

蜘蛛のお嫁さん。

SPIDER BRIDE

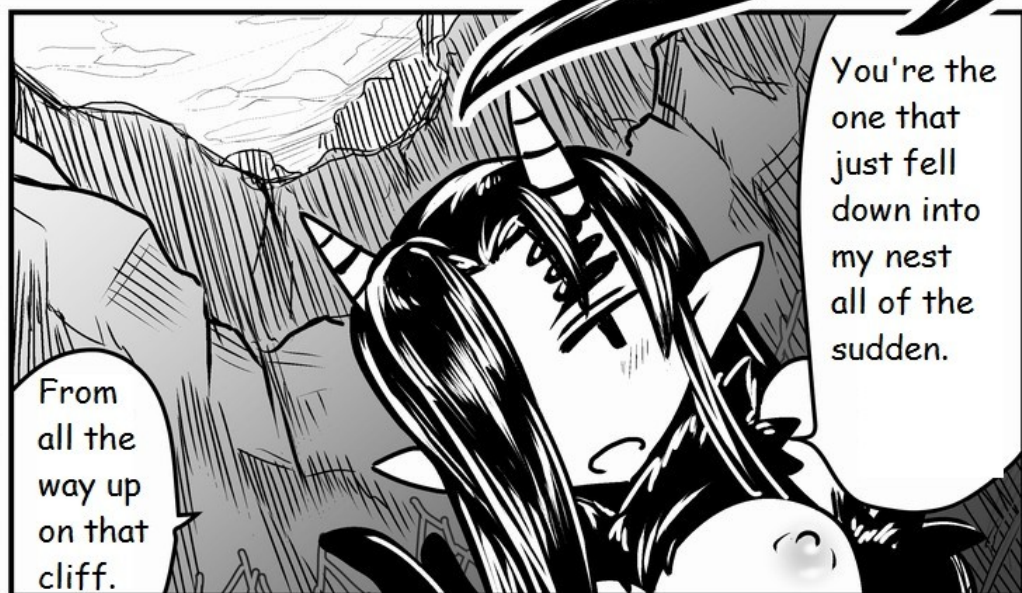

How rude.

Dammit!
Let me go!

