~The Secret~

密

What on earth are you doing with these Yuichi!?

I found these when I was cleaning your room!

What's wrong with you Mom!? Don't go in my room without asking!!

Forget that right now! I asked you a question!!

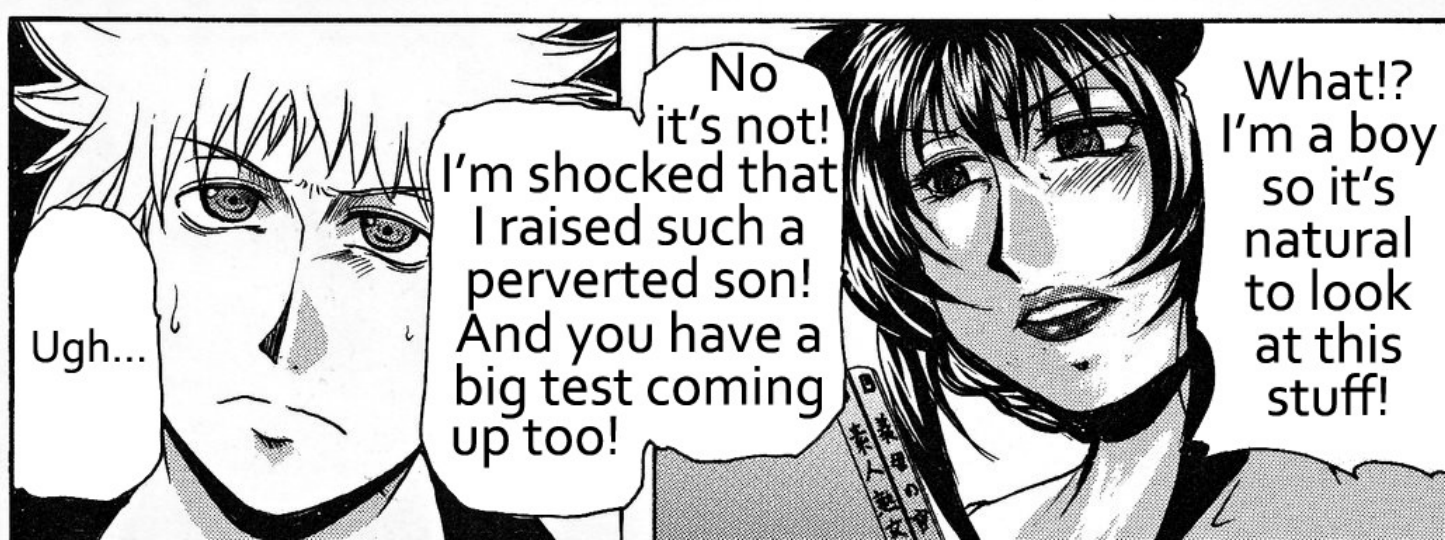

Spending your time looking at these filthy magazines when you should be studying... I can't let this go!

I... uh...

No!! I'm taking these! When your father gets back from his business trip he'll give you a real scolding!

But I didn't do anything wrong! C'mon, give me those back!

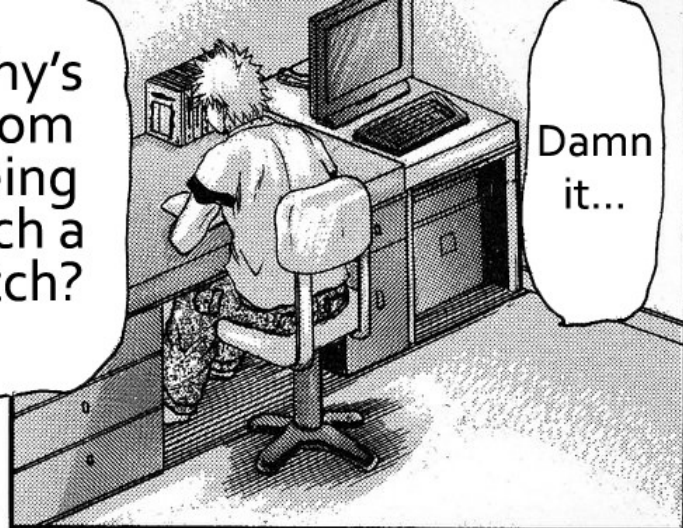

Ugh...

