

褐色系男子の力カ才君はチヨコッと変わったお友達。

Did you
get any
chocolate?

Today is
Valentine's
day, huh.

That's
right.
You
don't
need
it, do
you?

Ah... You
don't
need
chocolate.

Because,
Cacao-
kun...

Shall your
childhood
friend
give you
some
obligation
chocolate?

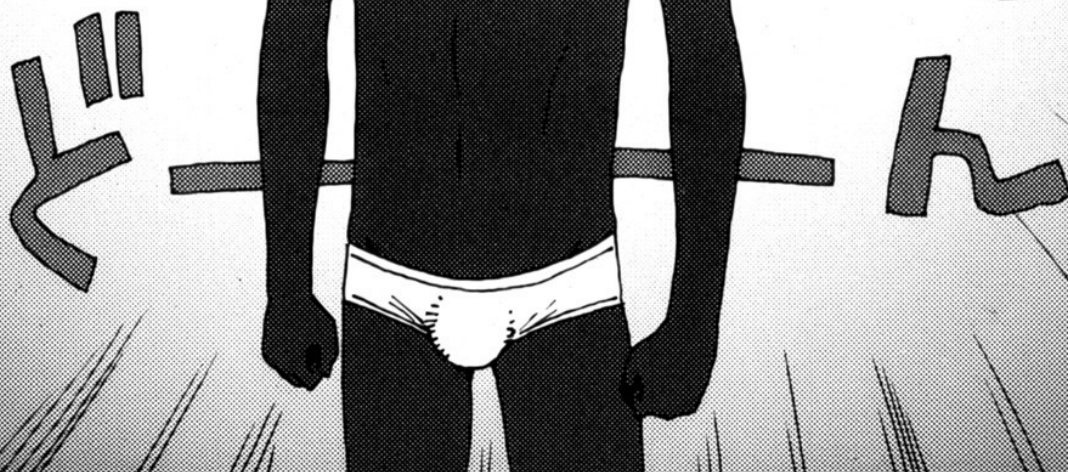

That
gloomy
face means
you still
haven't
gotten a
single piece,
yet... it
seems.

なぜか白ブリーフ丁なのはご愛敬…。

You're
really
laying it
on thick,
Kaorin.

You're a
chocolate
human with
a chocolate
body!

For as long
as I can
remember,
I've been
living as
chocolate.

That's
right... I'm a
chocolate
human...

There hasn't
been a single
time I've
received
Valentine's Day
chocolate from
a girl.

This emptiness, I
expect, is
because my
body is made
of chocolate...

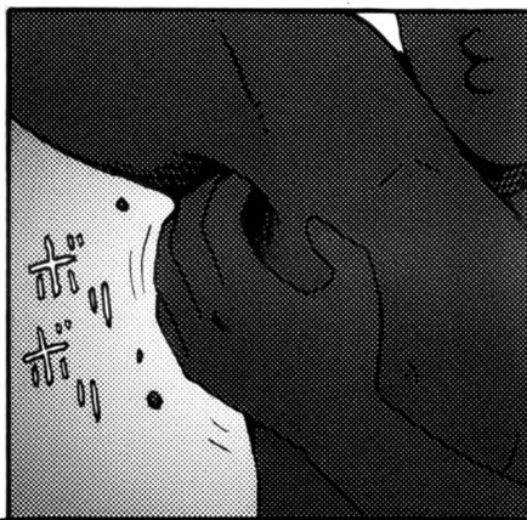

I guess
there's
no
other
way.

