★ESTRELLA★

By Tsukasa
Matsuzaki

Now, the whole arena is astir! The trademark killer move of Reiji, the handsome masked wrestler that's also making huge waves as a multi-talented entertainer.

ダダダ!

A splendid three-count! The game is won by contestant Reiji! How magnificent!

He's striking a victorious pose in response to the enthusiastic cheers from both his male and female fans! He might be young, but he's glistening for sure! Compared to last year when there were many conspicuously empty seats, this year it's almost completely full! This is certainly the Reiji effect!

The whole arena is roaring! There are many young women sighted within the audience! Seems that contestant Reiji's popularity is skyrocketing!

We can surely look forward to contestant Reiji's future improvements from now on! It'll be a battle worth watching!

Let me embrace you, Reiji!

Kya-! Embrace me!

SFX: Yay, yay!

Eh? The postmortem review session is still ongoing? I have finished showering – so I'll take my leave first, senpai!

Isn't our
work a form of
entertainment?
The most
popular one is
always the
greatest.

Yonamine-
san, you're
such a
nag!

It's just
because of
your stupid
labels, this
industry has
started to
decline.

Pro-
wrestling
isn't just
for
show!

This guy
pisses me
off...

The number
in which they'll
come, will
depend on our
'performance'
from now
on.

You too
know that
spectators these
days won't even
look at wrestling
competitions with
age-old, cliché
scenerios,
right?

Reiji!
I'm going
to propose to the
club president
to fire you!
Remember
this!

President!
I've had
enough
of Reiji
already!

SFX: THUNK

No one
on our team
can accept
that!

Yonamine
do you
understand
our circum-
stances right
now?

Aren't
you giving
him too much
special treatment
already!? Even his
pay is too much
higher than that of
our mid-level
wrestlers!

If you do,
then as our
oldest veteran,
you should teach
him to com-
promise and
make sure that
he gets along
with all the other
members
too...

I am a
wrestler, not
Reiji's parent!
I refuse to
do such a
thing!

But...
president! What
am I supposed to
do with Reiji's bad
attitude!?

I think
it's quite the
reverse.
I am the one
that's supposed
to educate
Yonamine-
san.

Reiji!?

I know
that's it's
very difficult to
attract and keep
audiences using
just K1 and
pride...

Frankly,
I do know that
Reiji's popularity
is what's enabling
us to get by
right now!

Too bad, I am the one who've made an appointment first. The truth is that I've had enticing offers from other clubs, asking me to switch over to them instead, however, if you will accept **my** conditions, I will stay.

I'm the one who's currently talking to the president!

Please understand, Yonamine. If Reiji moves to another club now, our own won't even be able to maintain itself anymore...

That's right... we'll be changing Reiji's contract, he won't be just a wrestler anymore, he'll manage the club as a producer... in other words, he will be your superior.

Please abide by my performance plans! I'm looking forward to it!

What!? He as a producer?

Reuji!

Reiji!
You
bastard!

This... this
jerk... bluntly
digging into
others'
wounds! I'm
going to
punch his
lights out!

Ah, no
problem! I'll
gladly sign
it for you.
Please
come and
watch my
match!

Gorilla,
gorilla!

I hate it,
but I have no
chance but to
go along with
his games...
but anyway,
he'll screw
it up soon
enough...

I am damn
pissed off, but
if I'm kicked
out from the
club now, an
old geezer like
me is unlikely
to get another
contract.

It's a sudden change of style, but I think they've gotten the heart of the spectators!

Hmm... indeed, there hasn't been such a large audience for some years now.

What does a greenhorn like him know about pro-wrestling!

Although there are many fans of his stoic style, he's really suited for this role!

Especially the rampage of the normally traditional veteran, Yonamine, who's playing the bad guy - that was particularly stirring!

Commentor Kunimatsu-san, what do you have to say about the numerous surprises tonight?

Yonamine is unstoppable tonight! He's just easily thrown the newbie Uchidou onto the mat!

pant

pant

The number of spectators is also abnormally large this time!

Will he
be able to stop
Yonamine?
...ooh! Yonamine!
He's attacking Reiji
with his elbow, that's
against the rules!
Reiji... he's
bleeding!

