

第1話 揺れる電車
支配者との遭遇

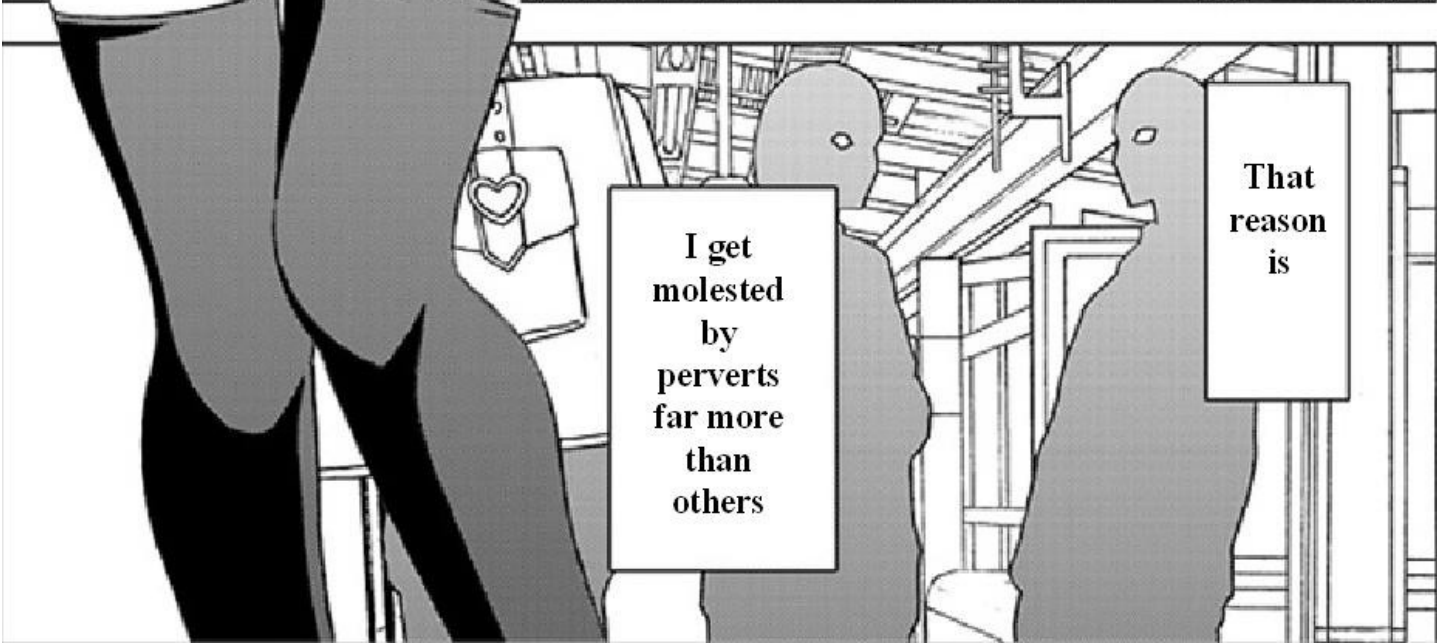

Seems like people are staring more than usual

Ah... this is embarrassing

There's a reason why I'm in this outfit

I get molested by perverts far more than others

That reason is

and I get molested there every day

I take three different trains...

It takes one and a half hours from my house to university

On bad days, I've even been molested twice in a day

When the train rocks, poking my breasts with elbows...

Touching my ass from the outside

So I think if Mi-chan wears more sexy clothes, the perverts might leave you alone?

They prefer plain girls who don't look like they'll resist

Seems that perverts don't go for girls wearing miniskirts or other provocative clothing

That's why I discussed with a friend

Uuh...

As recommended by Aoi-chan, I wore this 'gal' outfit, but...

Will it be ok...

Maybe Aoi-chan was right...!

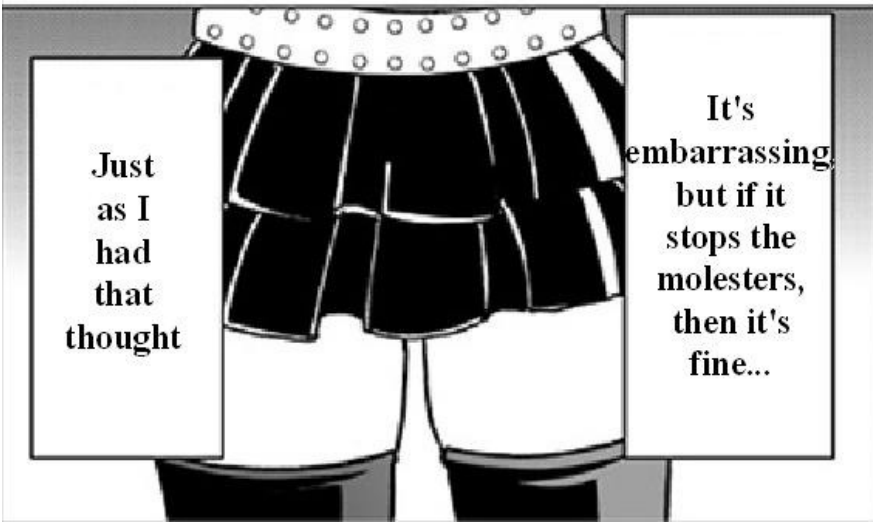

Old pervs are surprisingly afraid of 'gals' it seems

But... it's true

It seems like they're keeping their distance

The men aren't crowding me like usual

Just as I had that thought

It's embarrassing but if it stops the molesters, then it's fine...

A guy's
hand
reached
for my
body

As if
to mock
me

CHAPTER 1

The rocking train

First encounter with the controller

It
can't
be...

No...!
Mole-
sters...?

As I
thought...

!!
This
outfit
won't
work
either?

I'm feeling his hand directly...

He's touching my skin

With this miniskirt

What should I...!

Miniskirts were so defenceless?

I don't usually wear short skirts, so I didn't know

Just as I had that thought...

If I don't resist...!

I can't let this go on!

What should I...!

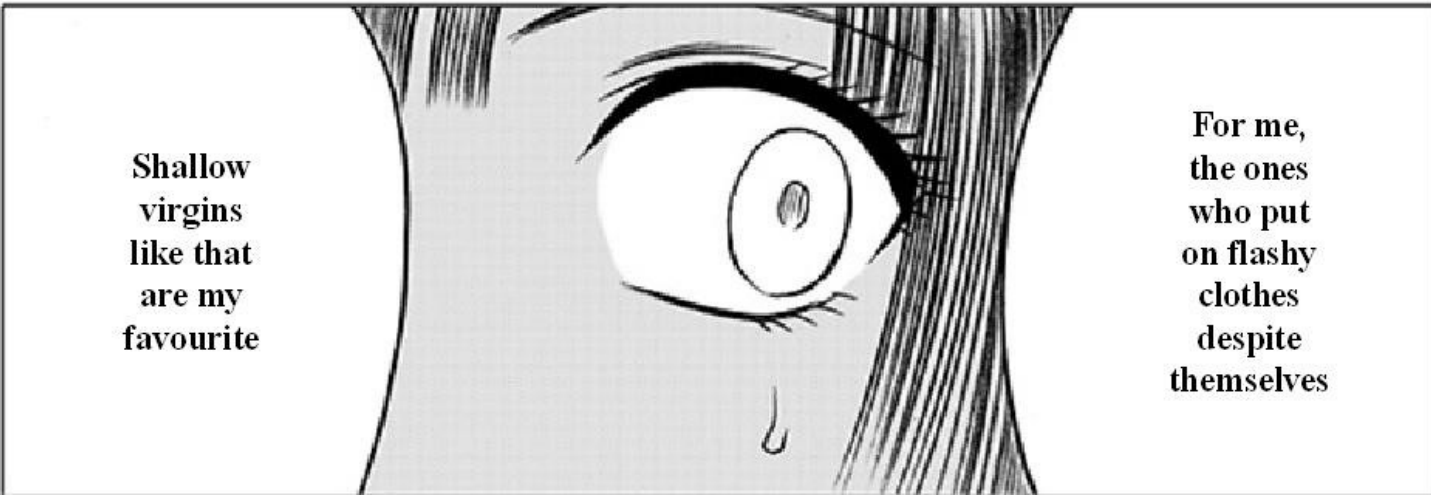

You...