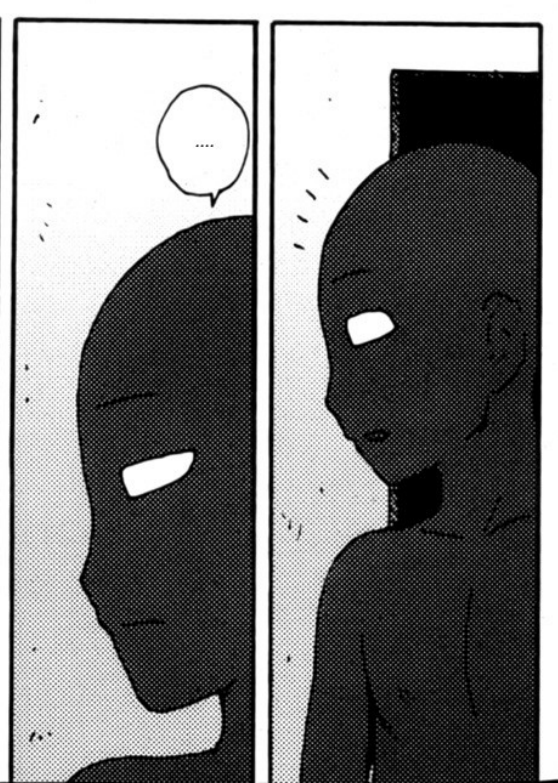

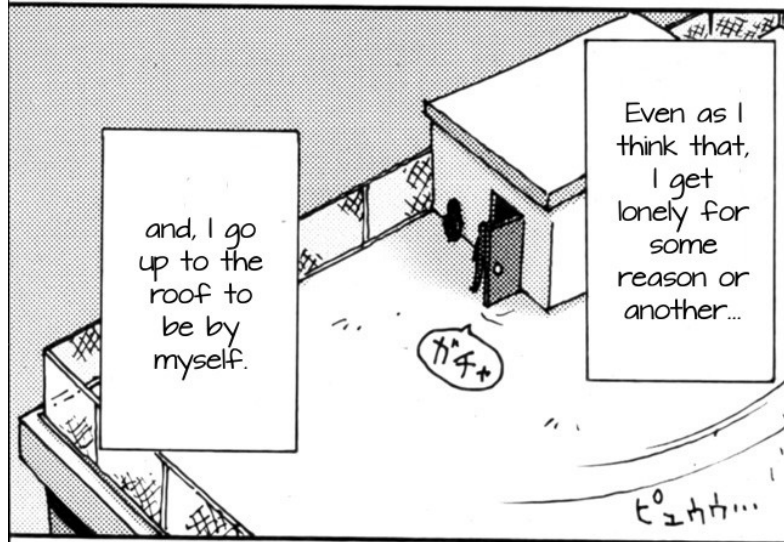

Could you
share a
little bit
of your
chocolate?

