

Sorry,
you two.

I am closing
this dojo today.

Ah... um, this
is sudden, but

Wha-!

What
did you
say--!!

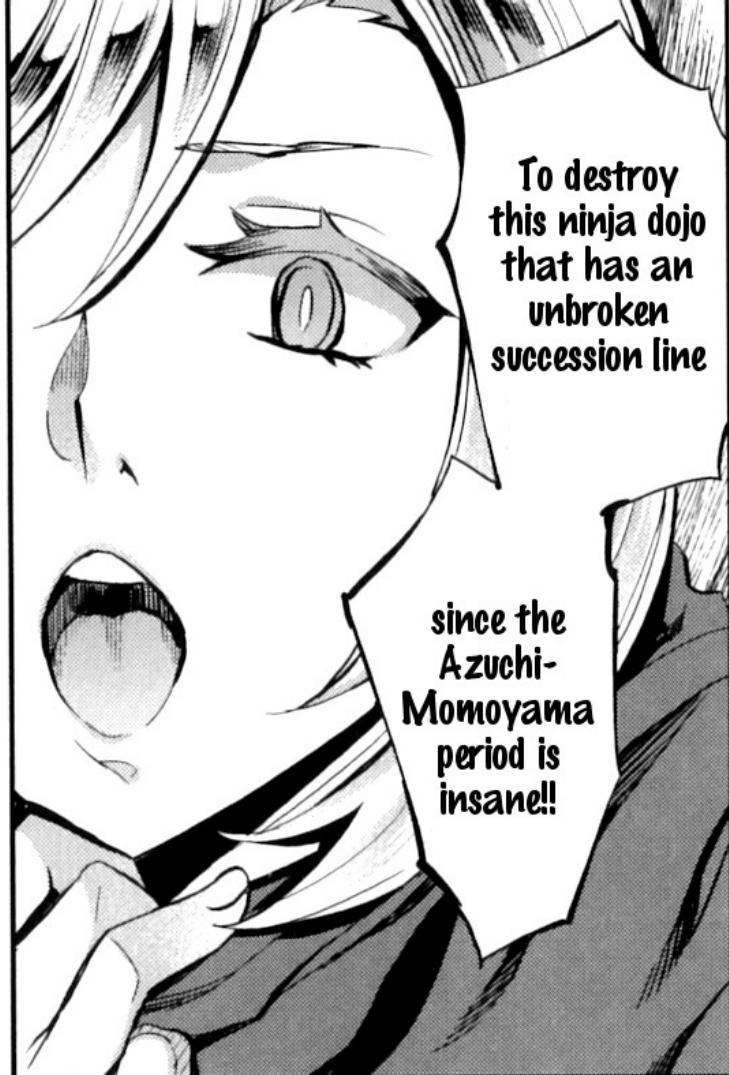

忍

NINJA
リキサー

would be
ashamed
of you!

I agree.
The previous
head, who
worked so
hard,

To destroy
this ninja dojo
that has an
unbroken
succession line

since the
Azuchi-
Momoyama
period is
insane!!

