What are you doing in my room so early in the morning?

What the... Shimako?

◆エキセントリックハウス◆

Who...?

What's this?!?

eh!?

What the hell, Shimako?

Over there ----

hmm?

HEY!!!

チヨイ
チヨイ

Untie me right now!!!

Is this some sort of a game?

WHAT DO YOU GUYS THINK YOU'RE DOING? DOING THIS TO YOUR OWN BROTHER? YOU CAN TAKE OFF YOUR UNDERWEAR?

You know, we just started Sex-Ed class in school, so she just became interested in penises!

waa
~~~~~  
♡

Oh! She's peeking!

Yuika's looking at you! How exciting!

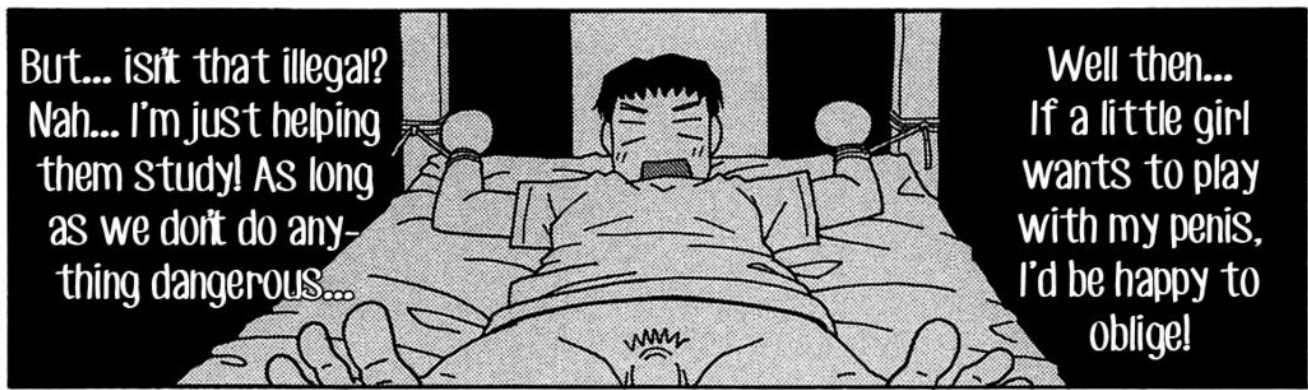

Uh..  
What?!

キム  
キム  
キム

キム

EH  
!?

キム  
キム  
キム

But... isn't that illegal?  
Nah... I'm just helping them study! As long as we don't do anything dangerous...

Well then...  
If a little girl wants to play with my penis, I'd be happy to oblige!

.....

はなせな

Oh no! How could this possibly happen to me?

Oh! My hands are even tied! I guess there's nothing I can do...

Oh, that's right!

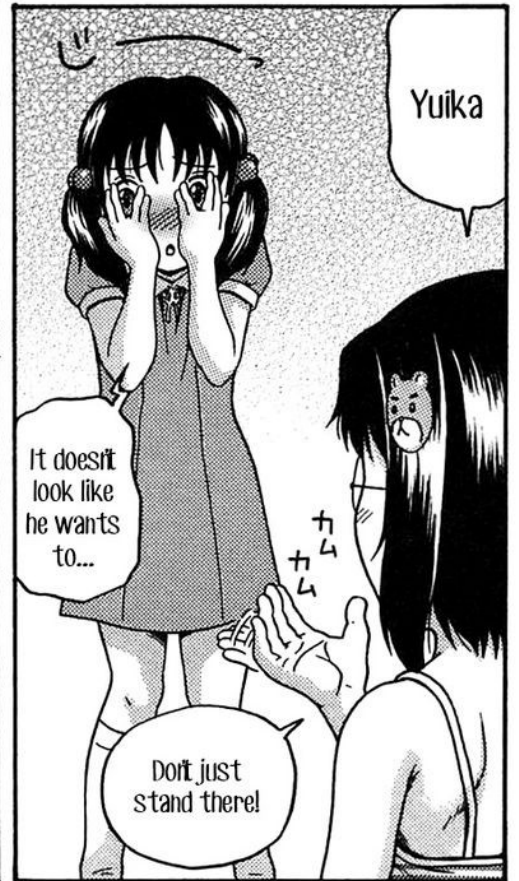

I'm the victim here...

You know, even this is a kind of studying.

OH me. OH MY .....

Sometimes you have to sacrifice a little to learn something new!

Yuika

It doesn't look like he wants to...

Don't just stand there!

This is a kind of studying....

Studying... This is... Studying...

Oh? Is that so...?

I'm so happy!

Yuika will try her best!

Well, if it's studying, then there's no possible way it could be bad!

YEAH!!!

This is the first time I've seen one up close!

This is a penis.

This...

This is a man....

and that...

They all look like this...

Wow! It got all hard!

Wow

Also, this view looks pretty alluring! Yuika's panties look delicious!

If she would let me, I would love to lift my head up and dig in...

Woah! My penis looks so cool when it's being played with by such little hands!

I'm so happy!

It's softer than I thought it would be...

The head looks so strange... Kinda like a turtle shell...

That's it! I'm going to name him "Turtle-san".

AS expected...

Penises can get hard by themselves?!

How is that possible, Shimako?

Well, when it gets excited, it gets erect!

ウツ

WOAH!

ウツ

Its sticky!!

ツィン

Something's coming out of Turtle's mouth!

Oh!

ツィン

ツィン

The whole thing can get hard?

You know, it's also my first time touching one!

WOW!

ウツ

Onii-chan said it himself.

See?

If you lick and rub my penis too much, then a bunch of sperm will come out!

Hey... Stop that!

Go for it!

YAA!!

