

Starting today, I'll work at a maid café.

Wh-What... What are you doing dressed up like that?

But maid costumes are so cute, aren't they?

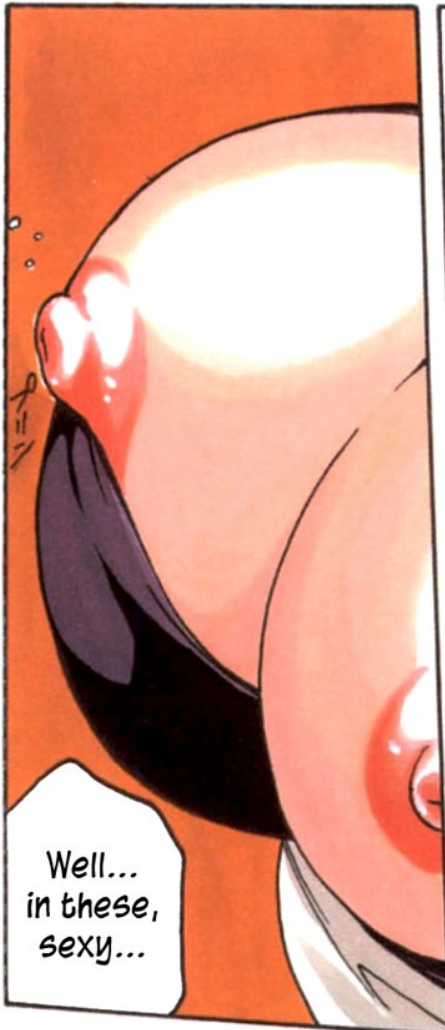

Can't you get a more typical job?

Heh. You know that I don't like cosplay.

Maid cafés are no good?

Maid Girlfriend

Well...
in these,
sexy...

With that
cute stuff
on, you're
actually
really
sexy.

Ah!

Ah!

Your job will be to
call other guys master,
and to ask them to
come back again.
You'll exchange flirty
glances with your guy
customers, too.

That's out
of the
question!

If you want it that way, we can do it...
Master, you really are...

Really?!

Will you allow me to go to work?

...

Ah

You're still my master ...

Ah, it's tasty!

Master...

Aaah...
Master's
...

Master's
dick is going
inside me
so deeply...
Aaah... Ah,
It feels so
good!

Ah

It feels
incredible.

It's... it's
pouring out
of me...

Ah,

It's
flow-
ing...

Ah... I'm
coming!

Ah... Wait a bit... Please, please be a bit more gentle...

Aaah...

I didn't have Master's permission, and yet I came...

You'll... you'll make me wet myself...

Ah, it got so tight... ah...

I'm gonna cum, too!

Aaaaaa
aaaah!

Ah... I can't imagine my maid taking any more.

Ma-Master's cum... it's dripping out of me... together with my juices...

Master, you seem to actually enjoy this a lot?!

So, next time you'll wear a headpiece and an apron.
