And it was all thanks to you, Elma.

Xiuli, your great ideas always led our little team into trouble.

因为之前阿修利的无脑行动结果只剩我们两个了

But now you want us to have companions

Because of Xiuli's stupid actions, only the two of us remain.

So now it is up to only the two of us?

Xiuli Kagato

But i pretended to be your companion, ready at your side. Just waiting for the right opportunity to happen.

The first generation of devils, who are not strong or brave, stayed in the city. They just wait to be overthrown.

Despicable, despicable me. Anyways i have always been the devil.

You have been so humble !

I am the king!

Wait what !?

Rest assured you will not be killed ... immediatley ...

So EVIL!!

You must use your sexy body to take care of your companion. And now I am happy to see a naked woman...

Haha, see in the middle of your legs there is beautiful pink pussy.

Well ...

哇...我的小弟真的变强了!

Ah AHH

You honestly want to change back to your old self, all the while holding back the pleasure

不要...

How will ... to become so unlike my self ...

As a man you got a thrill from saving the world, but holding this pleasure back must be much harder?

These embarrassing sounds are my own voice.

The sounds you are making are those of a sweet girl.

But I'm a MAN !!!

Do you believe yourself while saying that you are a man? Only a fool would believe that.

Oh oh ...

Once you orgasm as a woman there will be no way to restore your old self.

This bracelet is also particularly attached to my magic, where it will change your way of thinking to that of a woman.

Those before I could fight ... but a situation like this.

AH

AH

♡♡

AH

into a Woman ...
I'm turning ...

AH

The rest of your lifetime will be spent as a woman.

A man no not anymore.

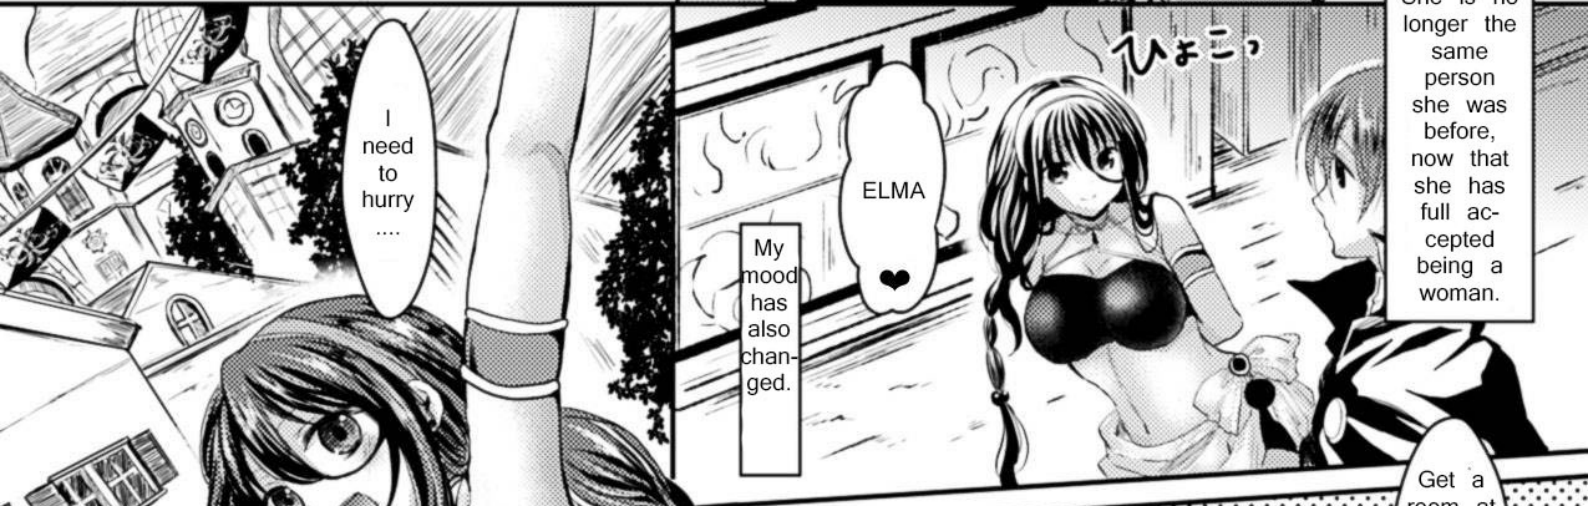

She used to be excited by swords and fighting, but now only jewelry

Xiuli and I have continued to travel together.

Oh, young miss has a good eye.

Wow, look at this cute locket.

A few months later.

I need to hurry

My mood has also changed.