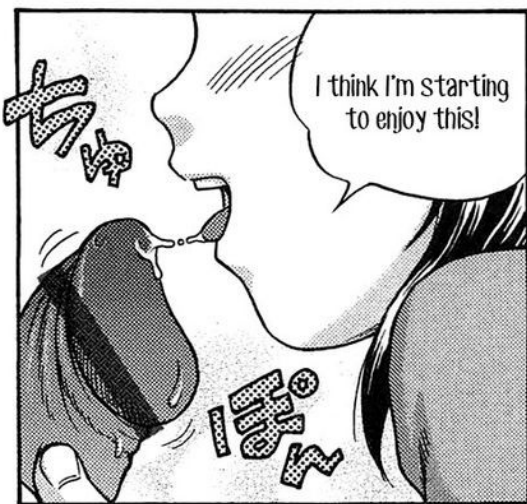

It feels really big!

So? How is it?

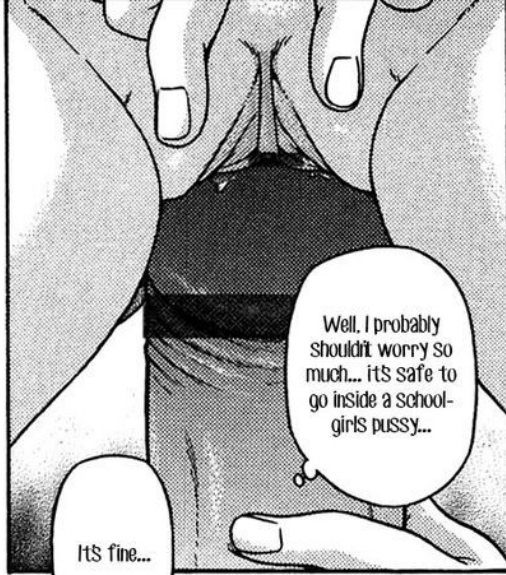

Umm

Well, it doesn't taste "bad"...

How does it taste?

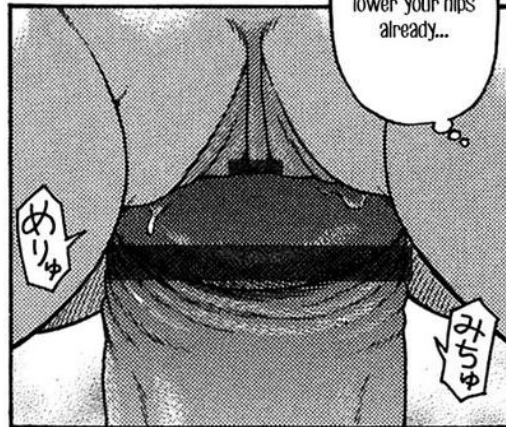

Well, I probably shouldn't worry so much... it's safe to go inside a school-girl's pussy...

It's fine...

Hurry up and lower your hips already...

STOP!!! Let's stop this right now!!!

He does want to put it in, right Shimako?

Man... I really want to put it in right now...

Alright, it's in.

You should...

Ah! Ah!!

His penis is so big!!!

Ah!

Turtle's head is already inside!!!

It hurts!

It's inside!!!

GUH!

AH!

Uuwaaaaa!

If I want to learn about relationships, I must have sex with a man!!!

AH!

Oh no! That's not good!

I'm having sex with a school-girl today too!

Sex...

You guys were planning on having sex with me all along!!!

So you can stop acting like you don't want it and we can feel good together!

I know it's not very easy when you're always thinking about sex.

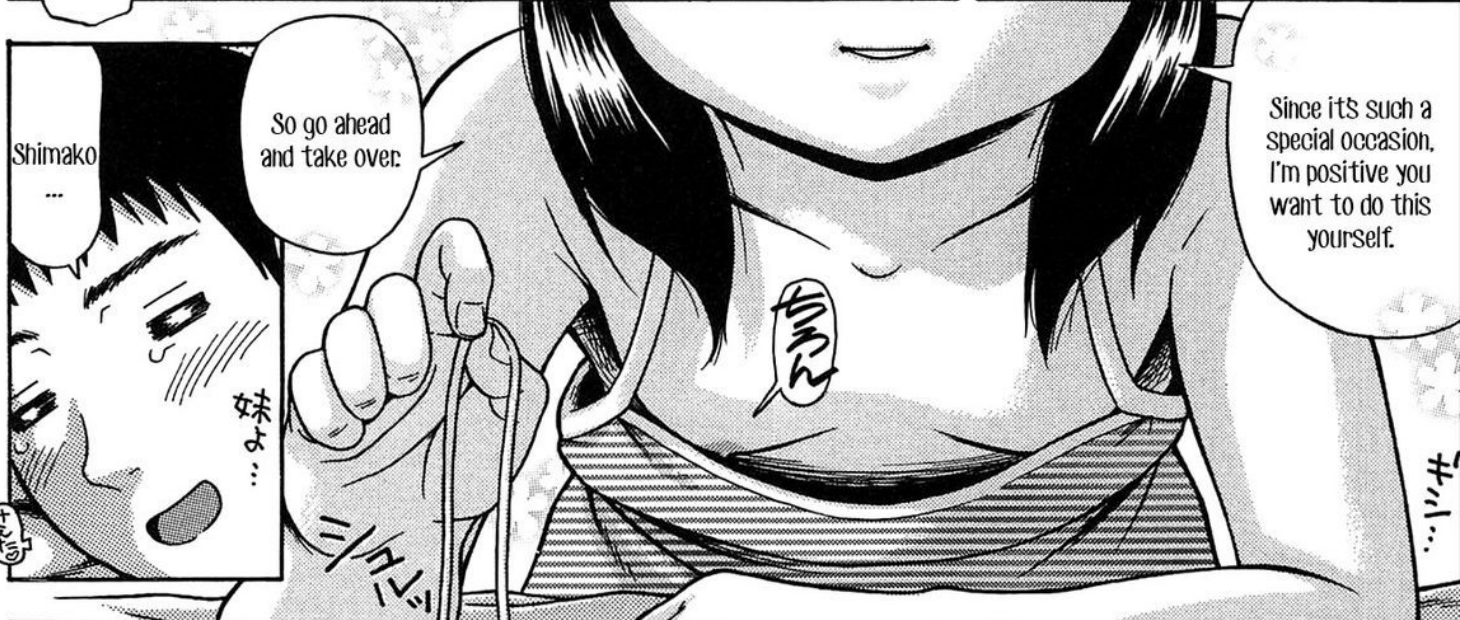

Let me untie you.

You sure this is okay?

Onii-chan... You don't need to keep up this act any more.

Huh?

Shimako ...

So go ahead and take over.

Since it's such a special occasion, I'm positive you want to do this yourself.

I'm in charge now, Yuika!

AH!

Huh?

Alright!

Shimakos brother.. Is really great!

WOAH!

You're hitting me...

OH  
GOD!

...So deep...

The whole thing is inside!!!

+

Like this...

You're hitting my womb!

It's SOOOO big!!!

Move like this...

Is he your "one true love"?

Yuika's actually been thinking about having sex with one of her classmates, right?

YOUR SPERM IS FILLING UP MY PUSSY!!!!

AH!

Woah!

Oh yeah!

I'm going to the bathroom.

Yuika... Thank you so much!

Ah... Ooh...

...your pussy felt so good that I ended up coming...

Mm...

AHI  
AHI

Saw...  
what?

I saw  
that.

Hold up!

When Yuika and  
I were having  
sex, your pussy  
got all wet!

Look!  
See?

アヒアヒ

アヒアヒ

AHI

Already  
dripping  
wet, huh?

OH!  
OH!

You're  
already  
soaking wet,  
Shimakol!

アヒアヒ

アヒアヒ

アヒアヒ

アヒアヒ

Wait a sec-WAIT!!!

AH!

It should be able to go right in!

Because of this...

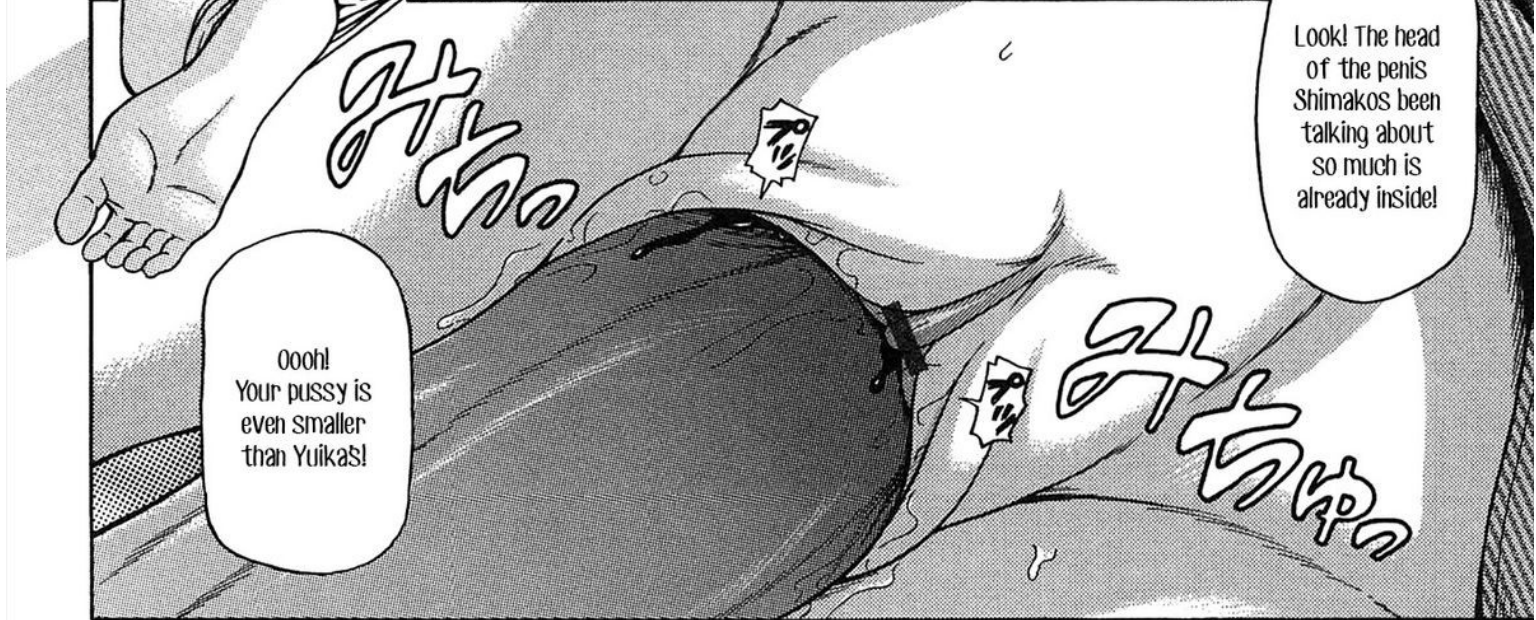

Doing it with my sister is fine!

But I'm your...

You're just helping your brother out!

SISTER!

Look! The head of the penis Shimakos been talking about so much is already inside!

