2013 REVISION

OH

BEFORE THOSE GUYS BREAK DOWN THE BARRICADE AND ESCAPE OUTSIDE,

BOLT, YOUR JOB THIS TIME IS THIS,

KILL THEIR LEADER AND STOP THEM FROM BREEDING.

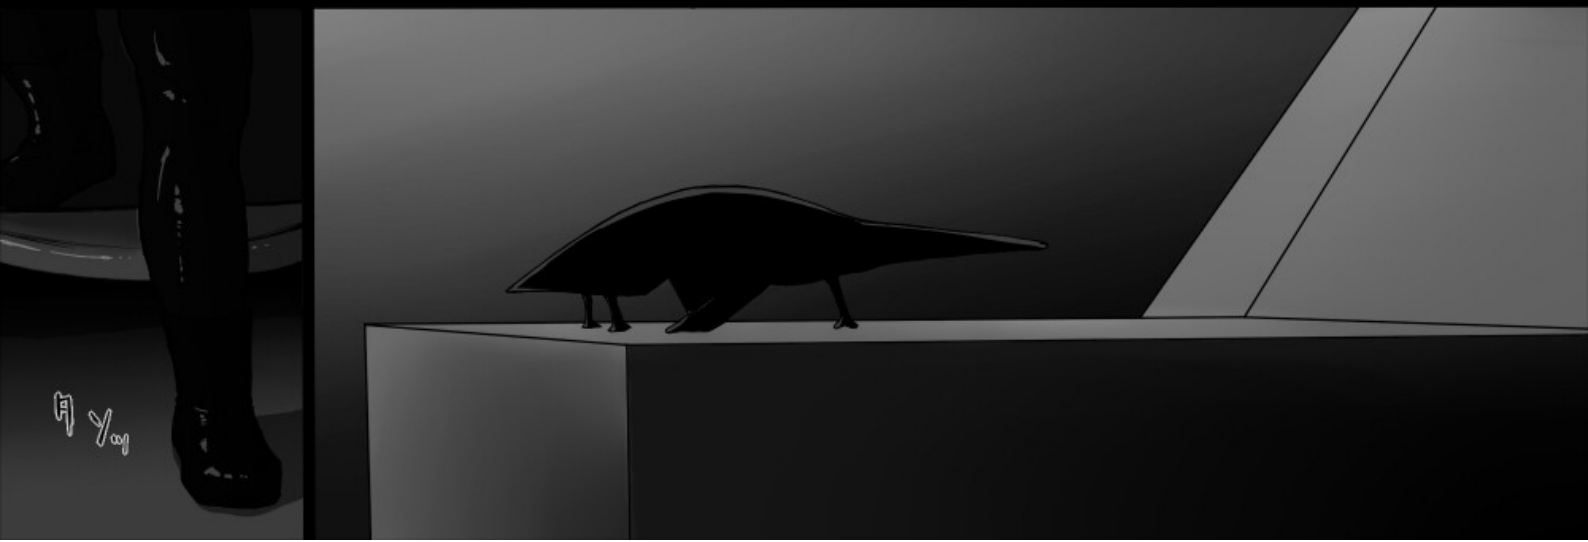

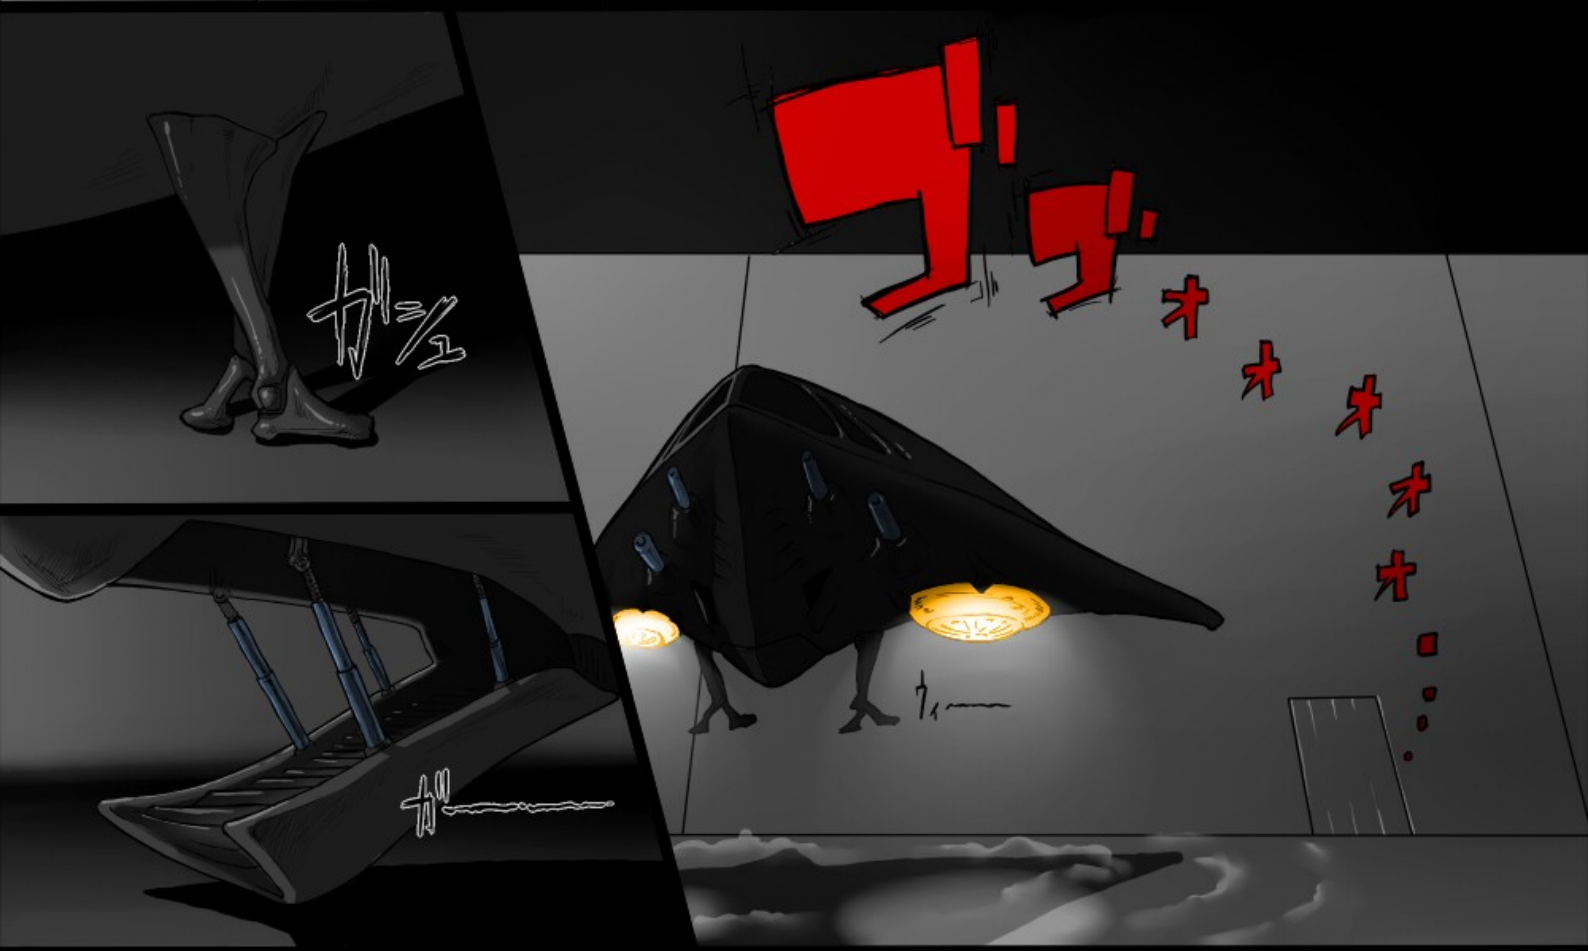

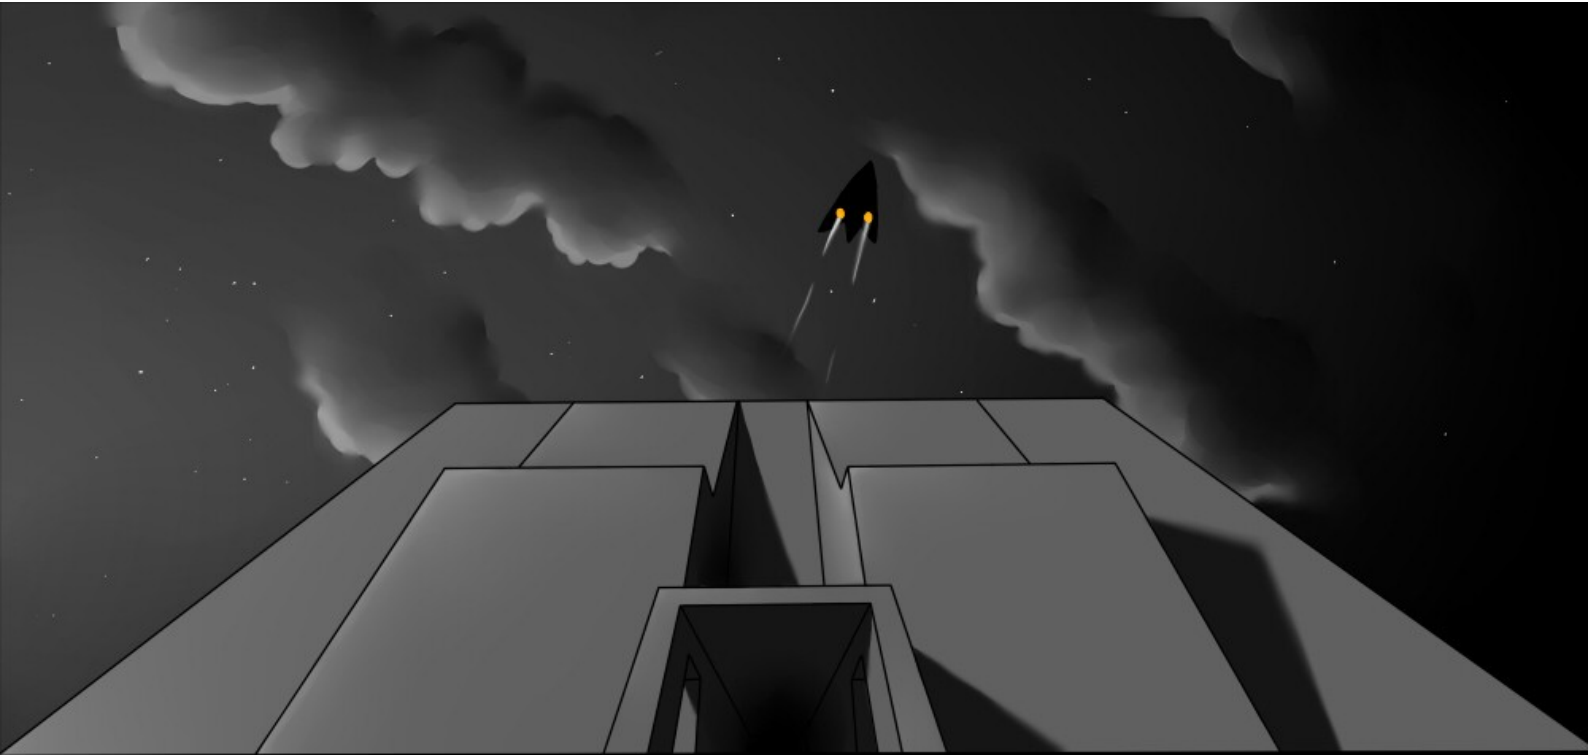

THERE IT IS.

...

IT'S UNDERNEATH THAT RESEARCH CENTER. A FAILED EXPERIMENT ON GENETIC MANIPULATION GAVE BIRTH TO SOME MONSTERS. NOW THEY'RE STARTING TO REPRODUCE, INCREASING THEIR LARGE NUMBERS.