You're
the girl
who's
so often
molested
in plain
clothes

It's true
that
other
molesters
would
stay
away,
but...

Did
you
think
wearing
flashy
clothes
would
prevent
molesters?

Shallow
virgins
like that
are my
favourite

For me,
the ones
who put
on flashy
clothes
despite
themselves

This man

It felt like he could see right through me

With that sentence, he froze my resistance

Fufufu... normally you wear jeans or thick skirts to 'defend' against molesters right?

This miniskirt won't protect against anything though

ちゅちゅ

I became unable to do anything

That's
...

He's
groping
my
chest...!

Eh?

100%♥

My
chest!

Plenty of molesters have touched there before, but

So openly, brazenly

Directly massaging my breasts, I've never...

I was completely in a panic

That man boldly took advantage of my confusion

.....!

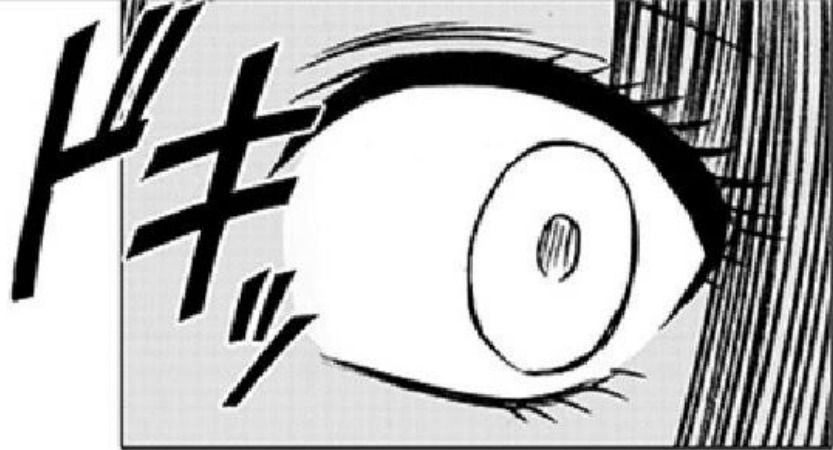

Eh?

Just now... what ...!

slip

click

Are you wearing plain panties?