Oooh! Your pussy is even smaller than YuikaS!

EKK!

C'mon...  
C'mon... I  
wanna reach  
your womb!

OWWWW!  
IT HURTS!  
IT HURTS!  
OWWWW!

Quick!  
Take  
it out!

OW!

I'M GONNA  
BREAK!

Well, being  
on all fours  
feels a little  
better...

AH!

Like this, you  
can forget about  
everything else  
and just focus on  
enjoying it!

I just had sex  
with Yuika... and  
she didn't break!

It wort  
break...

Ah...

Ugh...

Let's keep doing it like this...

Even though it's a little embarrassing ...

ooh!

I'm gonna come!

I'm gonna shoot lots of sperm into your pussy!

I would have never guessed that your sex voice would be so loud!

D...

Onii-chan is such an idiot!!!

You're usually so reserved, Shimako!

Do it...

The way it rubs me like this...

Feels kinda strange!

AH!

AH!

YOUR SPERM IS FILLING UP MY PUSSY!

GUH!!!

AH!  
AH!  
AH!

びゅん  
びゅん

Ah...

That was great!

Wow!

Oh.

You still haven't figured it out yet.

...or was it that she really wanted to give me her virginity?

That Yuika...

Even though having sex with her was really interesting, you know you didn't have to do that, right?

See you guys tomorrow!

Wow...

Thank you so much!

あががが

Is that so...

Was very special indeed...

that special present...

So I wanted to give you a special present.

Well, I remembered that today was your birthday...

So I arranged this.

You guys have similar minds, so I just put two and two together.

Don't over-think it.

かあ...

Because you're always so considerate to me...

I knew that you were interested in little girls, and then Yuika suddenly became interested in having sex....

And you did, didn't you?

I figured that you would make me pay for it afterwards...

However, the fact that I tied you up is a completely different matter.

Huh?

Yeah...

you really came about onii-chan...

Shimako...

End

How come you always stay at home? Is there something keeping you from leaving?

Even though it's summer vacation right now...

Hey Onii-chan...

?

# お兄ちゃん、夏休みの宿題

Well there really isn't much to do here, I guess.

Not particularly...

What about Shimako? Do you have somewhere you want to go?

Here are your pancakes.

Well, our parents are both out working all the time, so that's part of the reason.

Hmm...

Hehe, don't forget Onii-chan was also a student. So maybe I could help you write yours if you wanted...

Really? I remember when I had to complete homework journals over the summer break. It does get tough at times.