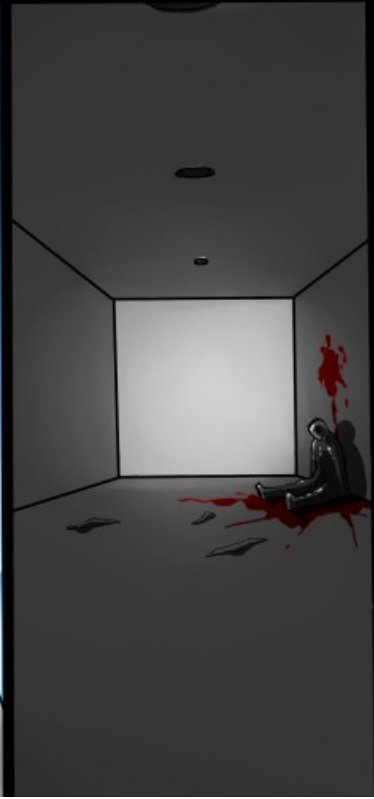

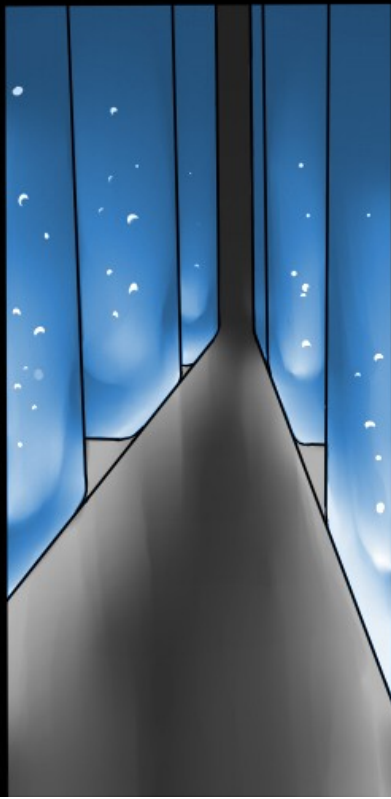

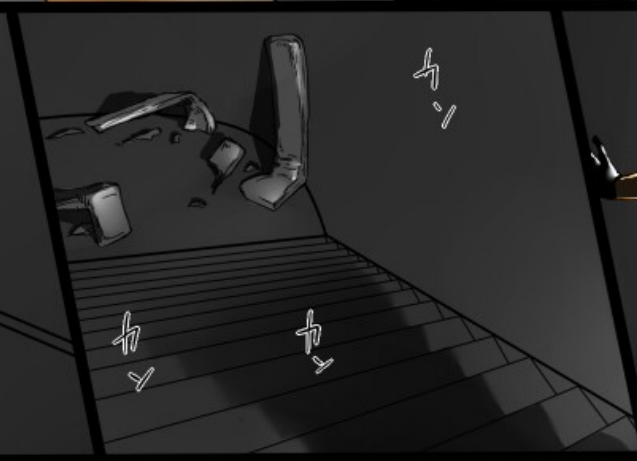

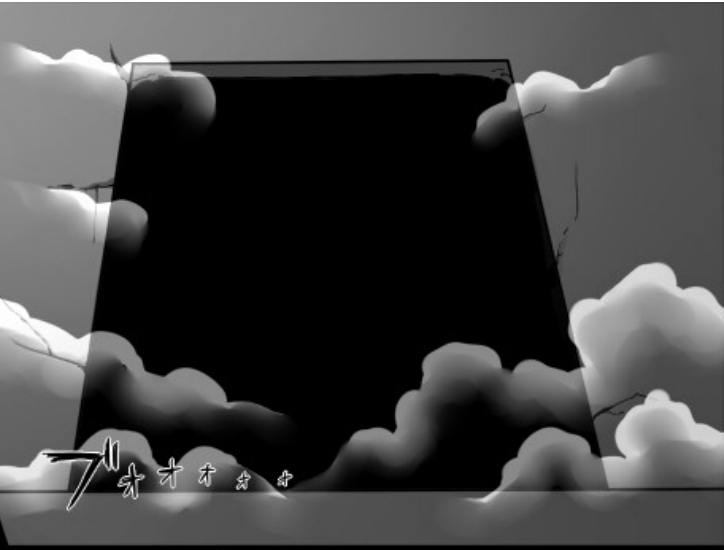

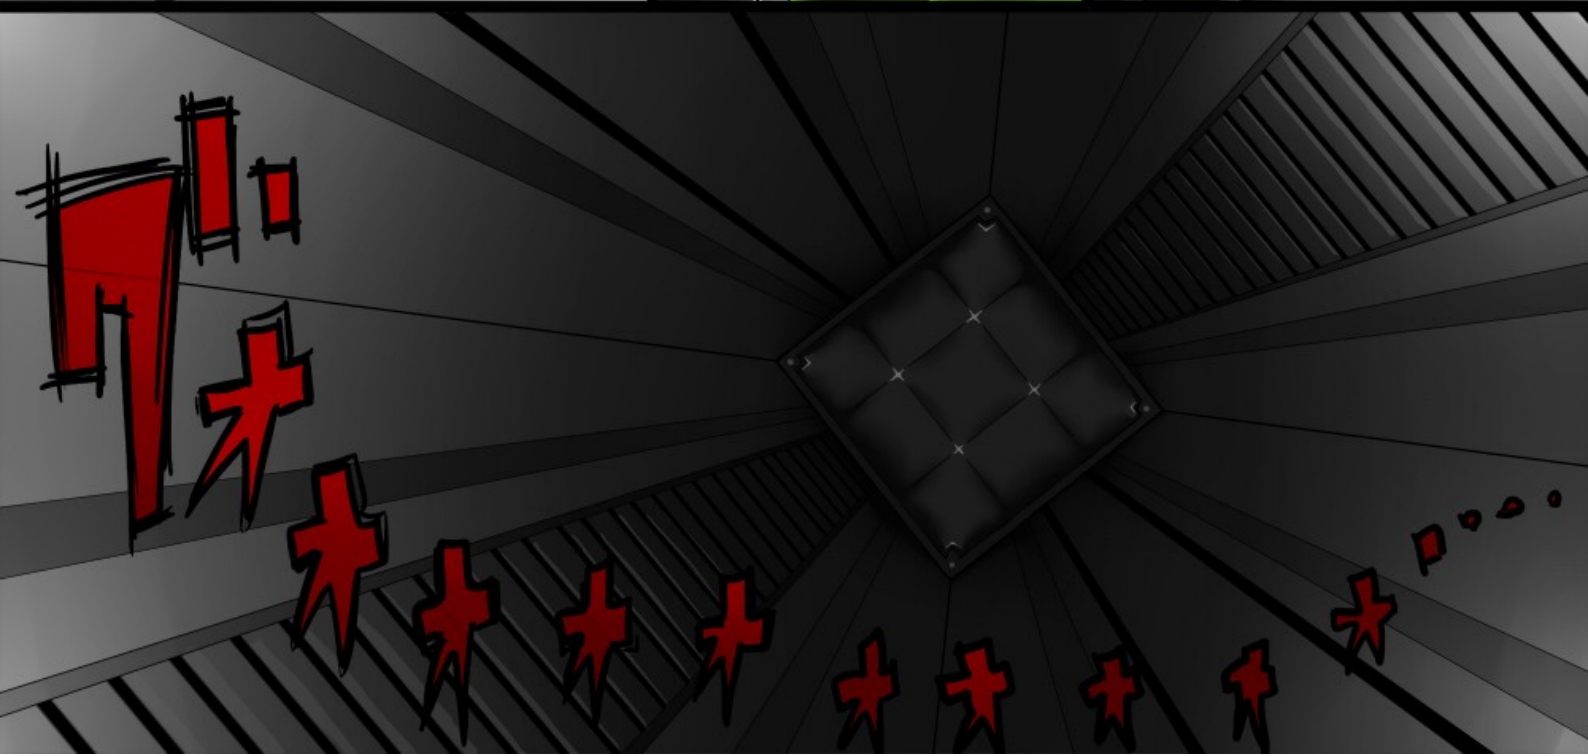

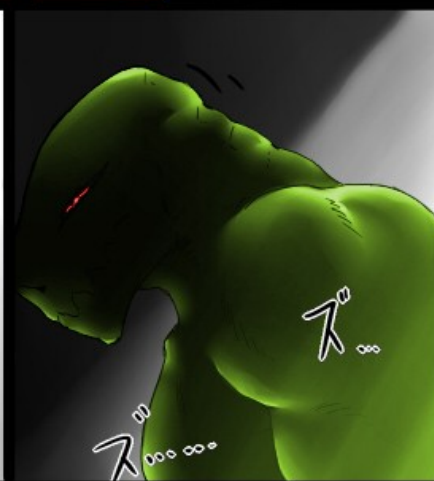

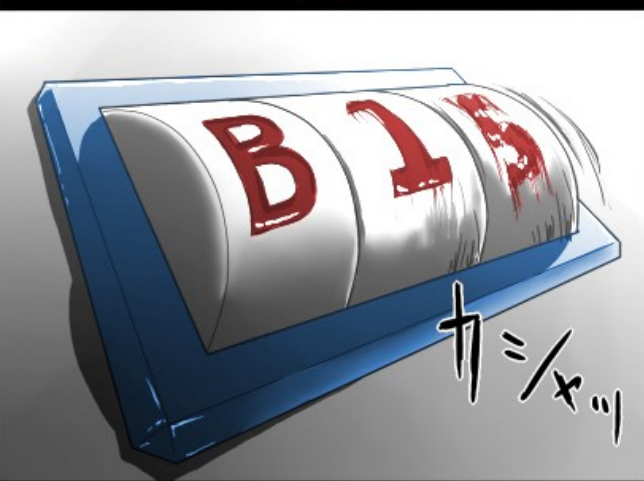

