Special Thanks のっち

Now then, first off I'd like to thank  
you very much for picking up this book!  
I hope you enjoyed Part Two of Koyama's  
fuzzy bearded old-man passionate series!

I had planned on ending it in one book but Koyama was just so  
cute that I just ended up drawing more and more of him!

On top of that I ended up planning a third part!

Somehow I've managed to get up to 9 works released, I of course  
want to get that number up to 10 but I don't really have any good  
ideas for what I should do next. I hope that you'll still be  
supporting me though when the time comes again!

I would also like to thank my friends from the bottom of my heart  
for helping me get this out at the very last second!

If it wasn't for them I wouldn't have been able to get this book out!

Well then until my next release, I'll see you then!