No it's not! I'm shocked that I raised such a perverted son! And you have a big test coming up too!

What!? I'm a boy so it's natural to look at this stuff!

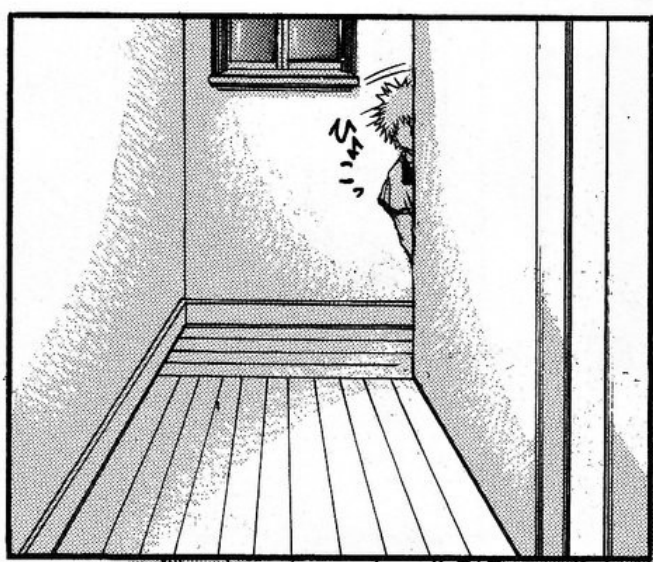

Why's mom being such a bitch?

Damn it...

I think mom went out

I better find them soon so I can give em back

They're not in the living room so that leaves...

Does she really think I can study now?

Those were borrowed magazines too...

...

...just here

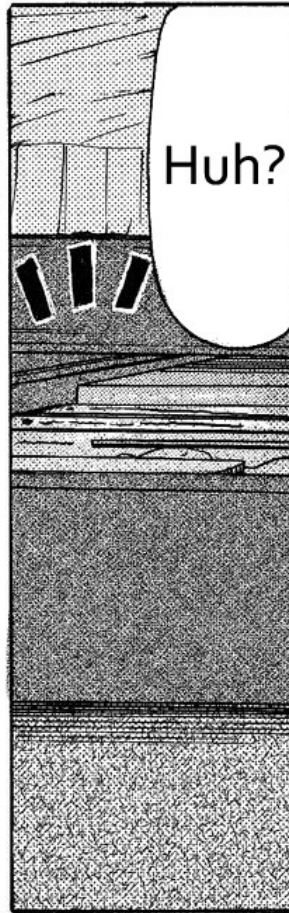

But I don't have a choice

It's risky coming into their bedroom, but...

Man, that's great!

Hey here they are!

Huh?

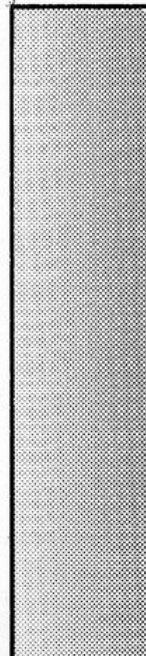

Where are they!?

Where did you hide them!?

It doesn't have a label

What's this?

Hello Darling!

カチカチ

Could be good stuff on here

How have you been? I'm sure you're working hard.

!?

This has to be a video letter to my father

I also got the other present you sent...

But it's just so BIG...

ロロ

That's... Mom!

I'm wearing the outfit you sent, Darling. How does it look on me?

I can't believe that's my straight-laced mother!

Are you watching Dear?