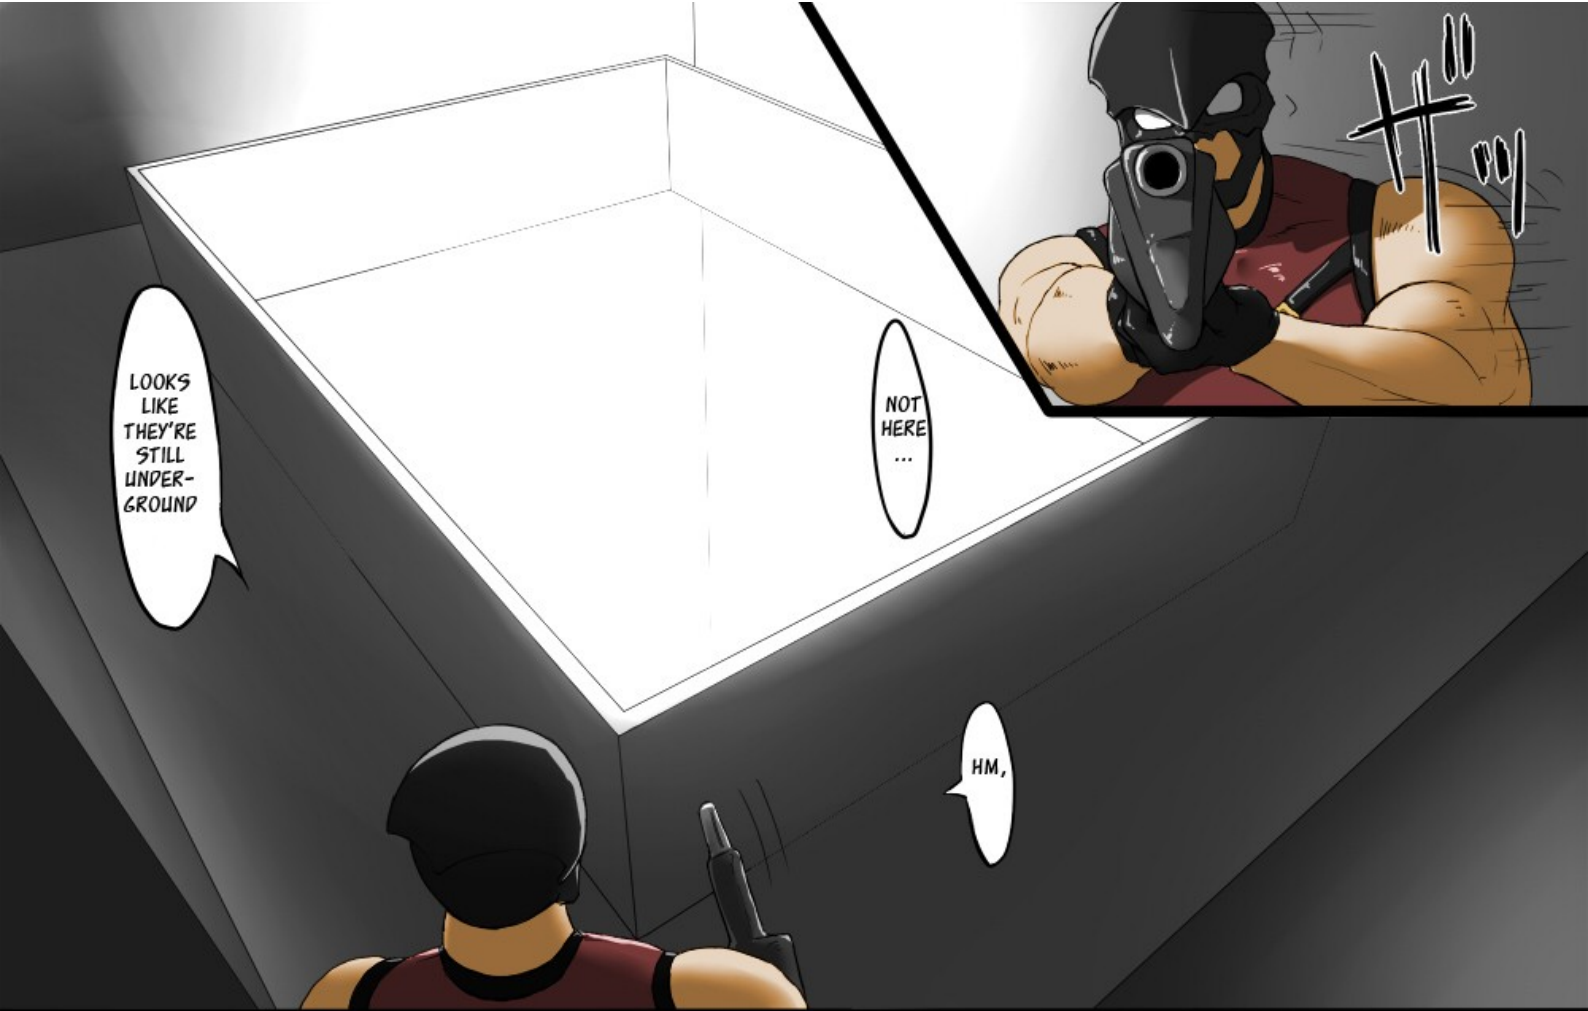

USING A BOMB
SHOULD BE
ENOUGH TO
TAKE THE
WHOLE THING
DOWN.

SO WE'RE
BREAKING
DOWN THIS
BARRICADE
IN ORDER TO
INFILTRATE
THEN?

fu

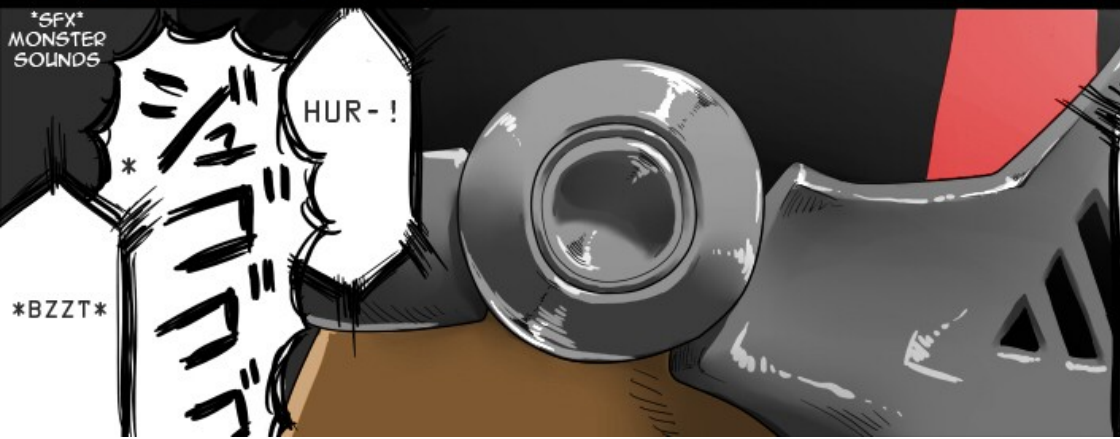

HEH, HERE COMES MY FIRST CUSTOMER.

