Pervert...

...but I was still groped by some pervert!

There were a lot of people there...

Before, I went to go have a good time in Asakusa...

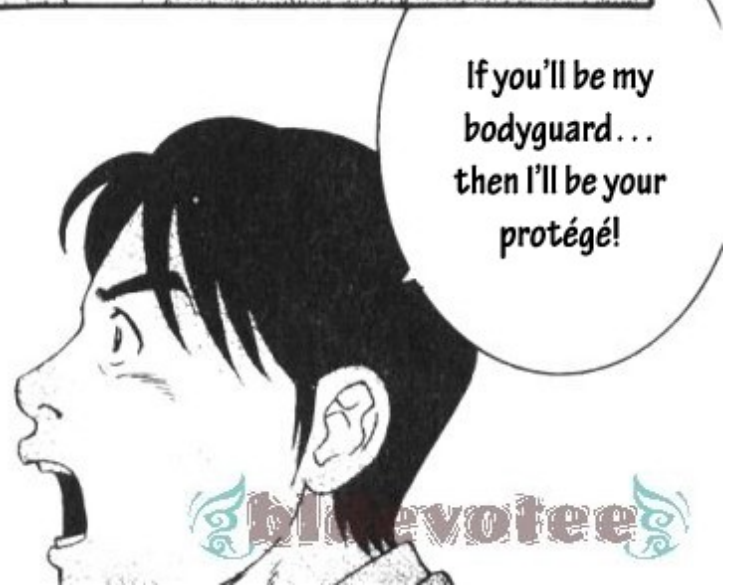

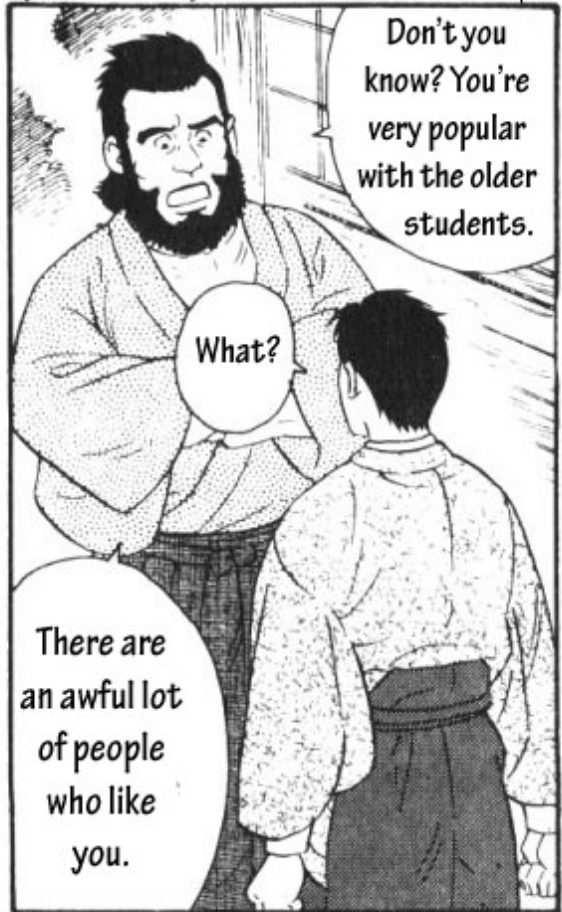

It's because you're so feminine looking.

