A thief!  
Somebody,  
help!

I always  
sucked  
at  
sports...  
But  
I joined  
the Track  
and Field  
club as  
soon as  
I entered  
school.

And now,  
an unexpected  
sequel!!

The  
reason  
is very  
simple  
but a bit  
impure.

You ask too much from me, really!!  
You're too good at teasing me all the time!

It was  
love at  
first  
sight.

Come  
join  
the  
Track  
and  
Field  
club!  
♡

I wanna kiss,  
kiss, kiss, her!

Four months have passed since... The plan to join that club in order to get closer to her was a success but...

Edging complete! ♡

I still wonder how I ended up with her controlling my orgasms...

AAAAAAAAA!

You were so close to cumming... But now we'll make your dick wait in this cage until tomorrow!

Alright, we're done for the day!

Hn fu fu! ♡

☆

Doing this every day has become unbearable...

S-shinohara..! I haven't c-cum for another whole month...

But you'll have to endure a lot lot lot lot more...

I want to see it.

Your dick's limit.

UGH!!

You promised me you'd give me your "first time"... But... It hasn't happened yet...

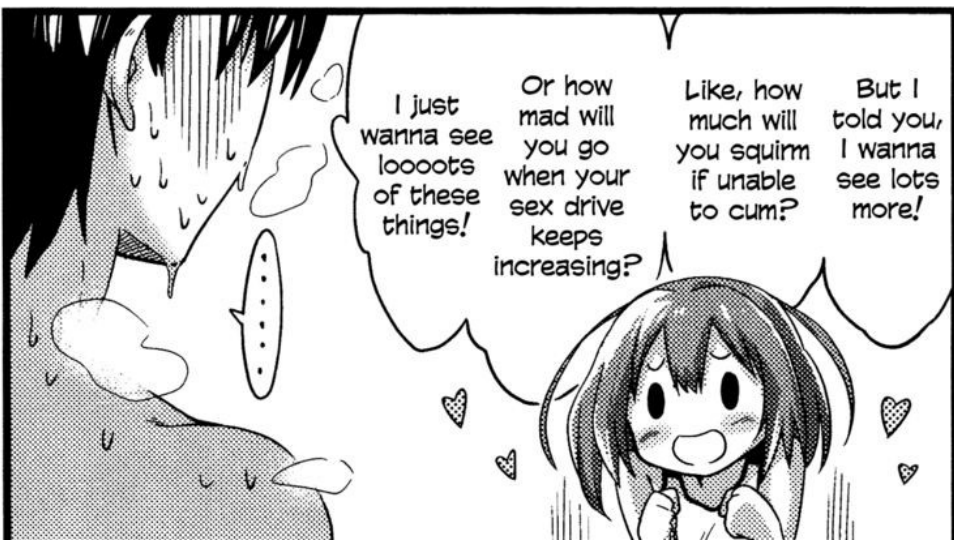

And, well... You said that if I didn't cum... Then...

Haa! Haa... Haa...

Haa!

Also...

I just wanna see looots of these things!

Or how mad will you go when your sex drive keeps increasing?

Like, how much will you squirm if unable to cum?

But I told you, I wanna see lots more!

That's not true!!

After doing it... You'll just lose interest in me, won't you?

That... I guess so.

Ah!

Chastity belt

I also have the feeling we'll stop using this...

I can't give it to you yet!

See?!

Eh?! Really?!

Does it mean I can ask you for something right now?

You endured for a month, so you can ask me for one thing other than sex. How's that? But you have a point, let's see...

Sure, why not.

?

I want to kiss you, Shinohara.

If that's how it is...

Then ...

Or maybe... Your common sense has already flown out of the window?

Auh!

Do you wanna kiss me that badly?

I bet that rather than kissing, you'd prefer to ejaculate right now... Am I right?

"Bullshit story, a normal guy would just fuck her really hard and not cry like a pussy."

"Fuck that, I would have just beat her ass, got the key and raped the bitch."

"She should be glad she never met me. I would enjoy bending her to my will."

"Just rape her."

"you're really a rotting and sadist whore, he waited one fucking month to cum and you still want him to hold it again?"

"Fucking femdom, more like stupid bitch face cunts."

"I challenge any dominant girl to over power me. It's never gonna happen."
