From Infirmary with Love...

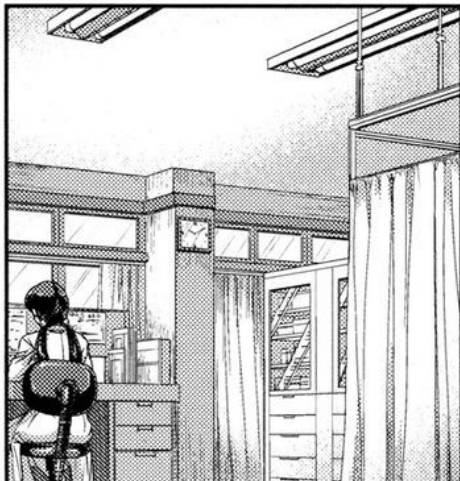

Somebody
you like is
waiting for
you in the
school
infirmary...

保健室

Knock-
knock!

So, why
don't
you come
here
when you
have the
time?

And...
Sent!

Well then, why
don't you lie
down on the bed
and have some
rest?

Huh?
Now,
that
was
Past!

Excuse me...
Doctor... I'm
not feeling
very well...

You sure seem to be in heat, Maeda-san!

In all kinds of ways...

But sleep will cure you! If you know what I mean...

Oh, come on! You don't need to act anymore...

Could you give me some medicine? I think I have a fever...

Sure, sure! I got it...

But I really think I have a fever...

I don't mind it...

Eh... Ah... Sure...

Well, that's all I can do for you! Now it's all up to you, Maeda-san...

Do you best now! Eeah!

Maeda-san isn't peeling well and thinks she might have a fever...

Wakabayashikun!

Ah... Sempai...

So, would it be alright with you, if she slept on the other bed?

So, why wouldn't she give you any medicine...

Would you like to go get something for you?

Oh, no... That's alright... I was just...

You were taking a rest and we woke you up...

I feel kind of bad, Sempai...

More importantly... She said you had a fever, huh, Maeda?

Ah... Well, I wouldn't want to say it out loud...

And are you alright yourself, Sempai?

Are you not feeling well too?

But I'm just skipping classes here!

Ah... I see... Now I feel kind of silly for worrying... But I'm still glad you're fine...

Ah... No... I'm fine, Sempai!

Wow! He really is a nice guy...

Besides, she said it will go away once I take a nap...

I guess she's just trying to tell us that we shouldn't always rely on medicine...

I see... Well, if you say so...

Kasuga?

Akira-kun... I mean Kasuga-sensei... What's the matter? Why are you shouting like that?

TOMO-Chan! I'm here!

And just so you know, I ran here like crazy!

Wai... Akira-kun, wait...

Now is not...

But I bet you just felt like doing it right here in the infirmary again, didn't you?

Oh, come on! You're always so shy...

Like we always do...

Wait... I don't remember doing anything like that...

Oh, quit playing silly! You just texted me, asking to come here...

Nn...

There is no need to restrain yourself! I'll make you feel really good today as well!

!!!

Don't worry, they are both sound asleep, so we can totally do it!

That being said, we have no idea when they might wake up, do we now?

...

Ahn! We can't do this, Akira-kun, I'm telling you!

And of course, that means as long as you manage to stay quiet, Tomo-chan!
That's alright! They won't notice anything as long as we stay quiet!

You still won't get honest... But...

!!!

Maybe, if I use our little friend here...

You will finally become honest, huh?

You idiot...

I told you I did not text you...

I'm sure you sent me that text only because you wanted to have some fun in this setting, didn't you, Tomo-chan!?

You keep telling me we can't do this, but you're actually very excited, aren't you? Your nipples are very hard already, you know!

Oh, no!

