

gonna DIE ...

If this keeps up ... I'm seriously

It's no good ... Oof

My electronics can't get any signal, and there's this raging blizzard...

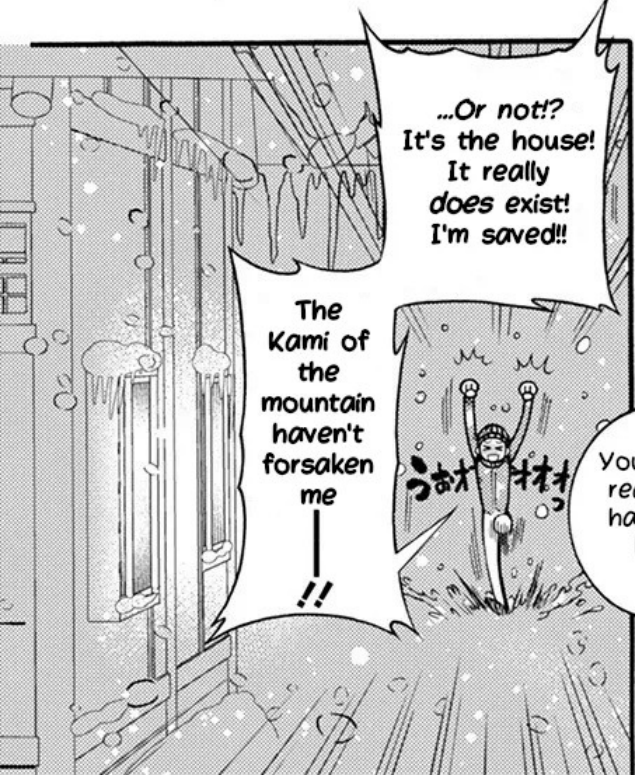

...But who woulda thought? I've gotten completely lost...

I've had more than my fill of this wintry mountain. I'm really kinda in a bind, here.

I'm here for a special investigation piece...
...looking into the legend of the house that's said to exist deep in the recesses of this sacred mountain.

I should have just ended this at one of those nice rest cabins along the way ...

Yukiya Yotsutani

...Or not!? It's the house! It really does exist! I'm saved!!

The Kami of the mountain haven't forsaken me !!

You might really be hard up, here ...

This is bad, Yukiya.

...Oh look; I've finally gotten so exhausted, I'm hallucinating seeing a lantern hanging up ahead of me.

How many hours has it been since I left the final climbing station...?

This is really not good ...

My legs are at their limit; I can barely keep focused...

...
Ara~

...if you happen to come across any warm and welcoming light...

But be that as it may, on your way back down...

Have I a traveler?

...be aware; it just may be the abode of an *Ayakashi* -- a spirit!

But...
Wait, hold on.
What was it that old lady told me

Will you be heading out already?

If so, goodness dear, let me give you some advice: be careful out there. Watch yourself.

Thanks for the help, mom.

It's only Station #4 on your map, there.

This station you've reached...

It's my house, and it's the lowest station on the mountain.

Please do not worry. Please be at ease.

I will save you. Even if it costs me this body...

A Yuki-Onna

雪女の...な

雪女 YUKIONNA

With legends and tales throughout the country, the Yuki-Onna is one of the *ultra major* female youkai. Some say they squeeze the life essence out of male travelers and kill them; others that they visit human habitations looking for partners. They are generally depicted as beautiful women, though "Mountain Hag" versions exist, as well.

Kuu... Uoh... Hoh...!

My stiff, hot cock, she's...

rubbing and grinding herself against it... Her ghost-like pussy is as cold as ice, but so slick...! How can I describe this sensation...?

Your warmth, dear, it's melting my icy walls~ making my pussy all wet

I'm... delighted, as well

Huhuu... Mh~ Simply adorable

Ahu... Hu huu... Ahn, nh...

Your lovely reactions and your deathly moans...

I've never felt anything like this... nh!
It's just... so good! Amazingly good!

They're echoing within my ice heart and throughout my very womb

This sensation feels... so great!!

Ouh...!!!