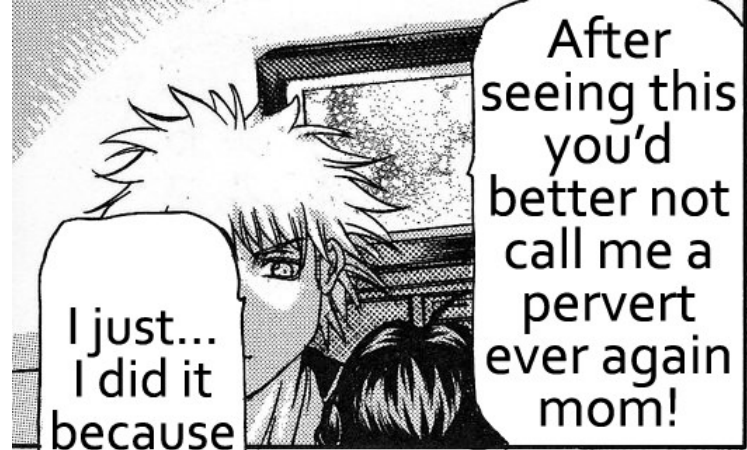

It's filling your wife's wet pussy

Yu-Yuichi...

What are you...?

But I'd rather it was your stiff cock inside me

After seeing this you'd better not call me a pervert ever again mom!

I just... I did it because he asked me to...

Ha! You sure look like you're enjoying it to me!

No way! It's just getting interesting!

Turn that off right now!!

Not at all. I've got a lot of things to pay you back for

Y-Y- You're joking, aren't you?

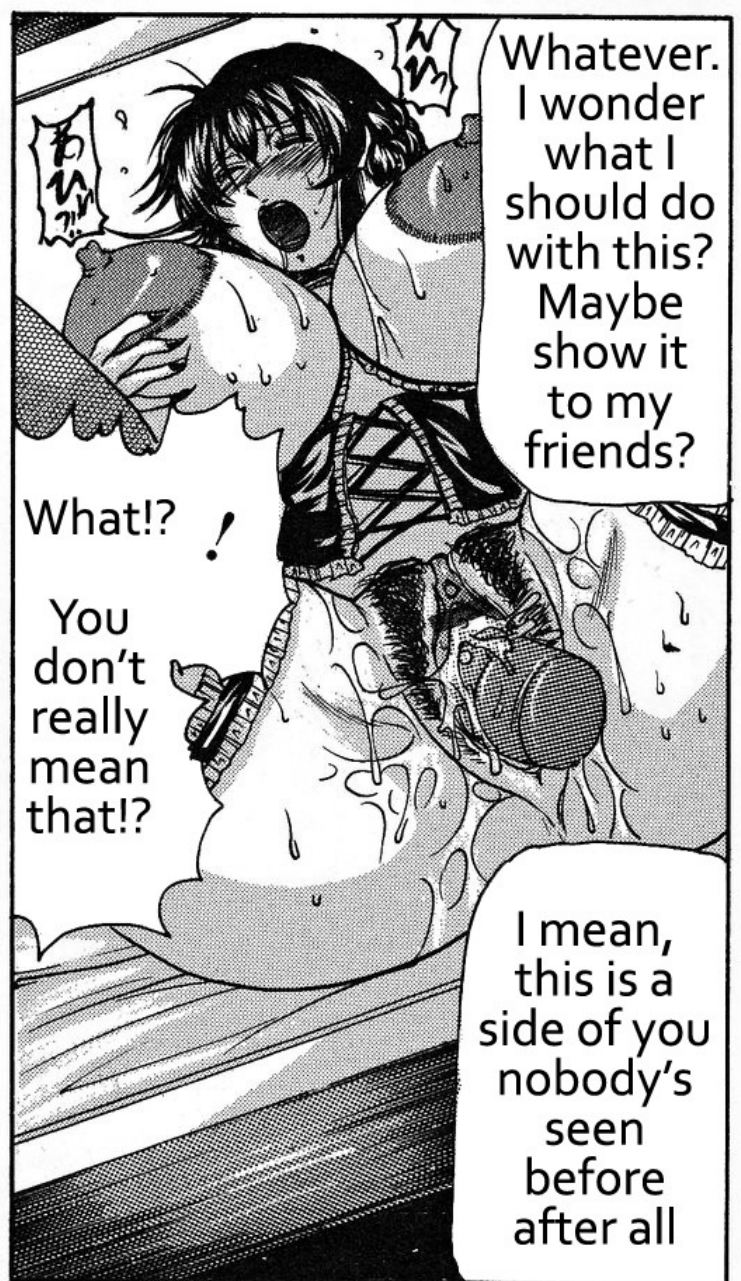

You...