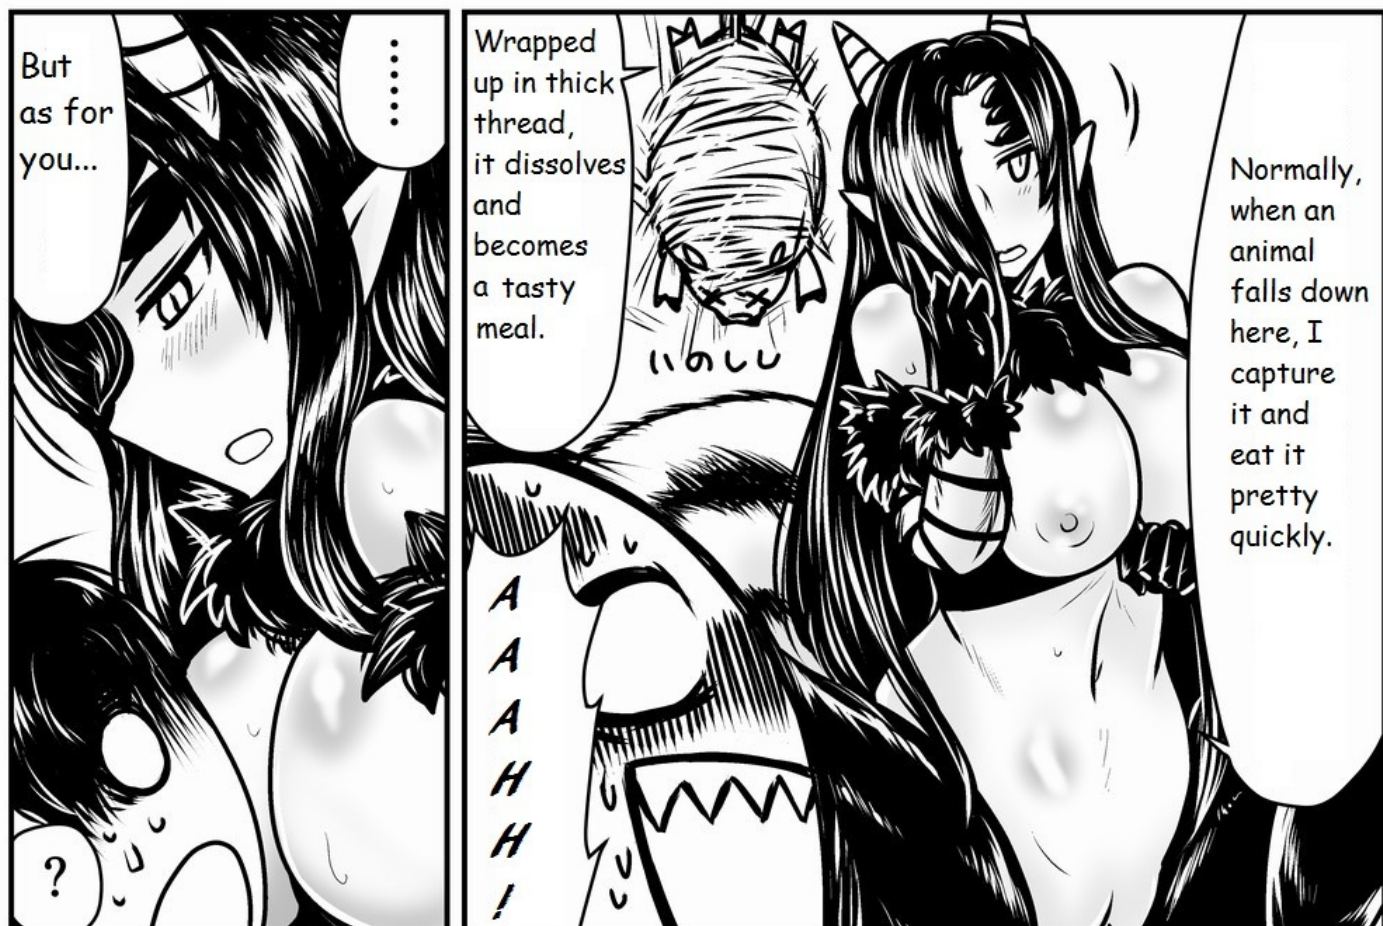

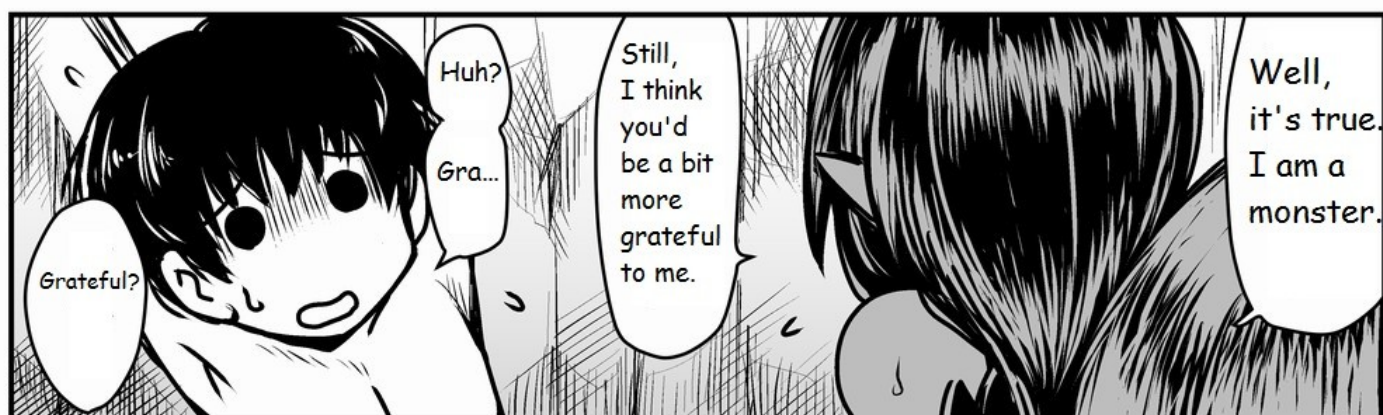

Ugh...

From
all the
way up
on that
cliff.

You're the
one that
just fell
down into
my nest
all of the
sudden.

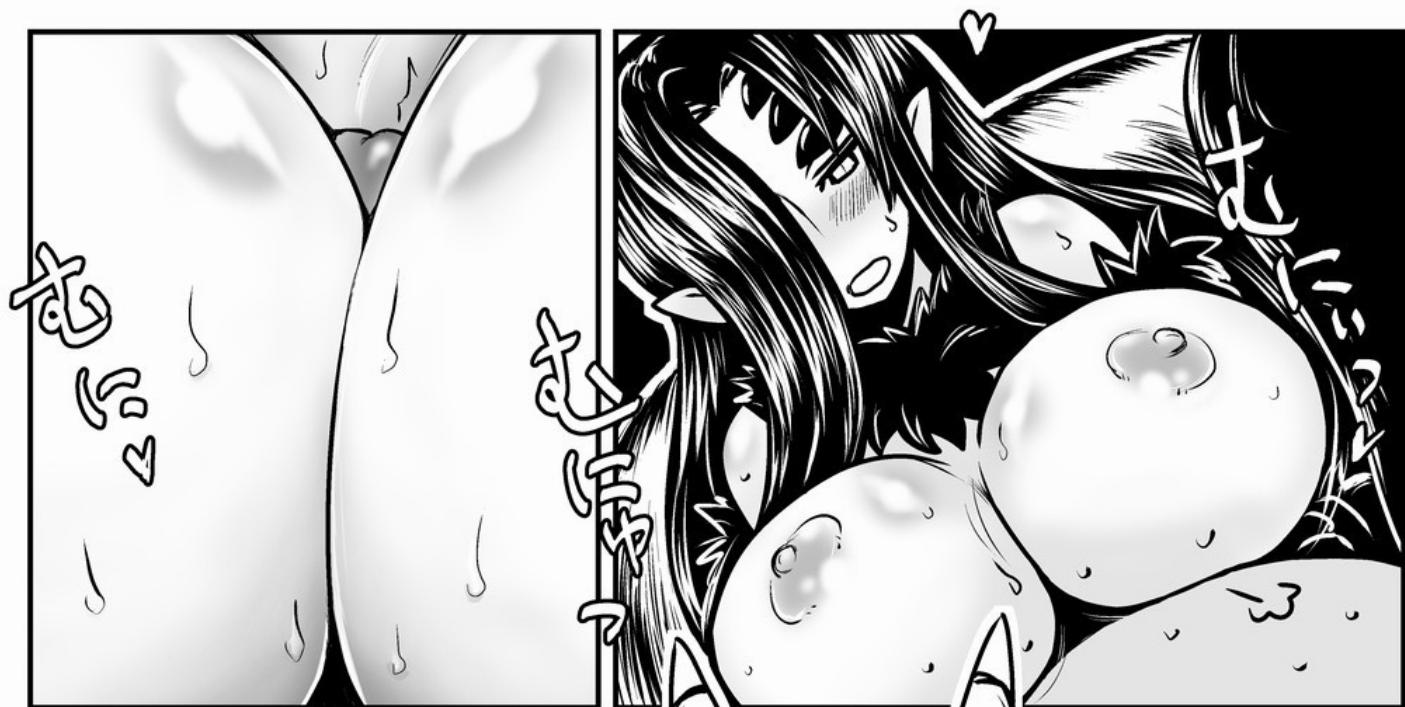

It's a sign that God had to reincarnate so many spiders and girls at once, due to both the spiders dying, and the girls that were used to kill them having their heads cracked open.

That's why we have to capture human men.

All of my species are genetic females.

There are no males.

Do you think
it's humiliating
to get off from
a spider girl?