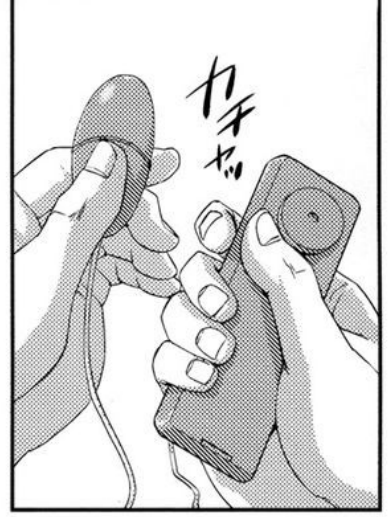

They will hear me!

Hey... Don't... Don't do that, Akira-kun!

Oh... They...

He-he...

Ah!

How did you expect us not to notice you, when you're going so rough on her?

I guess your pussy is more honest than you, huh?

That's what you say, but you still keep shaking your hips, Tomo-chan!

Ahn! But... But...

So now, just looking at you...

It seems that looking at those two turned you on, Sempai...

And you know what... I got excited just as well...

Ma... Maeda! What are you doing!?

Ma... Maeda!?

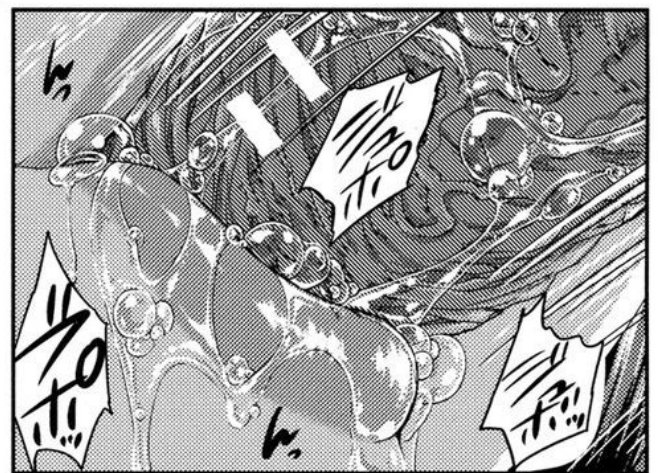

Ah!

It's kind of embarrassing... So, please don't take off that blindfold...

Uh!

What the hell do you think you're doing, Wakabayashi? This is an infirmary, you know!

Well, that's true...

What are you talking about? I think we are doing the very same thing here, Sensei!

Sorry for interrupting you guys...

Ah... Ahh...

Ah!

So, let's go on!

Ahhhn!

But well...

Now we don't have to worry about the students anymore! So, we can use the bed now as well...

And we can't think of this as a sex education class...

Hey... Wait!

Ma...
Maeda...

Sempai...
Please
call me
Ako...

She looks so
happy, I feel like
teasing her
a little now...

Just look
at Maeda...
She's shaking
her hips
like crazy...

Nn...

Huh?z
Alright...

Akira-kun!
Let's switch
places...

I'll be
moving from
now on!

