

Kizu Kenichi (18歳)

Oh, nice catch

Oh~ Ken-chan your ass has gotten bigger eh?

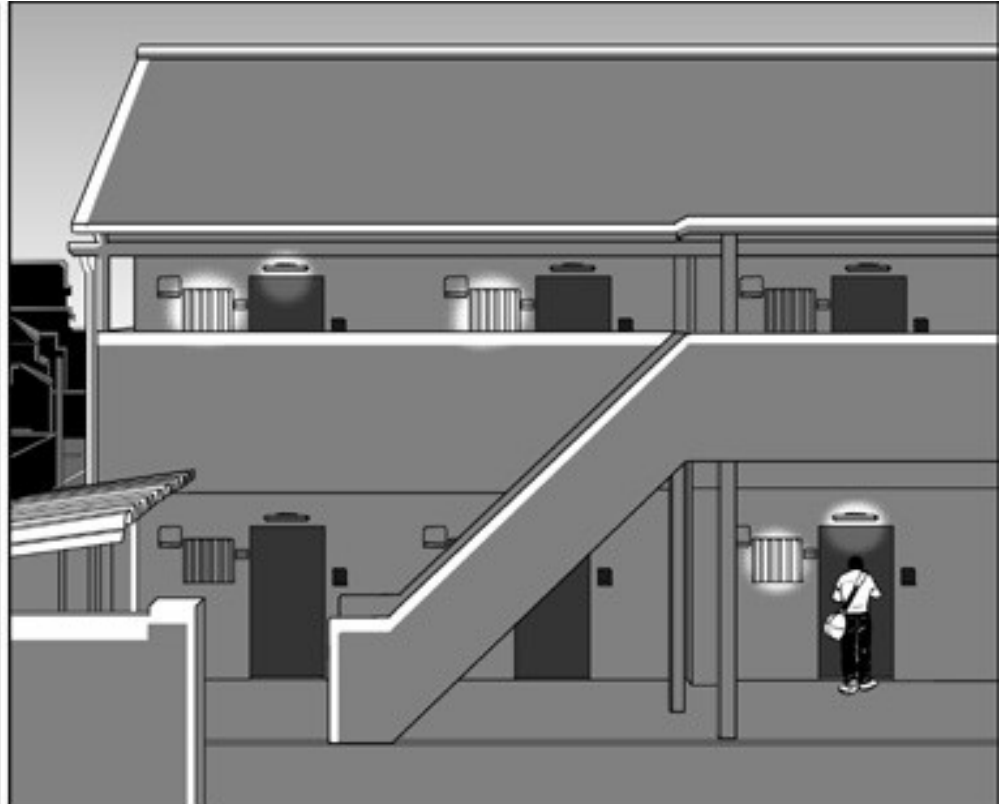

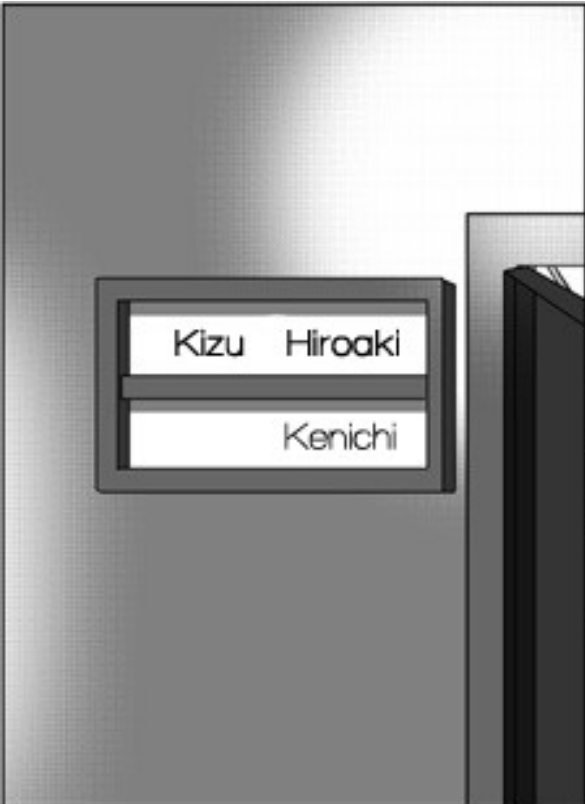

sigh, the change room smells

Ah is it bad? Just change out here then!

Wahh!? idiot! dont be gross like that!!

Why dont you come over tonight?

The deoderant mixing with the sweat is awful

With a mohawk as his trademark, this is my older brother by 13 years, I usually just call him Hiro-san
When i was 4 he left the house and i didn't see him again until 9 years later. I dont really remember much about being brothers with him and maybe that's why we're like this

After our parents both passed away, we've been living together for 5 years now. At first it was weird and difficult ...