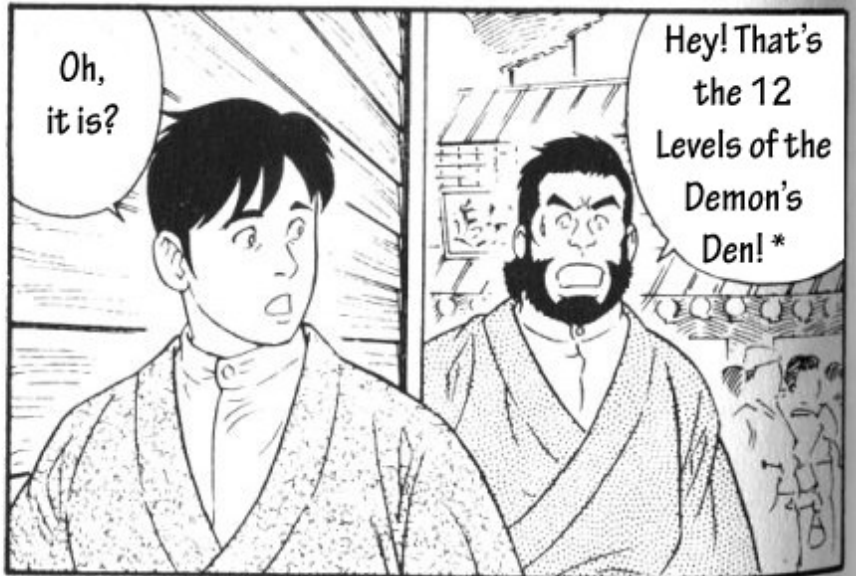

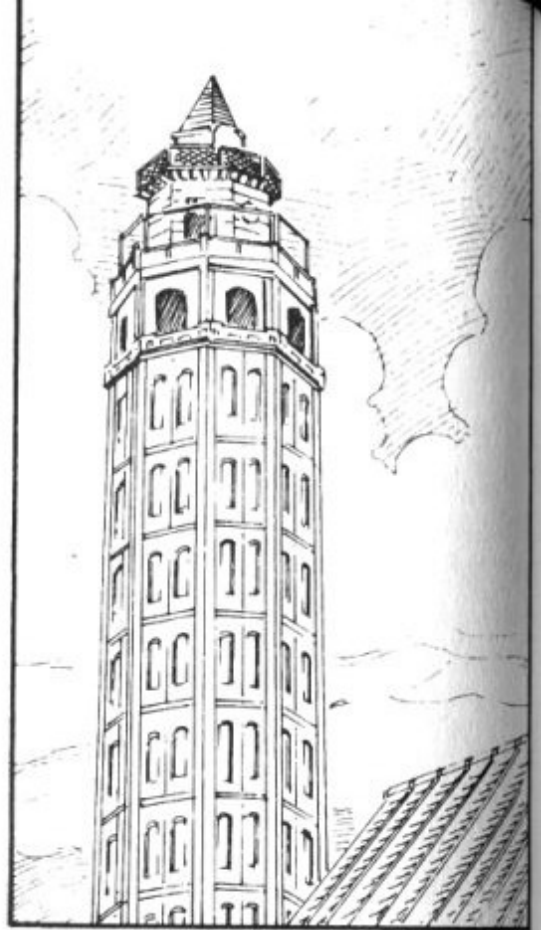

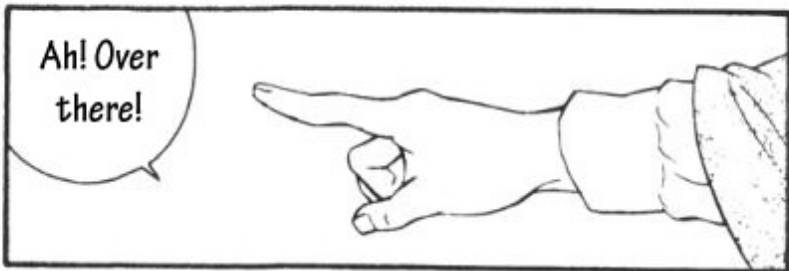

Ugh... Well, it can't be helped.

but when I was there...