Is it the same feeling with your panties

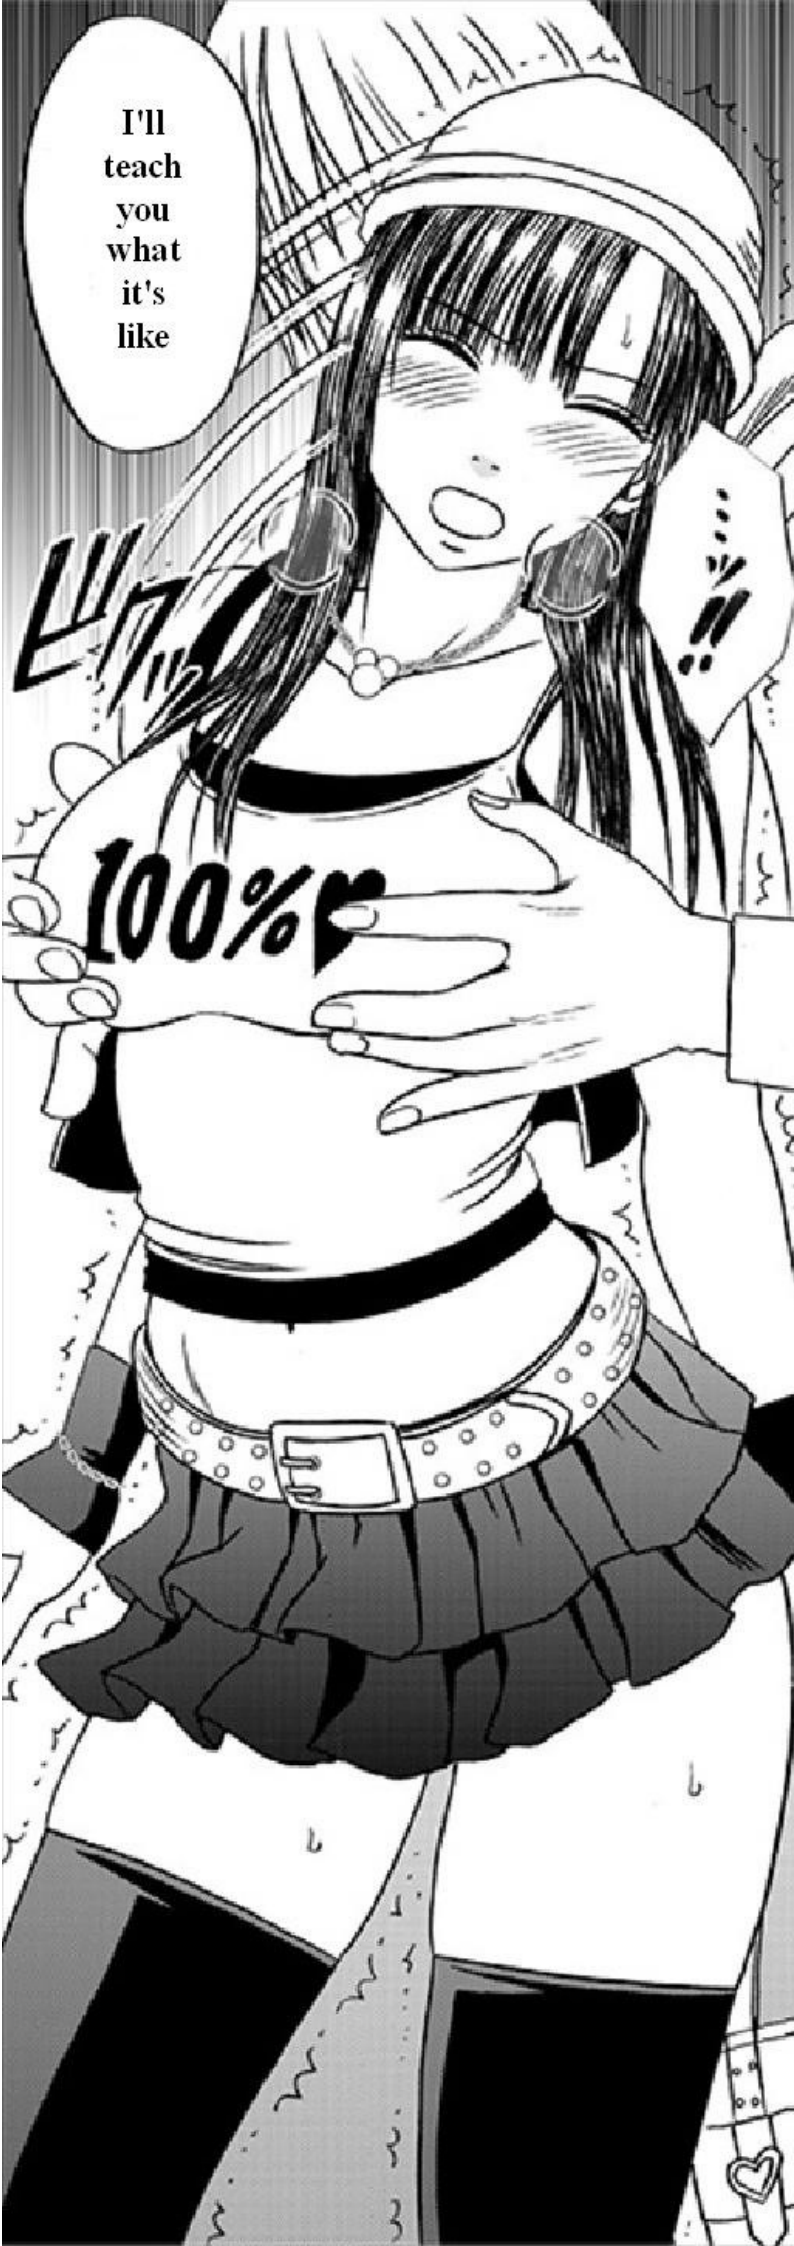

For today i'll just...

Fufufu... I won't go there yet

Make you feel it with your breasts

I'll teach you what it's like

100%

To be really fondled by a man

How that really feels

You've been touched plenty by molesters, but

For you, with no real experience of men

Shocks
are
running
through
my
nipples

My
chest
is
tingling

It's
the
first
time...

This
per-
son's
fond-
ling...

Aah!

No...!

What is
this...!

My
voice...

I feel
like
moaning
out
loud...!

100%♥

They
were
just
that

Distasteful
events
to be
endured

The
molesters
until
then

But
this
time
is
different,
this time...
I'm

Trying
to
endure
the
pleasure

and molesting those points with perfect timing

This guy's hand...

Creating irritating points intentionally

My sexual desire was overflowing ...

While he repeated this

I can't hold on...!

No way...!

ん!!

I can't hold on!

The places he's touching feel so good ...

100% ♥

This sort of thing ...!

んんっ!

Why ...!

んんっ!

...

I somehow managed to escape from that man

The train reached my station and the door opened

If that had continued ... I ...

That was close...

I quickly escaped from there...

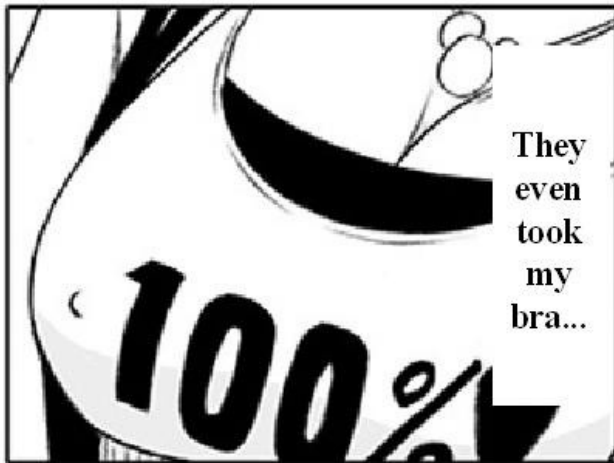

and hurried to my next train

Much scarier than molesters until now...

He's fearsome because he can force pleasure out of me

He's different from those who just want to molest my body

They even took my bra...

This sucks ...

I got molested in the morning again...

Also ...

so much ...

my chest ...

I ...

Having my chest fondled so brazenly on the train...

It
felt
good
just
now,
right?

That
voice
...!

The
man
...
from
just
now
...?

Eh
...!

Why?

!!

CHAPTER 2

THE FLEETING TASTE OF ORGASM

Did he follow me?

Wh... why again ...!

ヒキ 100%♡ ヒキ

You stay on for a long time, the stations are far apart, and it's crowded

This second train on OOO line is

the one you get molested most on

The conditions are perfect for molesters

I told you right? I've had my eye on you for a while

You're wondering how I'm here again

I know which trains you take

Also, this door won't open for a while

It's closed until you get off at ^^ station.

What should I...

If this continues ...

So, what will you do?

You can't escape outside

This train takes 40 minutes ...

Twice as long as the first train ...

If he keeps fondling me...!

With so much time

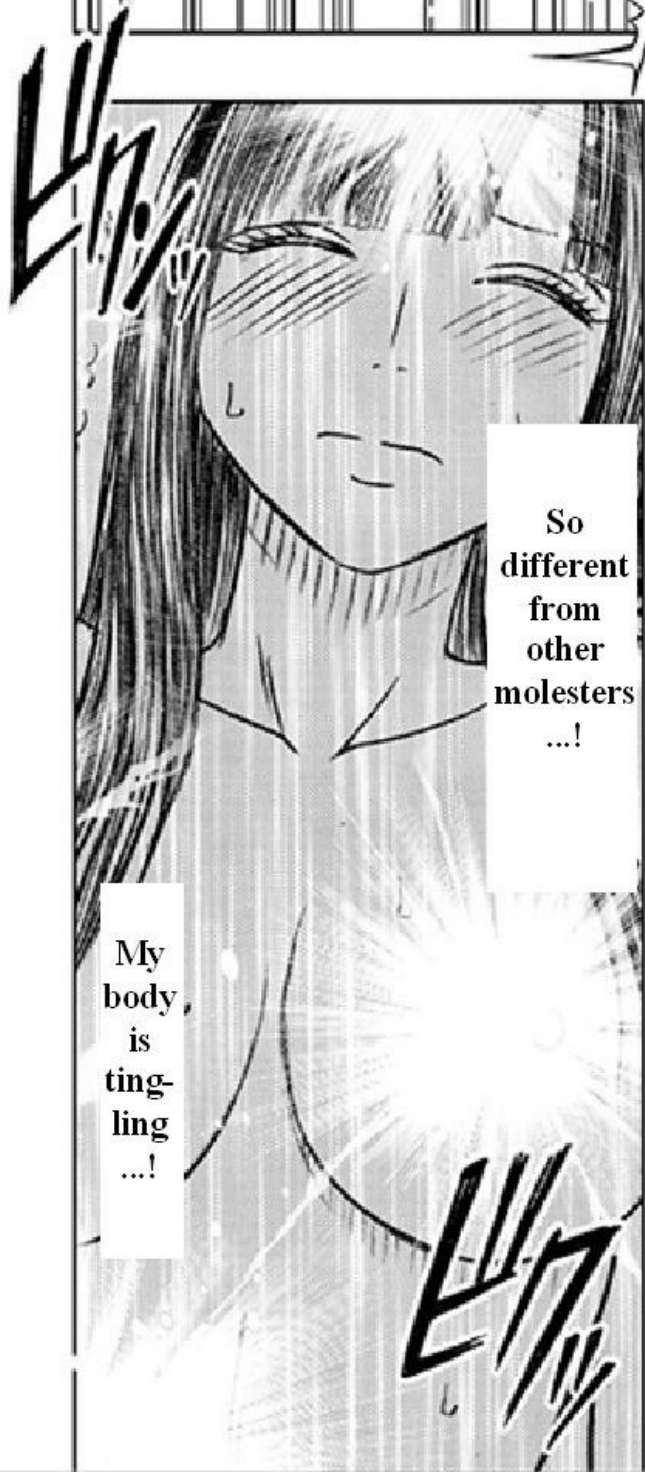

He just took 10 minutes before, and it was already dangerous ...!