Awhile after, Hiro-san got a job at a construction site and just like that his body got a lot bigger and his personality a lot more caring, we started becoming closer to each other, even so, i still only call him Hiro-san

1/n: -san is usually put after the names of people you respect or in this case people you're not on a familiar basis with. Kenichi is refusing to call him Hiro-nii because he never had a fraternal relationship with him.

Alright now, before we go to sleep tonight...

Don't tell me ...

Hiro-san's dream is to make a living with music, he left home after a big fight with our parents and started pursuing his dream, this is why he doesn't have a stable job.... After our parents died, i was thrust upon this stranger calling himself my brother and it was hard to open up to him, everything was bleak at the time for me.

Because a tourney is coming up... but they shouldn't have had to call him!!

What!!

Dont tell me you came to school today because of that

Lets have a little quiz shall we? It seems like you're grades have been slipping lately!!

~~~~~

What? I wasn't called there by your prof

Because your Highschool Entrance exams are this year I check up on you every week!

Say WHAT?

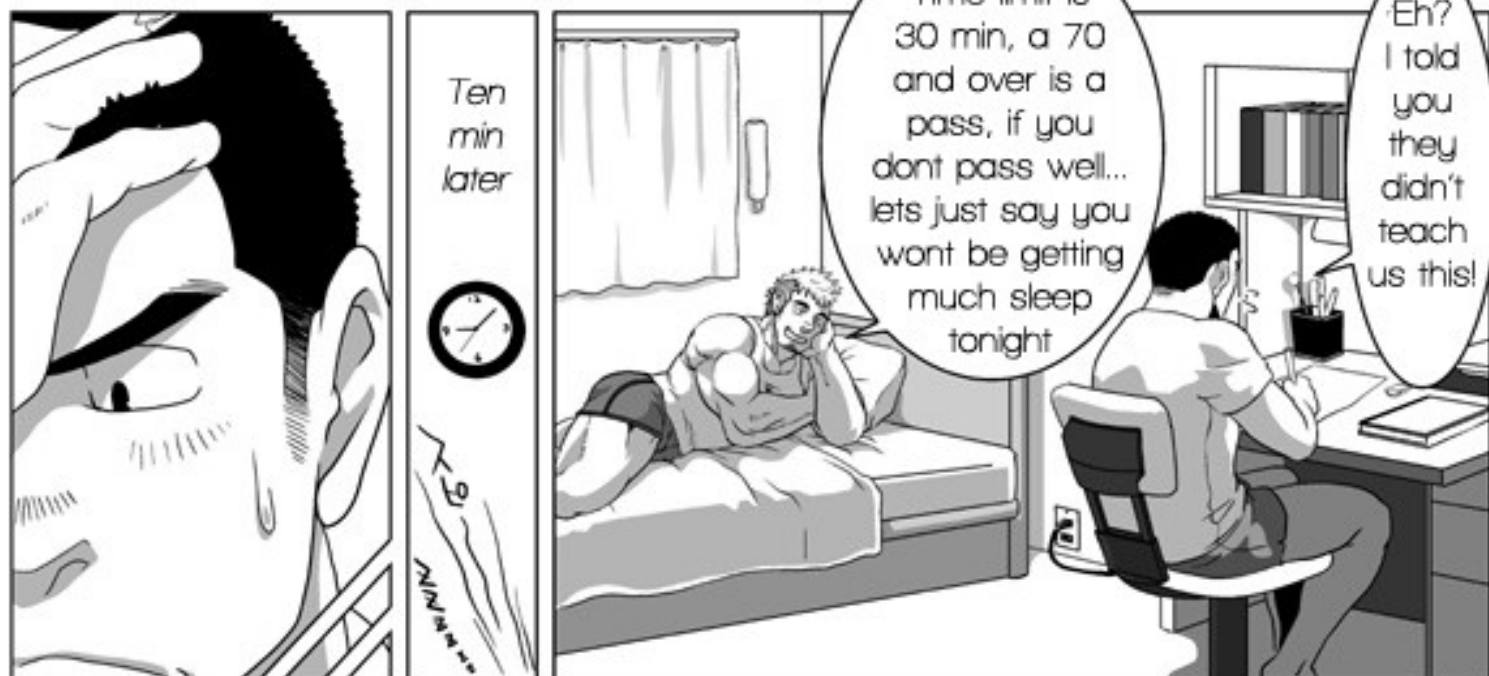

BUT!

Shit

YOUR MATH MARK HAS GONE DOWN BY 20%!!

Time limit is 30 min, a 70 and over is a pass, if you dont pass well... lets just say you wont be getting much sleep tonight

Eh? I told you they didn't teach us this!

Ten min later

