

I've already put your boots away.

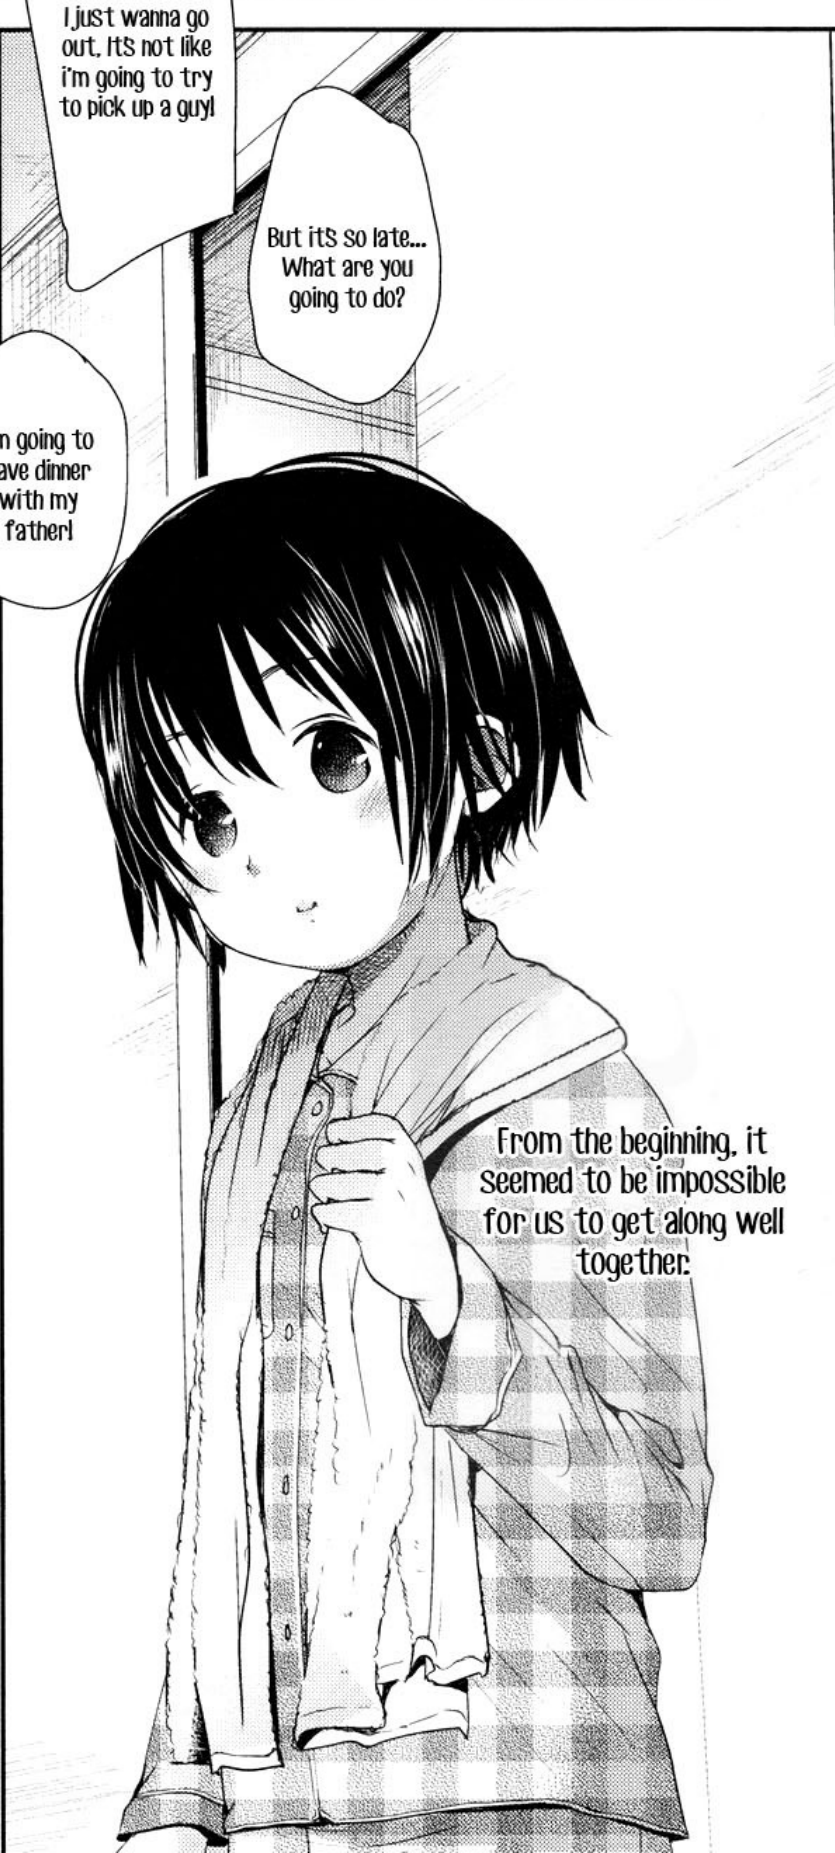

Tatsuya  
.....  
Have you seen the boots that I put here?

Ayakal

I'm going to have dinner with my father!

You have more important things to do!

I just wanna go out. It's not like I'm going to try to pick up a guy!

But it's so late... What are you going to do?

From the beginning, it seemed to be impossible for us to get along well together.

.....

Hey...

Oh...  
Yeah, Saki-chan.  
She did.

You haven't gone  
to bed yet?

Did my sister  
have to go do  
something?

Yeah,  
I know...

I'm Sorry.

Yeah...

Recently, she's  
not been in a very  
good mood.

I'm sorry that  
you had to see  
that...

You can ask  
her about it  
when she---

What  
happened?

Based on how  
she was talking,  
it didn't sound like  
she will be coming  
back tonight  
.....

But how can she be with a person like me?  
I still can't figure that part out.

This is true...

She's also a very independent person, so she can make a countless number of friends.

A free-spirited and cheerful person.

About Ayaka, she's...

Oh!  
I'm here.

Saki-chan?

あやか

Haha...  
Okay....

Here. Drink up!

Thanks!

If I'm supposed to act like your Uncle, I should be able to do that much at least!

I'll go grab you a glass of milk.

Finish drying your hair or you'll catch a cold.

あやか

She's blowing on it to make it cooler.

No... No problem.

Your hair still isn't dry yet, Saki-chan.

フワ

Oh...

Because you're free tomorrow.

You figured it'd be fine like this.

You still haven't started using a hair-dryer?

Hmm...

In that case...

Hey!

Ah!

If you play around like that, I'll drop it!

Ayaka really likes this sofa ...

If we make it dirty...

Ah!

Don't close your eyes...

It should be okay to go to sleep a little late tonight!

Why the hell is he getting married to my sister?

Yes... just like that.