ON!

It's happening again ...!

This feeling ...!

So different from other molesters ...!

My body is tingling ...!

Shocks are going through my head, I can't think straight ...!

You're reacting quicker than before

Are you getting used to the fondling?

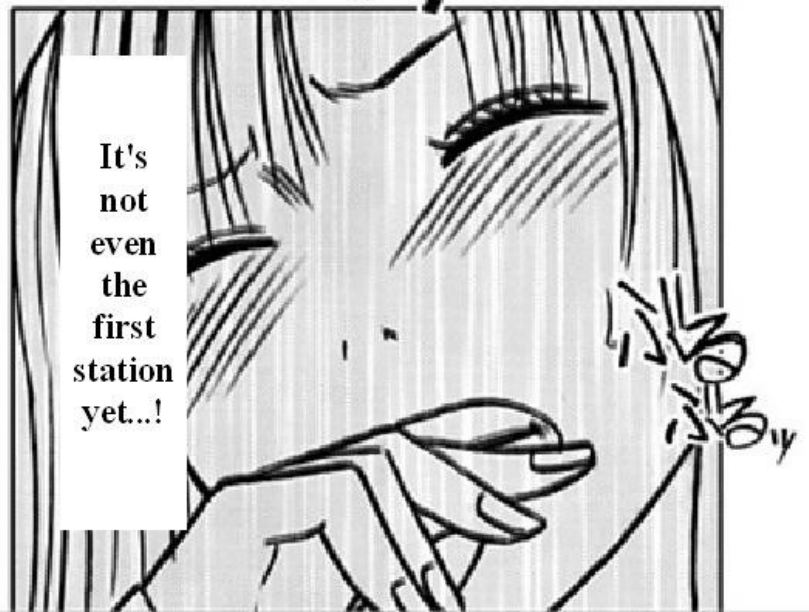

Can I resist for 6 more stations?

It's not possible ...!

It can't be...!

It's not even the first station yet...!

I can't turn back anymore ...!

I have to do something!

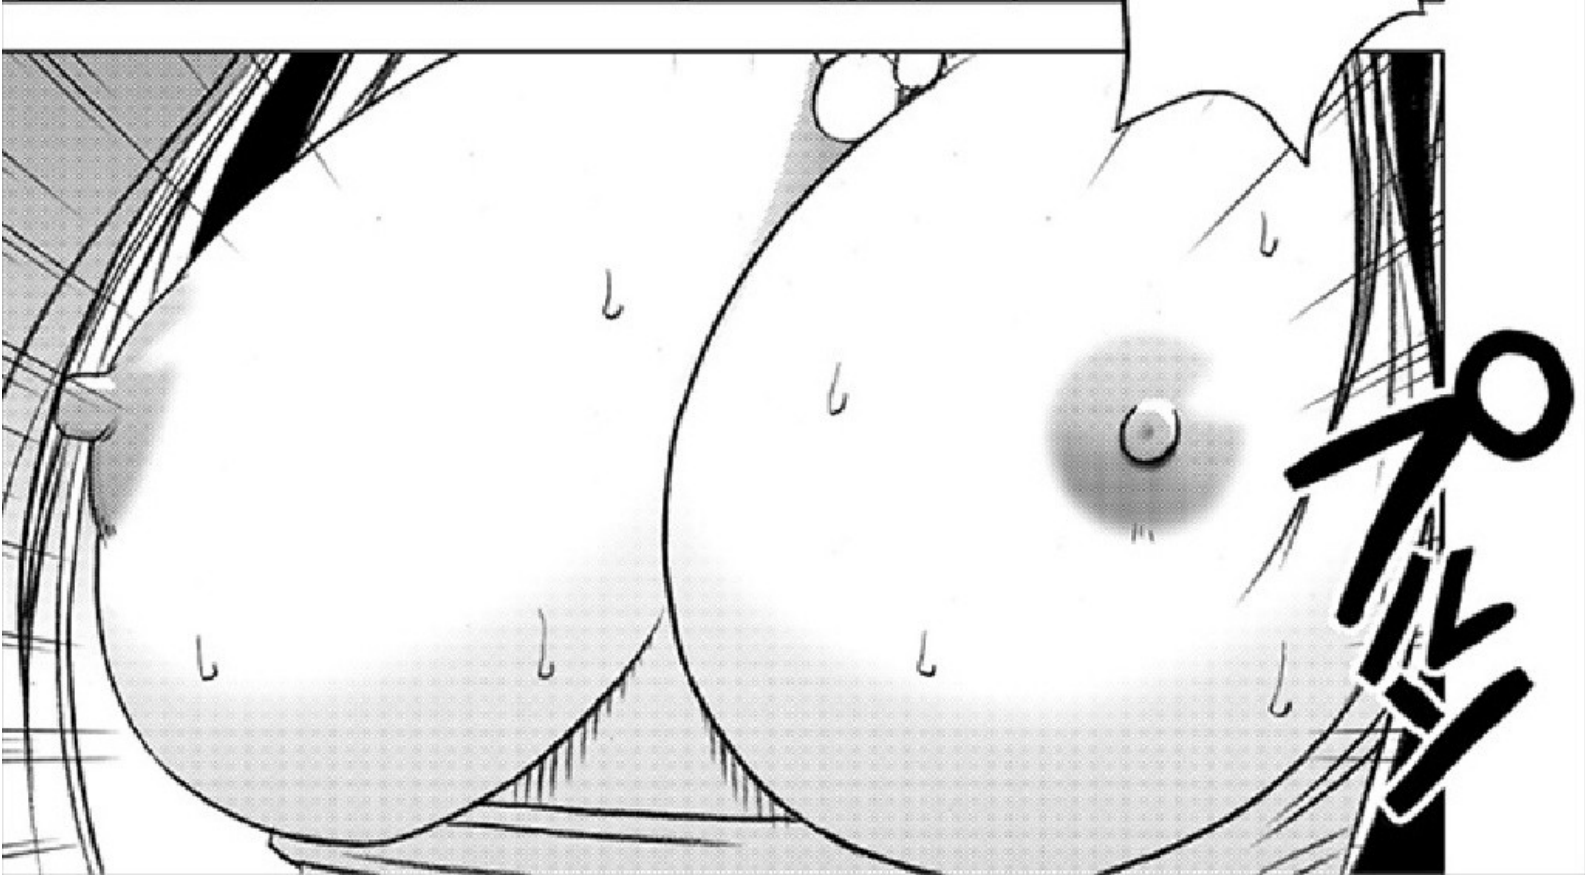

!!

.....

That I would shout for help

It was in the instant I decided

on a
public
train...

Revealing
my
breasts

More
importantly,
why
can't I
say
anything

Even
though
I'm the
victim

Why
do I
feel
like
I'm
doing
something
wrong

What should I do!

What can I do!

The man took it even further

In my confusion

It...
it
can't
be...!

No!

That
place
is...!

You've been molested so much, but

they never touched here right?

.....!