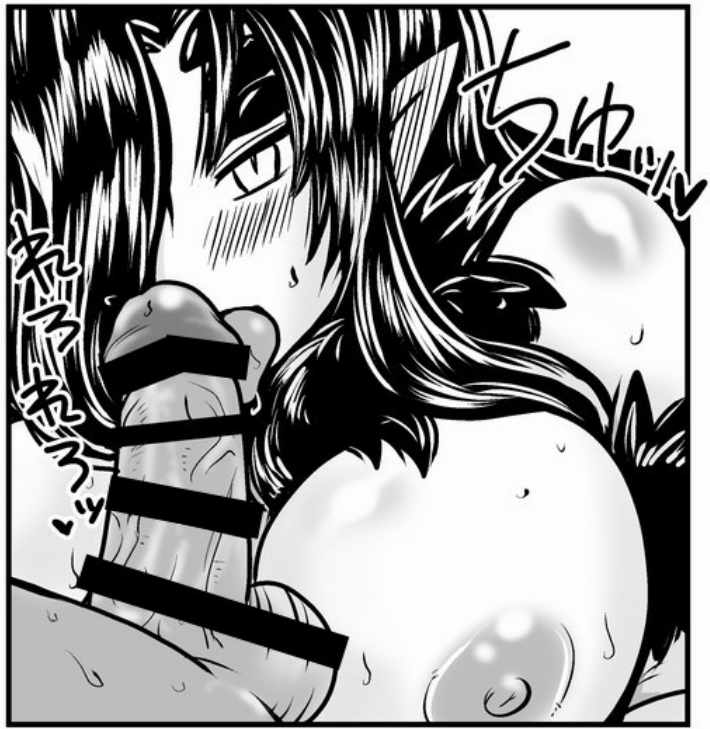

.....

Auu...

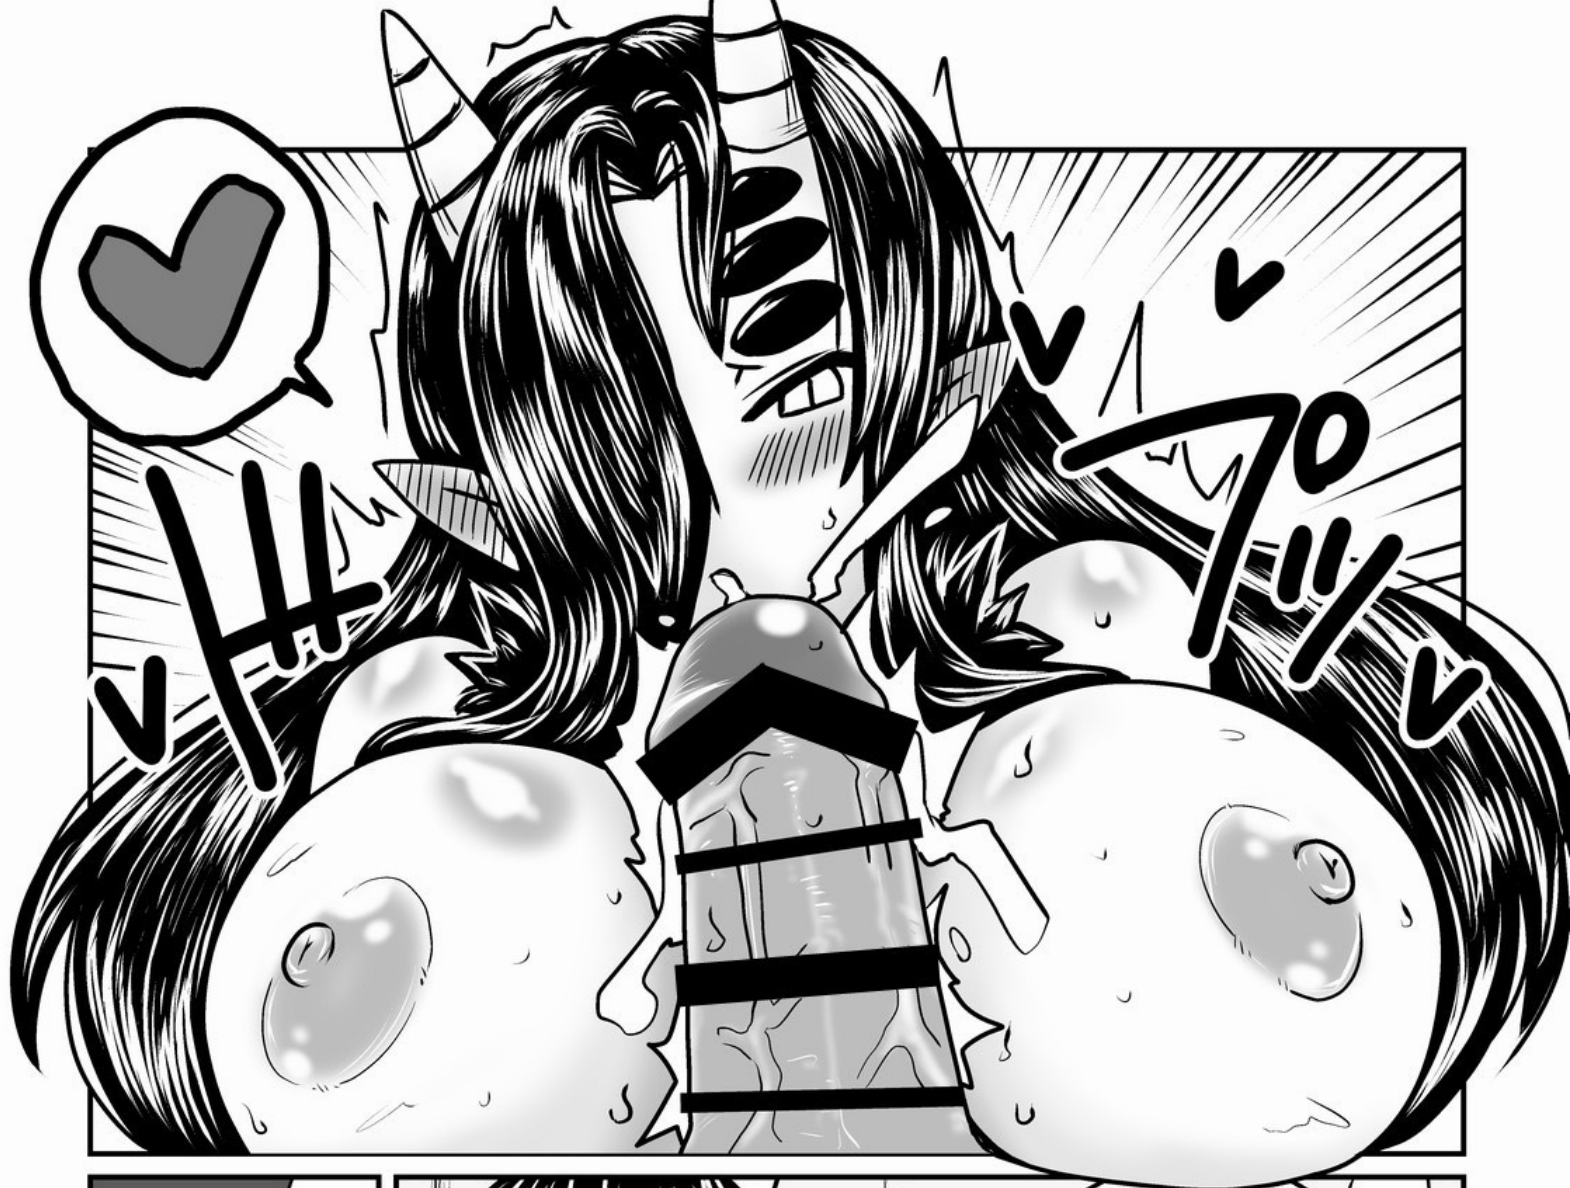

Because
you're
not
getting
away.