Well, if you agree to do what I tell you then I guess we can let it go

Really!?

But in that case...

Whatever. I wonder what I should do with this? Maybe show it to my friends?

What!?

You don't really mean that!?

I mean, this is a side of you nobody's seen before after all

Is this...
what
you
wanted?

Wow!
Look
at you!

I put
it on just
like you
told me

Are you
really
going
to do
this
Yuichi?

Get
used to
it 'cause
you're
gonna do
even more
shameful
things
real soon

Please
don't
stare
at me...
I feel so
ashamed

You
look
great!
Even
better in
person!

W-Wait!

OK!
I'll do it!

Hey, if
you don't
care who
sees that
video we
can stop
any time
mom

Annh...

Nmh...

Mmm...

Why do
you want to see
mommy
like this
Yuichi?

Mm...

Ahh...
He's
staring so
hard at my
trembling
pussy...

Don't
worry
about it.
Just keep
going...

Oh?
Are you
starting
to enjoy
this
mom?

If he
keeps
that up
I might...

Wait a minute Yuichi!

What are you doing!?

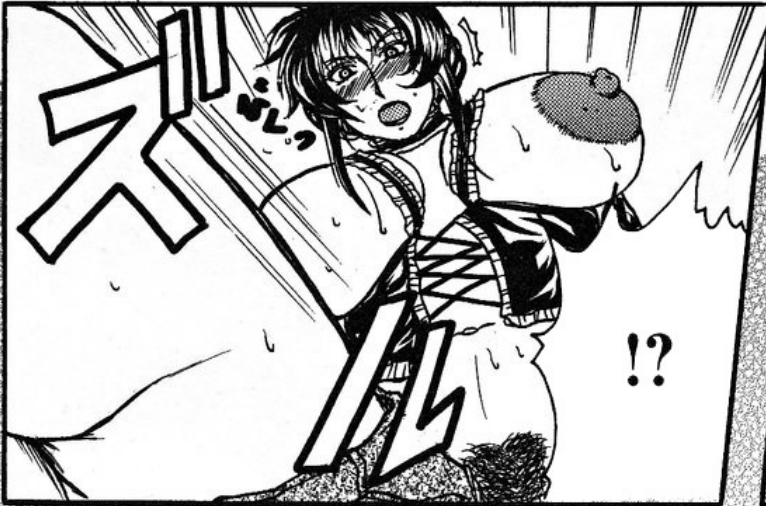

Wh-What!?

Not a chance!

Oh yeah? Well I'm getting really horny!

What are you saying!? You want your own mother!?

Shut up! Just keep going, mom!

Stop it, Yuichi!

Don't do that!!

I may be his mother, but when I look at it...

It's... It's gotten so huge!

I can't believe this...

Spread your pussy open wider, mom!!

Mmng... Like this?

I'm getting so turned on being watched by my own son!

Ahnggh!

Don't say that!

It's so fucking hot!

Your pussy is totally soaked mom!

OH FUCK!!

Ah! Oh shit mom! I'm about to...

AH!?

It's been such a long time!

And it smells so strong...

There's so much thick cum...

Ahh...

Hahhh...

Mmm!

You spurted your warm jizz all over mommy...

I just can't help myself anymore

M-M-Mom!?

It's all
your

Yuichi

Mommy

resist this
huge cock
of yours

I fell in love with your big dick the moment I laid eyes on it

HAHHH!!

This time I want you to fill mommy's mouth with your creamy seed

Last time you shot your cum all over my body...

Let me taste my son's thick ball load

Ahh...

Mmm...
Your jizz
is so

don't
hold
back...