Hey, you're breasts are open

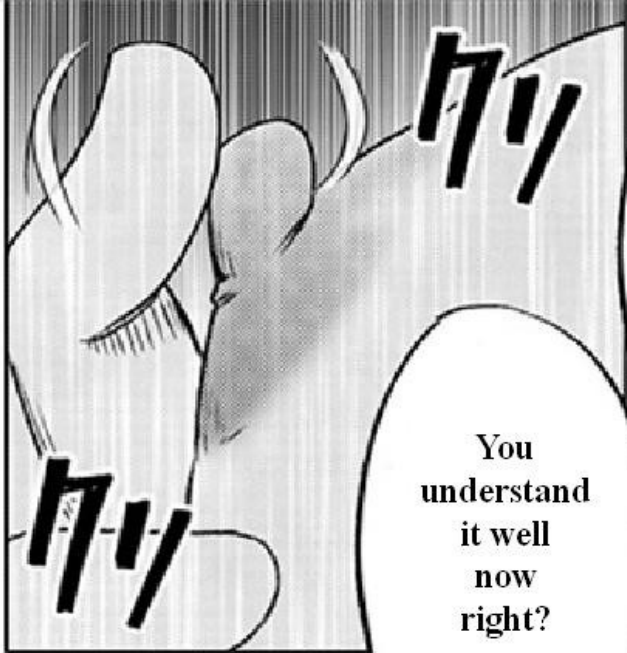

It's pretty wet here

You must be feeling the pleasure

제제

야!

You understand it well now right?

The 'pleasure' you're feeling

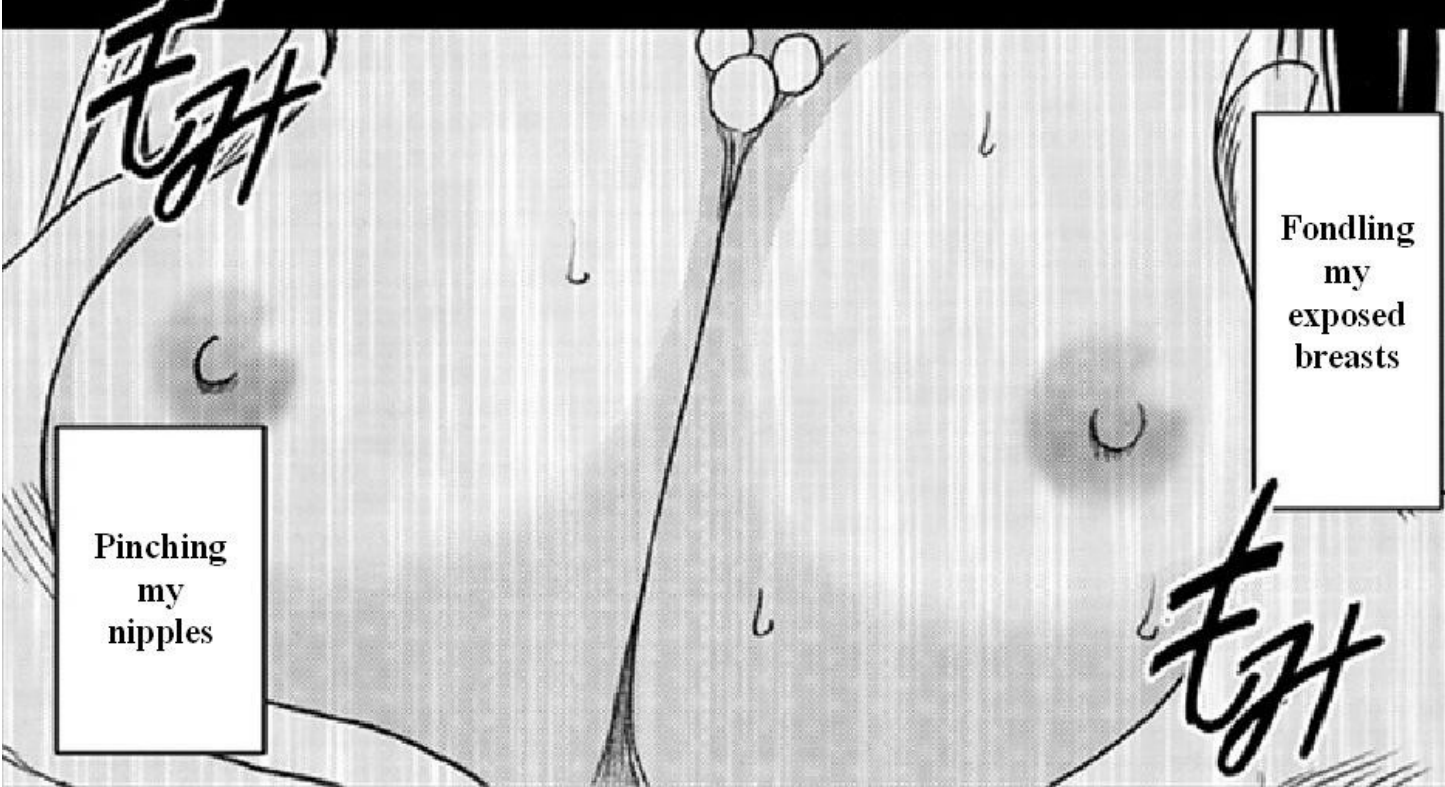

I was continually molested

Many minutes passed

Fondling my crotch on top of my panties

Pinching my nipples

Fondling my exposed breasts

This kept repeating

I tried to resist, but he easily stopped my hand

Then he started touching again...

And with this feeling that I'd never experienced ...

The extreme embarrassment made me dizzy...

ん...!!

ん...

はぁ

はぁ

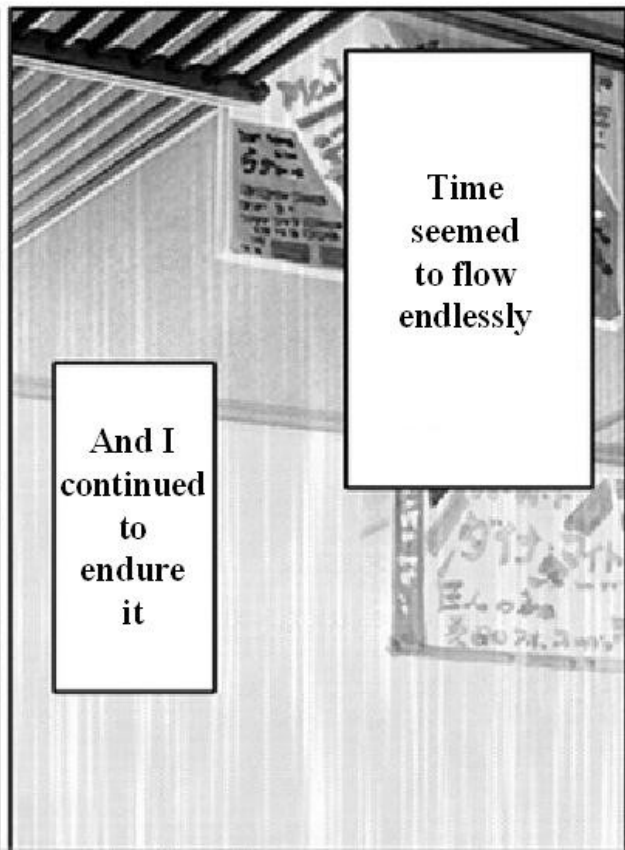

はぁ

Suddenly, an end occurred

And then

And I continued to endure it

Time seemed to flow endlessly

.....!

This feeling ...!

My body feels hot ...!

Something's coming ...!

Wha ... What is this ...!?

Eh ...!

This
is.....!

This
tantalizing
feeling...
I want
to get
there...!

What
is
going
on...!

