

Stay in my room and don't get up, okay?

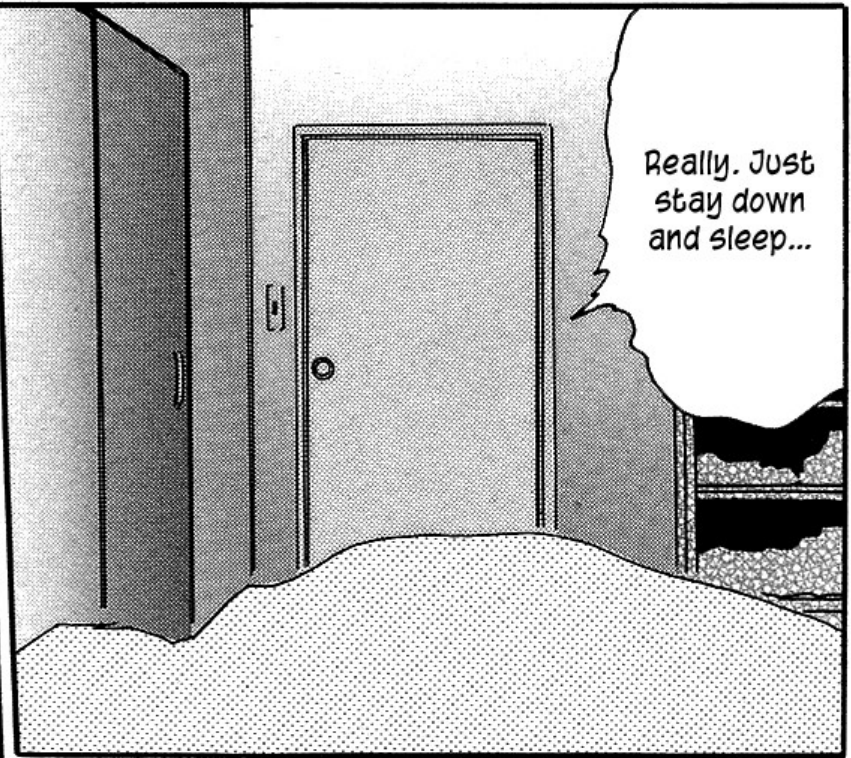

I'll go out to buy some drinks.

Hm.

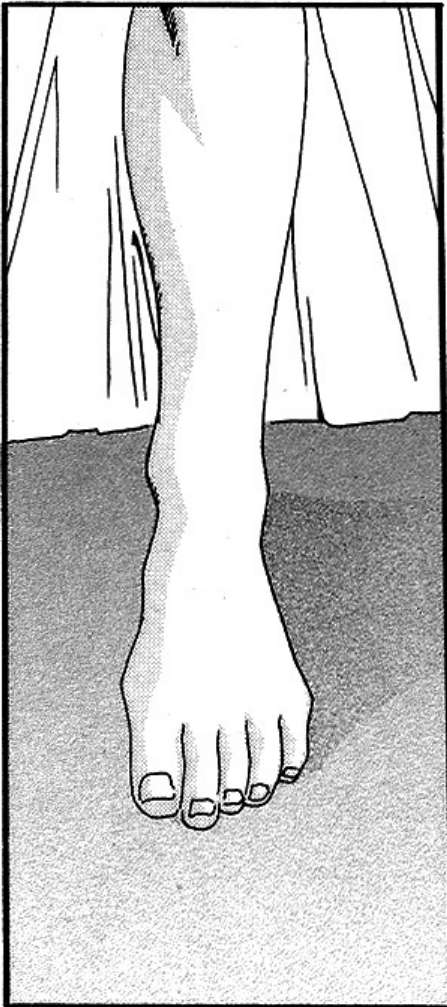

It's another guy. All evidence hints to that.

Really. Just stay down and sleep...

My Juice

...

That guy...?!
Sister's boy-
friend?

