by the way, where's that tall kid today?

you didn't need to go to all that trouble....

he transferred to a school in tokyo... he won't be coming here anymore

i see... too bad..

you'll cum a lot...

uwaaah... your breasts feel awesome!

mn...

that kid had the biggest penis, though...

fuaa!

ah... i already invited someone else...

(name on the bag is Miyahara Soushi)

we don't
need to
worry about
money

it's just
been me
and my
obedient
son

my husband
has been
working
away from
home for
half a year

without him
around, the
only thing to
do is
housework,
everyday

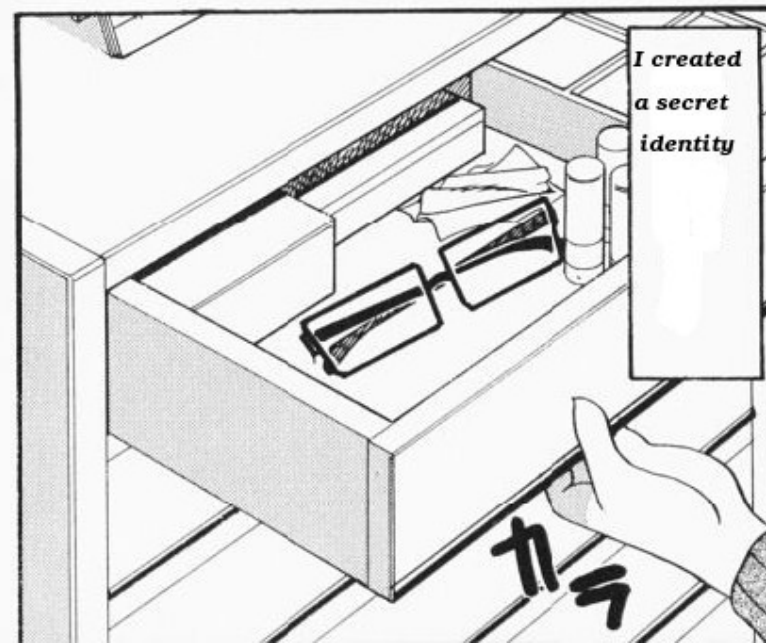

my neighbours
say they're
envious of my