Are you really asleep? If you are then i'm not doing this quiz...!

If i dont pass...

Hiro-san fell asleep ...

Having to take care of the house and work at the same time, once he falls asleep nothing can wake him up

And so ...

You won't mind if I helped myself then right...?

We're'n't you going to keep me up all night?

Just a bit more... With Hiro-san's manhood in front of me... i really can't resist....

Se.. Sex?!  
With me...?  
But  
Kenichi...  
your hand...  
stop... I'm  
going to...

I... want to  
have sex  
with  
Hiro-san..  
be lovers  
or  
something  
...  
It's just  
that...  
towards  
Hiro-san...  
Hiro-san  
is...

P...

K...

G...

G...  
G...

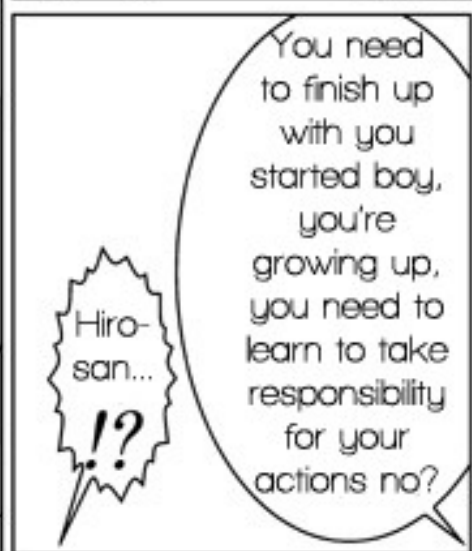

I ought to give you a good lecture for this, but do you have anything else you wanna say?

I'm really sorry... I don't think I can live with Hiro-san anymore...

.... I'm sorry, while Hiro-san was sleeping... I started...

I fully understand what it is that I did...

\*more moaning\*

yeah... i dont know how to explain...

but just kissing Hiro-san, my brain's already gone foggy...

hah

Kenichi, does it feel that good with just fingers!?

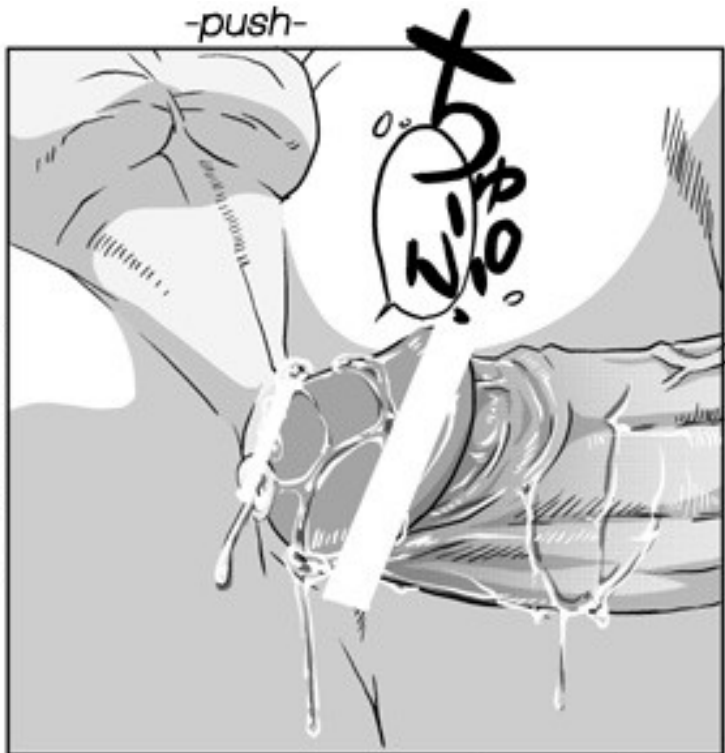

-Battle with his conscience-

I got it! this... it makes you feel good right...?

Shms

It's okay...  
so  
Hiro-san..  
please...  
keep  
going...

its...

Kenichi!!  
I'll take it  
out...

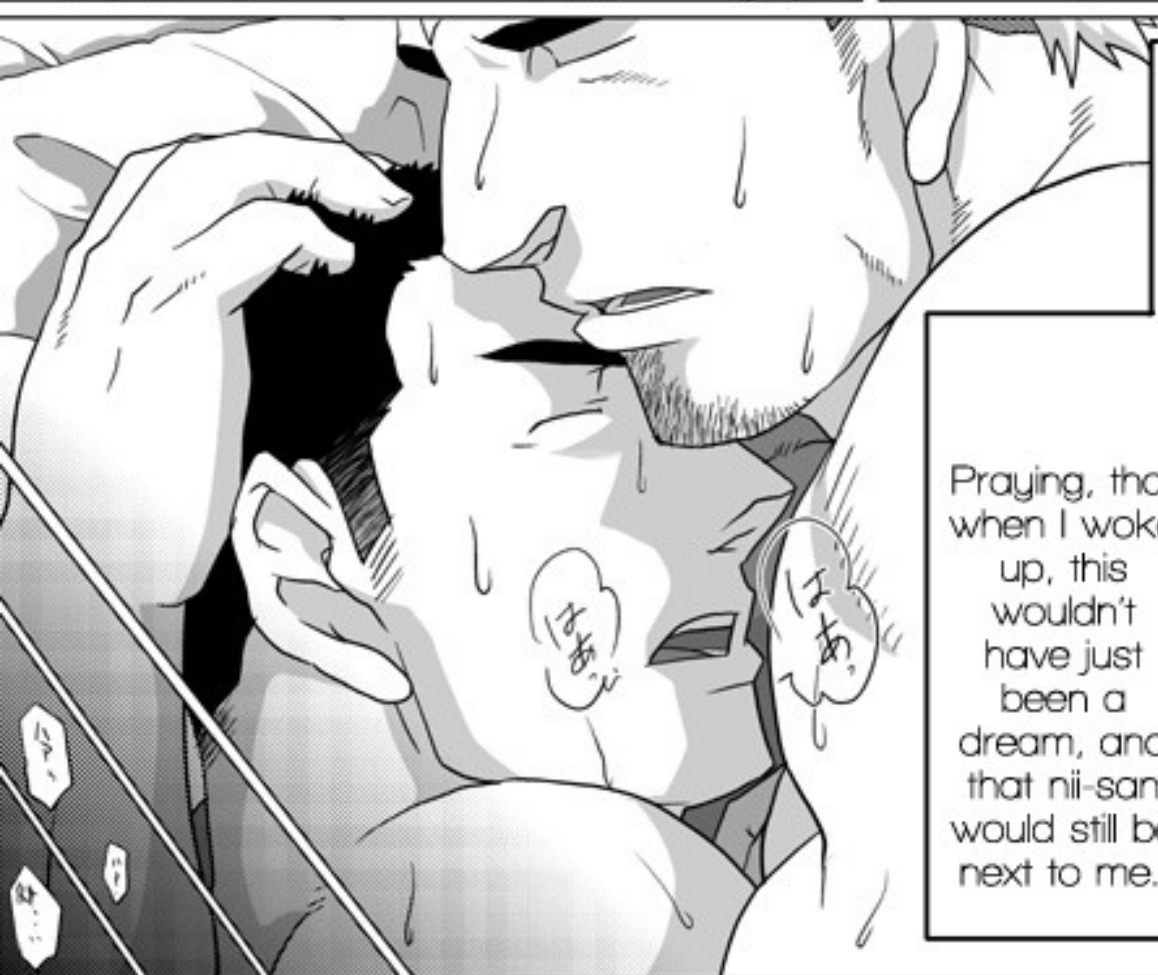

I'M  
COMING  
!!!!  
ME TOO!!