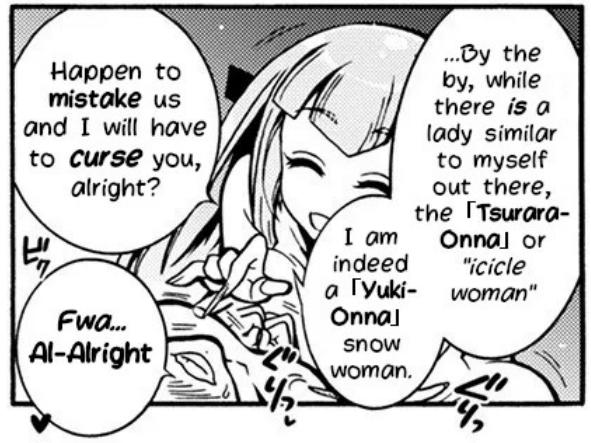

I haven't gotten quite heated enough, myself, either ...

Ah

Good, good ... Let us enjoy ourselves much, much more.

... You are still rather lively, I see.

Happen to mistake us and I will have to curse you, alright?

Fwa... Al-Alright

I am indeed a [Yuki-Onna] snow woman.

...By the by, while there is a lady similar to myself out there, the [Tsurara-Onna] or "icicle woman"

Okay; first I need to hurry up and figure out something about these ice cuffs ...

Or else she's just gonna keep doing whatever she wants with me ...!

But no; don't let yourself fall asleep, all over Yukiya!

And my eyelids, they've gotten so heavy ...

And I'm so hot yet so cold ... This is bad ... It feels so good ...

I really want to break that composure

That cool and controlling gaze she's staring at me with...

But more than that ...

She's a Yuki-Onna supposed to live somewhere on these mountains, who's said to have a weakness for love and your more "dramatic" sort of handsome guy.

Oh! Well no; that's just the name the kids call her by.

maid, Pure was it ...?

Ghost stories and urban legends around this area? Mm, let me see...

The [Pure maid Yuki-Onna] might count, I suppose...

Wait; "cool" ...?

More beautiful than any human I've ever met ...

But you are a beautiful Yuki-Onna ...

It dazzled my eyes the moment I stepped in, and I had to go outside just to clear my head ...

But

To die whilst held in your embrace would be an ideal ending for any man.

Before that happens... if I could... I want give your body all the love it deserves, too, with these hands!

To not just make love to you, but to be in love with you.

Truly. Madly. Deeply.

I want to give you all I have... All of my feelings... and all of my life...

...
You are so beautiful.

...
What?

If luck could look my way for just a little bit, here

maybe I can turn that into my chance to get through this...

As a spectre of ice and snow, she's supposed to be as cool as her very elements, but...
...in truth, she's just a girl of these snowy mountains, who wants to fall in a love so true, it could melt her very heart.

But if anyone ever fell into her grasp,

well, your guess is as good as mine if they managed to return home safely or not ...

My icy dear...
My frozen darling...

Would you do it...?
Would you melt these shackles for me...?

Rummage, rummage...

Take out, put down, pat pat pat...

Should I have been more on the "wild" side or something!?

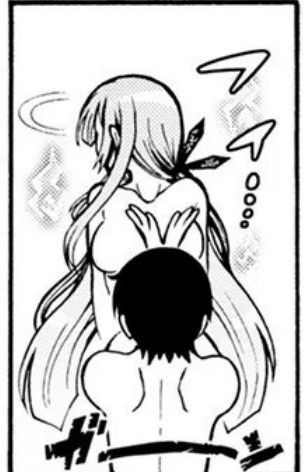

...Did I get the wrong Yuki-Onna??

Don't tell me I actually said the wrong thing!?

Alright! You can just leave everything to me!

I'll drive her into the very floor and screw her senseless!

While I have longed in vain for a partner whom I could cherish, I am not some starving youkai, preying upon people... Ahii~! Nh!

アッ

Of course...! And... And not because of all the spirit and vigor I'm receiving from you...

You do !?

Your feelings were enough to make me practically melt away to nothing

To think that I could fall in love and be loved to such an extent

My darling

I don't have much experience when it comes to heat or warmth, but...

I look forward to our life together, forever anon~

Surely you weren't lying when you said the things you did, right?

Yukiya-san?