BEEP

THIS IS PRETTY BORING

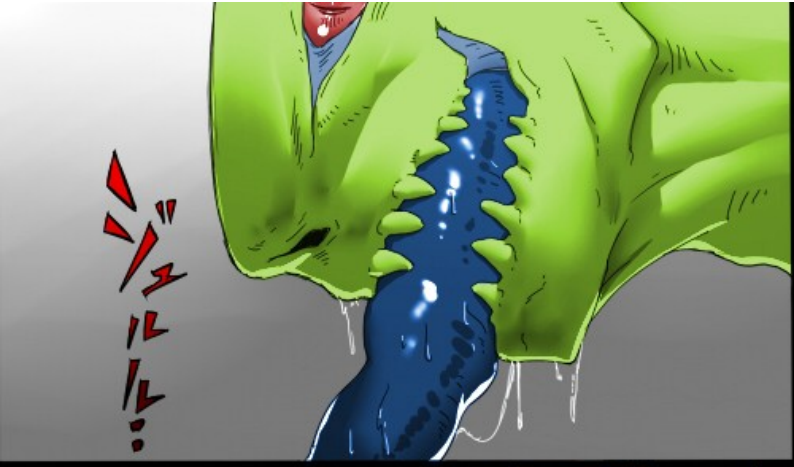

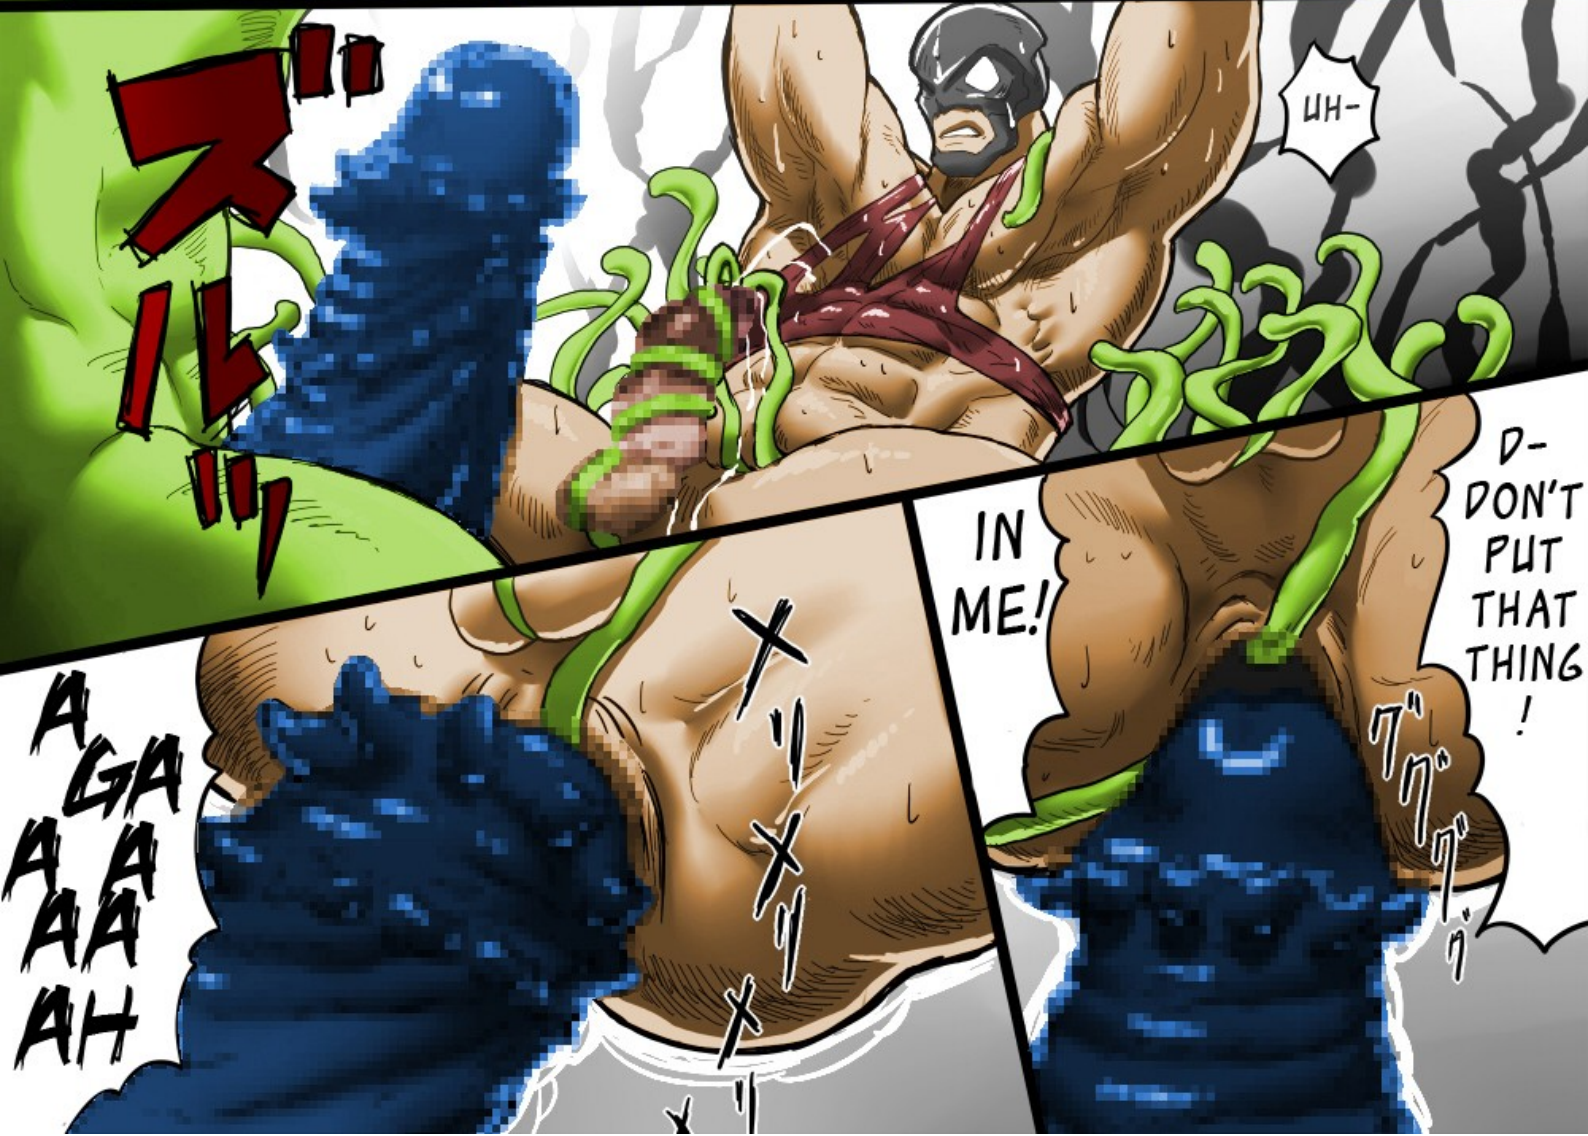