I thought I was dreaming at the time, even though i could feel nii-san's arms wrapped tightly around me, it was hard to believe this was real. Scared, I wrapped my arms around him even tighter, feeling the safety of his body as I slowly drifted into sleep

Praying, that when I woke up, this wouldn't have just been a dream, and that nii-san would still be next to me..

T/n: Nii-san ->  
Older brother

You're the one who showed it to me!

YOUR ASS AND YOUR STOMACH THEY ALRIGHT?

That said... Kenichi, you alright? last night... you were... probably pushing yourself right?

Ah... umm

Hm ?

Brothers shouldn't be doing that kinda thing

Ah, i'm really happy but...

Right now, did you just call me Hiro-nii??! you scared my boner away!!

What about Nii-san? or Onii-chan?

What? Do you not like it? I thought you'd be happy...

It's all good, last night was fine, it felt really good!!

Ah, I can relax then.

ah...

?

Thanks alot for last night... Hiro-nii..

...eh? EHHH?

Ever since that first time i called him Hiro-nii,  
Our relationship as brothers really grew  
slowly day by day.

Hearing me call him that, Hiro-nii  
started really getting into us being

I still just call him Hiro-san when we're out though

Hiro-san,  
let me see  
my results!

what?  
you  
need to  
build up  
the  
tension!

Hiro-san's  
ass-shot-

what a  
great view

Hey! dont  
put that in  
the  
scrapbook!  
!

Maybe i should try out tomorrow too!

It's only when we're like this together in our home, I like to call him  
Hiro-nii, it just feels more right in these circumstances
