

Smother Escorts

It's my first time ordering an escort, so i'm a bit nervous.

Thanks for ordering from Smother Escort. So you want the deluxe service, that's my favorite.

Don't be nervous hun, i'm a pro, and i'm here to make you feel comfortable. And your a cute one, so i might add some extras to the service you ordered

I do have to say she is quite larger than previous escorts. Plus i've never ordered from Smother Escorts before.

たのしみ!

Ha ha, i wonder if she bought that line of this being my first time.

This is amazing... Each one is as big as my torso. And they're so soft and plush.

Thanks... You're the most beautiful woman i have ever seen.

Oh what a sweet talker i have tonight. Time to introduce you to my twins.

むい

むい!

These breast are incredible, I could fall asleep on these

I'm glad you like them, they like you

Oh yes! I bet the pressure just increased for you. Having someone trapped in my breast is heavenly.

I can barely hear what she's saying, her breast are blocking everything but her heartbeat right now.

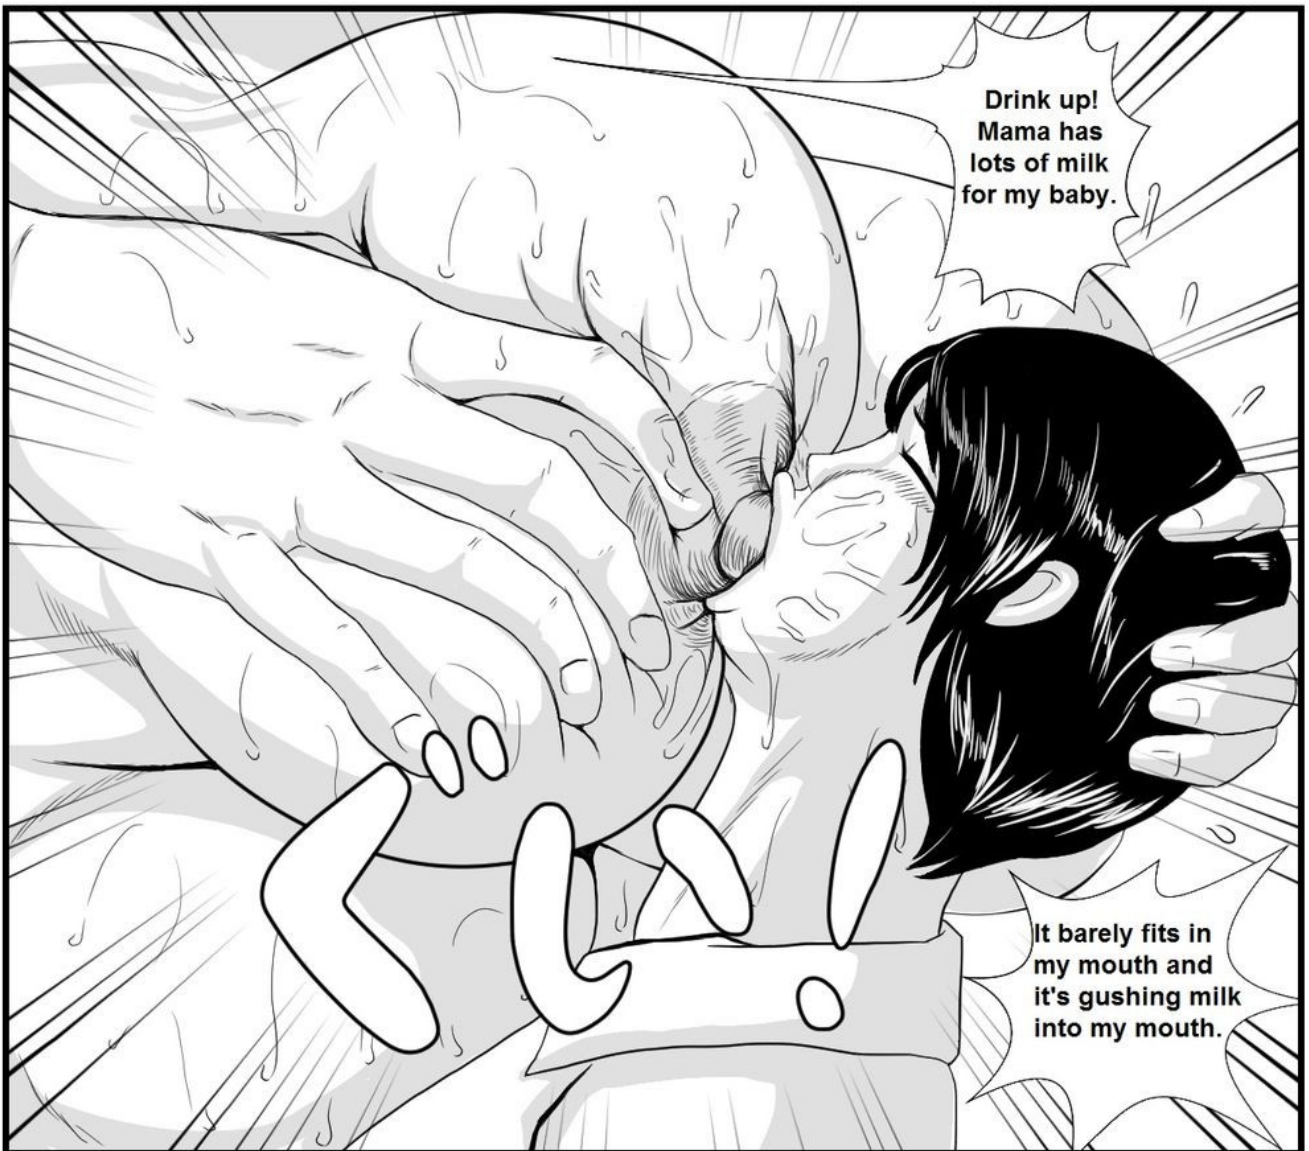

Time to see how my baby is doing in there.... Just a quick squeeze before i release him hehe..

