

It was the alcohol in me speaking.
No, more like a bad joke on my part.

And a little bit of wishful thinking, but...

Huh?

She put on an angry, fed up expression, and...

I understand.
Fine.

Said that to me.

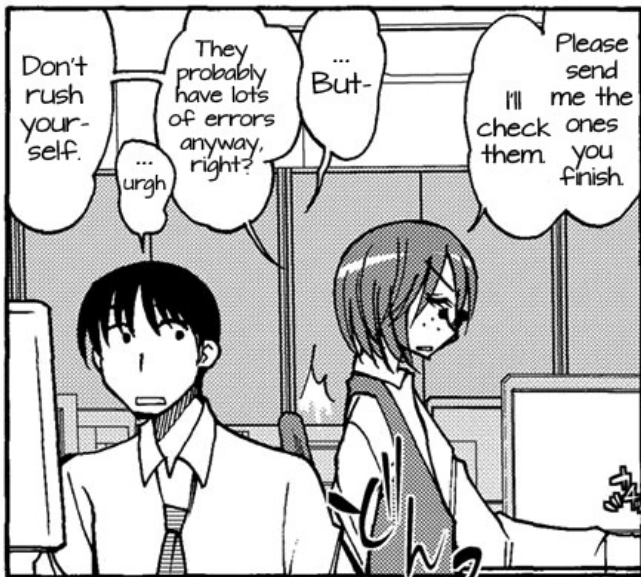

You can go home.

Are you okay?

Everyone's gone home already...

Yeah ...

Don't rush yourself.

... urgh

They probably have lots of errors anyway, right?

... But-

Please send me the ones you finish. I'll check them.

This girl... Ai Kondou, was a new hire from last year.

She's exceptionally talented. And always helps me out.

... Th-
Thank you.

Backing up Kotani senpai's my job...

... Apparently.

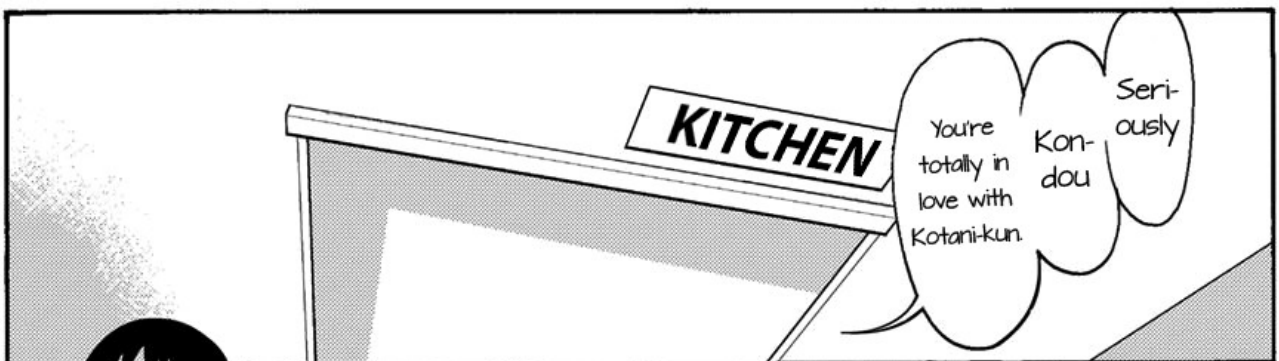

Oh.

You're still doing this?

She really does help me out all the time.

So that's it!

Kondou-kun felt that way about me...

What are you talking about?
Geez.

Everyone's saying it.

I've been told the same thing, ever since I was a kid.

Did you just say

I'm not cute.

I don't get along, especially with older men.

I already took care of that.

I know that already.

I was surprised to meet a man with such a low sense of self worth...

So when I started working with Kotani senpai.

Loves me.

Ai Kondou ...

I've got no clue.

Is he alright? He's not a good drinker in the first place...

But still, I've never had another girl fall in love with me before, so...

I've always had a vague feeling.

What am I supposed to do?

Me too!

Another beer for me please!

Haa

They went to karaoke.
Where's everyone?
Yes, hello~
Huh? Kondou-kun?

Are you okay?