Uchido is down!
The tremendous
strength and
power of
Yonamine right in
front of us!
And now, Reiji's
intruding!

As expected
of a veteran
like him, he
can do
anything!

Looks
impressive
but it's just a
small scratch
on my lips,
what great
technique!

The
arena's
filled with the
spectator's
boo-ing on
Yonamine! And
ofcourse cheers
of encoura-
gement for
Reiji!

*Reiji's
kick was timed
beautifully!
Yonamine's
down! Oh no!
He's standing!
He still stood
up!*

*And
Reiji's now
continuing his
attack! He's
down again!
Can he get
up this
time?*

*Why do
I have to go
according to your
scenario!? Did
you think that you
can knock me
down that
easily?*

*Reiji's
leaping down
from the top rope!
Yonamine's tightly
guarding himself!
Will this be
the decisive
move?*

*You've been
happily
engrossing
yourself in your
role, but you'd
better not persist
and forget your
job now, old
geezer!*

U-
Uhhh...

S- shit...
My body
feels like
it's gonna
fall apart...

Oh!
You're awake
already? You're
indeed
tough!

Where
...am I?

It's better if you don't force yourself to move around? The doctor said that you were too reckless, you're apparently pushing your old injuries to the limits of your tolerance for pain already.

Reiji...!? Why are you here?

twang

You're no longer young, yet you keep stubbornly pushing yourself too much. Thanks to that, I had to go at you a few times.

Don't you fucking lie... Owwww! That hurts! SHIT! What the hell!

Also the match was a great success and it's been decided that the next match will be broadcast live on TV.

This is the hotel next to the arena! I am going to collect my "special bonus" right now.

Huh!? Hotel? Special bonus? What are you talking about?

That wily old fox of a president had promised me that if I don't transfer but stay on and accept the post of producer, and succeed... Yonamine-san's private life will also become mine.

Huh!? What the hell was that! I've never heard anything about it... and what!? Y- you're a homo!? Uwa! Don't touch me!

You're that "bonus".

Shit... that means in the end, things will go according to his plans...

Ah that's good then... by the way, where exactly is this place? I'm going home, so call a taxi for me.

SFX: Pull; slip

SFX: Throw

SFX: Splurt

SFX: Squelch, squelch; slip ->

Now, shall I apply some insurance, just in case?

#2...

Stretch

So just from a little rubbing, it's already like this... looks like you can get hard with a male partner too?

ん! ん!

A rubber tube...?

SFX: Squelch, squelch

Ah-aah! Don't touch it, you stupid-idiot!

Reiji... S- stop!

SFX: Grind, grind

Nha?

squelch

Shit!
I'm going
to get
fucked.

A-a
wonderful
feeling is
coming from
my cock!

Wahh!
W- what is this...!
What's going
on!?

SFX: Squeeze, squeeze

I-I have
always been
in love with
you. That's
why I made
up my mind
to become a
wrestler.

Eeeh...!?
D-
dream?

It's twitching
inside me,
Yonamine-san!
With this, my
dream finally
came true...!

Unn...
such great
size and
hardness!
A good
"sword"
indeed.

It all went
well, as you
can see.

I wanted
to become
someone that's
on the same
level as
you...

A long time
ago, when I
first saw your
debut...

So,
I became a
wrestler.

I fell in love
with you at
first sight!

Bit by bit,
I got closer to you...
I'm gay, so I wanted
you. I have been
waiting for a chance
like this in so much
time!

You damn
bastard!

SFX: Grab, creak, creak, creak

SFX: Grit, grit

SFX: Creak, creak

pant

pant

pant

Aah,
that feels so
great!
Yonamine-
san's inside
me!

I am so
happy,
fucking love
you!

Kuuh!
It's... squee-
zing me too
tight... What
is this? Ahh, I
can't stop!

With the
rubber tube
constricting
my urethra,
I can only cum
in spurts... I
can't orgasm
properly
at all!

splurt

throb

throb

Then,
without a
time limit,
the second
match
begins!

Fuuh~
Your cock's
pretty strong
too! It's pretty
happy with a
male partner,
isn't it?

Take
off the
rubber
tube...

SFX: Wriggle, wriggle