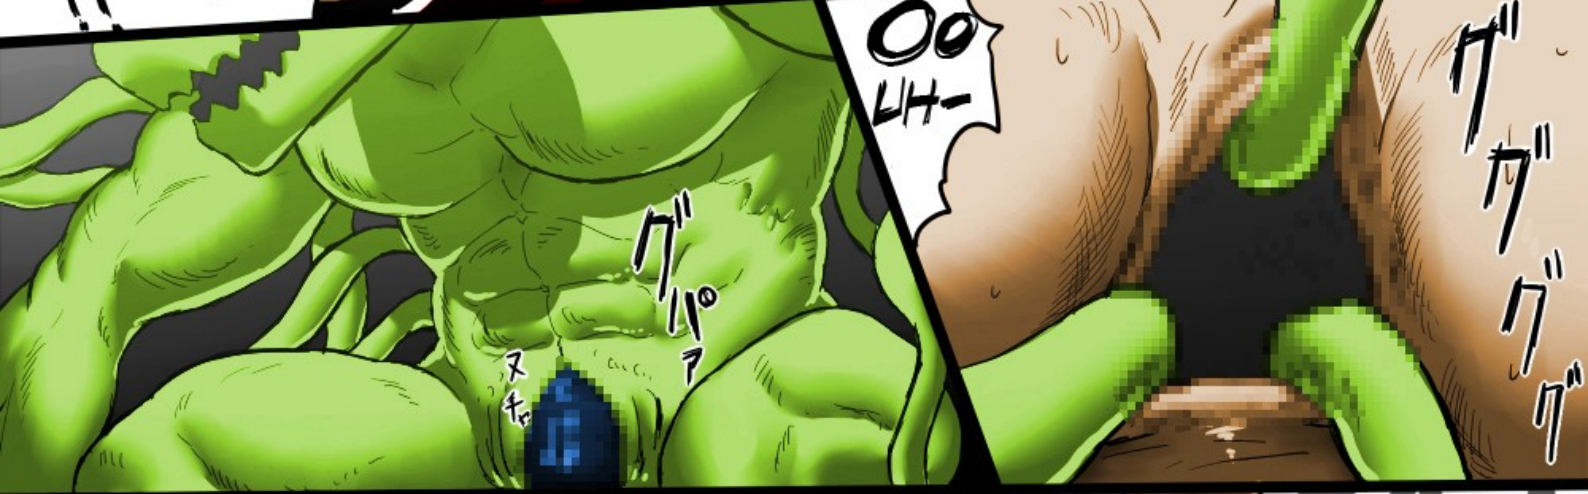

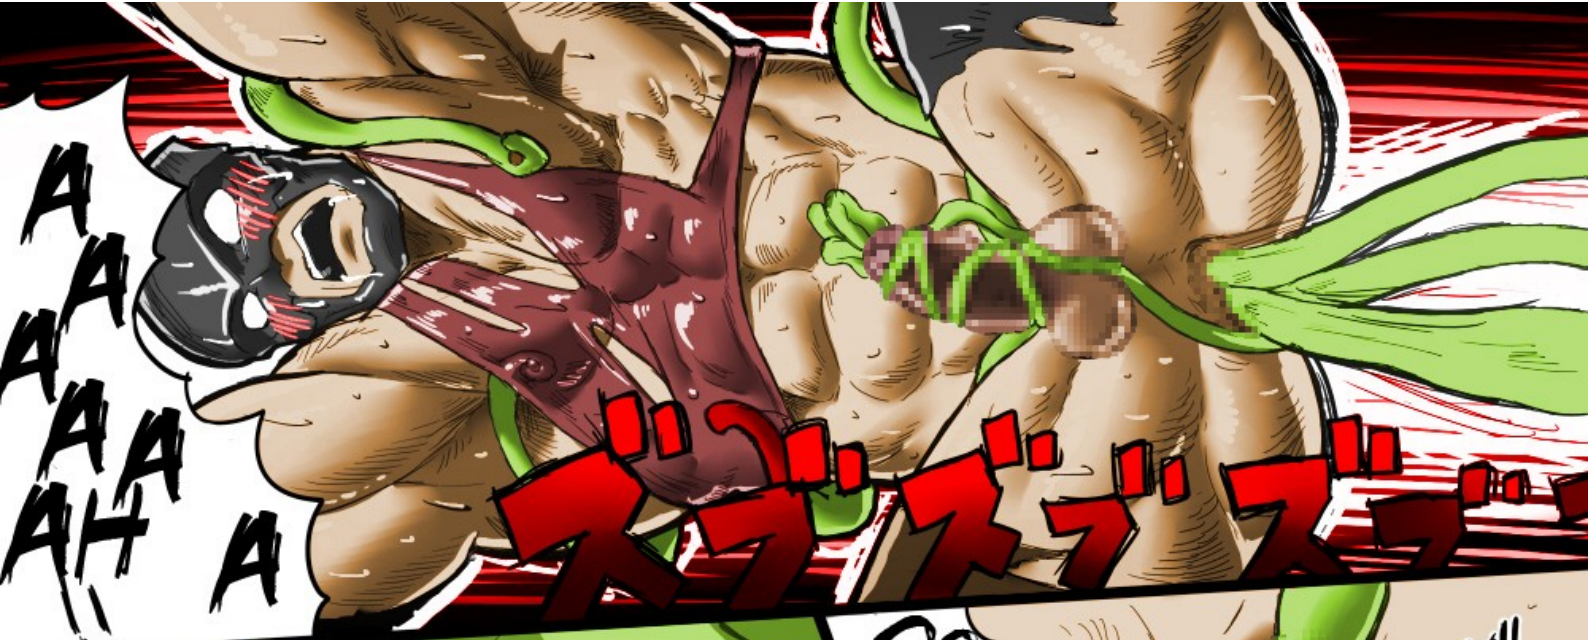

HUR-!