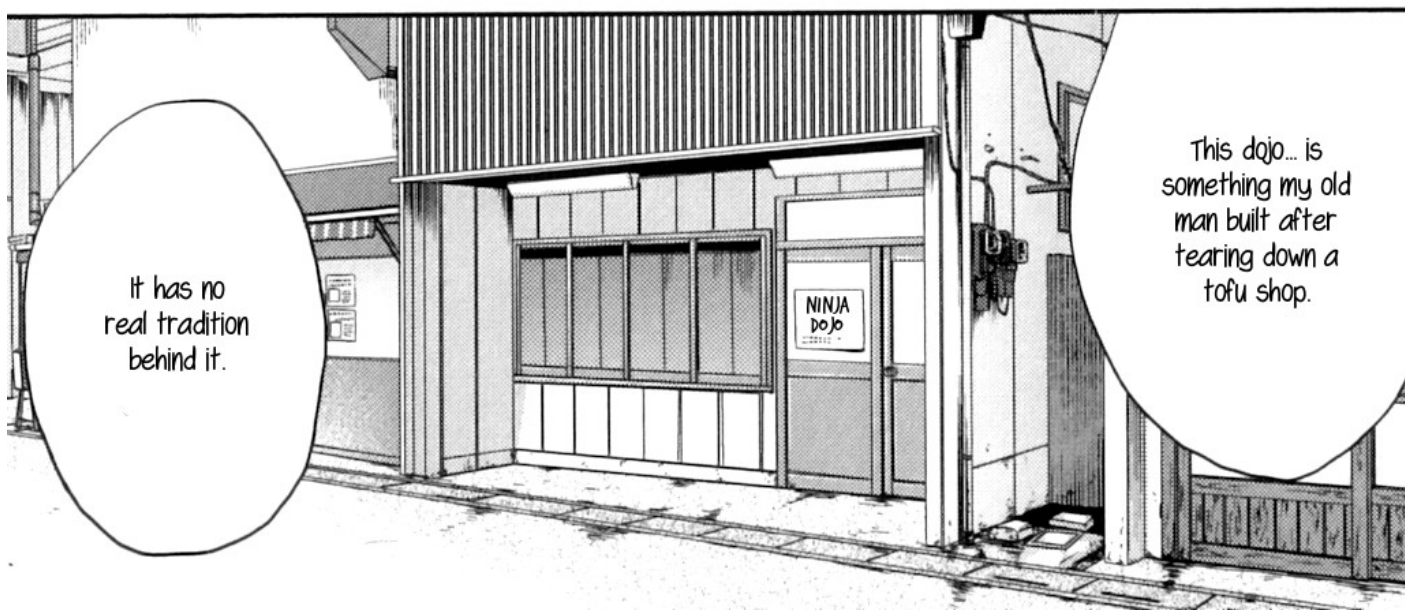

T/N: Azuchi-Momoyama = 16th century AD

I peeked to
the right.

Merida-san
and Lisa-san...
was it?

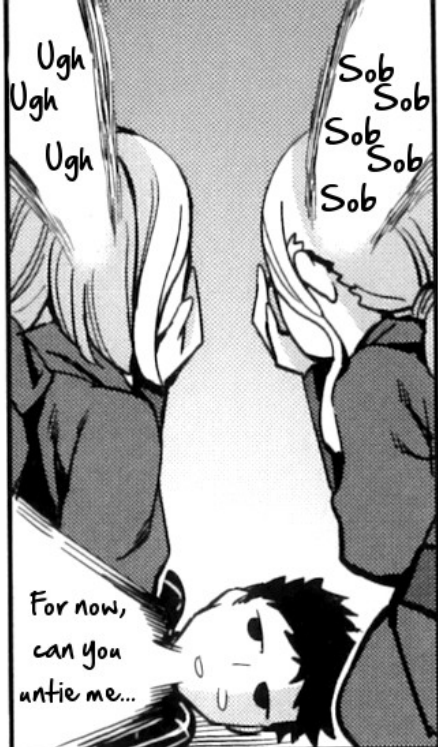

U...um,

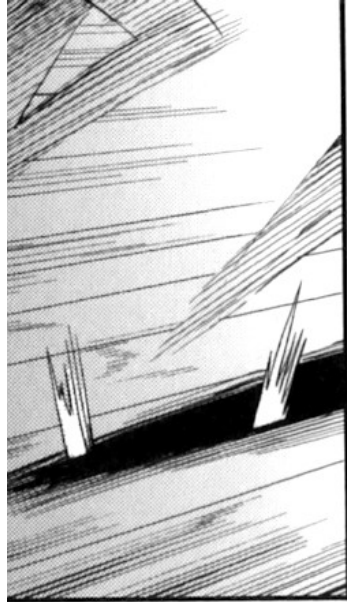

It has no
real tradition
behind it.

This dojo... is
something my old
man built after
tearing down a
tofu shop.