You're
about
to
orgasm?

Eh...
I.....!?

.....?
!

Fufufu...

Looking at your expression

Seems that you've never had an orgasm before

This is embarrassing...!

せしせし

No...!

かっかっか

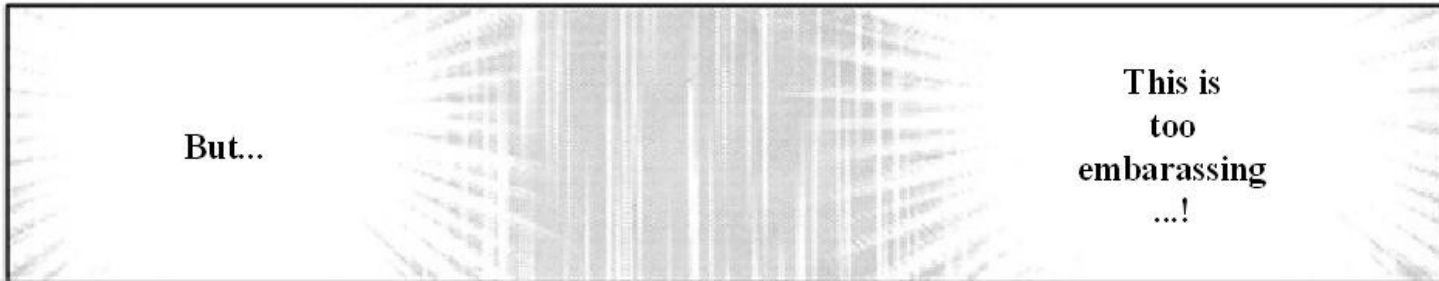

And reaching your first orgasm

Fondled in a train by an unknown man

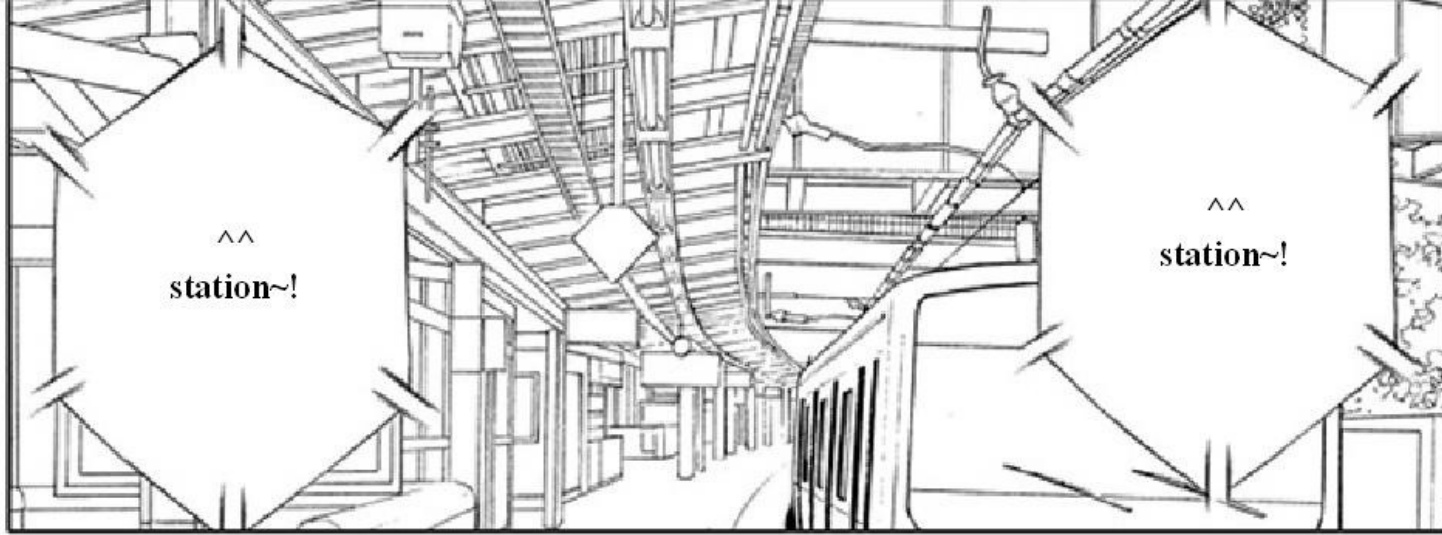

Eh...!

But...

This is too embarrassing...!

^^
station~!

^^
station~!

.....
!

クワッ

^^
station
!?

What are you doing?

Isn't this where you get off?

Th... that's right ... I...

This place...

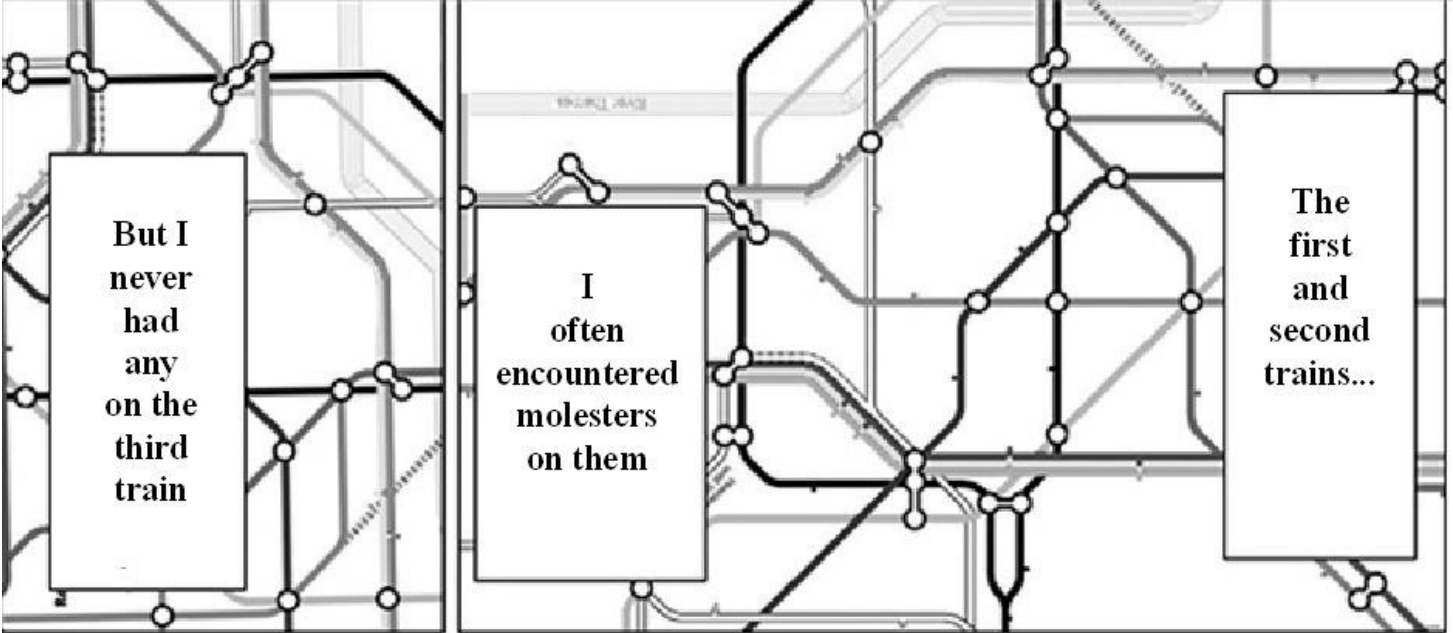

Is it over ...?