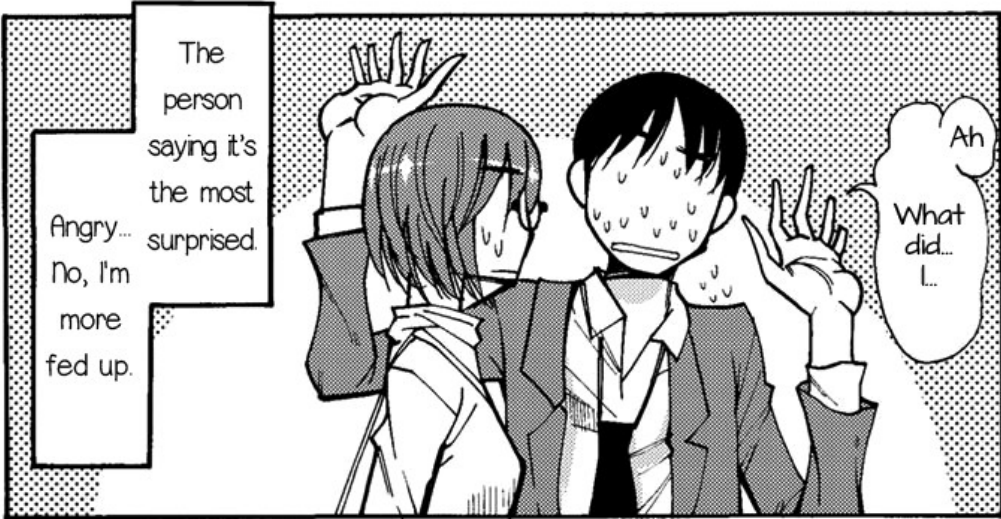

It's because you drank so much even though you're a weak drinker.

Sorry for troubling you all the time.
Backing up senpai's my job
Apparently.
She's actually really slender, huh?

Then...
Smells nice too.
You...
Love me or something...
Right?
She feels so soft and warm.

The person saying it's the most surprised. Angry... No, I'm more fed up.

Ah
What did... L...

Let me do you.

Fine.

?

For fooling myself like this.

I understand.

Sigh.

To think that I might have been in love... With this man.

