You know, normally, money is given as a reward for hard work!

You're a fifth grader now. You've got to be more careful with your allowance.

So you wasted it all again...?

I get it! In return for the money...
♡

The older you get, the more important money is, and...

Oh, Papa-! I already know all that!
♡

I'll give you a little somethin' somethin'!

Hey! We're not done talking...