Eh ...? I get off here ...?

I have to escape ...!

But I never had any on the third train

I often encountered molesters on them

The first and second trains...

It was only here that I felt safe

There were always free seats

Since the third train was much emptier

I didn't think the same person in the 1st and 2nd train...

So many things happened today ...

Even my pussy...

Not just my breasts and ass

Came to the brink of orgasm ...

And I even ...

A stranger couldn't have...!

That couldn't be!

No ...!

CHAPTER 3

**THE SEX PERVERT
HIDDEN IN A PURE
BODY**

It can't be ...! Even in this place ...!

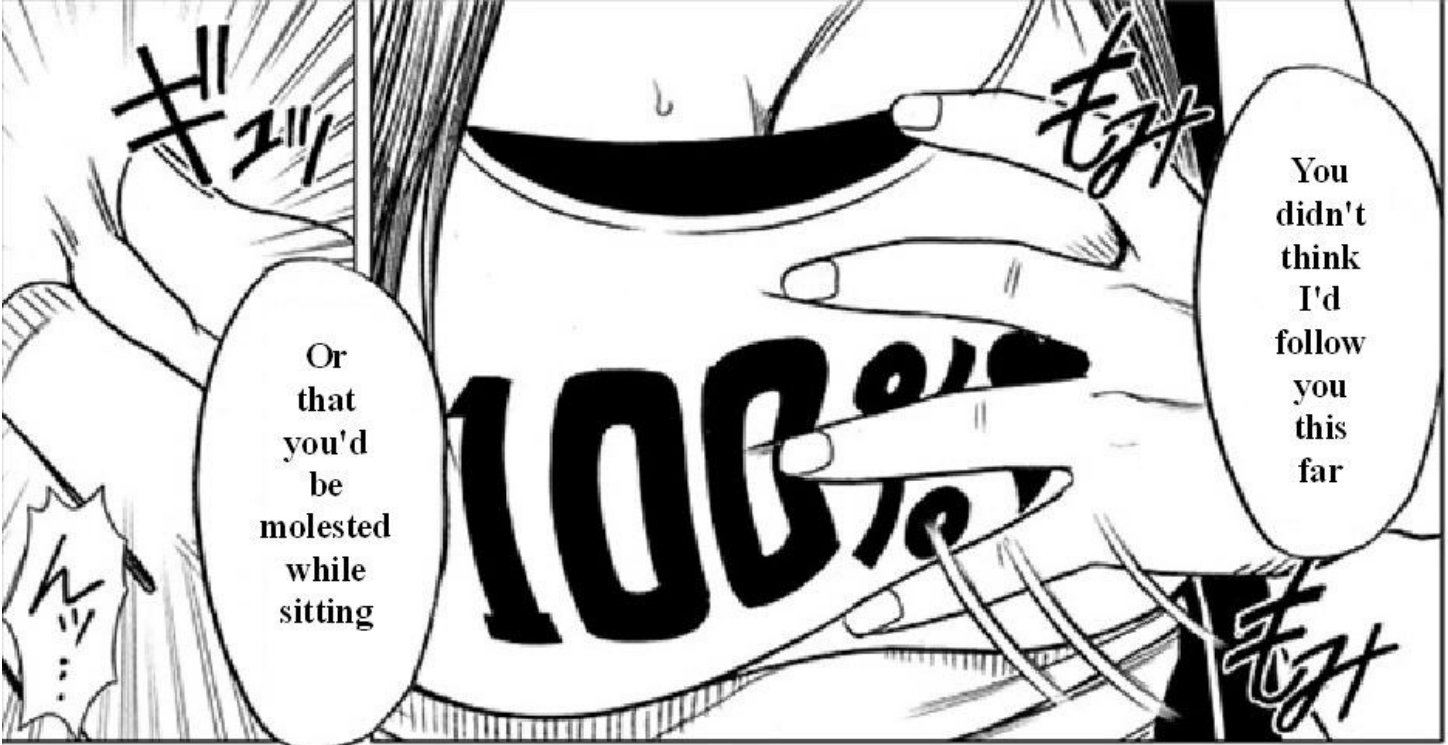

This man... he's really after me...?

Fufufu... what's up? You're shaking

Is it that disturbing to be followed by the same man?

No... I can't get away!

Or that you'd be molested while sitting

You didn't think I'd follow you this far

I'll touch you gently

But you need not be afraid

Haa!!

Or is the pleasure so strong you can't resist moaning?

Fufufu...

Even if no-one's here, you shouldn't make those sounds

No ...!

Can't stop my voice ...

I guess the pleasure is too much for you

Tou-
ching
me
there
...!

The
feeling
just
now
is
coming
back
...!

On
the
train
before

You
were
close
to
orgasm

If
this
goes
on...

Since
I got
off the
train,
my
body
...

It's
been
bur-
ning
with
desire
...

I
stopped
just
before
climax...

I...
was
close
to
orgasm
just
now...

So?

Shall
I
make
you
cum?

What
should
I
do...!?

L...!

Eh
...?

It...
it
can't
be...!

No
...!

If
you
don't
want
to,
just
tell
me
clearly

I
don't
like
to
force
girls
who
are
really
against
it

Right now...
if he touches it, I...!
No!

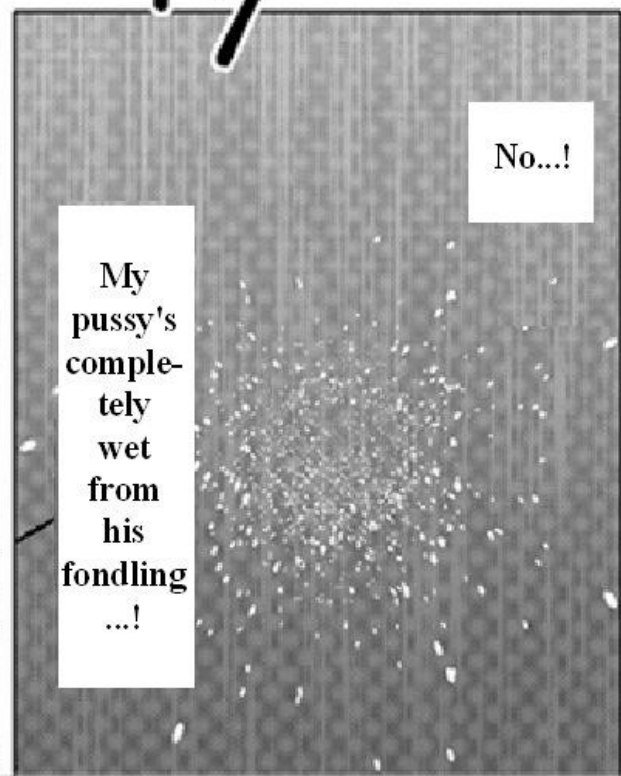

and touch your pussy directly

Now I'll reach inside your panties

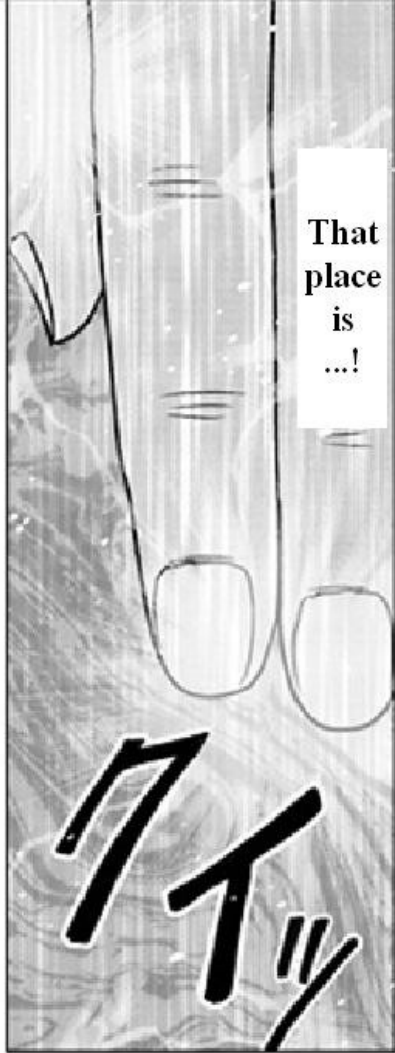

Eh ...!
My pussy ... directly ...?