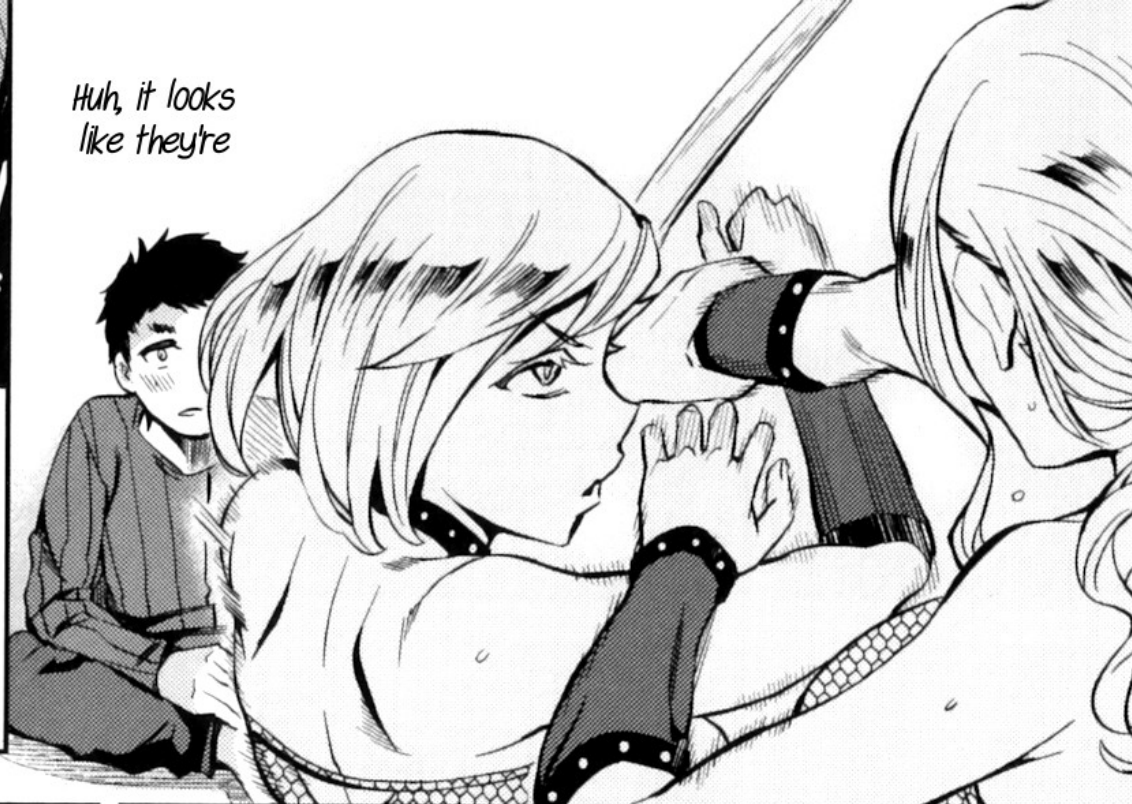

Huh, it looks like they're

actually doing it seriously...

Aah!
Young master!

Uwah!

Eh?

EYAAA!

Ouch... this is embarrassing.

Are you alright?

What
is this?

Here!

!!

Oh?

Something
hard is
touching me.

Oh, this.

It's an item
for ninja arts
training.

Hm? Really,
what *is* this...
I picked some-
thing up.

Is it a
scroll?

Conceal?

