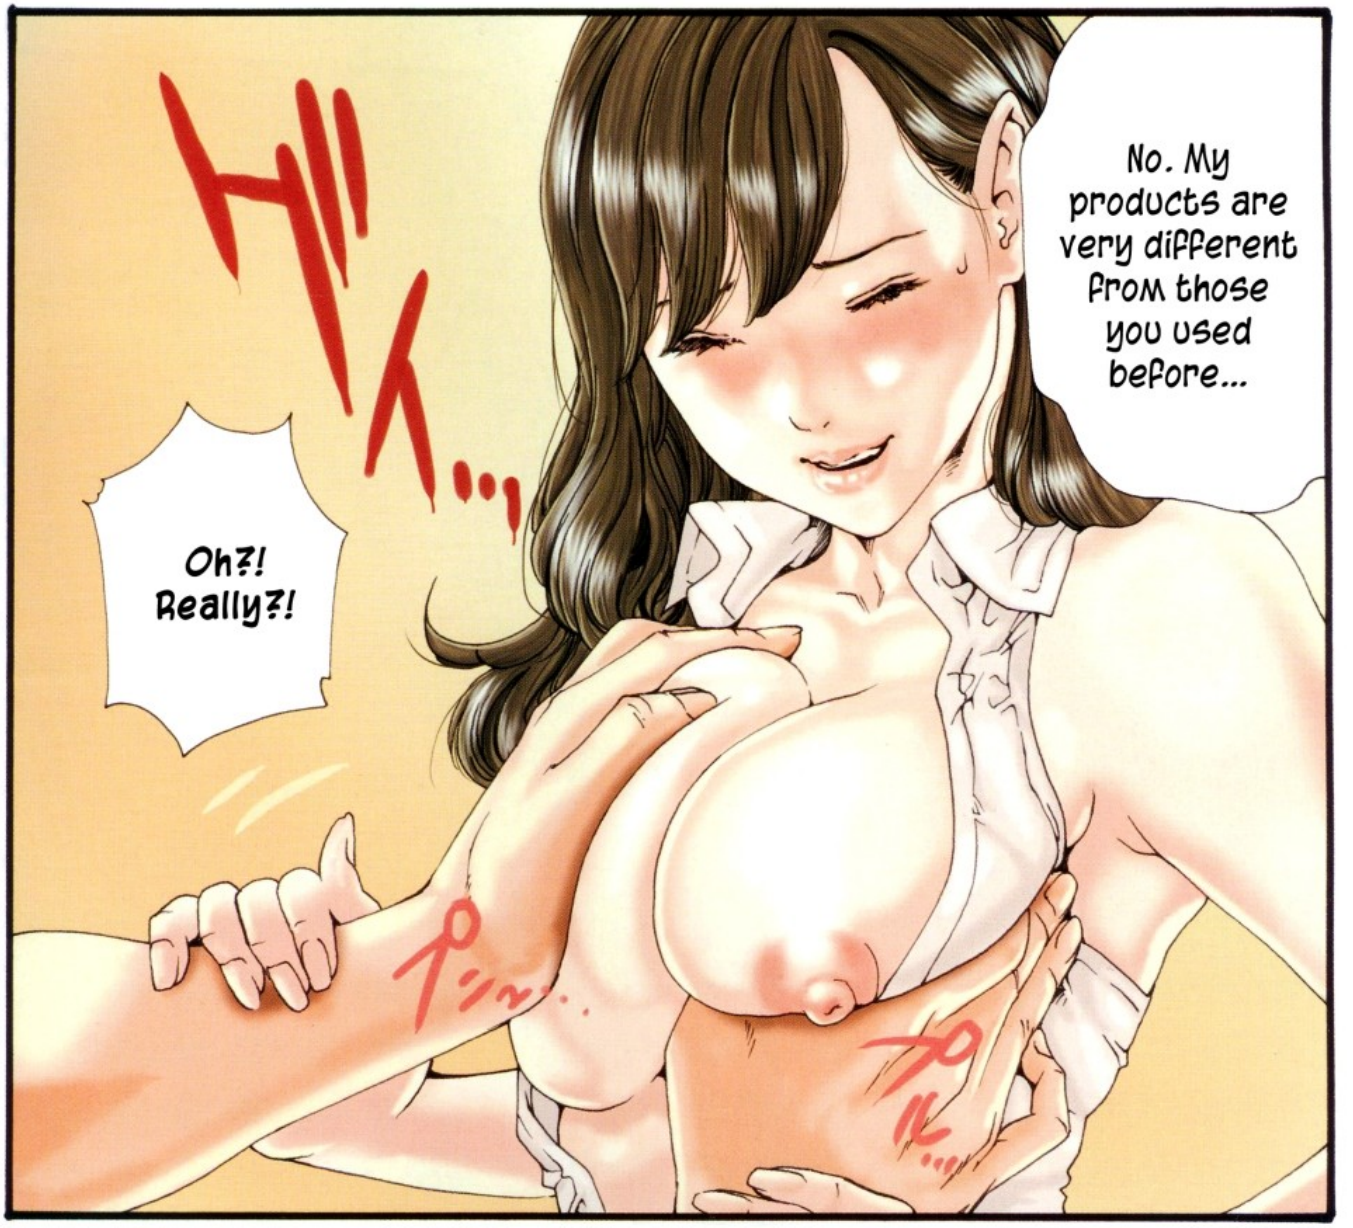
THIS INCREDIBLY SEXY YOUNG LADY IS...?!
IT'S NOT ABOUT ELECTRONICS, RATHER ABOUT BUYING THINGS TO CONSOLE YOURSELF WITH.
I'm very sorry to disturb you, but please take a look at these locally-made products.
To show you these... could you please lend me a tiny bit of your precious time?
CUTE ON THE OUTSIDE, LEWD ON THE INSIDE

Oh? What?
Why? You're working as a door-to-door seller now?
Yeah.
Yes, Shima-san... And we've been the best of childhood friends, so I thought you'd maybe listen to me.
Sure, but won't the power bill be a bit too high?



No. My products are very different from those you used before...
Oh?! Really?!

But these are the things best offered to a single guy.

Ye-Yes!
If you want to talk about these more, we won't have to go through all the trouble.
This is really one incredibly sturdy equip-ment .
You don't need to do all that stuff.
I'll volunteer to satisfy all your desires!
Uah...

ちゅる..
I can make you feel so good, you'll be hard before you even notice it.
はぁ..
はぁ..
The more you get it wet, the better it feels.
Really...
ちゅくちゅく..

Whenever I get to thrust, you move just as I wished it the most.
I'M doing whatever you like! I love how I can be myself in this!!
Aaah... Ah... Ah... Ah...

But... If I'm signing an exclusive contract right now...
I can cook. I can do the laundry. I'll take care of the household. And I can do...
What do you think about it?
That... Okay, can you take over the formalities for me...
I'm gonna come.
I'll prepare dinner for you, and your bath will be ready when you come home.
They don't matter that much.
Ah?
Where does that necklace come from?
It looked so lovely, I just had to order it on the net. Doesn't it look good?
No... It looks just like a wedding necklace..