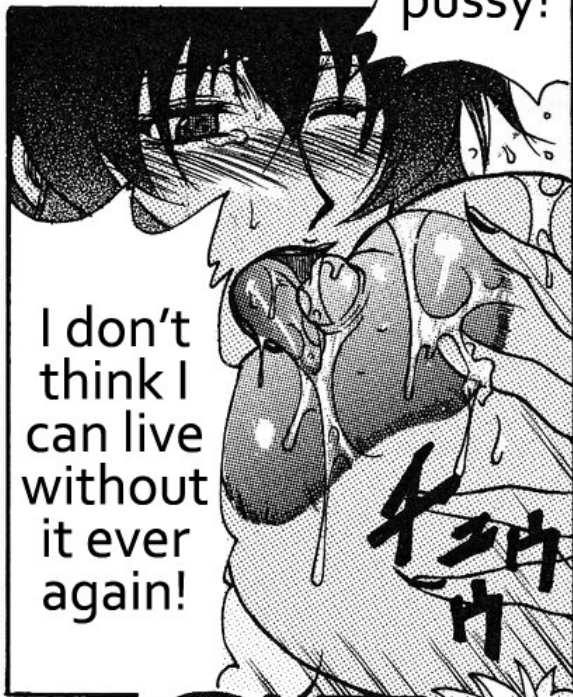

Drive
mommy
crazy
with that
big cock
of yours!

I can't
wait any
more
mom!

I love this cock filling my pussy!