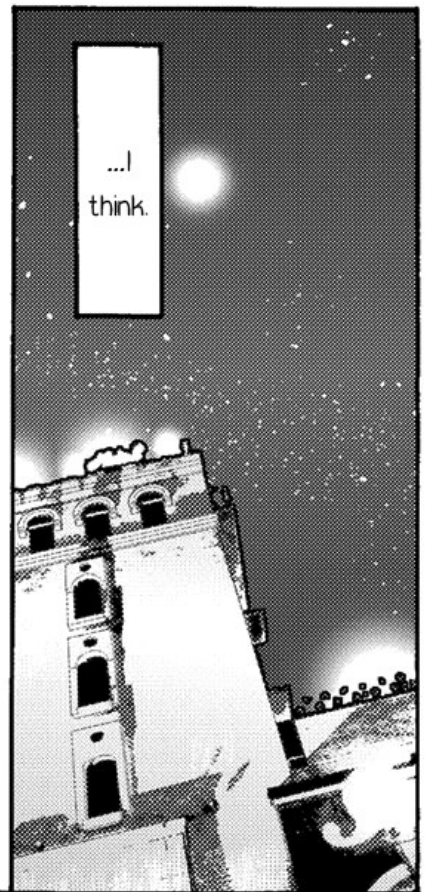

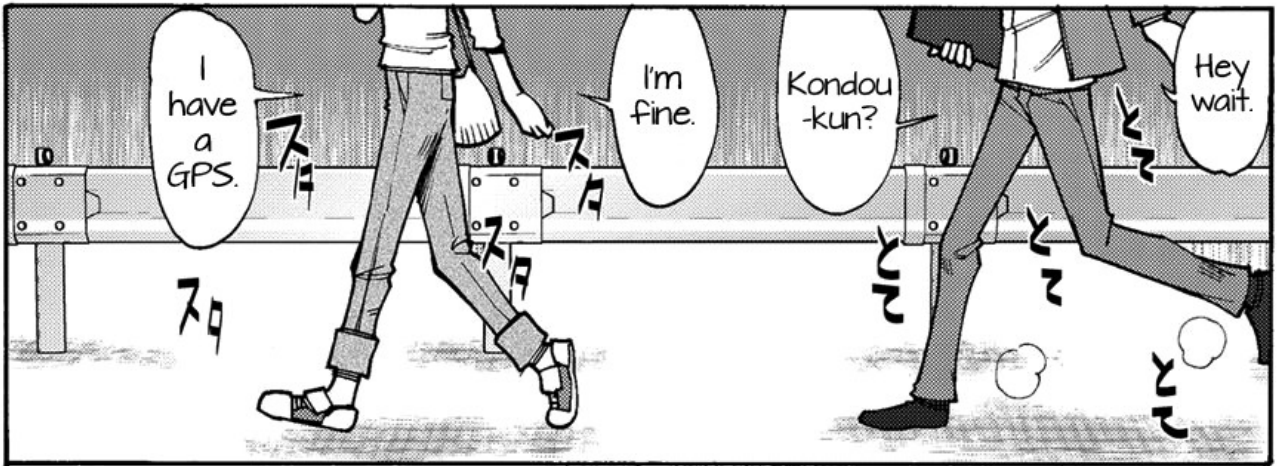

There should be some, since we're near the train station.

Is a love hotel okay?

But-

For being such a careless girl. I'll do this to myself as... "Punishment"