ELMA

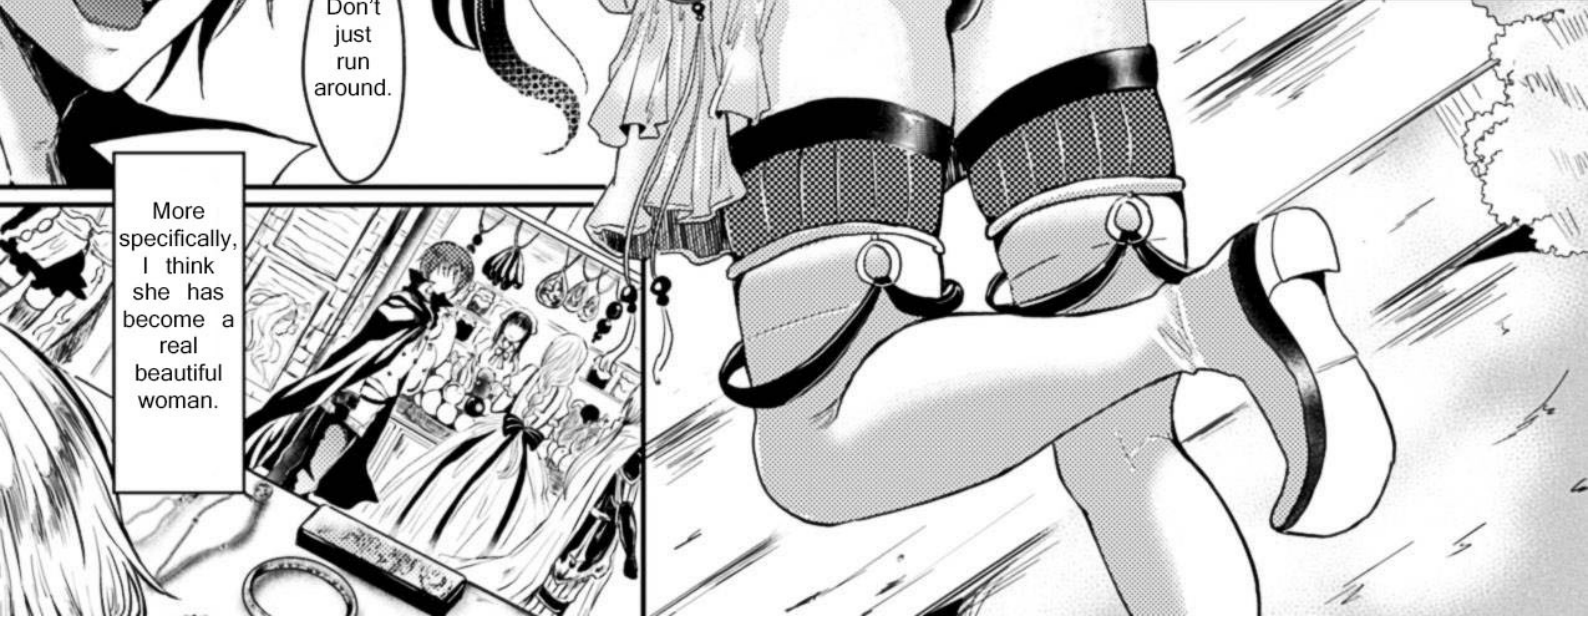

She is no longer the same person she was before, now that she has full accepted being a woman.

Don't just run around.

Stingy !

Get a room at the inn and buy some herbs. Be back soon.

More specifically, I think she has become a real beautiful woman.

Although this is probably a trap, but she hasn't been thinking strait. Probably didn't even plan

Obviously there are opportunities to escape, but with Xiuli still with me.... we come together often.

And

During the trip, Xiuli started offering her help to deal with my sexual frustration.

You This is !?

I got something for Elma to look at.

Ah...
I used the money to buy these.

I just want to make Elma happy wo be with me.

You think you can not escape? You think i will not eventually tire of you? I made you into this a woman.

Yeah !!!

I was born into a man's life, and I thought that a man's life was my life

.... but I have reluctantly become a woman, and now I feel liberated.

Oh !!

Your betrayal really did scare me.

Eh ?

I was really scared being turned into a woman, but now I just have to thank you for this.

Listen, I just took you everywhere so that you could see the world. That is that you could see mankind before its' destruction.

At least that is what the plan is.

So Forceful !!

Inserting it so suddenly AH AH

.... you have been together with me since then.

I never thought you would become a woman like this.

Even after this, you also

AH !

She actually became really cute.

And I Mean it !!

After we have been traveling together for so long. I want a child Elma

AH ! No I just want Elma

Ha I have become so promiscuous as long as I am with you.

As the demon has made a woman out of Xiuli, she has become the type of woman the demon wants.

... to make me orgasm so har. From now on I only belong with you.

AH !!

I know you don't need to say it !!!

The world of devils fighting men has disappeared.

A couple of months pass

King of the demons is now associated with men?

men are now to live free?

After a time humans and monsters chose a path of understanding

Fin

Xiuli !!