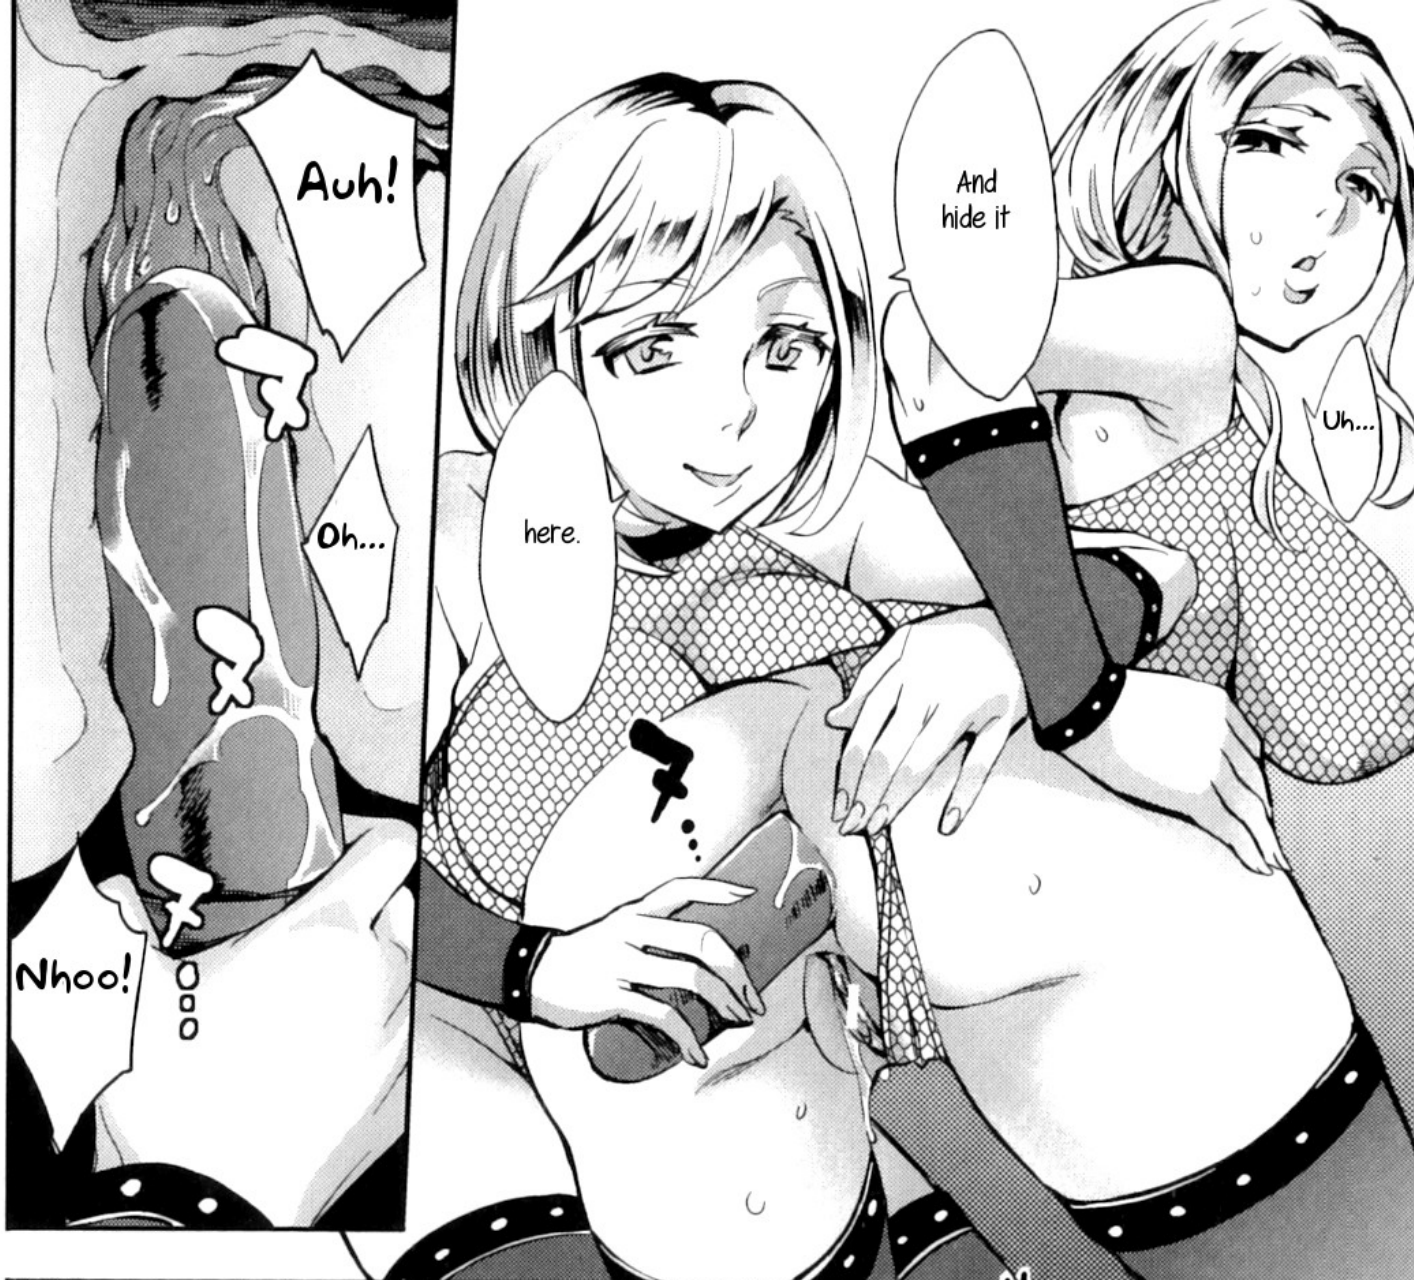

You
wet it
a little...

