Crash

Jeez!!!

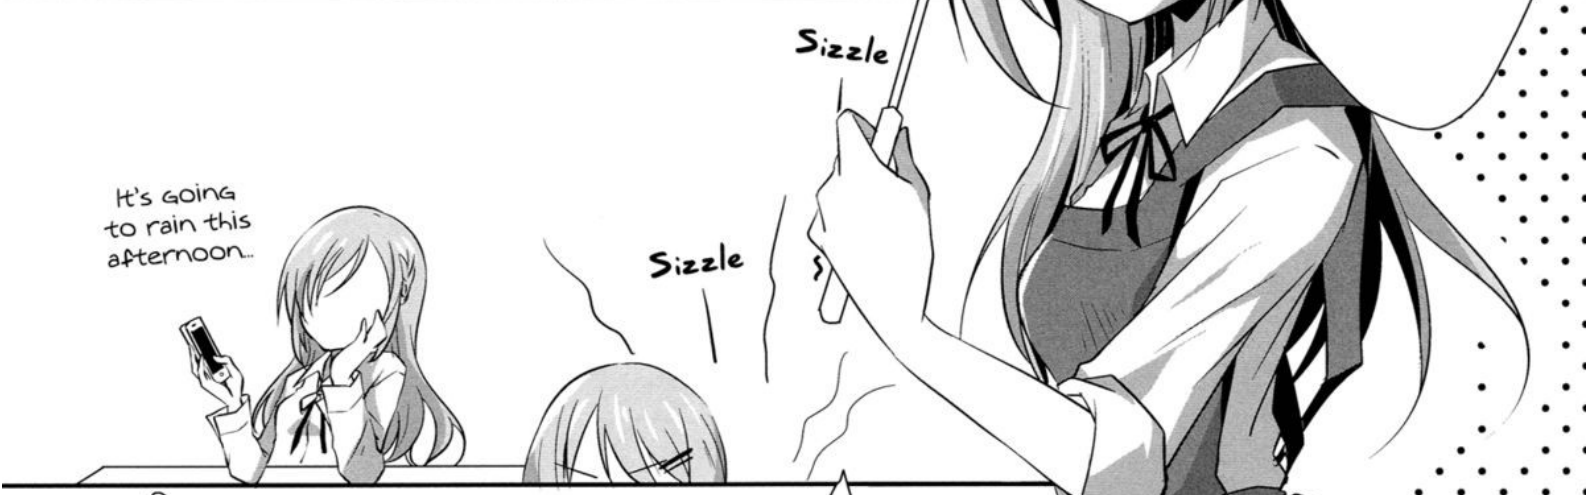

How adorable.

Hmm?  
You've kept track of each one, Nako?

Come on, Ako! Do you know how many times you've done that now?

双子エピソードラム

I like you when you're honest. You get a special treat.

Hehe he!

Grrr!!

Ugh ...

Wha--

Ako always does as she pleases.

Even so, she has many more friends than I do.

I did not.

Good morning.

Ah!

Ako!

Ako, good morning!

Ah!

Did you see my text?

You're mean.

Ahaha

I'm going on ahead.

Not at all like me, even though our faces look identical.

She looks beautiful with her make up on.

Her hair looks cute.

Wait!

What!?

Sorry! We're going to the classroom now.

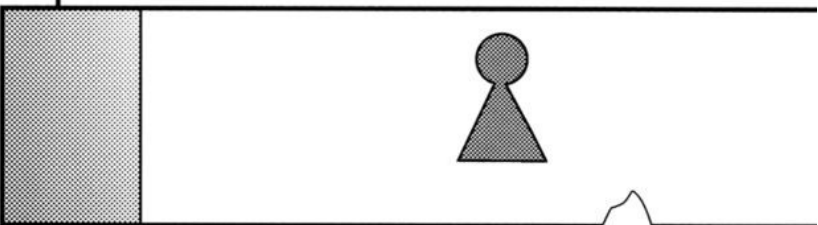

Where are we going?

Hey!

Ah...

Hey!

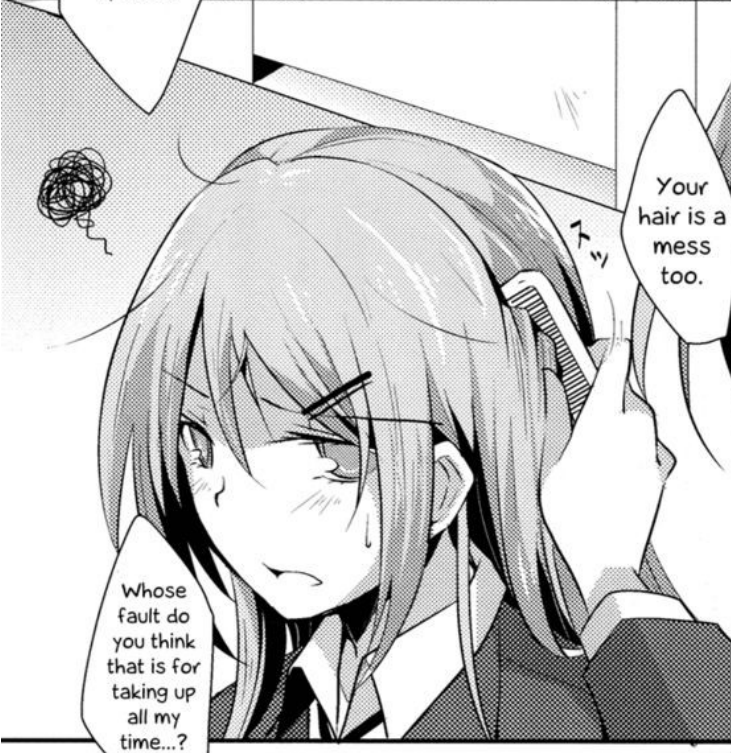

This won't do, Nako.