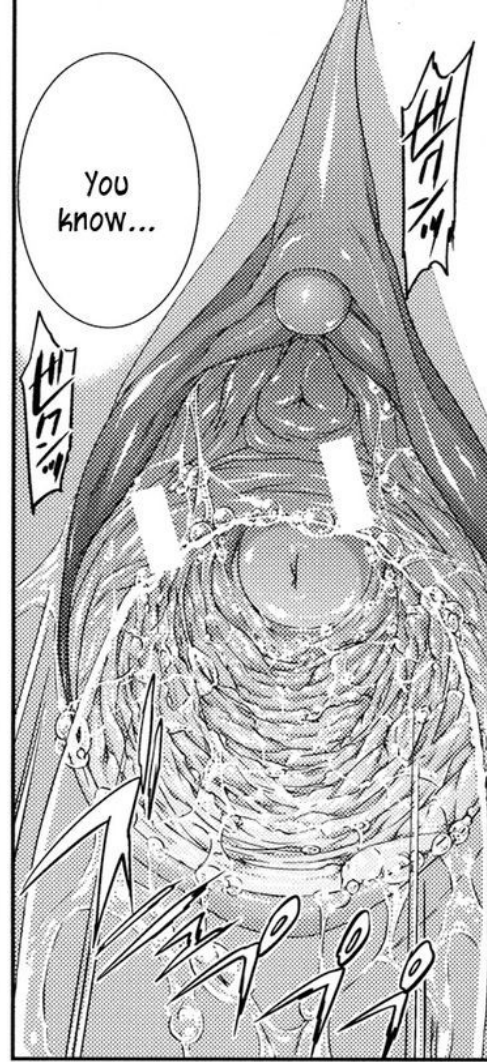

There...
How do you
like that,
Sensei!?

Ahh! It's
great! It's
just amazing,
Sensei!

I can move
my hips even
harder...

You
know...

Nn!

Losing
to you
either!

Well,
I'm not
planning
on...

I would
lose to
our doctor
here!

There is
no way...

Nnn!

It feels so good!

Ahhh!
Nnnn!

And that's just wrong!
You have to bear with it...

You know, you still haven't satisfied us...

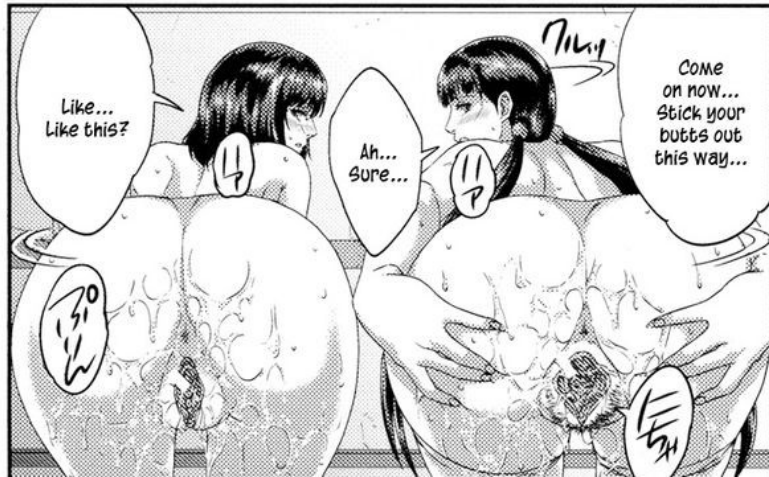

Look at them!
They started squirting and came ahead of us again...

Ahh...

Ahh...

Ahh...
Ahh...

Like... Like this?

Ah... Sure...

Come on now...
Stick your butts out this way...

I'm going to cum! I'm going to cum again...

Can I cum? Can I cum again!?

Sempai! I'm about to cum...

No, not just yet! You can't cum all alone!

That's easy for you to say...

Alright! I got it! Wait just a little longer, Tomo-chan!

Ahn!

Ahhh! Ahhh!

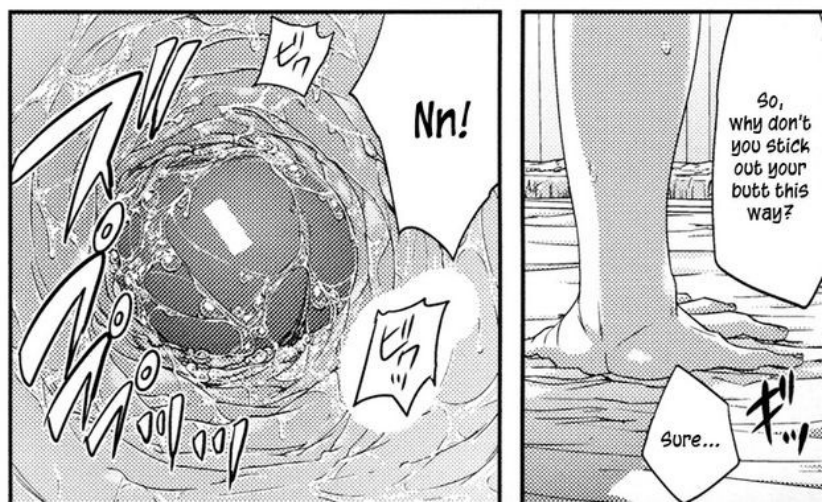

My butt hurts from sitting on it already, so why don't we switch to a standing position now?