You
should
just
give up,
you
know.

すすす

Or could
this be
your first
time?

Ah...
Aauu...

Bingo?

maybe you
will dissolve
and get
eaten up!

Hii...

Ahaha!

Even
though
I've
already
devoured
you...

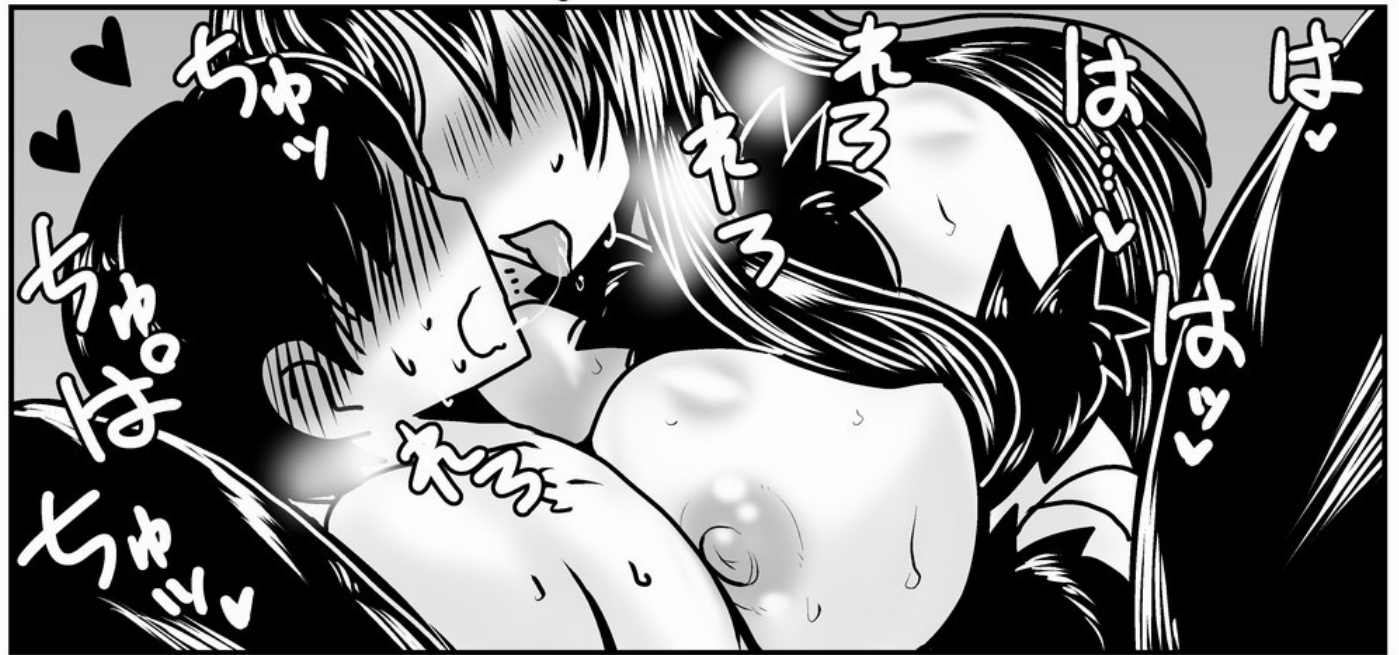

Sexually,
that is! *

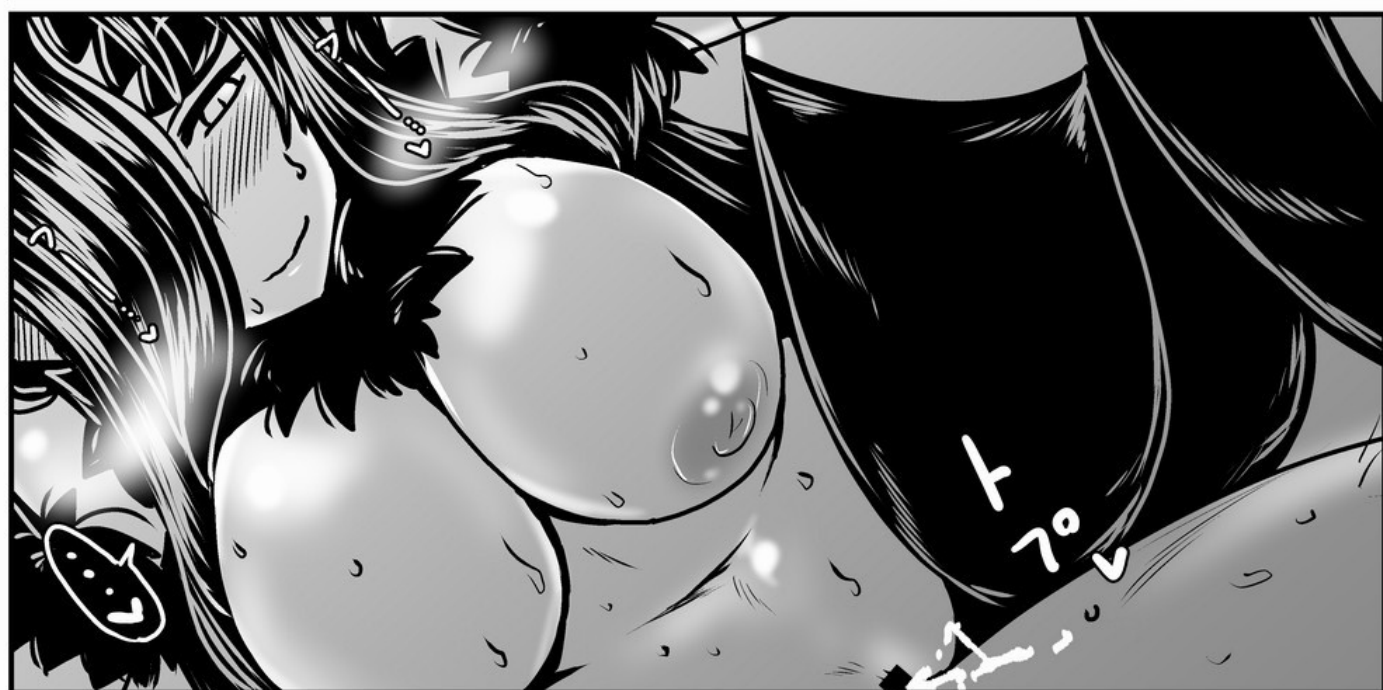

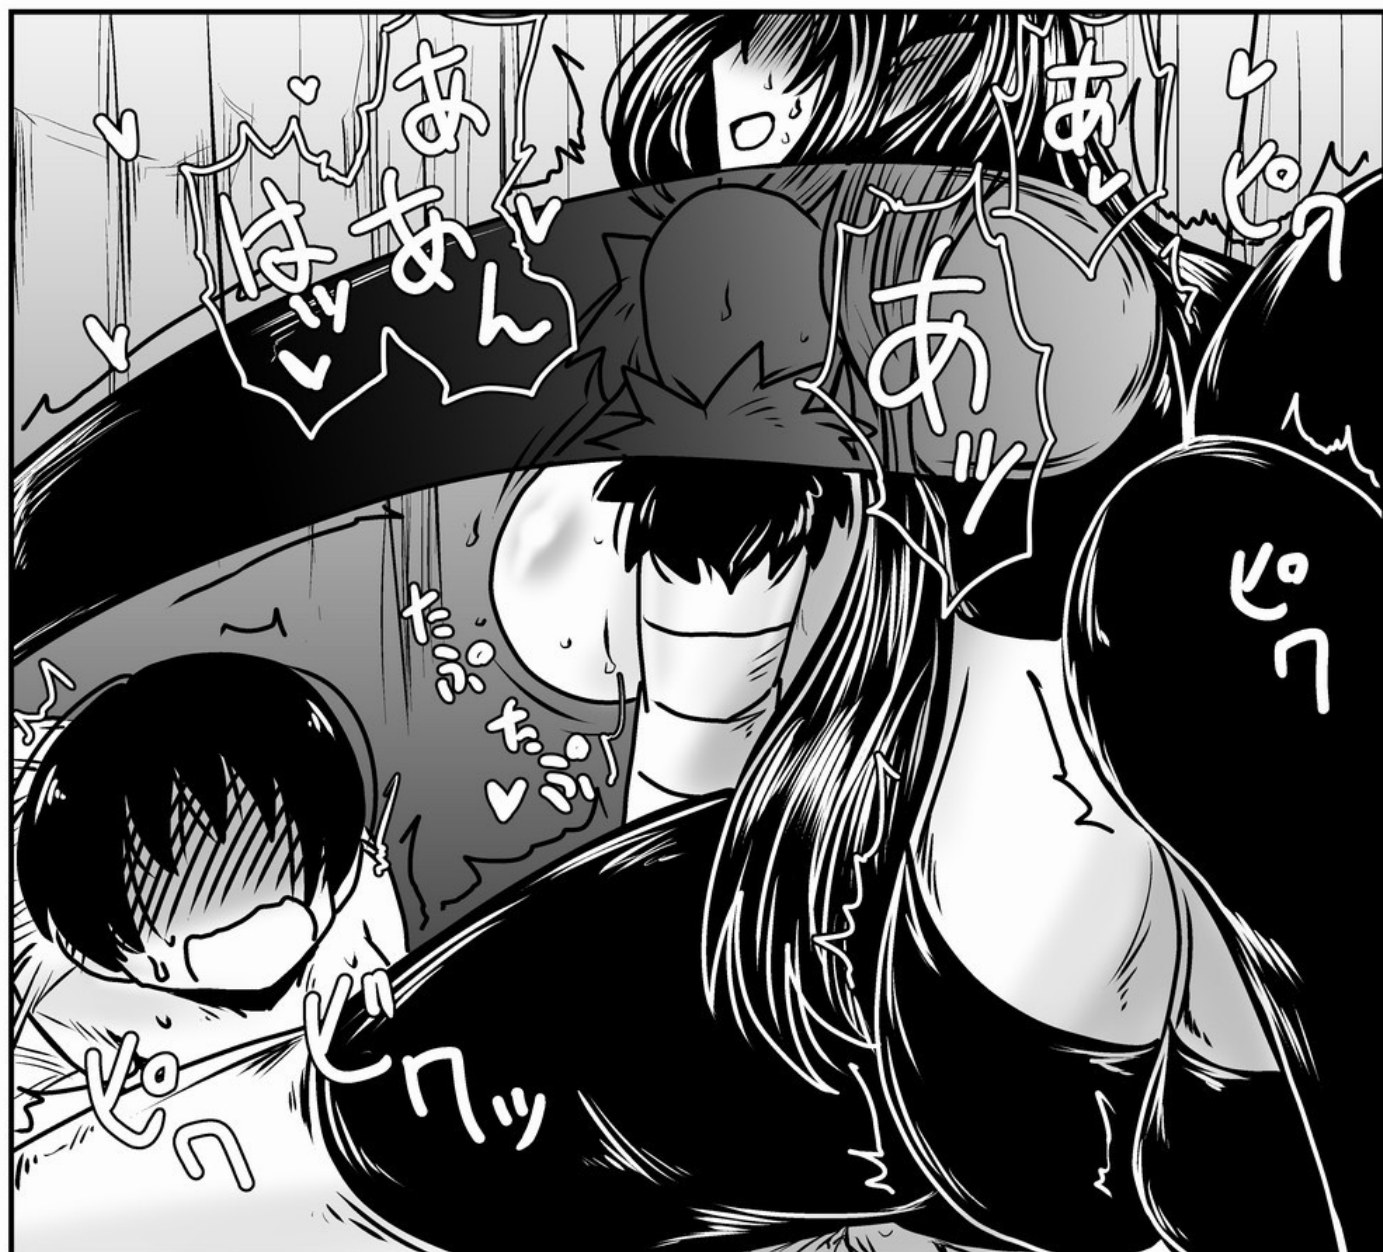

If you
don't
do your
best...