But since I can't figure out what to write about... I haven't done it yet.

Hmm... There is my summer vacation journal I need to finish.

Shima...

...recently Onii-chan never does anything with me... So it's okay, I can do it by myself.

Is that so...

...then I'm COMPLETELY okay with it!!

However, since I have nothing else to do, I don't mind if Onii-chan and I did something else...

I wouldn't mind having a snack, talking, or just doing something around the house. If it's something like that...

I got it! How about we both go out somewhere later today?

I don't want to ...

Eh?!

...was that a dream?

Please let go of me.

It's really hot.

You always act so modest and reserved! But deep down you really care about your Onii-chan!

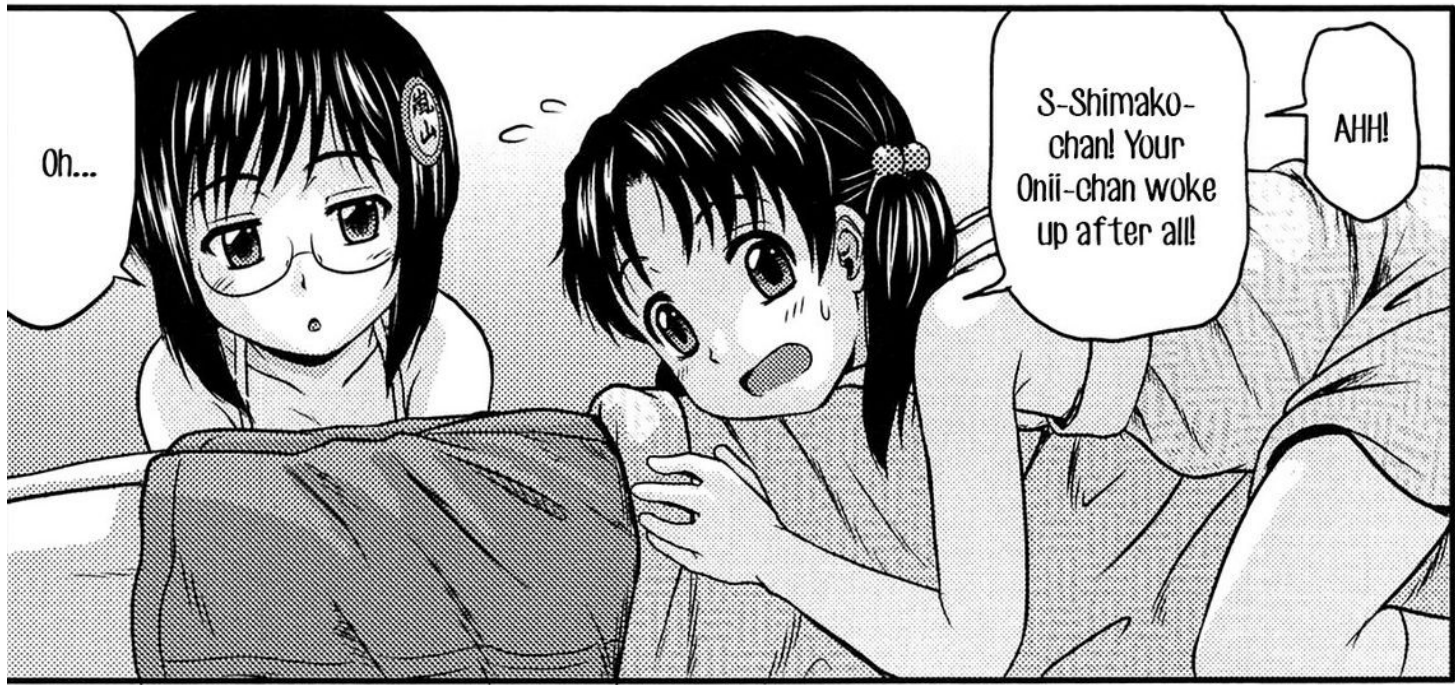

Shima-kooooo~!

PANTIES!

WHAT'S GOING ON!?

Oh...

S-Shimako-chan! Your Onii-chan woke up after all!

AHH!

Just what are you planning to do to me today?

...so?

I was planning on conducting a small summer experiment using Onii-chan's body.

Well, for today...

Um... It's very nice to meet you, Onii-chan!

Onii-chan, this is Yuika. She's staying over.

Uh... Yeah, it's nice to meet you too...

That doesn't explain anything!

...I've been patient long enough, now I really want to know what's going on already!

Well, it's not at full size right now. You shouldn't measure it unless it's fully erect.

You see how it looks now?

しおしおー

Uh... Why are you two looking at me with such sympathy?

.....

Listen to me! That's not the correct measurement!

Indeed, I had forgotten.

Ah~

おぼん

そっか

Hup!

KYAA!?

Since that's the case...

?

はっはっ

!!!

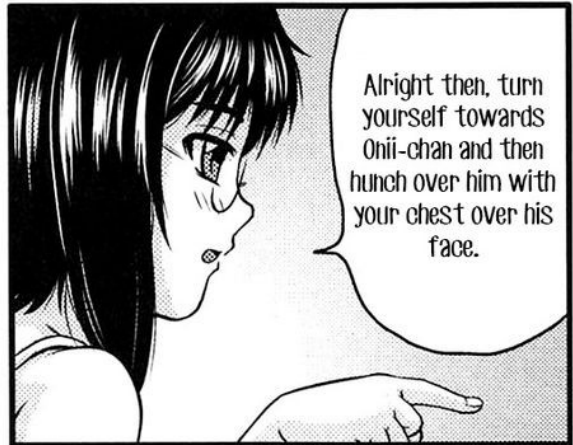

はっはっ

I will need Yuika to follow my specific instructions.

In order to make the penis grow.

Uh, okay...

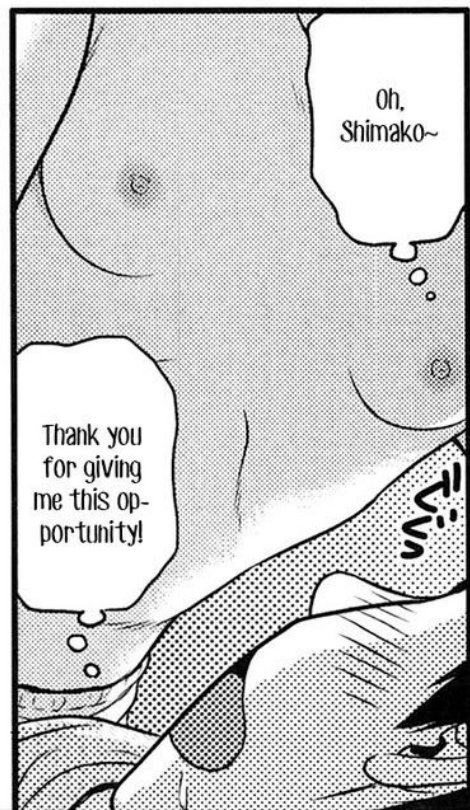

Alright then, turn yourself towards Onii-chan and then hunch over him with your chest over his face.

Shimako-chan...

Why did you do that so suddenly?

Oh, Shimako~

Thank you for giving me this opportunity!

This is so embarrassing...

You mean like this?

Yes, that's it. With Yuika's breasts so nearby and visible, Onii-chan's penis will get larger without fail.

BOBS!

I'm not angry at you two anymore, now that I think about it that was a pretty good experiment!

Okay then!

And so to be fair: this time it's my turn to personally examine the two of you!

わあ  
~~~~~  
♡

