I was supposed to be the new coach of my High School alma mater's volleyball team.

The reason being...

After four years, I had finally graduated college and returned to my hometown.

Of course, this isn't really what you'd call a "normal" high school volleyball team, now is it?

All of the schoolgirls in the area who had grown large due to the mysterious outbreak would gather and compete, and a "Champion team" be decided. Or so they say, but...

In any case, it seems like the sports division set up a new "Monster Class" tournament, which is supposed to start soon.

We'll begin by receiving the ball!

Alright everyone! Practice starts now!

Kono-

How the heck am I going to...

Oh...
