time..?
I hope so...
♥

I wanted to see him more and more.

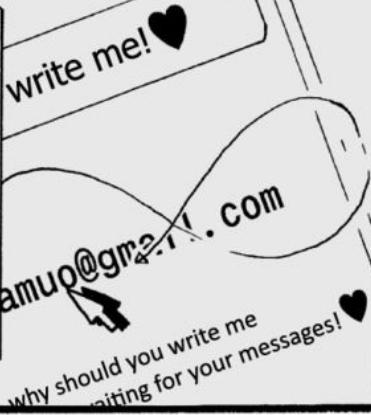

Thud.

I've wanted to meet him.

No, I could not picture myself doing that. A dream will always remain a dream, I thought.

On top of that, there's no way a person shy like me would ever be able to step into that world.

There's no one, among the few friends I have, that I could possibly talk to about it. Thing is, this interest I have in cross-dressing...

Re: Hello to you
From: Aki
To: Fumi <nosutoradamuo@gmail.com />
Hello to you, Fumi! ♥
Thank you very much for always following my blog! ♥
I know what you mean, there aren't many people into crossdressing. So if you want we could meet to talk about it one of these days.
Prepare a big welcome for new people!

...and just like that, with that mail, the dream of talking about these things with Aki had turned into a real possibility.

...but that day, I...
I wanted to write him, no matter what.

What am I gonna do...?