Kyaa

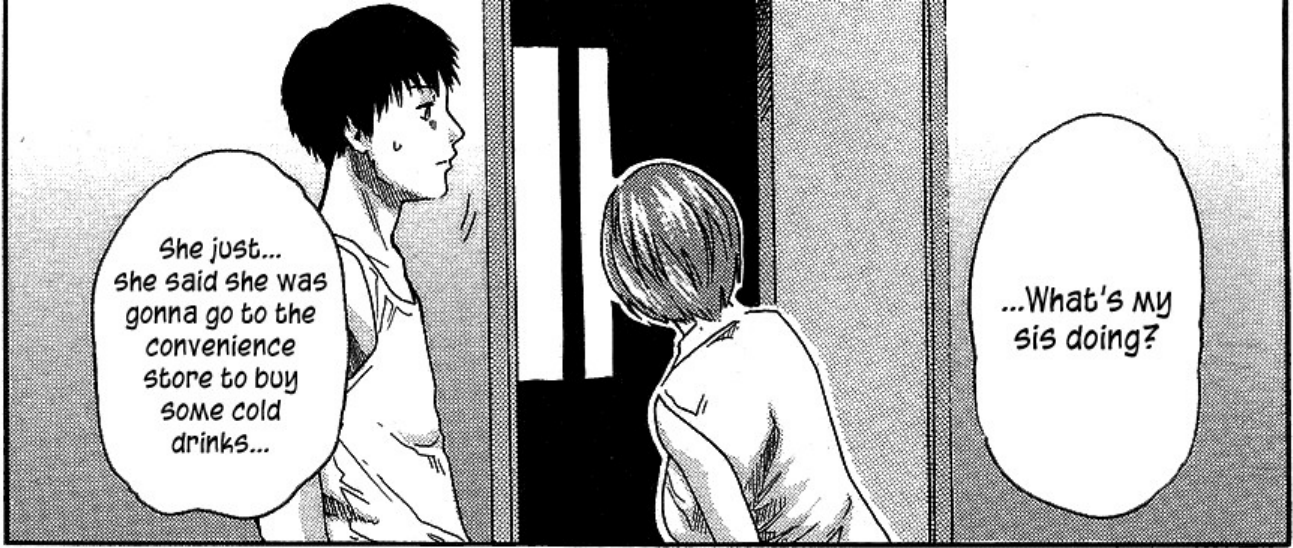

So-
Sorry...

...Ah...

I didn't
know that
anybody
else was
at home!

Damn... So
that's why she
told me to not
walk around
the flat...

She just...
she said she was
gonna go to the
convenience
store to buy
some cold
drinks...

...What's my
sis doing?

She went out
to the conve-
nience store,
and she's still
not back...

All... All
right...

It's just
too bad that
there's no AC
in my room!
It's so damn
hot...

She told me
to stay here
and relax
and cool
down here
before she
went out.

Ah~ so nice and cool...

This is so awkward, her sister being in the same room...

...

?!

popping up

Doing it with guys makes it feel much fresher, too, by the way...

Today really is such an especially hot day...

Oh...

I'm done for... I just woke up. And I'm still a bit dizzy...

Why are you trying to hide it?

Don't worry about it, 'kay?! Don't even mind me!

It's smelly... This is embarrassing...

S-Sorry.

Huh?!

?!

I think this is what enters my sister's body, right?

Rub Rub Rub

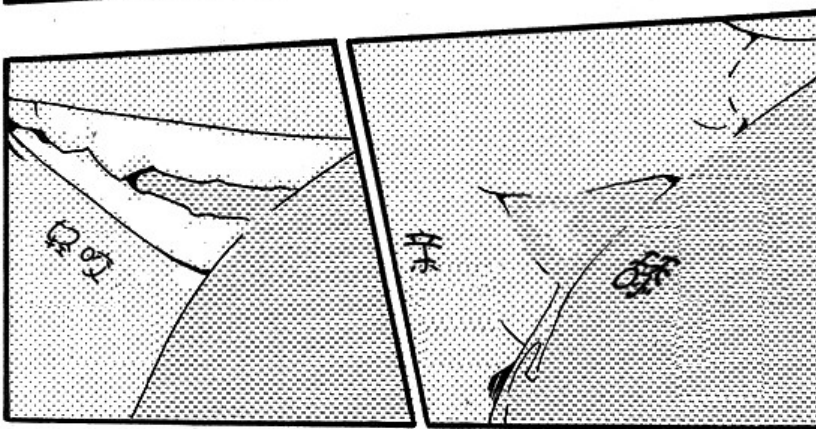

Ah~ What a nice, heavy smell.

Slower, you're doing it too fast...

KISS

KISS

And we're doing it in sister's room, too.

Ah~ My... my nipple is so sensitive...

Wait! Your sister is gonna come back any moment.

Ah

Shoot it inside My mouth.

It's gotten so hard!

THIS FEELS SO GOOD!

Ah

Hgn

Hgn

It's so much...

Hgn

Oh? sis is gonna come back soon... Does it matter?

It's you who seduced me first, right?

I'm not dreaming, am I? That her sister would be this lewd...

Suck
Suck Suck

Gonna
Come! I'm
gonna come!
Do me
harder!

Ah

You must
have done
My sis as
hard as
me...!

Ah

Ah

Ah

Ah! You
can fuck
my ass,
too... Ah!!

Come
inside...
come
inside
me!
Fill me
up...!

Ah! You
can fuck
my ass,
too... Ah!!