absent husband

to add some
thrill and
excitement to
that dull
routine

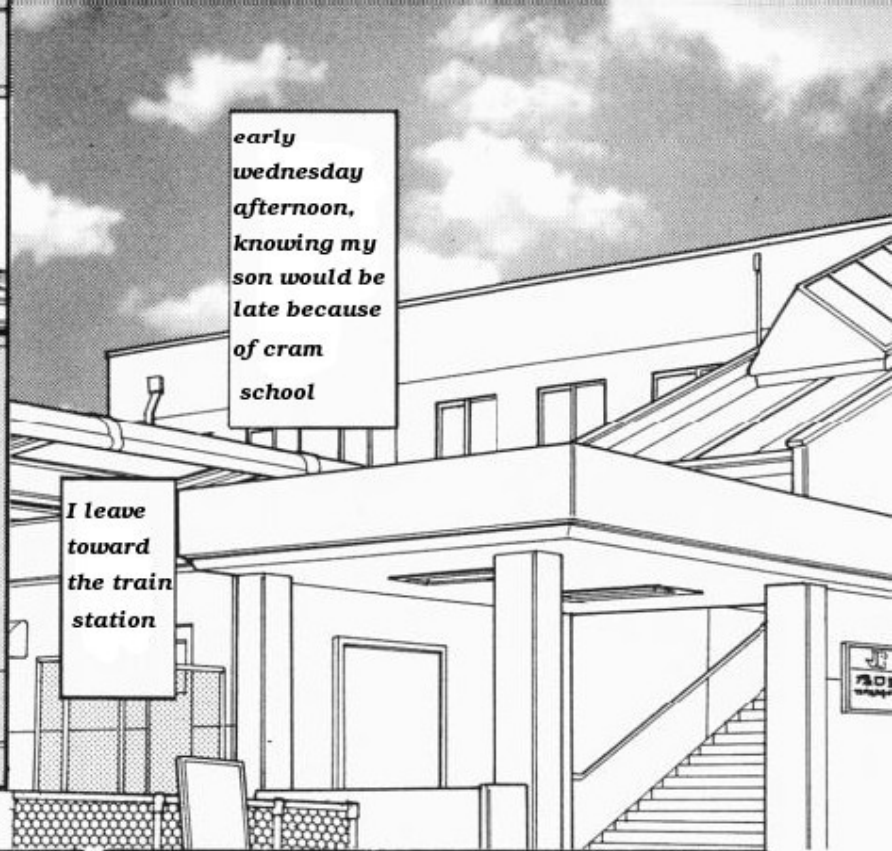

but my heart
and body are
left longing

I created
a secret
identity

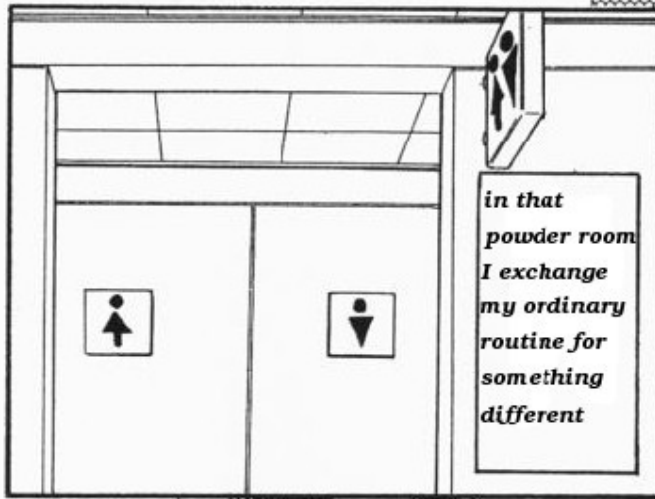

from
there I
take 2
trains

early
wednesday
afternoon,
knowing my
son would be
late because
of cram
school

I leave
toward
the train
station

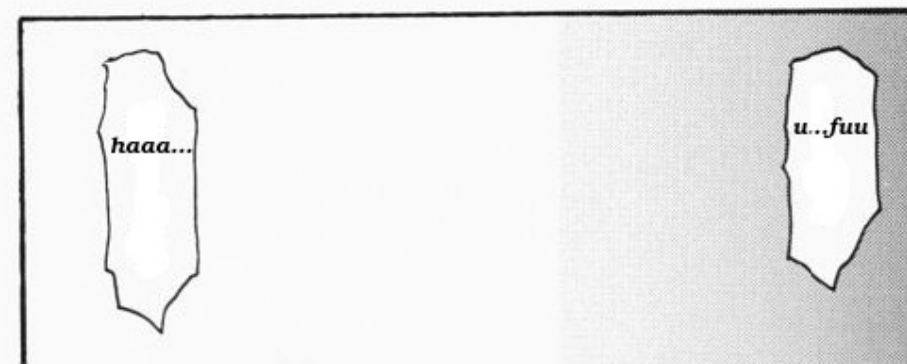

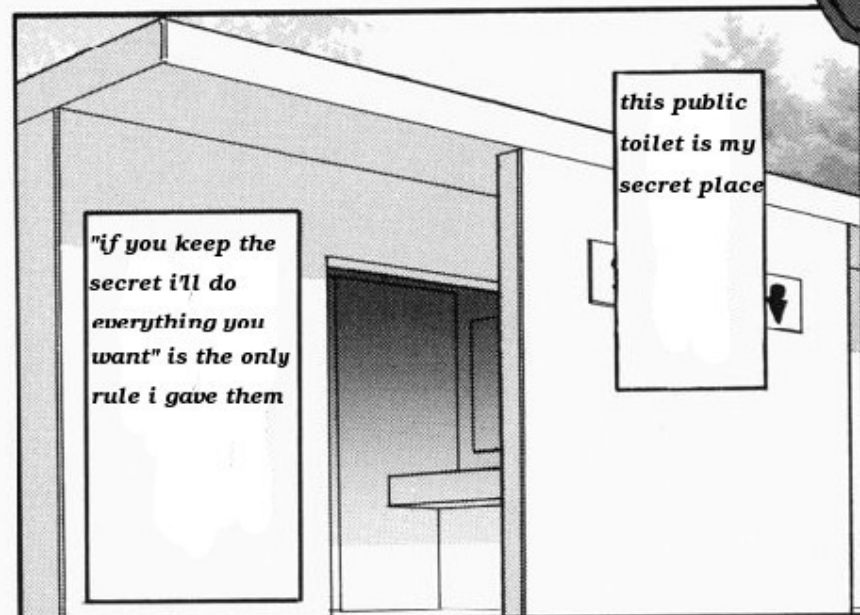

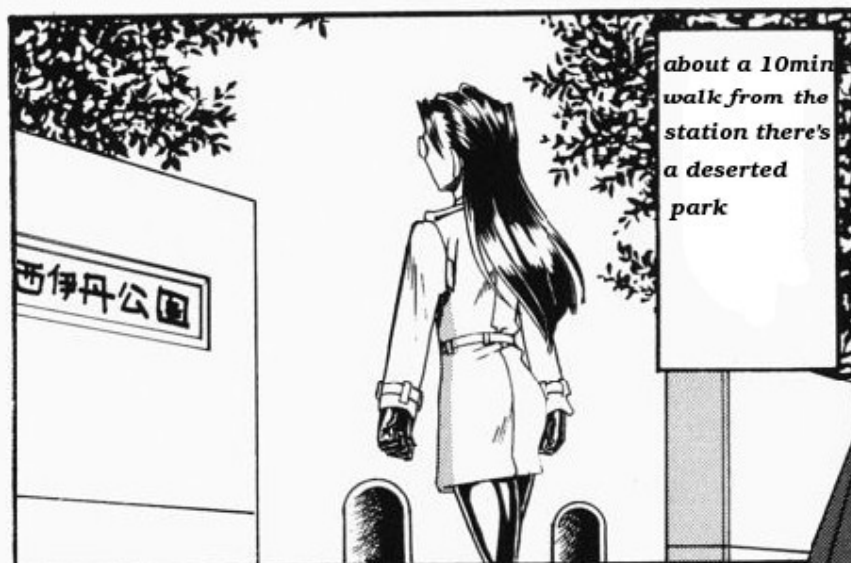

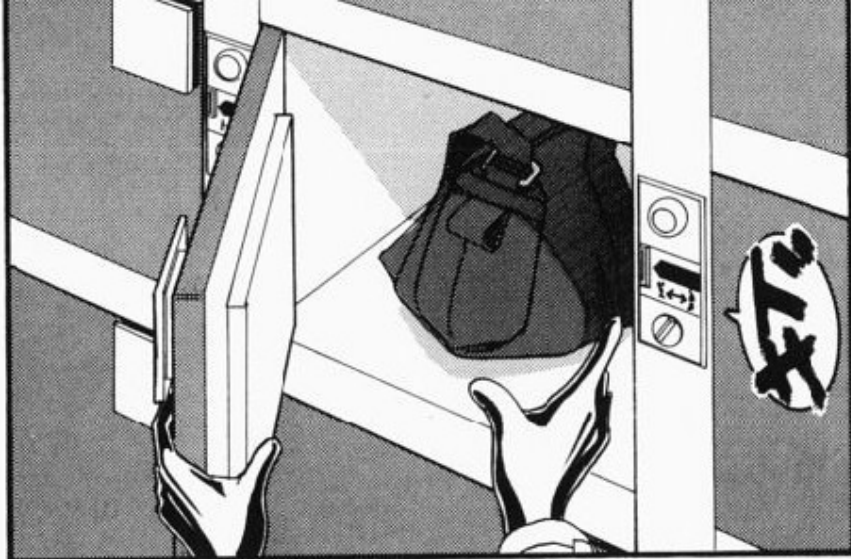

in that
powder room
I exchange
my ordinary
routine for
something
different

I get off at a
station which
doesn't have
many
passengers
during the day

West Itami
West Itami

it's...
too
intense...

They wanted to
keep having
sex, so they
kept the secret

uwa...
oba-san...
drink it...!

fuau...

ku...
i'm about
to...

this
pleasure
won't
end...

Give us
a bit of
time to
recover

We've...
already
done it
twice....

ara...
finished
already?
Let's have a
little more
fun

I'm
still
horny...

ah...
good
timing.
another guy
has come

Ueno-
kun

You're
late,
Miya-
hara

eh...

It...
can't be
...why

hiii....

aah...!

since that
day....
I've stopped
going to
that place...

When this door is opened...
the dull routine until now...
will be entirely changed...

I don't need to go
to that place
anymore