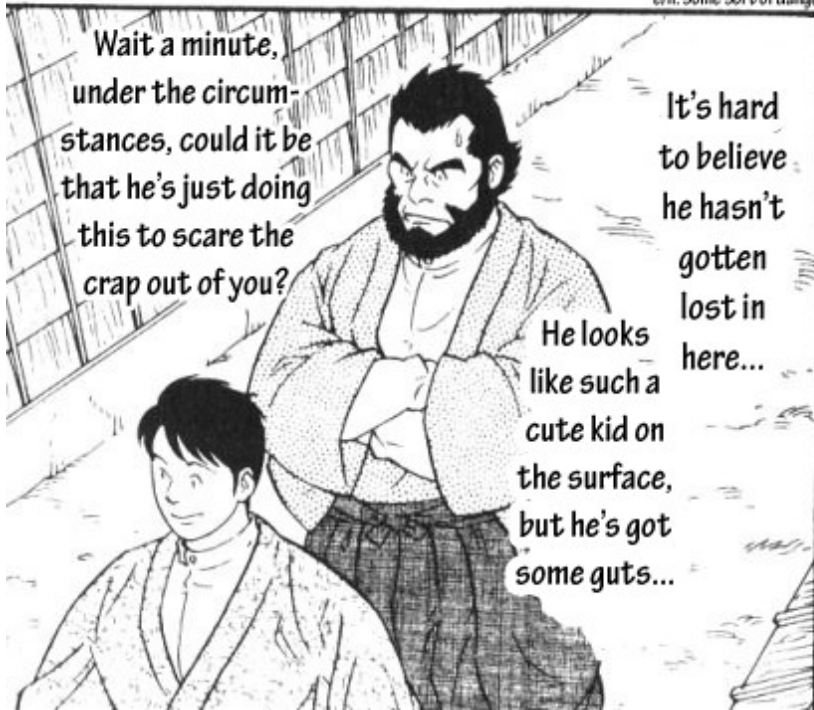

e/n: Got some help with this. (Thanks, Aniki!) Matsuoka is an underclassman, and off the Chinese version, the term "稚児" is one that is used to refer to the younger guy in a same-sex relationship. However, I stuck with "protoge" for a few reasons, the strongest of which is because it's Tagame's own translation of the term. "Protege" does imply an age-based role, but it's a bit awkward since it isn't as connotated to relationships as the term "kohai" might. Clearly, the theme here is age-based role reversal in a sexual relationship.

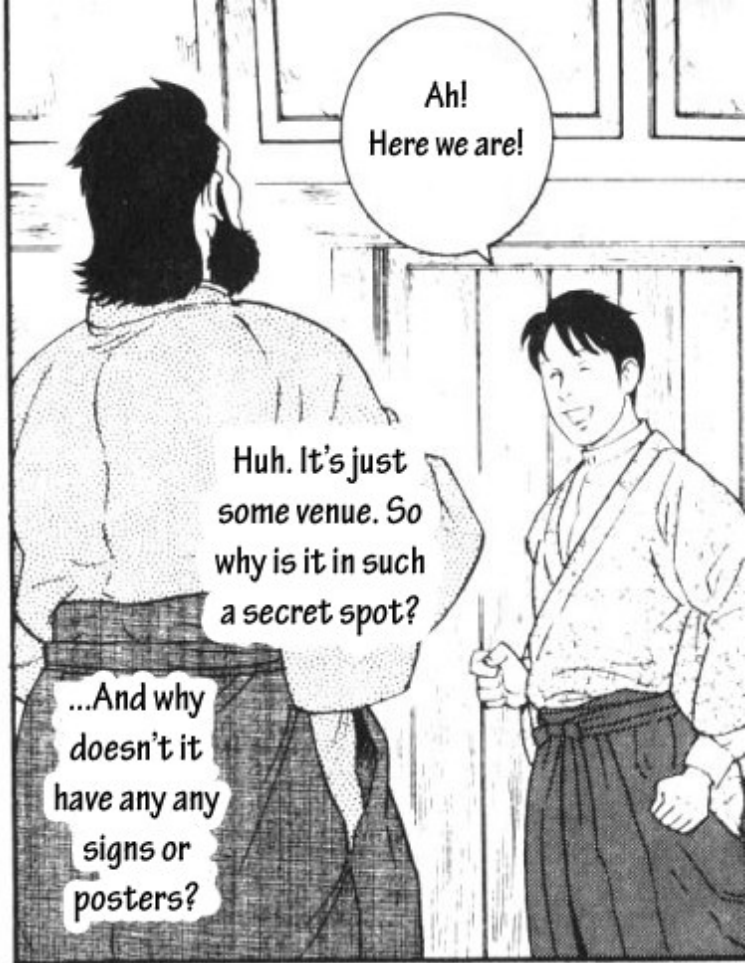

e/n: some sort of dangerous district or area. Don't know the actual name, sorry!