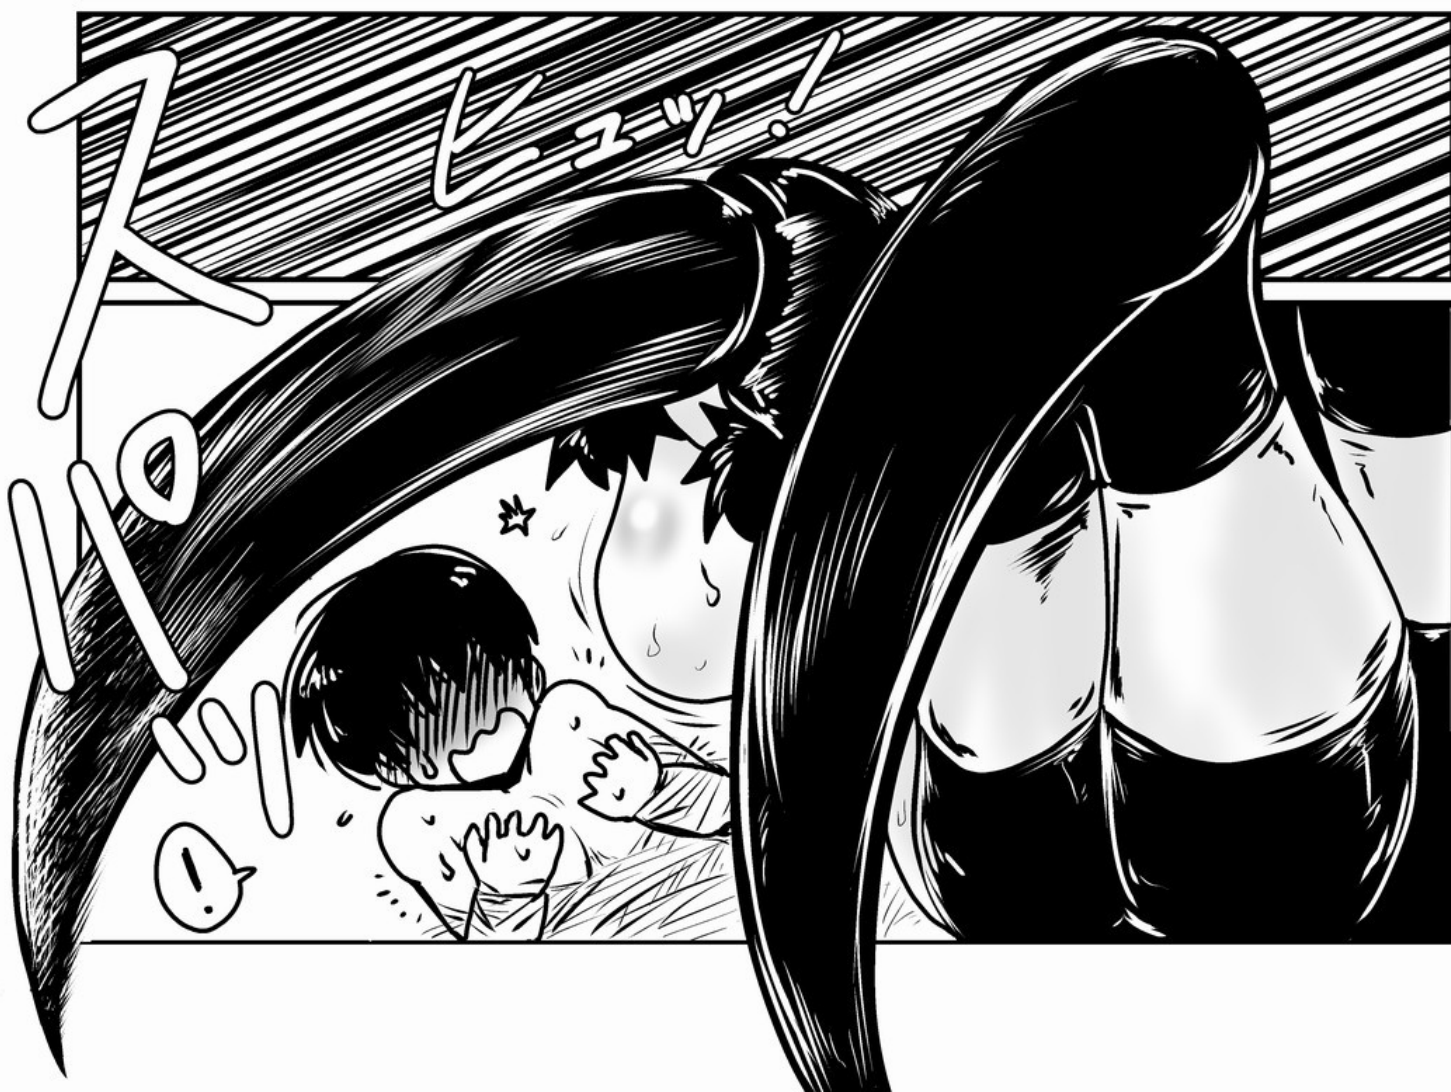

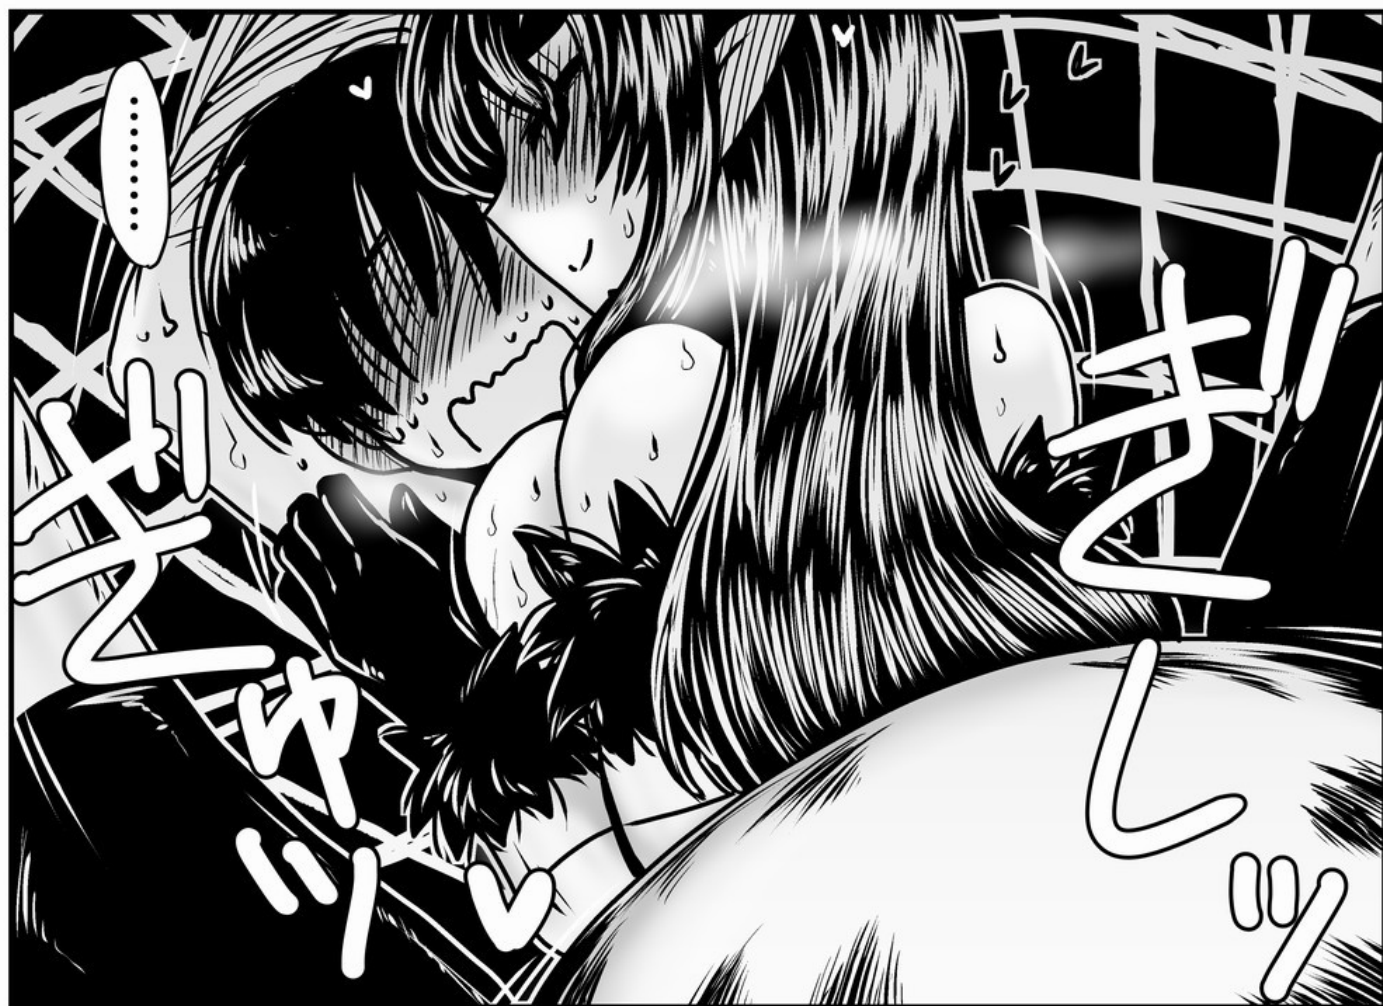

** For anyone anal enough to care, this is a bit of a mistranslation. The original text was a pun. The spider girl says the same thing on the top and the bottom, then specifies the subject in the bottom left-hand bubble, since Japanese only requires a verb to form a sentence. However, saying "Do your best or dissolve and devour, maybe?" made no sense at all, so I changed it up a bit.

