I'm
coming!

Sorry, I'm
swamped with
work today,
can't go out
right now...

Nii-chan,
come on!
let's go to
the pool!

Oh!
Was that
today?

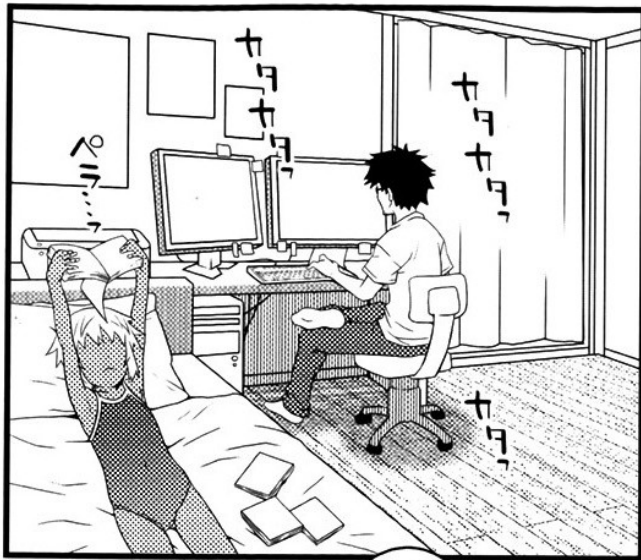

But I'm
already
wearing my
swimsuit
under my
clothes!

You came completely
prepared and everything?

W...
wow,
you're
hasty...

Well, I'll be
done in about
an hour, so...
Wanna come
wait inside?

And don't
take off your
clothes in a
place like
this...

It's just a little bit longer, so be patient, ok?

Well, if you see any manga laying around, feel free to read it.

Huh?

To put you under pressure, so you finish up quicker!

...Why are you in your swimsuit, anyway?

Ooh!

Her boobs are amazing!

Ah, You scared me!

I'm bored!

Looking at her from this angle, she looks pretty womanly for a sixth grader...

Uhm

Huh?

Nii-chan!
Look at me!
Look!

What the
blazes
are you
doing!?

Oh
Han
an

Oh, her
shoulders and
hips are quite
round, her de-
veloping body
is kind of
erotic in
a way...

Peek

What
do you
think?

Pretty
erotic,
huh?

It's just
like one of
those Gravure
you like.

Nii-chan,
you love this,
don't ya?

Hmm?
Uh... yeah,
sure...

Ah crap... This
elementary
school girl's
hitting me
right in my
sweet spot...

And she's
my cousin
to boot!

12-17

You like tiny
boobs like
these!?

Do... don't
pull down
your swim-
suit!

Really!?

!?

I've... I've
already told
you you're
attractive!

I've
been
feeling
weird
lately...

Maybe if
my boobs
were bigger...

But when
you said you
liked bigger
boobs, it made
me really
sad...

I like you
a lot, Nii-
chan... but I
don't know if
I love you...

.....

Whenever
I think of
you, my chest
begins to
hurt...

Ah...
I really
am hope-
less...

Nii-chan
could grow
to like me
too...

Crap! Crap!
Stay calm!
Keep your
composure!

I asked
my friends
if what I'm
feeling is
love.