Let's try it
out with my
big sister.

Item for
training?
For what...?

It's to learn a
technique to
conceal secret
documents.

Enemy station

Skinobi Mission

PHYSICAL EXAM

This way, you can carry important documents right under the enemy's nose!

Well? Just at a glance, you can't tell

if she's hiding anything, right?

Fu-h!

Fu...

Huh!?

You think this woman's a spy, and you're checking to see if she's hiding anything.

Now, young master, please try checking for yourself.

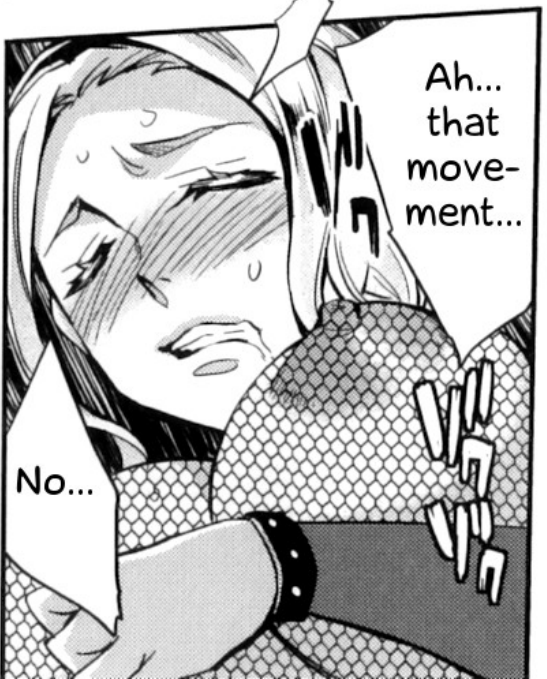

Come now, this is also part of training.

ε... eh...

Ha-h,

Hah...nh!

フ
フ
フ

For kunoichi...
in the case
of women,

failing a
mission
means
death.

In the ninja
world,

Aah...!

they were
generally raped
by their captors
before being
executed.

The
previous
head

drove this
lesson
home...

Ouh!

First-hand!

Cock!

The harshness of

I love cock!

But...

my sister

life as a ninja!

Ah---!!

Aah!

Cock... ooh!!

Hihn ♡

It's embarrassing that she's my older sister!

And was always forcing the previous head to discipline her!

Kept on messing up in her training

Ah~!!

Yes~!

This punishment... is great!

Ah!

And then,

He poured his cum inside my sister as he severely scolded her!

Auh!

my sister started to enjoy being punished like this!

Yes...

like this every day...?

My old man raped Lisa-san

You act like
this is for
ninja training.

But he was
just using you
two as outlets
for his sexual
appetite...

This was
all just
for sex...

Old
man...!

And
blindly
doing
whatever
you're
told!

Ah!!

Wearing
those erotic
costumes!

This is
how...
things
got
carried
away!

Ah,
it's
deep!

Aah!

Ah!!

Young
master
...!?

Don't pound it in like that!

Ah! Aah!?

I'm cool and calm...

Even though you're fucking me in the ass,

No way... I trained seriously... see,

Haa haa haa

Nho oh!!

Like this...

My ass! It's never been rubbed inside...

Ah!

Ah

Nhoh!

How's this... Merida-san!

This is my first time...
With such ugghh!
rough training!
Amazing!

Haah

Ah ah ♡

It's in my ass!
Yes... ♡

I'm gonna cum from my ass....!!

Aha!

Nho!

Young master, yes...!

I'm cumming!

Ah! Your arm feels good!!

Young master's cock is twitching...

Ahn ♡

Please squirt your cum into my ass...!

Oooooo oh...!!

Uwoh!