stare so much

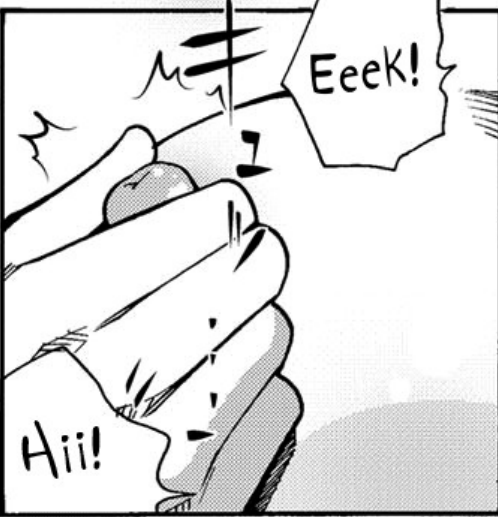

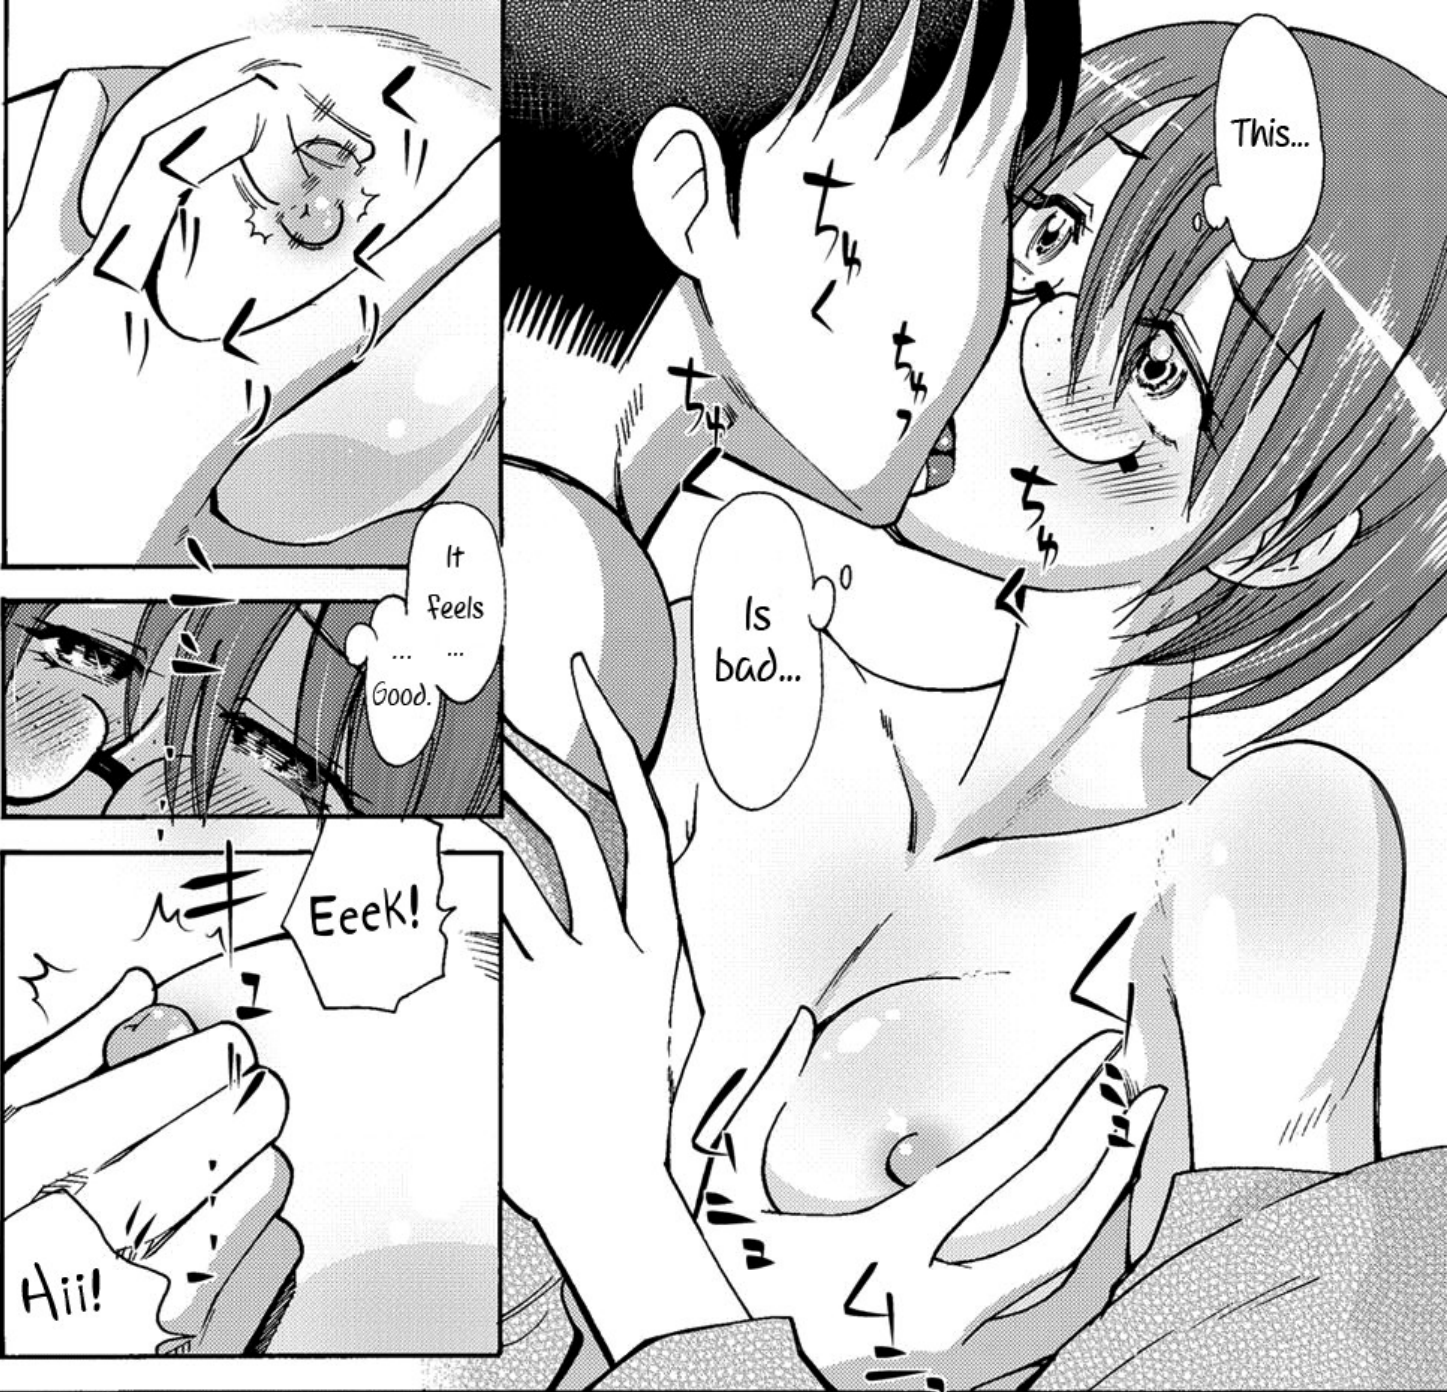

Please don't

Even if you say that...

Kon-dou-kun's tits...

I'm gonna look.

It feels
...
Good.

Is
bad...

EeeK!

Hii!

This...

I'm
really
sorry...

This is...
My first
time, so...

Did it
hurt?

Oh...
Sorry.

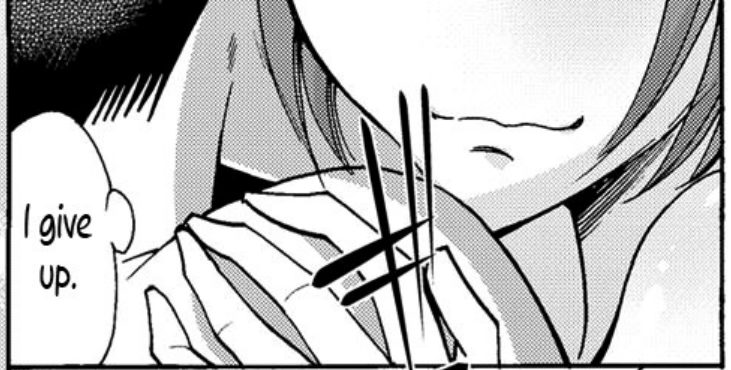

First
time?
...
Yeah.

I just
let out a
weird
sound.

Let's keep going.

Ok.

I give up.

I was just surprised...

I'm fine.

It was really good

Geez.

My body's overjoyed right now.