Well, you do have a point, I guess...

Pervert

Grr...

Do you really think that a pervert who collects such degrading material has the right to lecture us about proper behavior?

She's been going through my room!

フツ

This is kind of embarrassing...

Why do we have to be in this position?

Well, since you two so kindly took the time to measure my penis, I'm going to repay that favor and properly measure both of your pussies!

キキキキキキキキキキ

キキ

わあ...

Alright, I'll start with Yuika's pussy first.

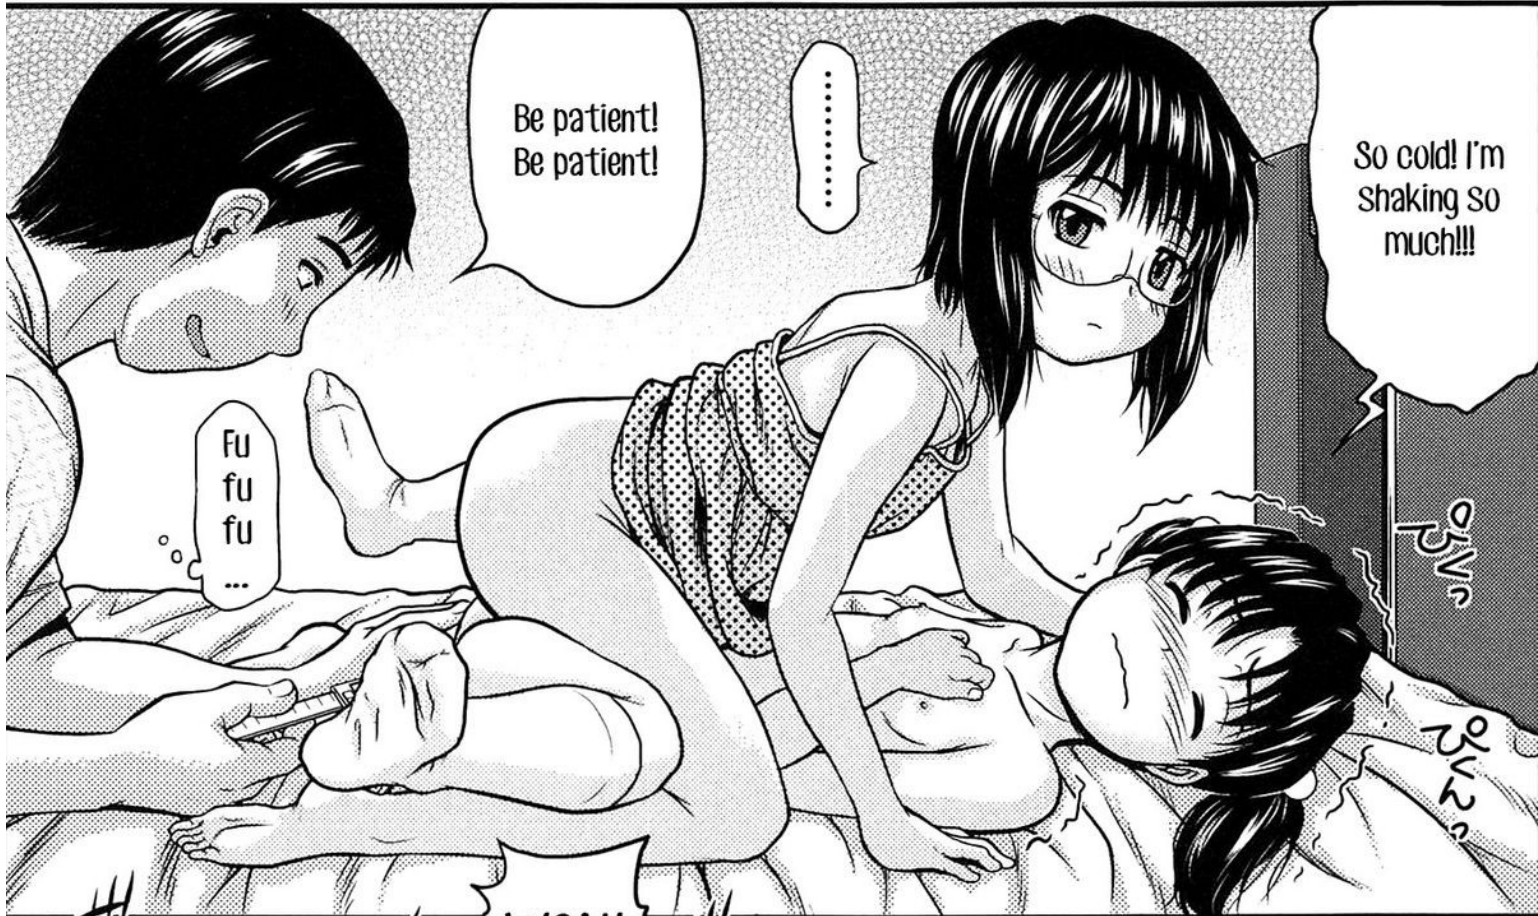

HYAA!

This is a man's dream!

Awesome! Two pussies on top of each other!

わはー

Be patient! Be patient!

Fu fu fu...

So cold! I'm shaking so much!!!

PVC

PVC

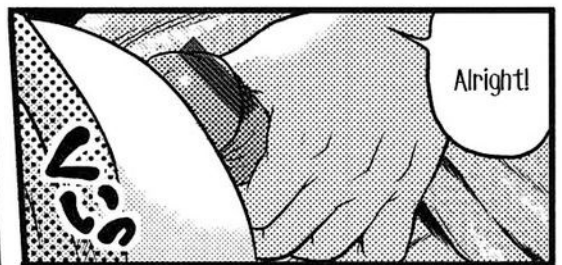

WOAH!!!!

Because it's so soft, I can't get a good reading!

OH!

Didn't you know? This is an experiment to determine and compare the differences in length, depth and ratio of two different pussies!

Ehehe~

What did you say?

I don't understand! What kind of experiment involves you putting your penis inside me?