SFX MONSTER SOUNDS

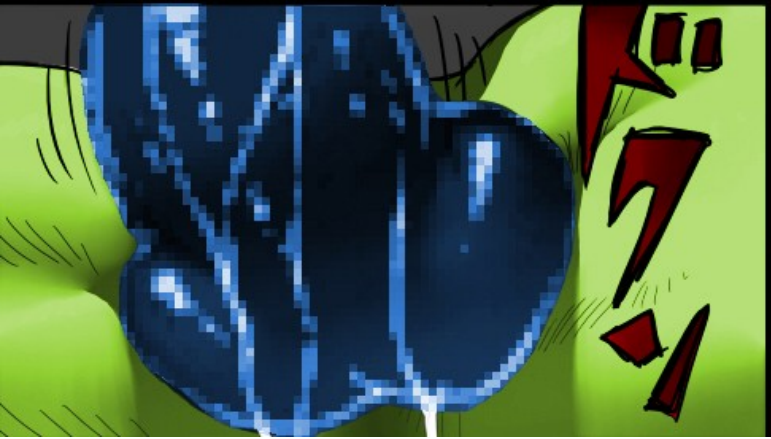

BZZT

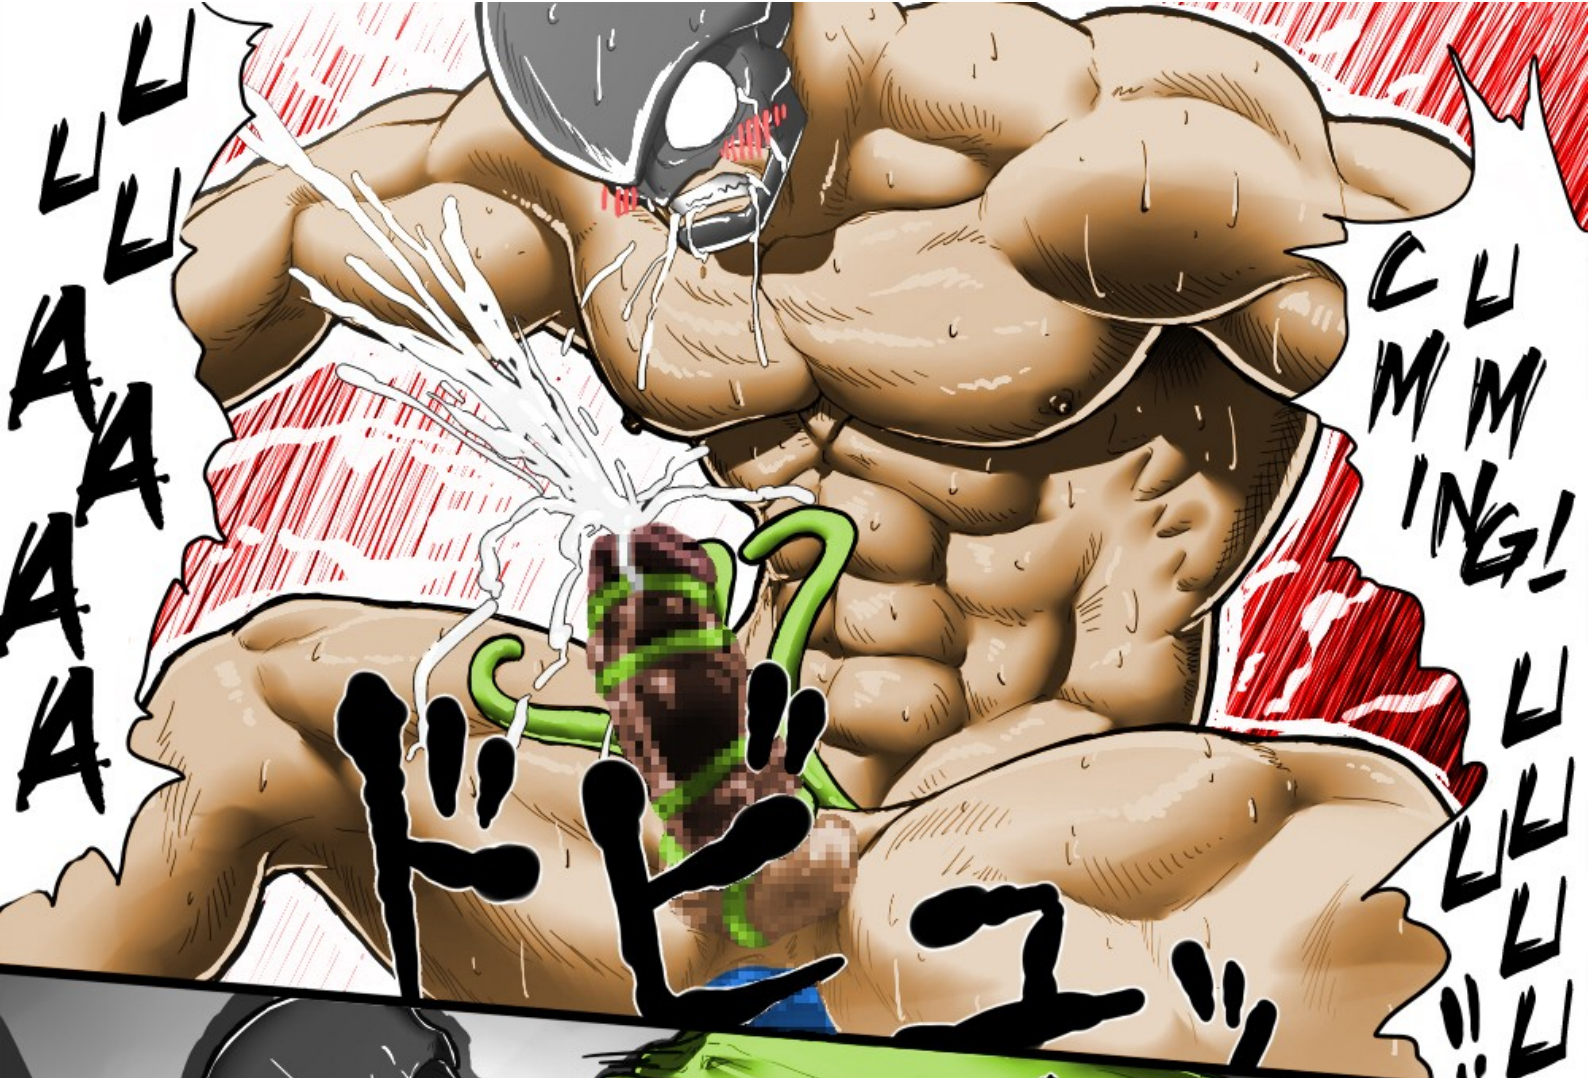

Hey Olgo! I need backup! I've been captured by the monster's leader!