I'm wet already.

Come on.

Kuh!

Ow!

Mm!

Mm!

Mmm!

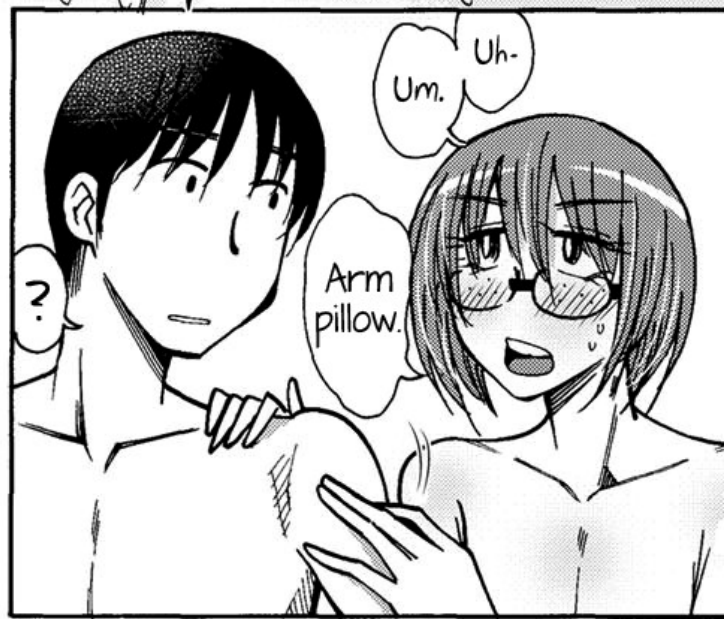

Mm!

Mmph!

Thought about it

But...

Like this?

Until now, I've never...

...Yes.

Kondou-kun's pretty cute...

Well, you looked like you were sleeping really well, so.

You could have woken me up.

Um... Hey.

... Uhh...

Um.

Possibly.

Probably...

I also... "maybe", just "maybe"

... Actually...

Kon-dou-kun!

Fell in love with you...

... Maybe.

I Always Loved

... You.

... Maybe.

End

... Maybe?

Well

Then...