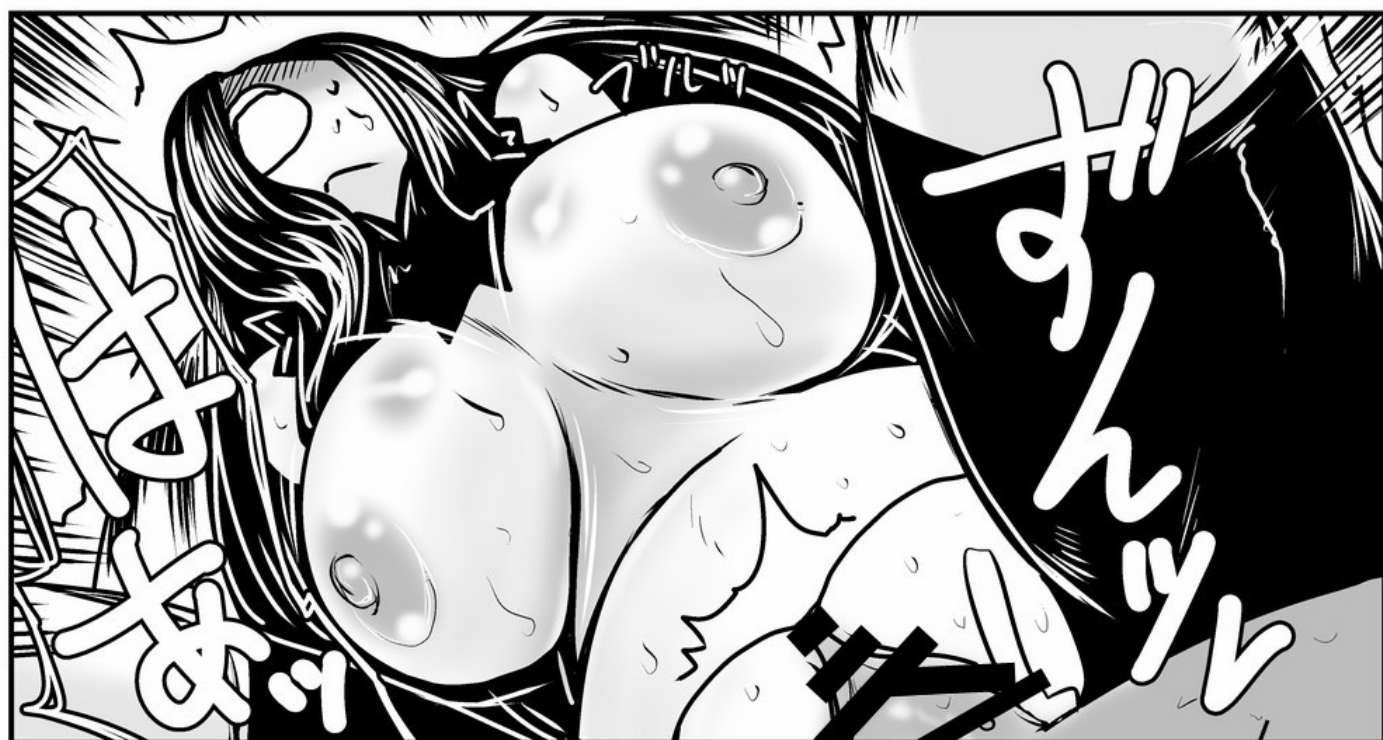

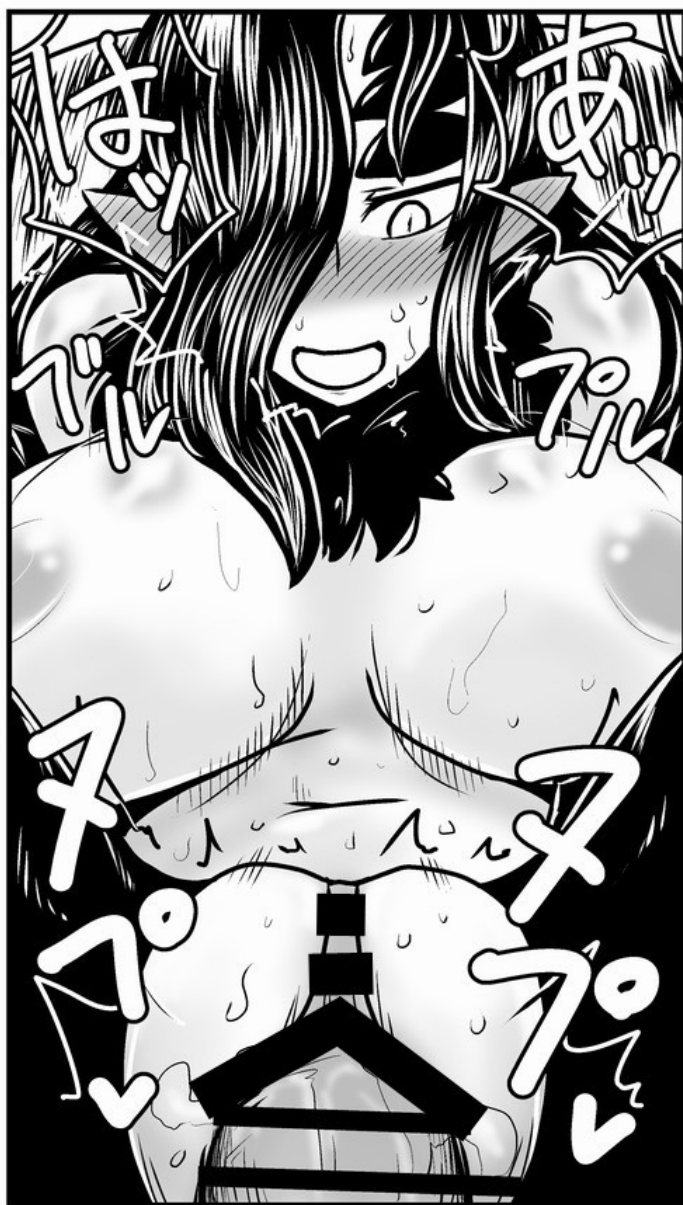

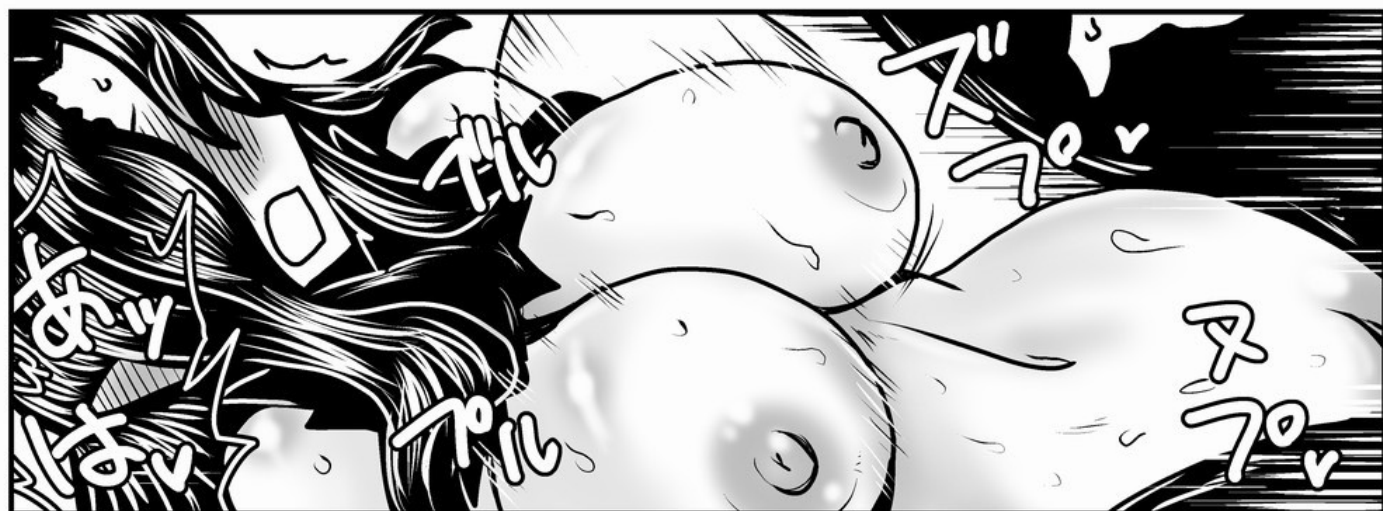

*I think he's saying that their relationship is a bit rushed. I think I can make out the "overflow/get caught up in" kanji, and maybe the "like" kanji, but I'm not sure. Sorry. I'm proficient in Moonrunes, not what appear to be crippled-penned hieroglyphics.

**Another hard to translate joke. She's getting fatter, and eating too much (obviously due to pregnancy). She says it's okay because they can just eat the eggs she lays, if they have to.