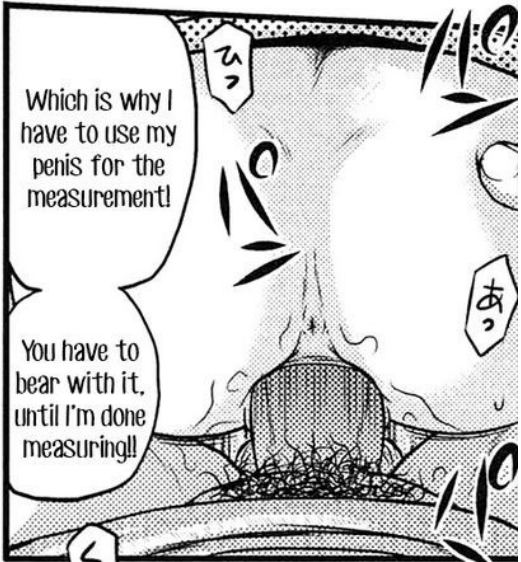

Ah-! What's going on?

This is reversed...

I was the one who was supposed to be taking measurements today!

Oh yeah, and how much you enjoy this also determines how long the measurement will take!

You should know that the caliper can't fit into your pussy!

Which is why I have to use my penis for the measurement!

You have to bear with it, until I'm done measuring!!

KYAA~

AHH!

嵐山

Onii-chan!

I know you're enjoying this!

No way, you've had your fun tying me up and then making me your experiment's guinea pig! Let's see how much you like being the victim!

HAA!

YAA!

AHAA!

I think Shimako's been growing a little here!

AH!

How am I possibly going to satisfy two ecchi-craved young ladies at the same time?

Ah, I know... for Shimako...

HAHAHA!
To see both of you asking is quite the surprise!

AHH~! It feels like your fingers are reaching all the way into my stomach!!

Let's see how you like this!!

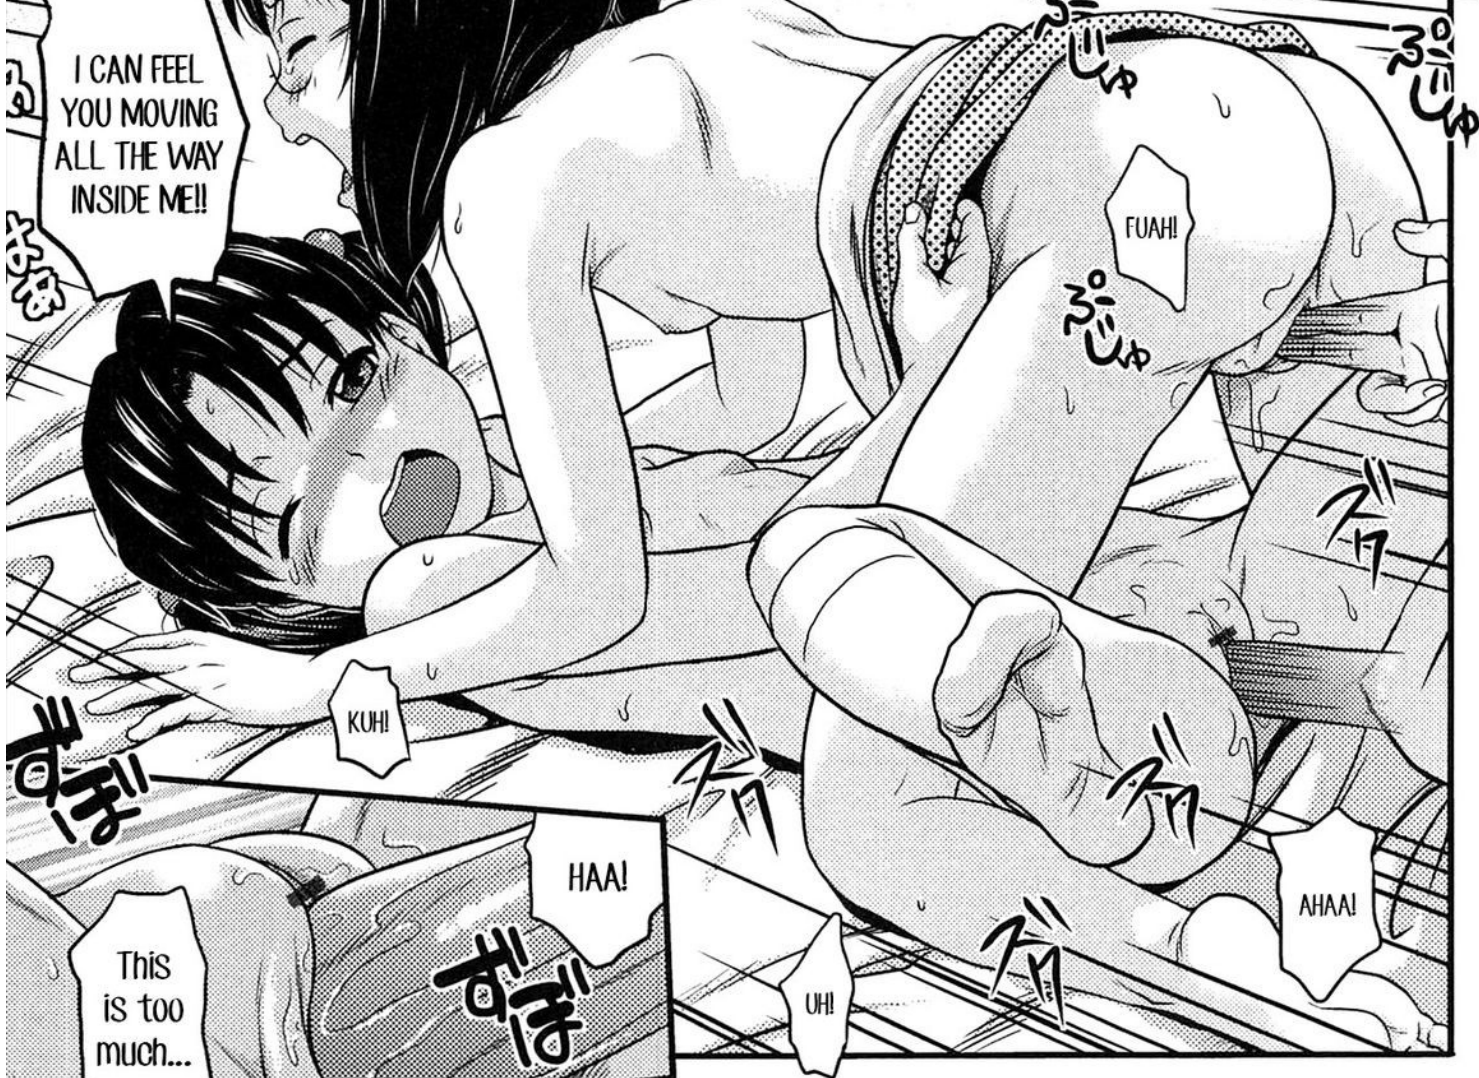

SO DEEP!!