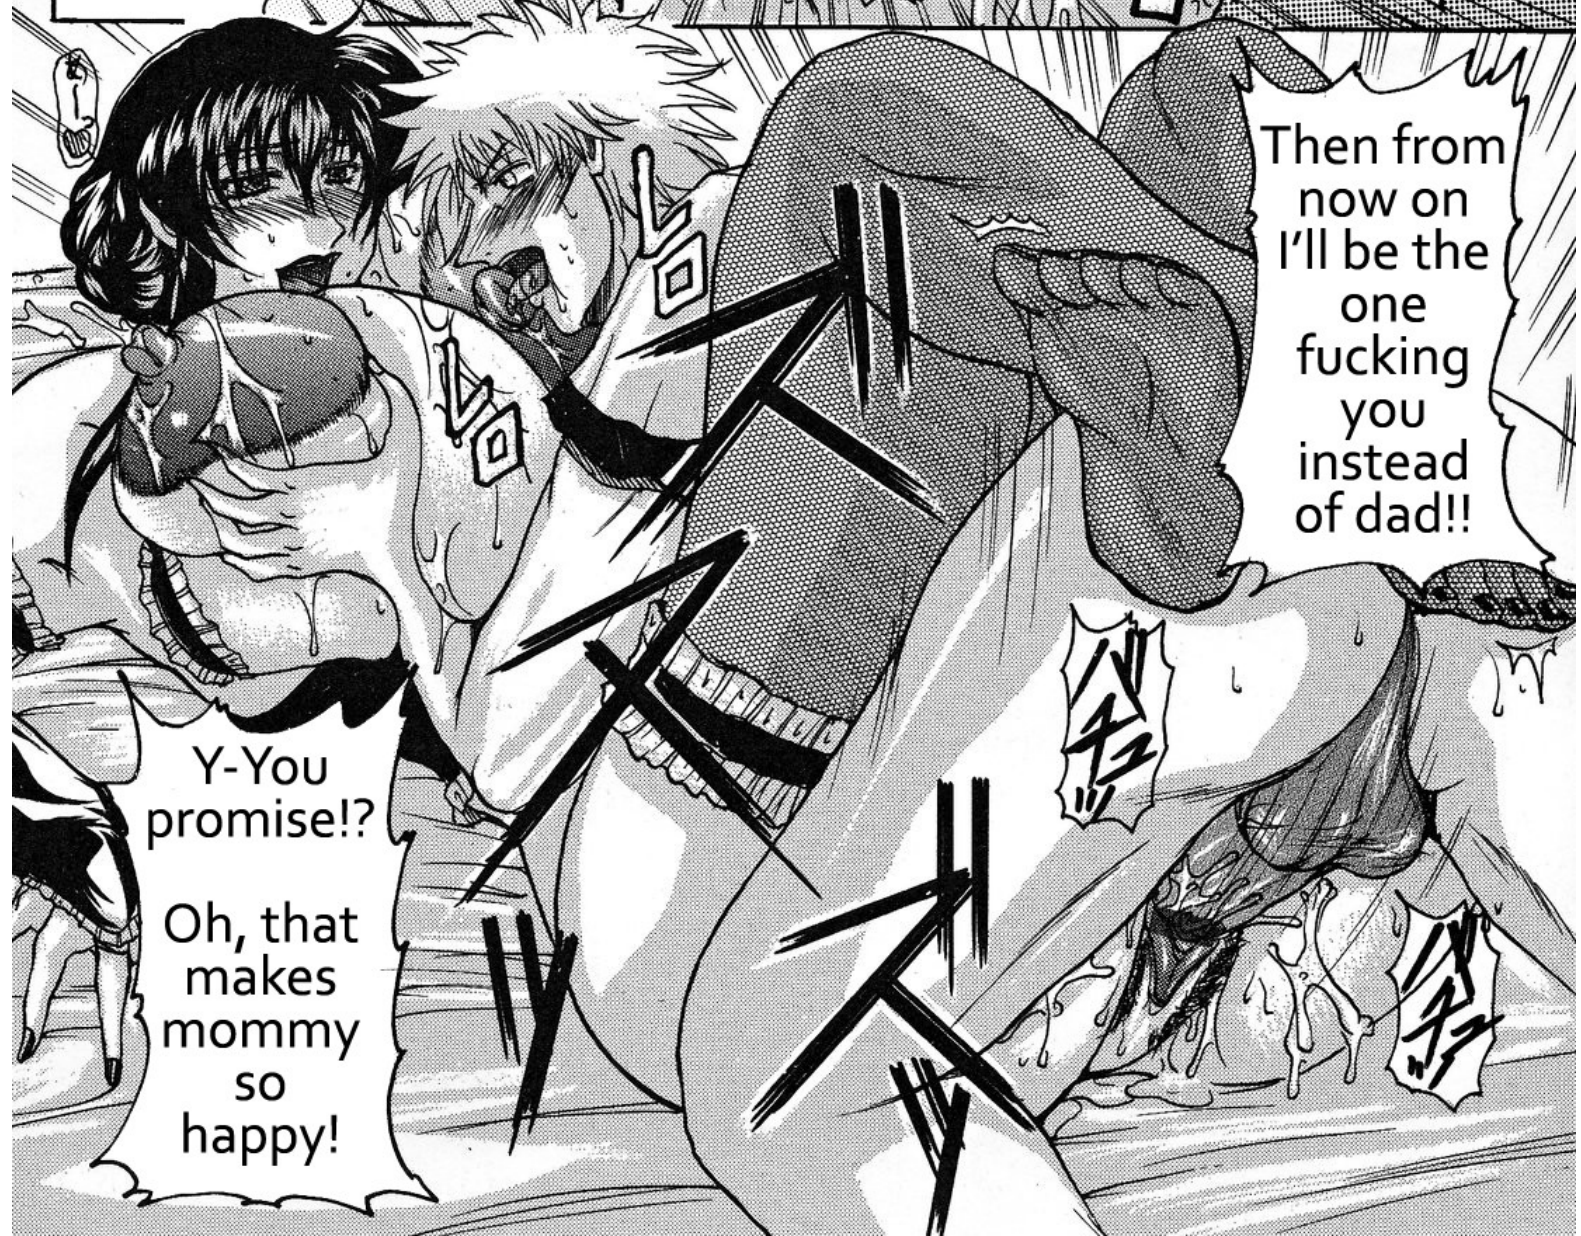

I don't think I can live without it ever again!

Do you love your son's fat dick that much, mom!?

Yes!
I love it!!

Then from now on I'll be the one fucking you instead of dad!!

Y-You promise!?

Oh, that makes mommy so happy!

I'm cumming sweetie!

Mommy's cumming!

You've made me so happy I think I'm going to cum!

HYAHNNNN!!

Why are you still looking at this filth!?

Uh... I um...

Jeez! What do you want mom!?

Yuichi!
Yuichi come here right now!!

たーる!

Didn't I tell you before?

You don't need those magazines when you have mommy right here
