal.

But it made me a little worried.

Well, she asked.

And I am a guy.

And sure enough, she has noticed that.

So she couldn't possibly know too much about a man's apartment.

But she's still a child,

And it's because of this ...

That I always refrained from asking her to come here.

Sure enough,

It got weird really fast.

What should i do...

Or rather, unpredictable.

Contrary to reason, she started the conversation.

Wait...

Kimi?!?

Until now, I've always...

Liked you.

...What's wrong with you?...

Mr. Iizuka...

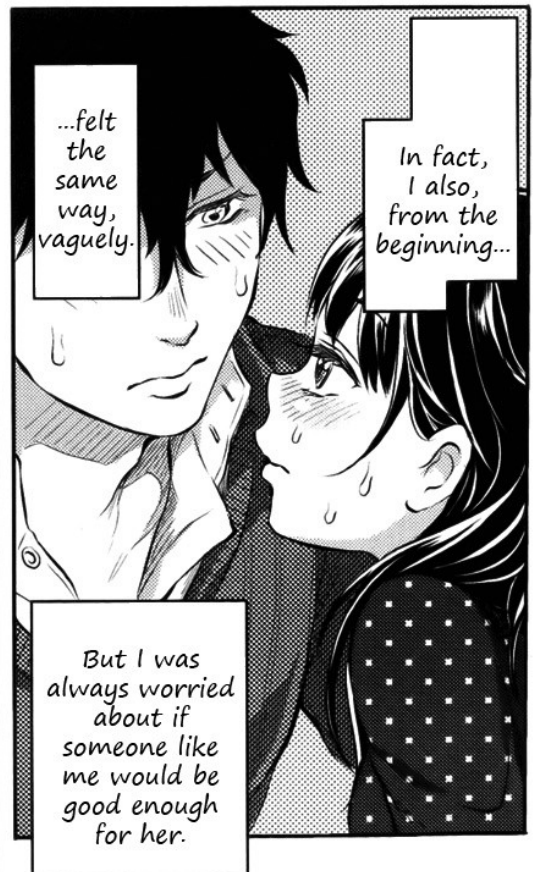

I...

I should say something back to her...

...but...

While from her mouth these words have come, I have already...

...felt the same way, vaguely.

In fact, I also, from the beginning...

But I was always worried about if someone like me would be good enough for her.

Ah... Ah...

In my whole life, I've never felt my heart beating so fast.

So...

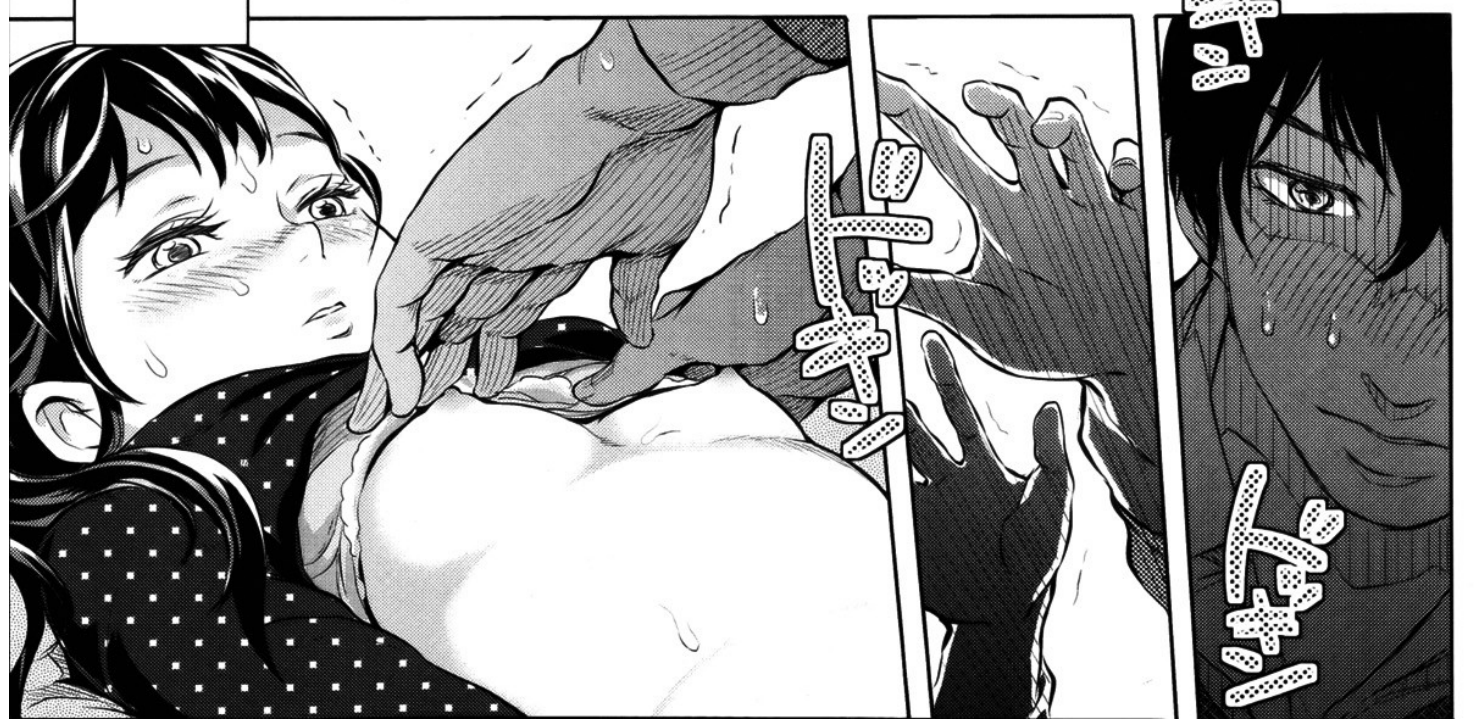

Is this what love feels like?

Hey...This development of feelings toward you ...

I...

To Mimi...

I can feel Mimi's heartbeat is fast too.

From below my hands...

Am serious.

You scared?

That...

Such a supple feeling...

ooh wah...

Oh...

Ah...

A little...

Does it hurt if I rub them like this?

A little...

yeah...

If you want me to stop, just say so.

Hi...
Hiroshi ...

Wha-?

So...

tears are
flowing out
of her eyes.

inside,
but...
Are you

Does it

moment.

Makes me think...

Mhm...

Like this...
Two people, connected to each other ...

...her fragile body.

With reluctance, I embrace...

As expected, it hurts a lot!

However... The pain still hasn't gone down.

Haa...

That everyone always worries about the same things.

But with just a little bit of courage,

I certainly didn't notice at the time...

I wasn't aware that there were things as important as this.

If it wasn't for Mimi, I wouldn't have built up my courage.

I would have continued just as I was, becoming an even more useless guy.

And I wouldn't have been able to love someone as much as I do now!

If Mimi hadn't taught me the things I know now,

I wouldn't have been able to...

Love this city so much!

Me!

This is my favorite city!

Yeah!
Mine too!

Hello!

This is my second H-manga release.

This one is a lot less rapey and a lot more lovey-dovey, but I enjoyed working on it!

:) I hope you enjoyed it too!

Please keep an eye out for my next release~