"Azaleas!"

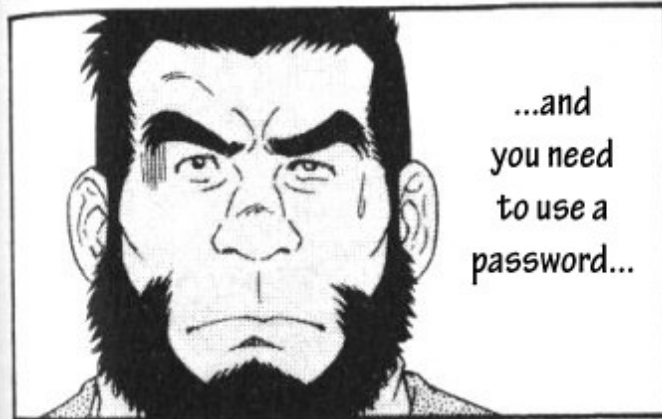

...
"Cliffs."

Ah!
Here we are!

Huh. It's just
some venue. So
why is it in such
a secret spot?

...And why
doesn't it
have any any
signs or
posters?

...and
you need
to use a
password...

Just wait a
second. You'll
get used
to it.

Hey...
It's pretty dark
in here...

カラッ

Senpai,
look...

Hey,
Matsuoka,
what did you
want to show
me--

Shh!

I'm going up front to watch!

This time, I can relax and enjoy the show!

If you came here on your own, of course you'd get attacked by some pervert!

Right? That's why I asked Senpai to come.

Ah! Hey!

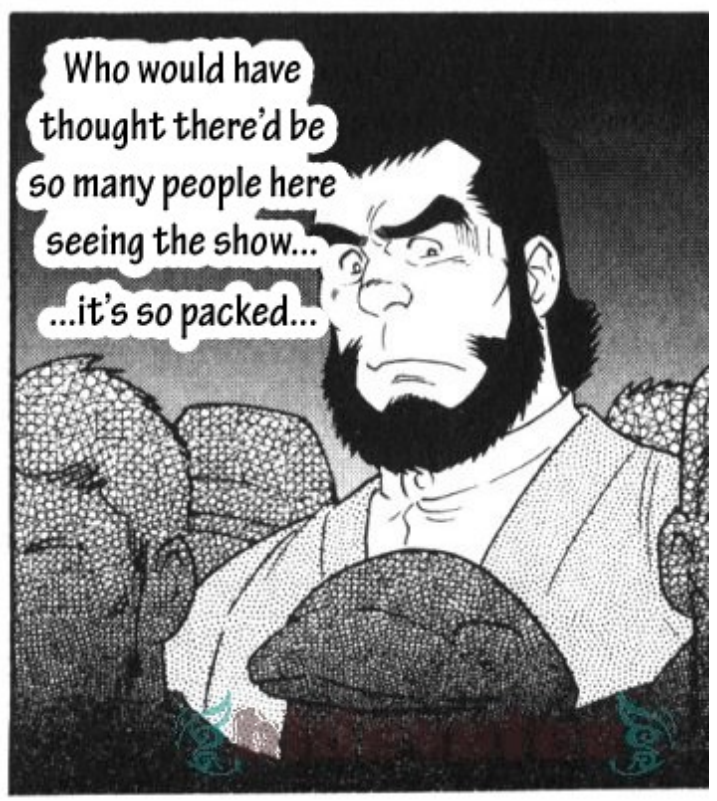

...but still, he's sure got some balls.

This guy sure is head-strong ...

Just now...! Did someone touch my ass?