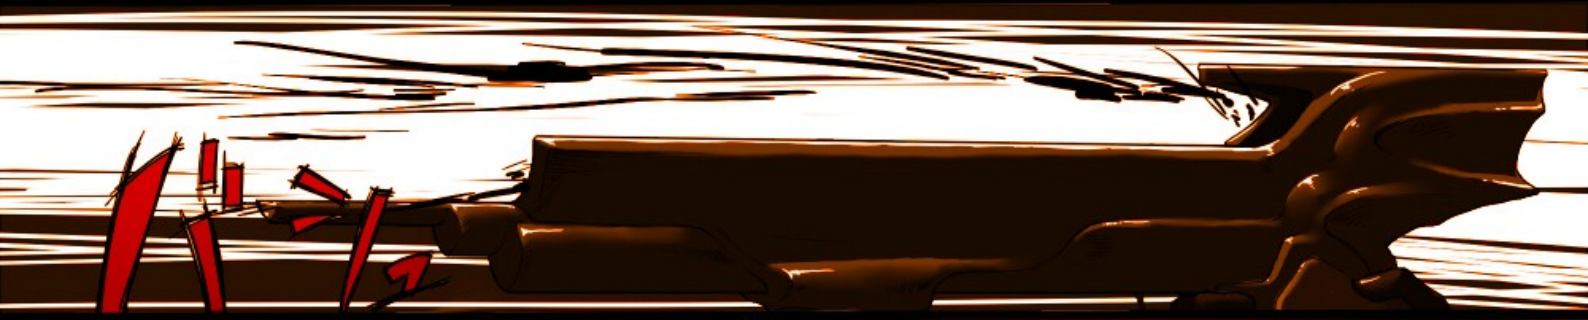

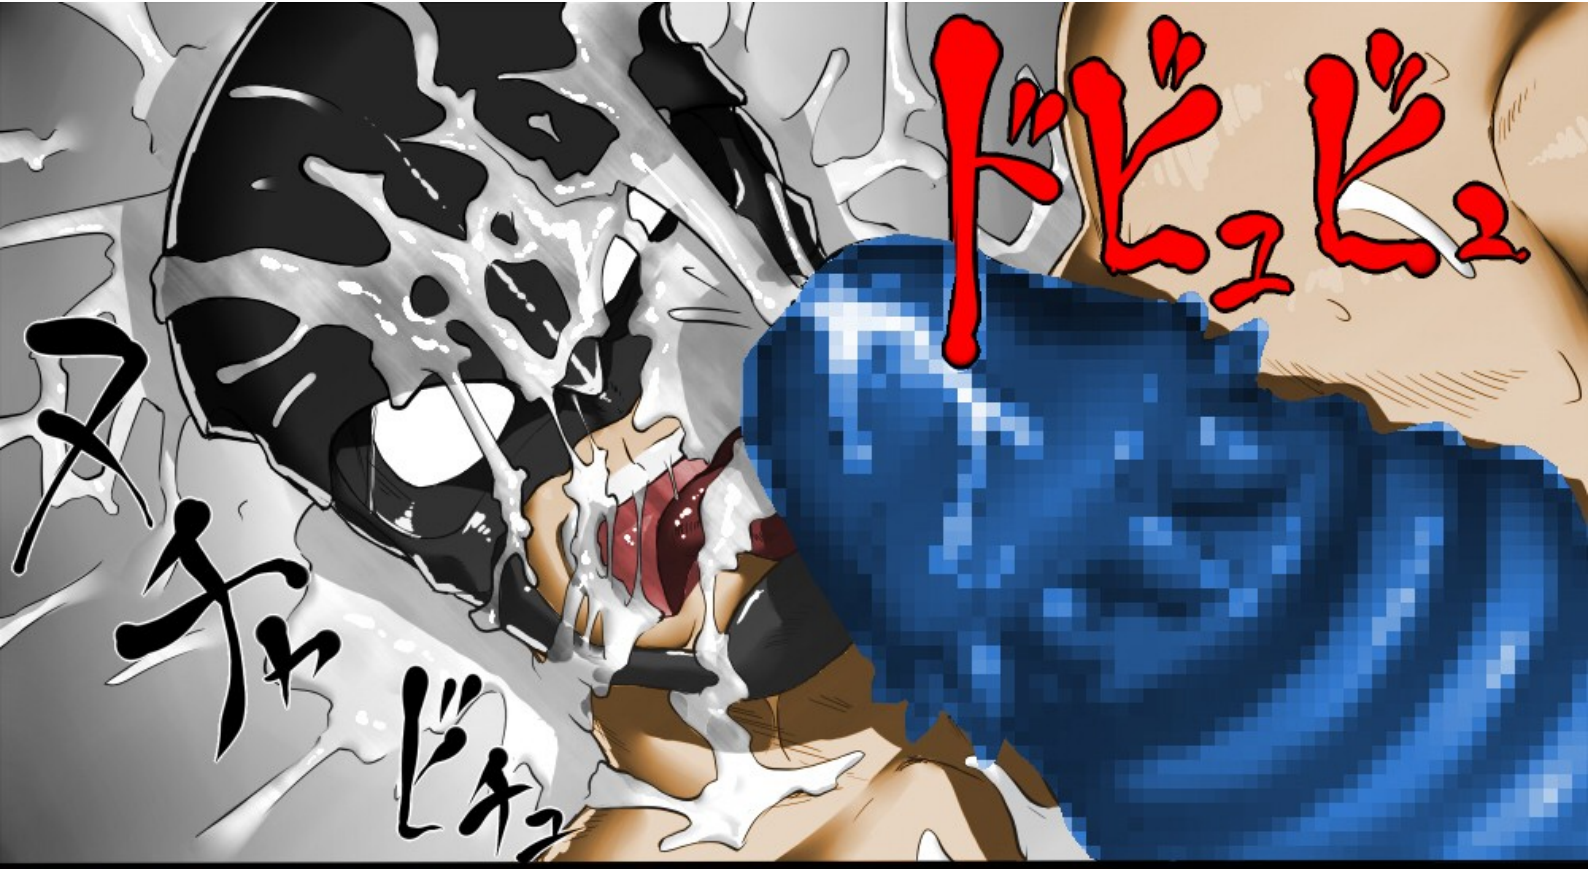

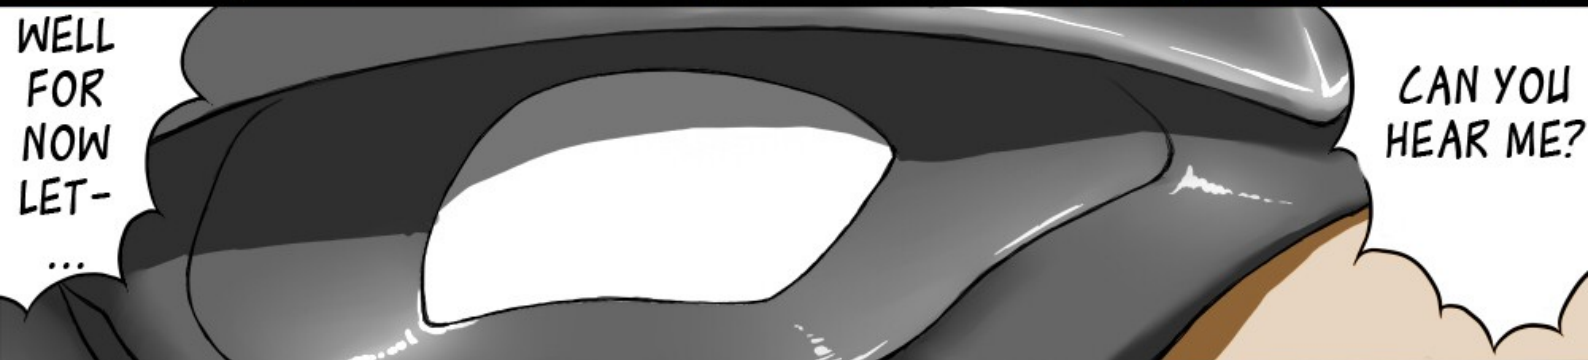

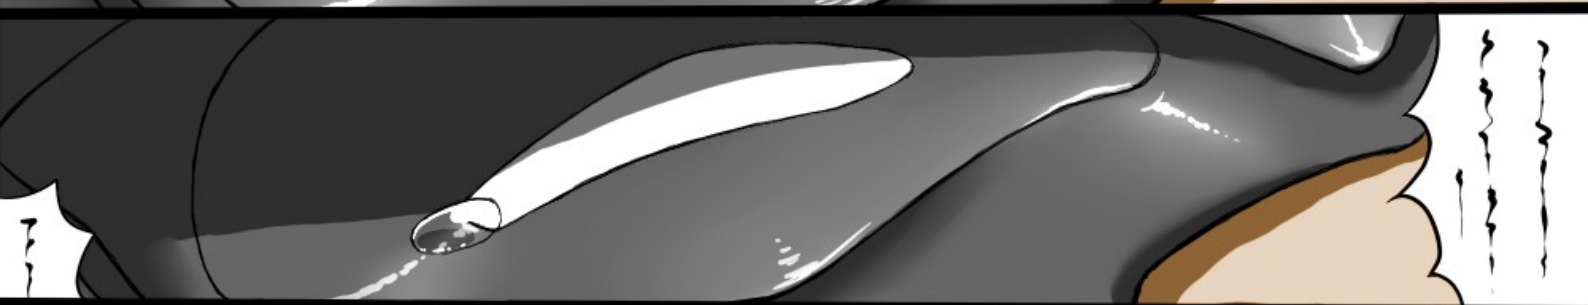

HEY!

YOU
OKAY?

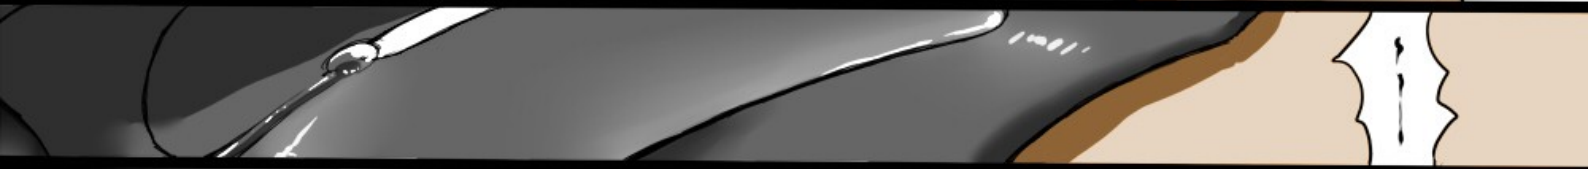

WELL
FOR
NOW
LET-
...