Hey, Wakabayashi...

Yeah... That sounds good... Let's do that...

I'm actually about to cum myself...

Nn!

So, why don't you stick out your butt this way?

Sure...

Can you
Feel my
pussy
twitch,
Akira-
kun!?

It got
even
harder
than
before!
Wow!

Your
dick Peels
so good!
Ahh!
It Peels
so good!

I'm
already
at my
limit
too!

Akira-kun!
Please...

And
I want
to cum
as soon as
possible!

Ahh!
I can't
take it
anymore!

Sempai!
It Peels
so good,
I don't think
I can keep
standing
anymore!

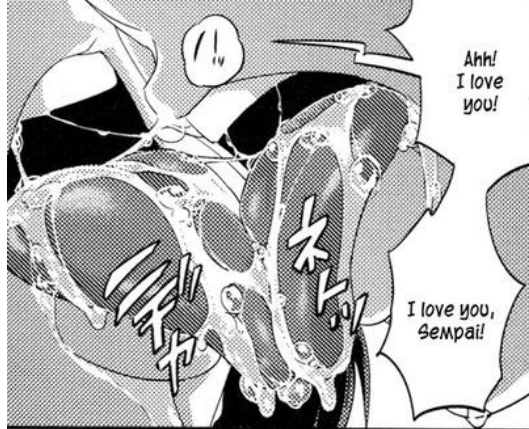

I just
can't bear
with it
anymore!

Me too... Fill
my pussy
with
your semen just
as well, Akira-kun!

Sempai, please...
Please Fill my pussy
with your semen
and make me cum!

Ahh!
I love
you!

I love you,
Sempai!

Nn! I'm so
happy!

Alright then,
I'm going to Pill
your pussy
with my semen
now, Ako!

No! Please
dump your
semen inside
me, Sempai!

You don't
mind me
coming
inside you,
right?

Ah!

Ahh!

Ahh!

Ahh!

Ahn!

Uhn!

Ah!

Ah!

But...
I love you too,
Akira-kun!

I like
the sound
of that!

Eahn!

Oh, no!
Stop saying
such embar-
rassing
things!

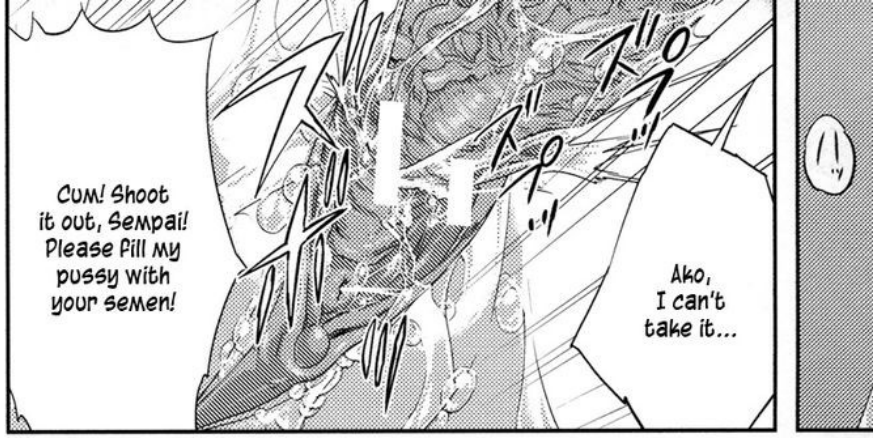

Tomo-
chan,
I love
you so
much!

Look at
you shake,
trying to
resist
coming...
You're so
cute...

Ahhhhhhh!

Cum! Shoot

Please Fill my
pussy with
your semen!

Ako,

Achoo!