AHH~! MY BODY IS TINGLING ALL OVER!

AHH!

HAA!

I CAN FEEL YOU MOVING ALL THE WAY INSIDE ME!!

KUHI

FUAAH!

HAA!

AHAA!

This is too much...

UHH!

Alright then! I'm going to come!

Yuika-chan! I'm going to come inside of you!

N-No... Stop...

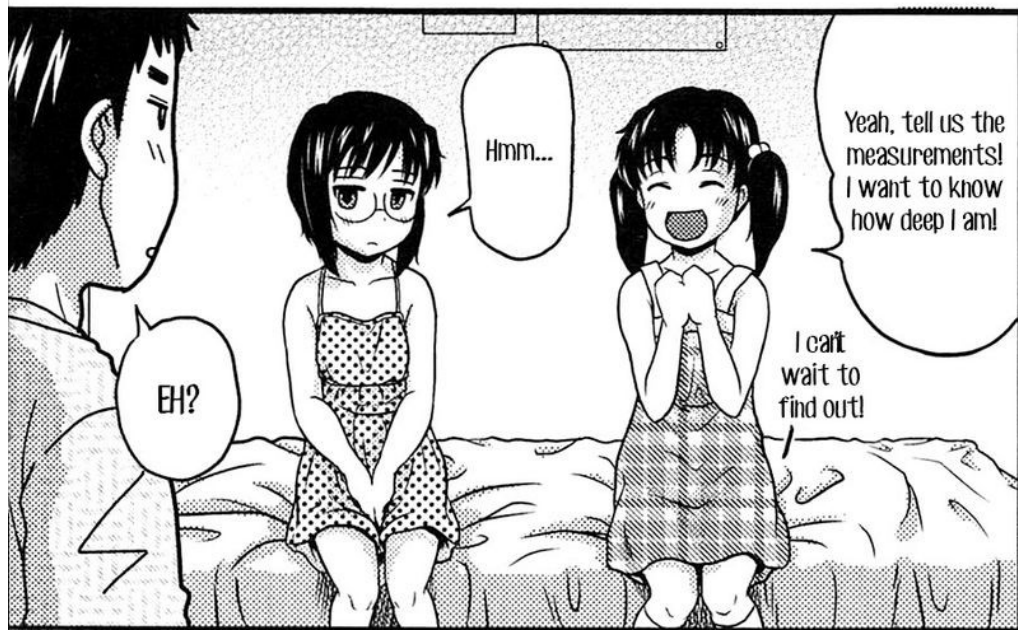

Its embarrassing to have to do it like this...

Since your body is so small, I just can't resist! Shimako is so very light~!

Don't worry, I haven't forgotten about you, Shimako. Now let's continue where we left off!

Get away from me you idiot!

Okay then, let's try again~

Don't be so shy!

I can't remember

Ah...

For some reason that doesn't surprise me...

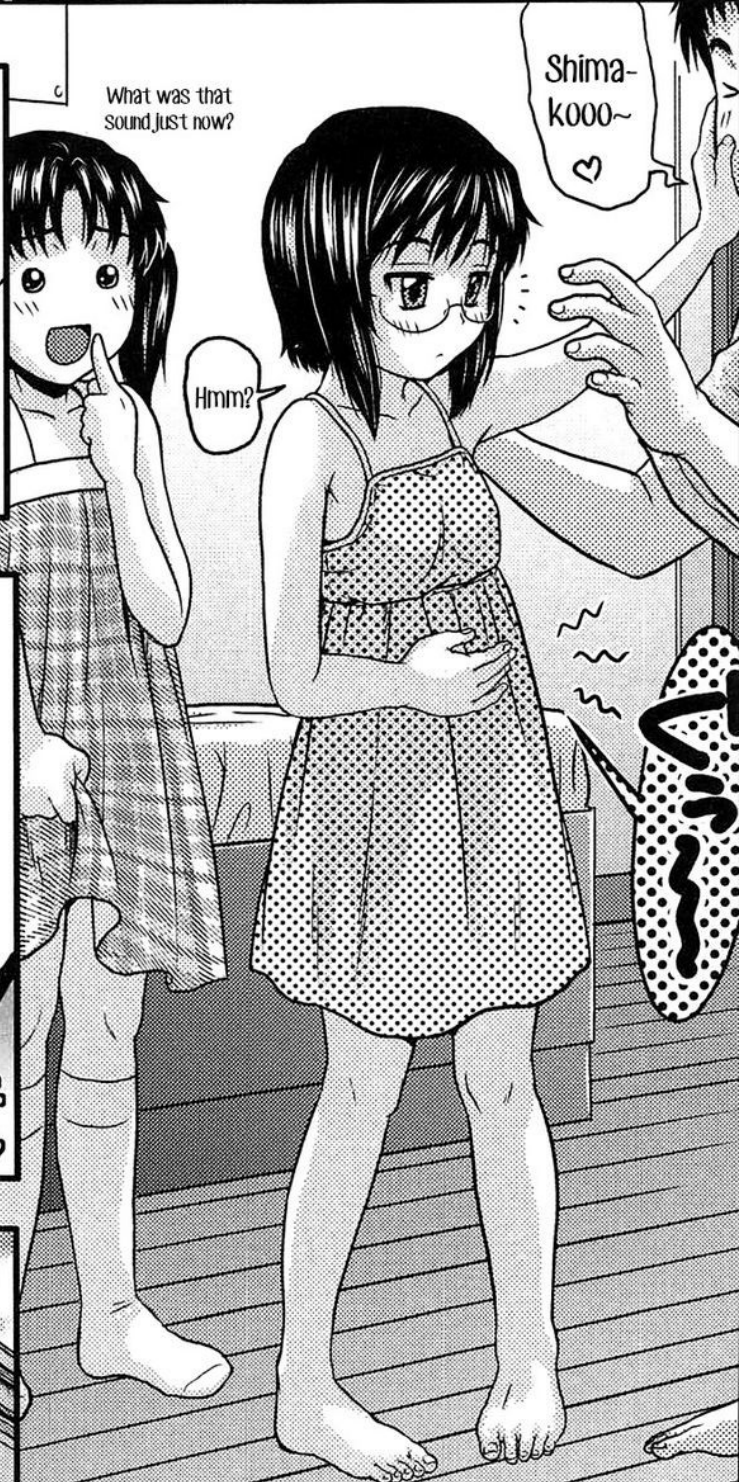

Alright, of course. I'll get to it... wait.