You aren't wearing lipstick.

What are we doing here?

Your hair is a mess too.

Whose fault do you think that is for taking up all my time...?

There!

Now we look the same.

You're such a narcissist, Ako.

There she goes trying to have her way again...

We need to talk. Come to the infirmary now!

Vacant

I'm jealous of her.

She always does what she wants to.

Ako...

I wonder why it is?

I was actually serious about that, though.

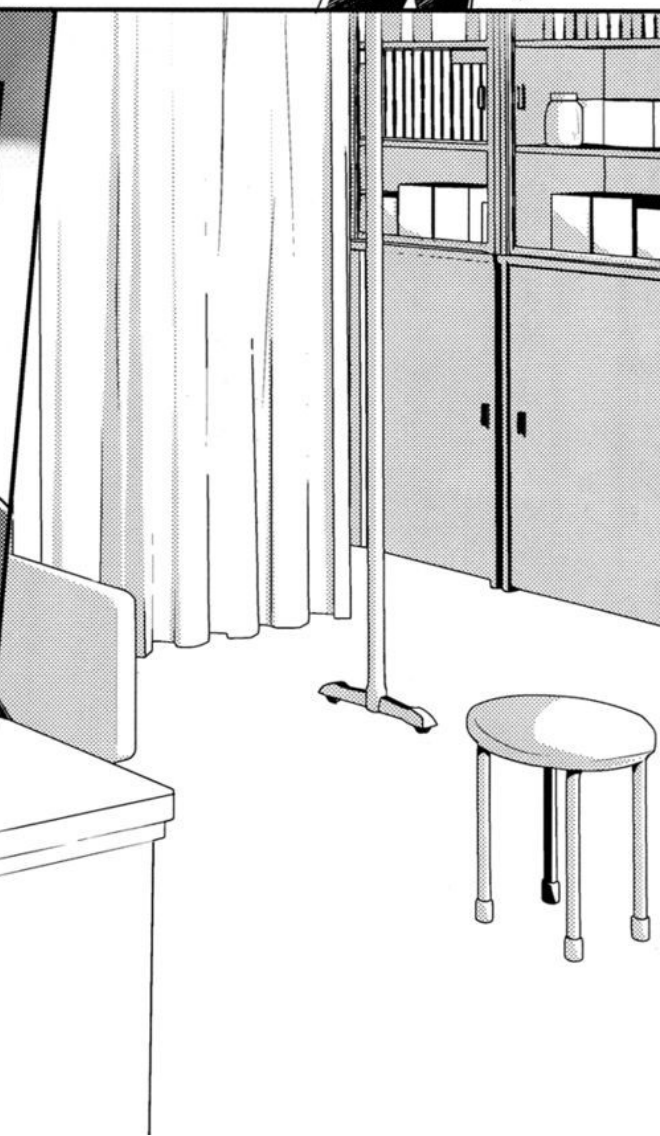

I snuck out of class...

I'm not feeling well!!

She tells me to come, and then she's not even here.

Sigh

I'm tired.

Hmph!!!

It's Ako's fault for not letting me sleep yesterday.

Nh... mm

Shh

Wha--!?

What is this, hmm?

Yeah...

I found this in your room, Nako.

△@\*X●\$%&~!!!?

you're right.

Y-You went in without my permission!

Nope! I'm not giving it back.

Hi,

Hey...

You have to tell me about these kinds of things.

Isn't it almost like looking at yourself when I'm using the toy?

.....

Ah  
.....!!

Look how wet you are...

I'm not like you, Ako.

You can't use these stockings anymore, huh.

Ah!

You're such a dirty girl, Ako.

AH!

Oh?

You're pretty wet yourself, Nako.

HA  
AY  
HA

Don't be ridiculous ...

Did looking at me get you in the mood?

You've become dripping wet so quickly, Nako.

Hehe he...

Ako!

Mmm

Nnn

I'm...  
also...

about  
to...!!

Nope.

I said we  
were going  
to use this  
today.

Ha

I love  
you too,  
Ako.

It's nothing.

## Afterword

It's been a while! Orico here. I've been seriously into black stockings lately, so I drew this book with a lot of them in it.

"Yuri twins may seem brilliant and lovely on the outside, but I'm sure they have their own troubles! I want to see that!" This was the mindset I used to draw this book.

By the way, the title comes from another flower. As you may expect, I couldn't find a flower name that would mean "twins" literally. I tried to pick something that came close.

This book ended up being quite different from what I had imagined, so I would like to pick up this story again some time.

Anyway, thanks for reading!