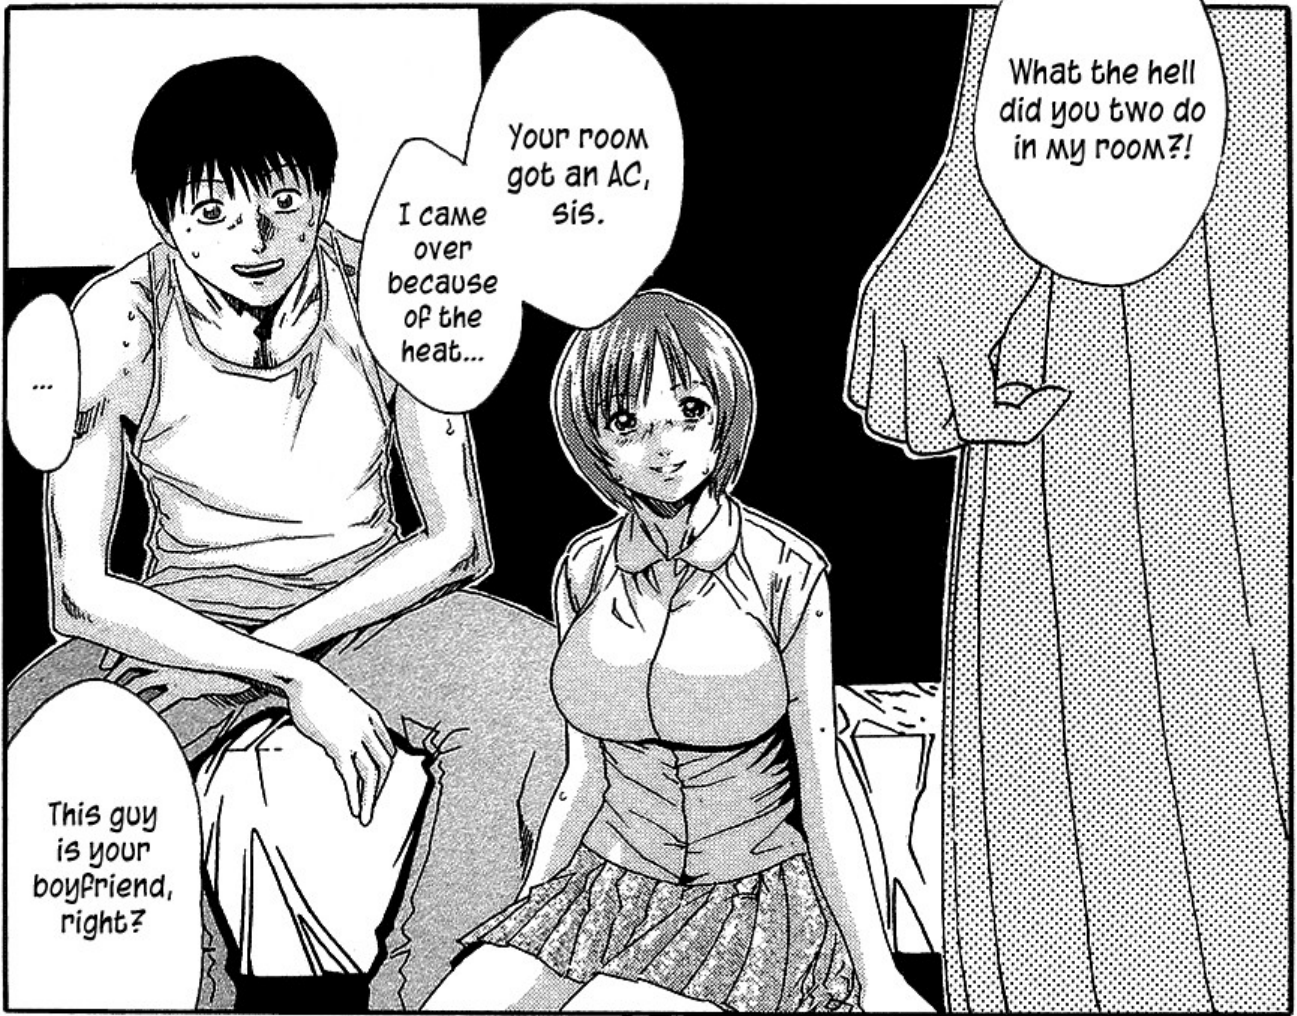

*You don't
need to
hold back.
I'm about
to come,
too!*

*All this...
all this is
flowing
inside of
me!!*

...

I came over because of the heat...

Your room got an AC, sis.

What the hell did you two do in my room?!

This guy is your boyfriend, right?

Sis, isn't your room a bit smelly? What did you guys do here?

Ah.

Ouch. Now my boyfriend is getting involved with our family affairs. Don't tell dad, okay?

He he he

Oh... Oh?! This smells a bit naughty, right? He he he