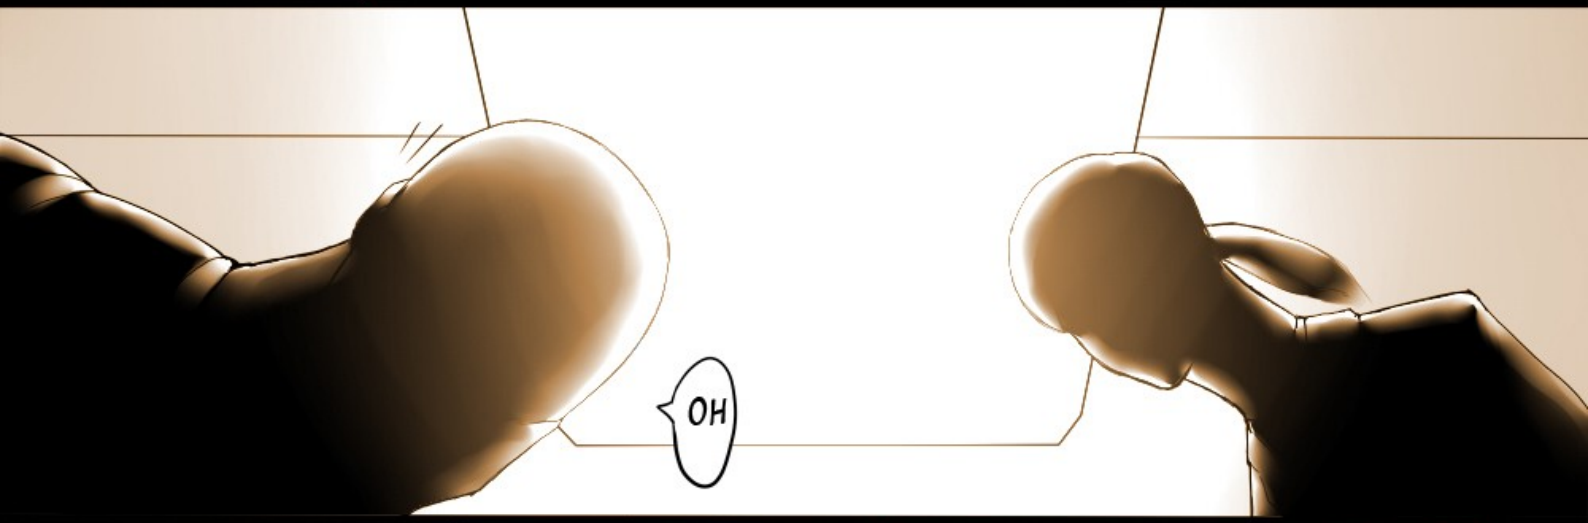

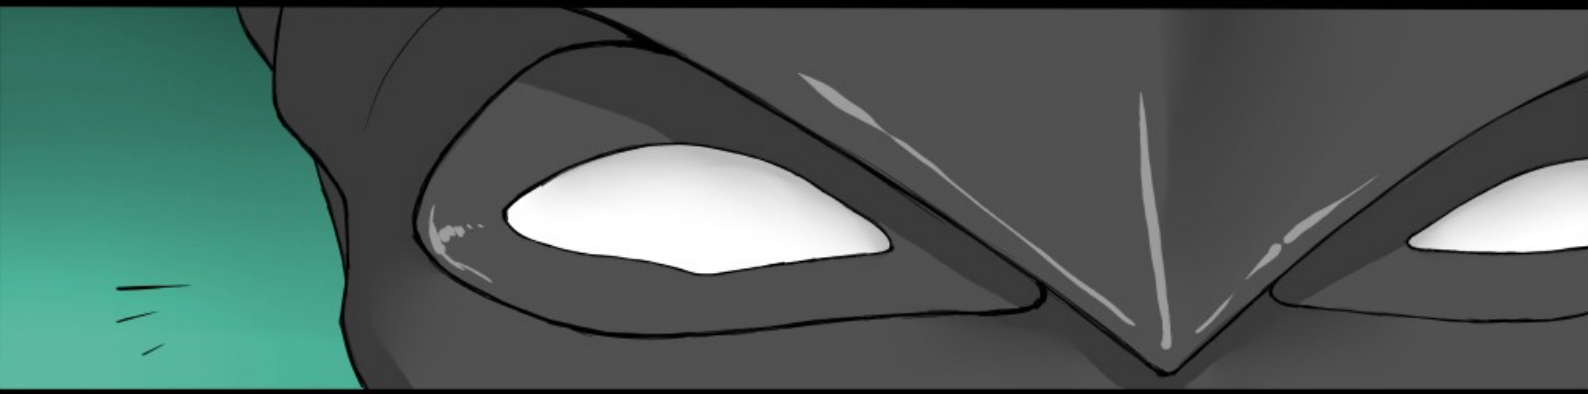

CAN YOU
HEAR ME?

?

?

THE MONSTERS !?

WE STILL HAVE A PROBLEM THOUGH.

THOSE SMALL FRY AREN'T CAPABLE OF BREEDING SO THEY'LL JUST DIE OFF ON THEIR OWN.

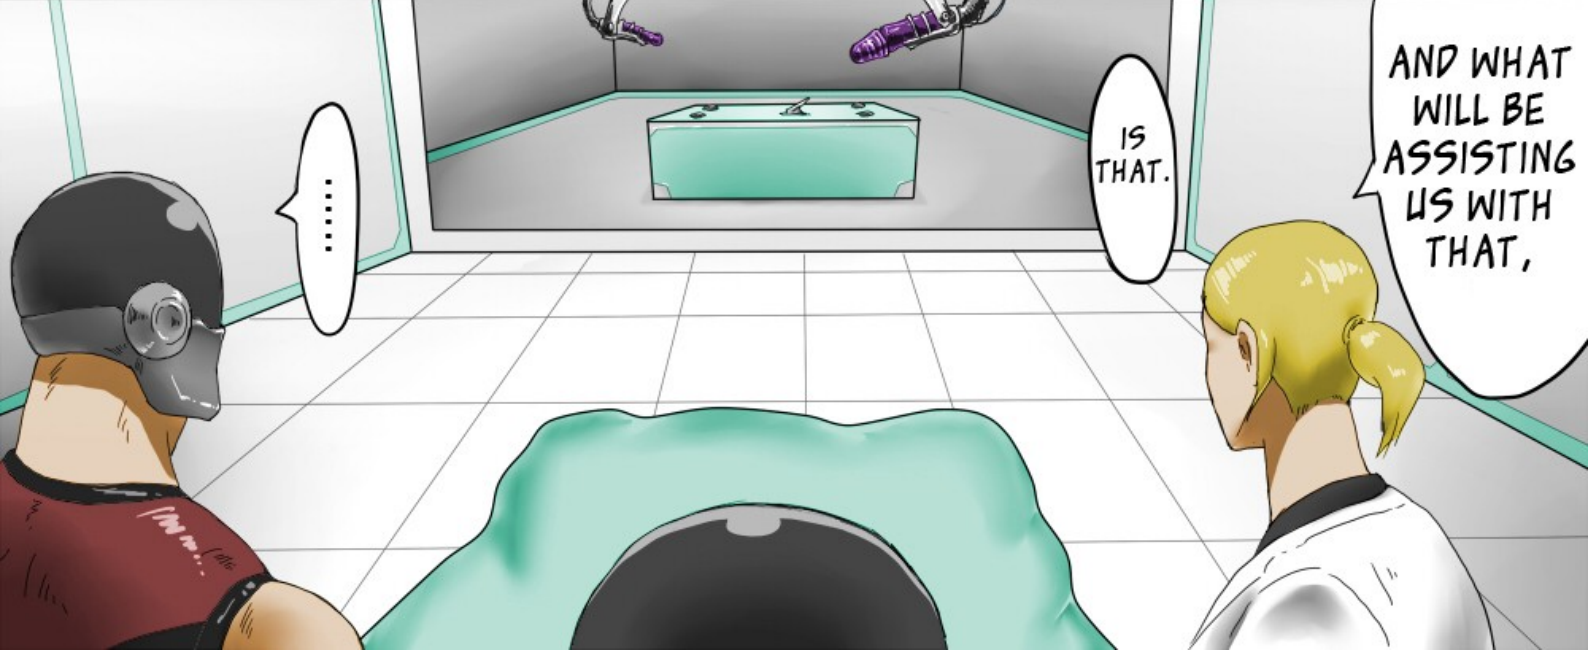

THE PROCESS TAKES ABOUT A WEEK BEFORE THE CHANGE OCCURS, BECAUSE OF THAT WE NEED TO KILL THE SEED INSIDE OF YOU AS SOON AS POSSIBLE.

THAT MONSTER CAN PLANT IT'S SEED IN OTHER LIVING BEINGS, BY DOING SO IT STARTS A CHANGE FROM INSIDE WHICH CHANGES IT INTO CREATURE SIMILAR TO ITSELF.

OF COURSE

SENSEI IF YOU'D EXPLAIN.

.....

IS THAT.

AND WHAT WILL BE ASSISTING US WITH THAT,
