

TABOO

I'm home!

Decensored by Teddy Bear

I didn't know you were home already...

Huh? Mom?

After all, everyone wants to be gentle with his loved one, right?

Ha-ha...
Wow, look
how wet
you got
already!

Uh!!

No...

You
can't...

No...
Aki-kun...

Aki-
kun...

You are
the only
one I love,
mom!

Ah...

And I keep
telling you this
all the time,
don't I?

Ahh...

Ah...

Mom...

Nn!

Uh!

Ah!

Ah...

Ah!

He-he...
I know you
just love this,
don't you?

Does it
feel good,
Aki-kun?

ほ

ほ

ほ

Uaghh!

There! I'm
going to dump
yet another
load inside of
you now!

KRO

And I know
why she's crying
very well too...

That's a lie
and I'm sure she
knows that!

Why
are you
crying,
mom?

He-he!

It's...
Nothing!

Besides,
I don't
really
understand
why I'm
crying
myself!

Sorry,
mom!

ふふ

But
I'm just
a kid...

So I still
enjoy teasing
my loved ones
from time
to time!

What's the
matter?

It's
nothing!
