

Good-
bye!

That's
all for
today's
lecture.

Forest Thread

漫画 きりさきびゃっこ
霧咲白狐

Uwaa...

It's
gotten
pretty
late...

But the
path
through
the forest
really is
still the
closest
way home.

It gets
pretty
dark...
and there
are some
scary rumors
about it...

Maybe I
should
turn back
after all...

Uuu
uh..

There's nobody
else walking around
here either...it's
really scary to think
that something
might just come out
of nowhere...

There
aren't
any
street-
lights...

!?

Na...!

Wha...

—あらあら*

Wha...
What is
this?!

I can't
get out!

* I'm not sure how to translate this. "Ara ara" looks really dumb, so I left it as is. It essentially establishes a seductive tone, usually used by older women.

Looks
like I
caught
some
pretty
cute
prey~

Please,
ma'am.
Please don't
kill me...!

Hiiii...
ya...

Don't worry~

I'm not going
to kill you.

Re...
Really?

Huh?

AAH!

Right
now...

ふふっ...*

Wha...
WHAT'S
GOING
ON?!

*Another
seductive
or refined,
elegant -
type laugh

"fufu" just
looks so
damn stupid
in English.
Sorry. I
couldn't
handle it.

SFX: a
pleased
grunt as she
puts it in
her mouth

Yum...
It's
really
tastey~

How's the
sensation of
my silk?

Hmm...
your dick
certainly
has gotten
big.

If you lick it like that...

With a
spider's
thread-
hole,
that
is! ~

Look~
It's all
wriggly
and
sticky,
right?

Right
now,
your
penis is
about to
go...

...in
here
~

Ahh!

They're just SFX. In case you couldn't tell, they're moaning in pleasure.

* Localized English translation: "That's a roger, ma'am."

Well, that's how it went in my head, anyway. He said "yes."

Alright~
Fill me
up with
plenty of
sperm~

Your dick
is twitching
inside me~

Are you
going to cum
already?

Nnn!
*

Are you
gonna
cum
inside
me?