If you really hate it, just say you refuse, loud and clear

No...!

My pussy's completely wet from his fondling ...!

That place is ...!

クッ

No ...!

You can't ...!

Let's start with one finger

As a virgin, it should be pretty tight

If I feel any more pleasure, I ...!

.....

フル

Please...
let me
go!

N...
No,
I
can't!

Haa!

Seems
you
didn't
refuse

A
a
a
a
!!

Here...
this is
where
it
feels
best

My
finger's
already
too far
in

It's
too
late

It's like when you got off the last train

I know

For an instant, you hesitated to get off

Because you were so close to orgasm

Even though you just managed to escape

No ... no way ...!

You are really

A perverted girl

You
have a
hidden
perverted
side

Watching
you
get
molested

I
always
thought

They
probably
realized
it
subconsciously

Why
molesters
always
targeted
you...

Your
perverted
side

I have ...!

Perverted ... side ...!

If it's me, I can

Getting molested by lousy scumbags, what a waste

Train you more skilfully

An orgasm !?

Is this ...

No ...!

I can't think straight ...!

But ...

It feels good ...!

This is all wrong ...!

While I'm being forced ...

It's wrong to have an orgasm here...!

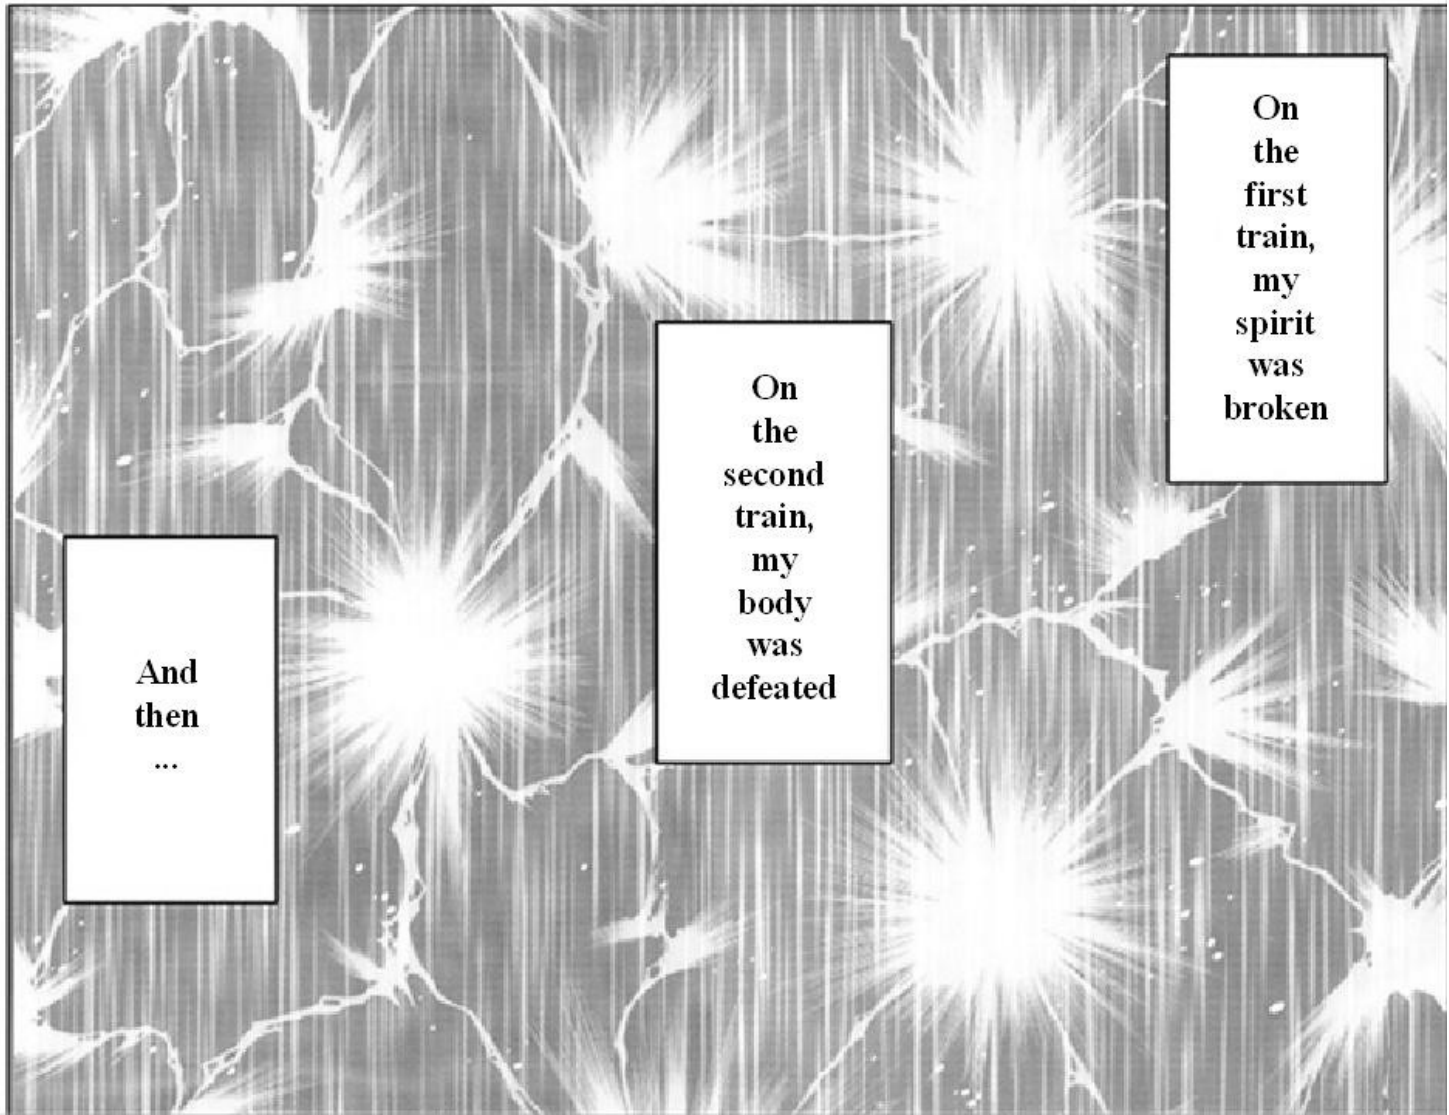

It's wrong ...!

But
at
the
time

Of
course
I
knew
it was
wrong

I
couldn't
do
anything

And
then
...

On
the
second
train,
my
body
was
defeated

On
the
first
train,
my
spirit
was
broken