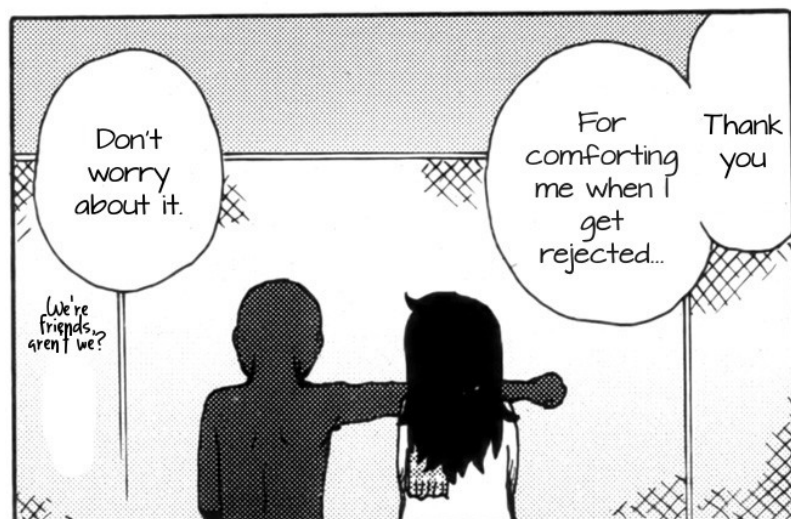

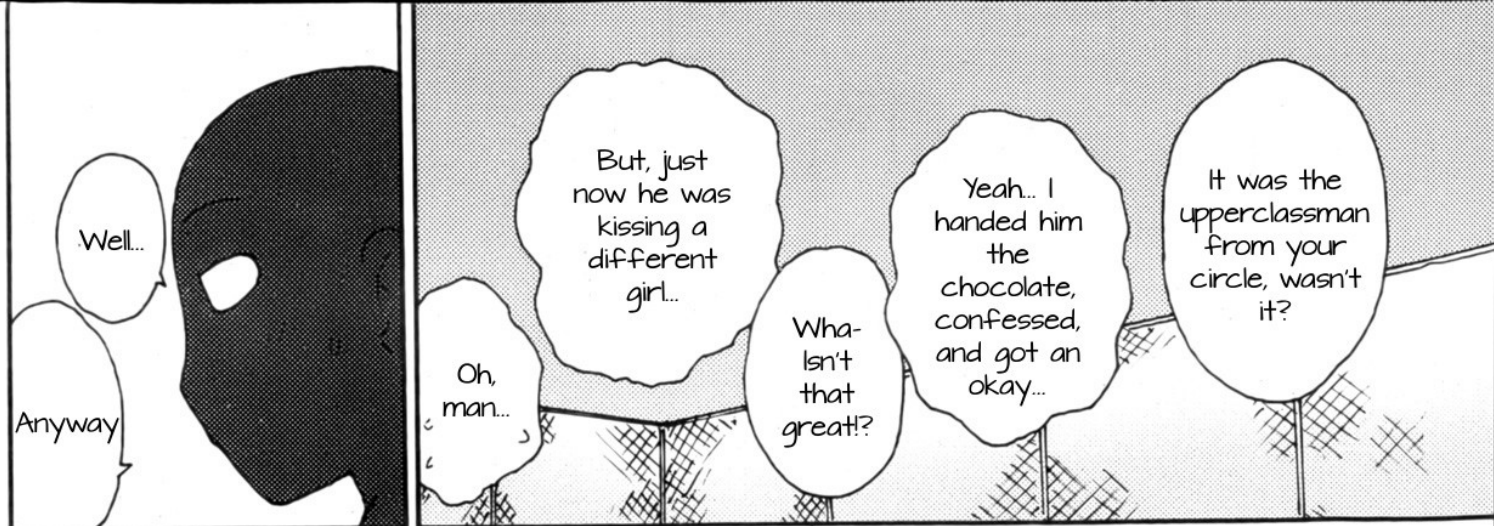

Please,
Cacao-kun!

Just a little

I was
careless and
forgot the
chocolate I
was going to
give to my
boyfriend
on the train.