You may go ahead and make me some pancakes, do be sure not to burn them.

Onii-chan.

Eh...

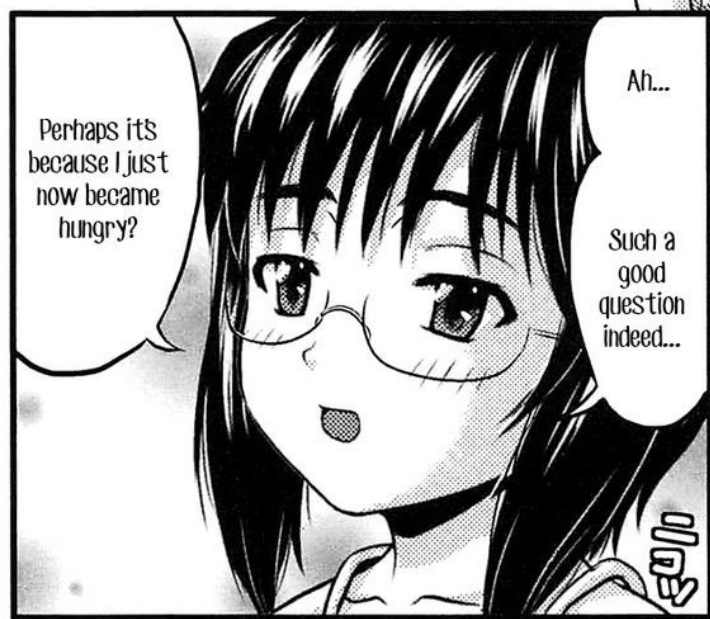

Why so suddenly?

What was that sound just now?

Shima-kooo~ ♡

Hmm?

Perhaps it's because I just now became hungry?

Ah...

Such a good question indeed...

End

YEAH! I'm hungry too! ♡

Oh, and Onii-chan? Don't forget to make enough for Yuika as well.

Ugh! Why is it always my responsibility?

◆ほっかほかるるなちゃん◆

Okay, sure~

Dry my hair!!

Here you go!

Mamoru Onii-chan!
I'm out!

Don't you know better than to come out dripping wet when it's so cold?

Ah...

Ehehe~

ぽっかぽか

I just love it when my niece Ruruna-chan wants to spend time with me~!

Haa~ She's just too adorable!

But, then I wouldn't get a chance to have you wipe me off!

Oh yeah? Then take this~!

Mamoru Ohii-chan, you're tickling me~!

wipe
wipe
wipe

Her grandma, or in other words my mom, used to give her baths all the time.

I truly do love this job. Being able to touch the naked skin of a 9 year old is really fulfilling.

Ruruna-chan had gotten so used to someone wiping her down so she turned to me, and I'm not one to complain.

Such small breasts!

This is nice... the skin on her small body is so clean and beautiful~

So smooth~!
So slippery~!

And her little butt is so soft and squishy!

What an absolutely delicious view!!

WHY DOES RURUNA HAVE TO GO TO SLEEP NOW, I'M NOT EVEN TIRED!!

I'll see you in the morning.

Ehh~

Well, after your bath you started to catch a cold. You should take it easy tonight and just go to sleep early.

Grand-maa~!

I'm going to bed with Onii-chan tonight!!

だ

!

That's not a good idea... I haven't gotten to wash yet so I might not smell very...

Eh~

Because I'll fall asleep faster!

No! Mamoru Onii-chan has to sleep with me!

Doesn't look like I have a choice.

Haa... alright. I understand.

Come in!
Come in!

YOU JUST HAVE TO SLEEP WITH RURUNA TONIGHT!!

I DON'T CARE!!!

Yeah, that does make sense I guess.

Uh~

Don't you think it's better we stay warm by sleeping together?

Since it's winter time...

Ehehe~

... connected?

Sure, okay~

I know! We should stay connected while we sleep!

Hmmm...

Well, I'm not sure how cool, but thanks anyway. Like you said, it is winter...

This is so cool, Mamoru Onii-chan!

Your hand is freezing cold!

WAH~

You think so?

What do you think you're doing, Ruruna-chan?

Wha...

Wha...

Ehehe~!

?

In that case...

NO WAY!!!

I can feel my thumb digging into her pussy lips!

Maybe I can use the rest of my hand to rub a little...

Her pussy! I'm so close to actually touching it!!!

If you keep your hand between my legs like this, your hand will get warm!

Um... Thanks...

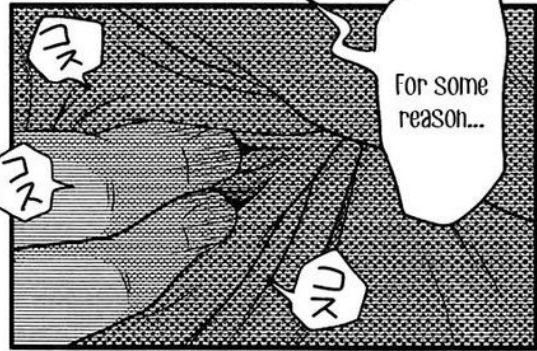

Oh, right...

Hy... HYAA!!

Wah~

I can only hope that this doesn't upset her...

For some reason...

Oh, I just figured I could warm my fingers faster if I started rubbing them against you...

Mamoru Onii-chan, what are you doing?

My body is starting to feel all tingly...

I'm starting to feel really warm...

Uahh... Ah~ So that's... What you're doing...~

Hyaa...

This is amazing!

You're licking me!

How is it that even though I am doing such a perverted thing to you... That you don't seem to be upset?

And not only are you not resisting, you actually seem to be enjoying it!

I should be able to do this to my hearts content!

If that's how it is, then...

How come you like licking me so much?

Ahaha! That tickles, Onii-chan!

I can finally fulfill my dream of licking her entire body!

Hmm, I only smell soap. Do you think that's why I smell so good?

Well, that's because Ruruna-chan tastes and smells so delicious!

Ahhh~... Even her tiny little fingers are delicious...

That's probably part of the reason~

I smell delicious?

Nya?

We don't need this in the way~

Now then...

My body is tingling so much right now... Even more than before!!

Can you wait a bit? I joined a club, so I'm all sweaty and I need to wash up.

While I was taking a bath, I found out something really cool!

Something I'm only going to tell Onii-chan about!

I wanna tell you something!