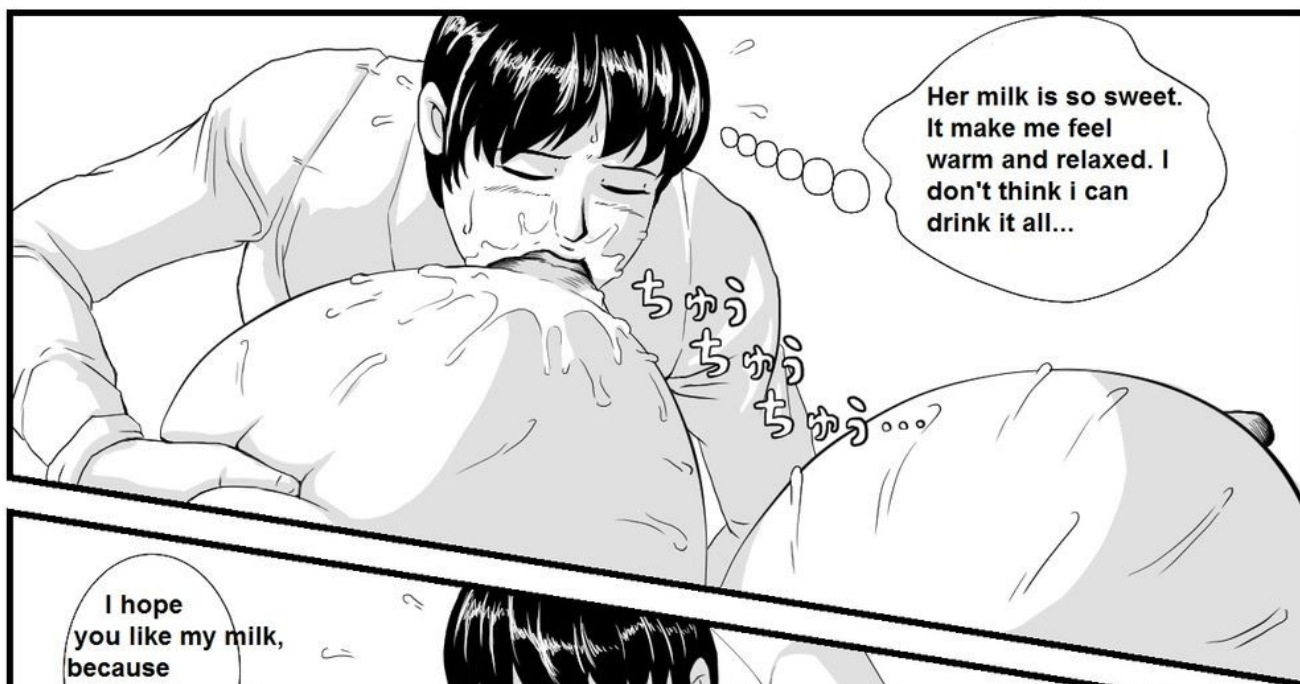

Oh i forgot you can't hear me in there.

The light kinda stings. i feel like a baby from this angle.

I know i'm full from just one breast, but i can't stop sucking. Her milk and embrace is intoxicating, i just can't get enough. Please be my mommy.

One down, one to go. You're seem to be really enjoying my milk, i bet you weren't breast feed as a baby. It's ok, i'll be your mommy and make everything better. Oooo.... that's it, get in there, you need to squeeze every last drop out.

You did great, you deserve a reward.

A reward?

Normally the client stays clothed, but i think some skin on skin is in order to further increase our pleasure. How about it?

Yes.... Of course... i've been dying to get out of these clothes to feel you even better.

Of course, it's been a long time since someone sucked me dry and did it so well too.

Now it's time for you full body massage. Our sweat is making a nice lubricant for us.

Yes! i'm glad i ordered this service.

What?! It hasn't started and the pressure is so great...

Prepare yourself, i'm gonna start the massage. And then after, the fun really starts.

Ahhh...
the air is
cold on my face,
If i didn't have to
breathe i would

his squirms are
so good. He's
gonna make me
cum from his
struggle.

Enough
air, time to
go back in,
deeper this
time.

It felt like i was completely surrounded by you. I can feel your body quake with your orgasm just now. Please i want more.

YES!! that's a good boy, making mommy cum. I'm gonna make you feel just as good as you made me feel.

We were one for a moment there. And since you made me cum, i think it's only fair i return the favor. Are you ready?

Good! Here i come!

I't just like before. But this time you won't be coming back out.

Aww how cute, But you don't have the strength anymore to fight back

Apart of me wants to be in her. She tired me out and now i can't move.

Thanks for filling my hunger. Keep squirming some more. You should have a few more minutes until you pass out and get absorbed into my body forever, just like you wanted.