Ah... Yes... Thank you...

I hope that you and Wakabayashi-kun will be happy together!

But... Doctor...

Oh, my! Did you really catch a cold, Maeda-san?

Well, things sure did take an unexpected turn, but...

Ahh...

Ahh...

Just look at the development this mistake of yours caused... But I'm actually glad it happened...

Tomo-chan, could it be that you're talking about this text here that I got from you?

Ah! Yes, that's the one!

Achoo!

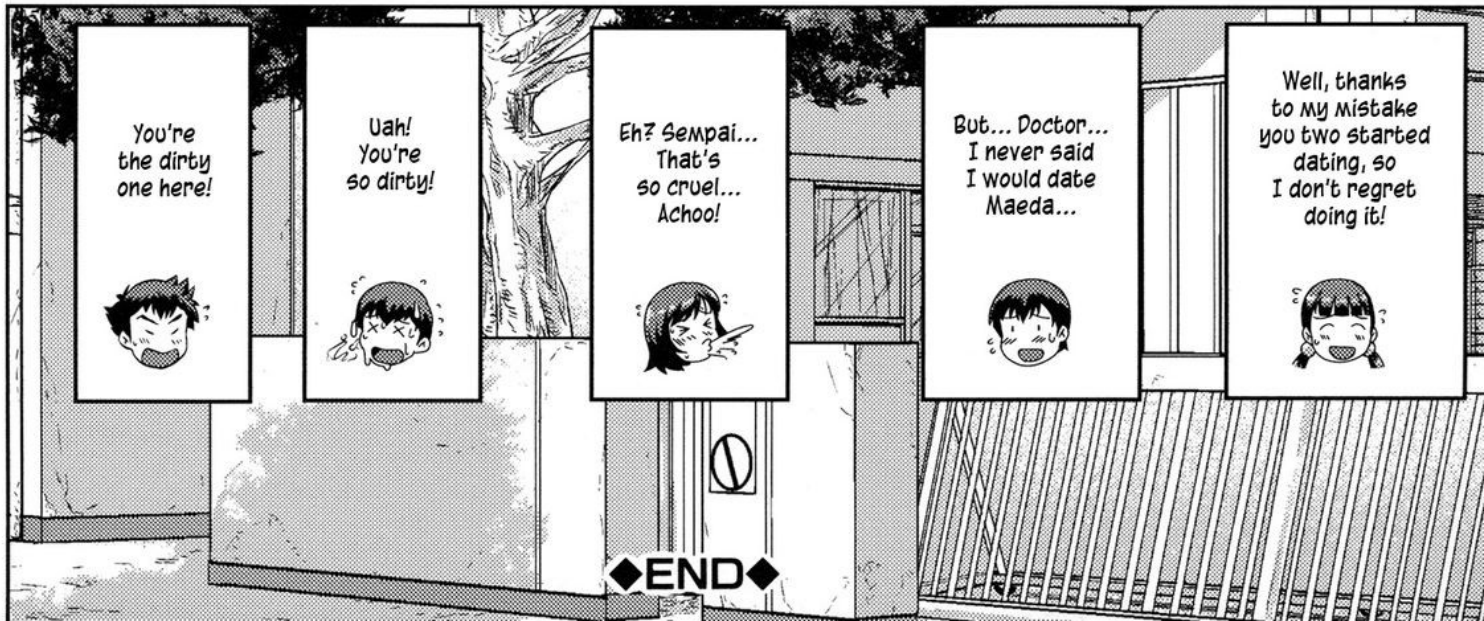

I see... I thought you just got my text and acted accordingly...

I told you I felt Peverish from the very beginning... Achoo!

Eh? No way!

I never got any text from you, Doctor... Achoo!

You're the dirty one here!

Uah! You're so dirty!

Eh? Sempai... That's so cruel... Achoo!

But... Doctor... I never said I would date Maeda...

Well, thanks to my mistake you two started dating, so I don't regret doing it!
