Due to living expenses, gas money, food, etc., I'm running out of money for more scans. I've done my part by doing and uploading 70 or so scans since I started last August, you can do your part by donating. With your donations, I can get more new mags and doujinshi, as well as buying very rare ones and those that's been around but has never scanned, so PLEASE donate! It can be as small as \$5 (USD) to \$100 (USD) You can donate at www.sabreanime.org.

My scans are always viewed/uploaded in g.e-hentai.org and exhentai.org before my site. If you can't view a scan in [g.e-hentai](http://g.e-hentai.org), try exhentai.org. If you can't get in exhentai.org (instead you see a small pic), 1.) register in g.e-hentai.org first 2.) ask a member in the forums how to get in [exhentai](http://exhentai.org)...although Googling it would be faster.

Apart from scanning, I also encode R1 anime DVD/BDs, R2 anime DVD/BDs, and re-time and re-mux R1 Eng audio, subtitles to R2 anime BDs. Come check some of the (re-uploaded) stuff at the Encode section on www.sabreanime.org.