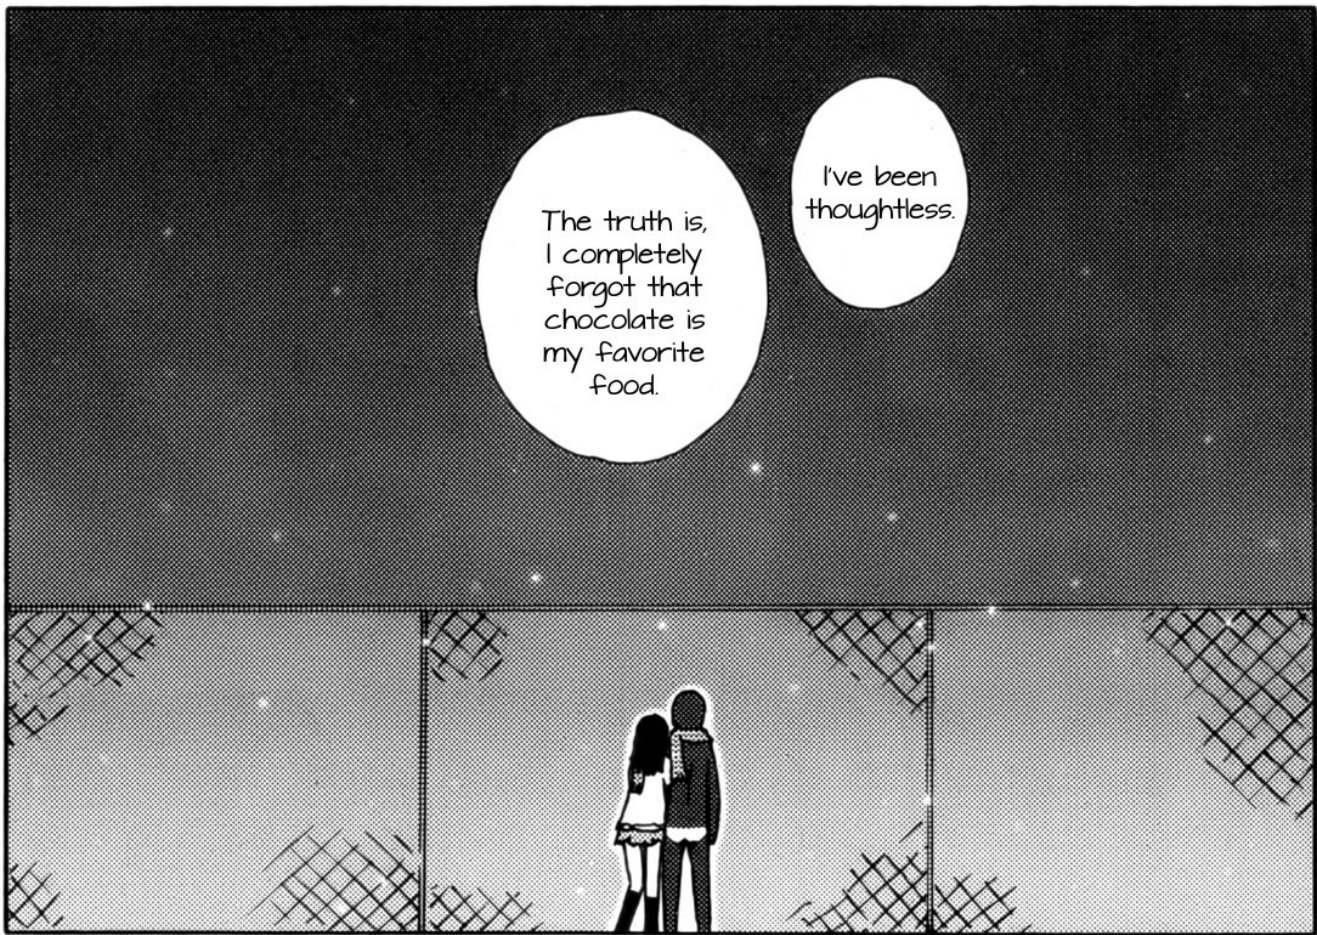

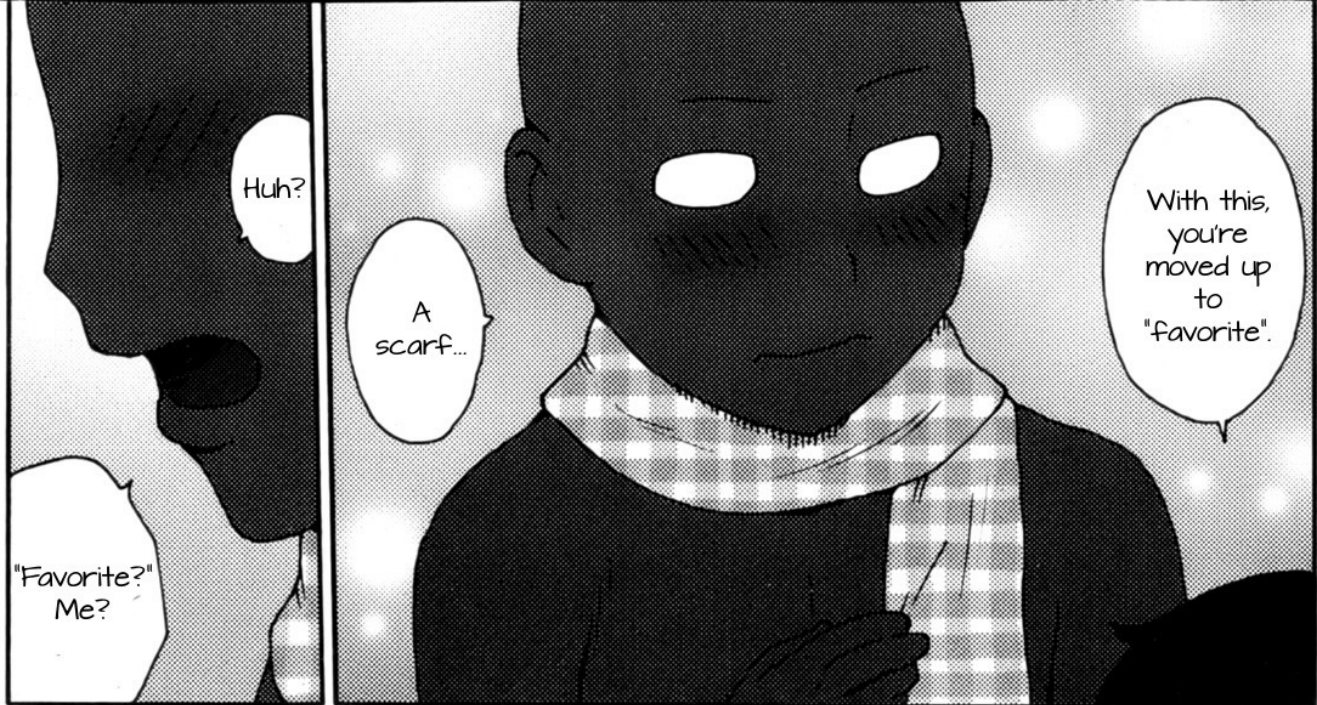

晴れてカップルにはなれたけど、適度に距離を置かないとね。熱々すぎると溶けちゃうし。
