Thanks, I'm home.

Welcome home!

A stunning beauty!

This is Liliana-san. She was dying by the roadside when I rescued her. And since she has nowhere else to go, she has been living here.

Not at all. I should be the one thanking...

I-It's nothing... Uhm, you must be tired, right? Please rest in your room and I'll bring some tea.

Sure. Thanks a lot, Liliana-san!