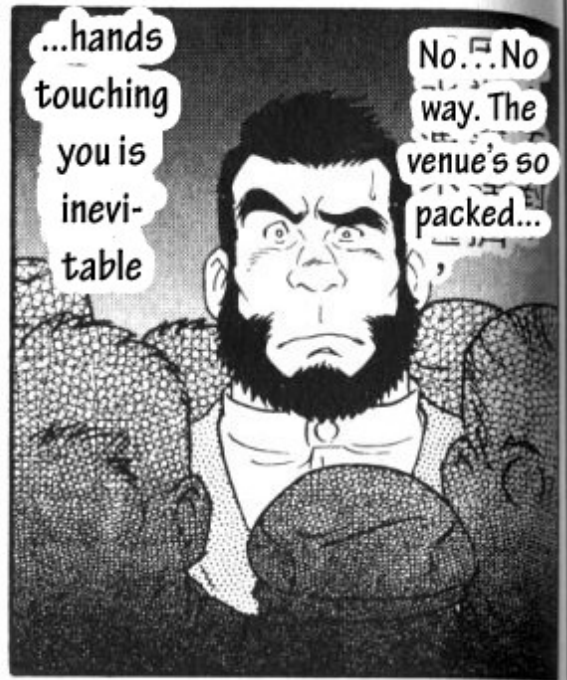

Who would have thought there'd be so many people here seeing the show... ..it's so packed...

There really is a pervert!

I'm actually being molested by some pervert!?

...hands touching you is inevitable

No... No way. The venue's so packed...

Ah! Again?

Touch.

Someone's actually feeling my ass!

Touch.

Oh my God!

Idiot! You can't grope me there now!

hah

Sticking a finger in my ass!?

How is this happening?

My whole body feels weak!

My legs are shaking and unsteady...

Unh...! He's really not going to stop fondling me...!

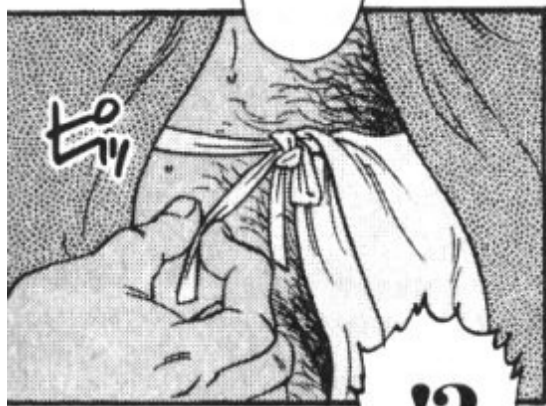

He's gone into my pants!

Hey buddy, you like being watched, huh?

Ah... Ah...

He saw me like this!

The modest way you're dancing, we might as well play with this guy, who's much more fun!

Aw, shuddap!

WHAT?!

What do you guys think you're doing?!

I'm here dancing for you and you're not even watching?!

This guy likes being stared at!

Well, get him on stage, then!

C'mon, strip him completely naked.

Spread 'em nice and wide so everyone can get a clear view!

AH!
Unh!

I-Idiot,
Matsuoka!

Ah!
That young
student
over there!

Great!
Head on
up to the
stage!

Sorry,
Sensei...!

UWAHHH!

Seeing
Sensei in
such a lewd
position...

...I just
can't hold
back any
longer...!

Even though I don't like being fondled by perverts...

...I still love to do things like this...

Ah!
Ah!
It hurts...!

How is it? Senpai, is it feeling better?

WAH!
AHN!

You're thrusting too far in...!

Ma... Matsuoka...
Y-You've gone too far...!
To far...!

You...ungh!
You...UNGH!

Ah!
AH!
Ahngh!

Senpai, you really do like being fucked, don't you?

Right...?

One Month Later ...

How... How should I know...?!

Ah! All the way in...!

How did it come to this?

Fight, Benkei! Don't give in!

Bravo! Well done, Lord Ushiwakamaru!

Ushiwakamaru and Benkei
Scene: "The Glorious Sword Duel at Gojou Bridge"

e/n: Matsuoka and Senpai are reenacting a comedic (and erotic) tale of the legendary samurai Minamoto no Yoshitsune's (aka Ushiwakamaru) defeat of the "Demon Monk" Benkei in a duel. Afterward, Benkei becomes his right-hand man and life-long companion.

...But, is it really good for things to be like this?

Sen... Senpai... is this better?

...I...I can't hold out for much longer...!

I'm making a profit off the ticket sales alone...!

Hee hee hee hee hee...

...Right?

Everybody can see this is the best ending, right?

* e/n: Thanks, Aniki!
