IT'S JUST AS YOU SEE; I AM A SNAKE-GOD.
HAA...
THIS IS A SHRINE FOR PAYING YOUR RESPECTS TO SNAKE-GODS.
THERE ARE OTHER SNAKES AMONG GOD'S MESSANGERS, YOU KNOW?
SINCE ANCIENT TIMES, SNAKES HAVE BEEN REVERED AS BRINGERS OF GOOD HARVEST AND WEATHER, AND SEEN AS SYMBOLS OF FERTILITY.
THERE ARE MANY DIFFERENT VARIETIES AS WELL.
IN FACT...
I HAPPEN TO BE A GOD OF SEXUAL LOVE!

IN ORDER FOR ME TO MAKE A LIVING AS AN ALCHEMIST CREATING NEW GOODS,
I OFTEN ASK FOR A SPIRIT'S COOPERATION.
SPIRITS ARE PRETTY MUCH ELEMENTAL GUARDIANS THAT DWELL IN A CERTAIN ATMOSPHERE RELATIVE TO THEIR ELEMENT, AND USE THEIR POWERS TO PROTECT ALL CREATURES AND THE ENVIRONMENT.
THIS SPIRIT NAMED SARA IS A HIGH-RANKING CONTROLLER OF FIRE, A "SALAMANDER."

Well, it's the long awaited conclusion of "Is it No Good if They're Not Human?", and I have to say that it was worth every minute. Snake-god fucking, loli fire lizard skin-shedding sex, plant mind-breaking yuri, sheep NTR, and horse pussy incest. How could you be unsatisfied? The book itself almost took me a week, which isn't bad, but I probably could have done it faster. Oh well. I did get new software (no, it's not PS goddammit) that allows text centering and more precise control. Yay.

But what I'm sure most people are interested in right now are the details on the last page. Concisely, it says a new Monster Girl Quest doujinshi is in production by none other than THE MAN (Torotoro) himself. I'm guessing that it's not going to star Luka by the look of it, instead featuring more around the girls themselves, but I can't confirm this, it's just my speculation. What I CAN confirm is that it will be serialized. So expect more than a one-shot. Also, it says on the bottom above the part about serialization that it'll be coming out in the next issue, which I'm assuming means this manga. So it'll most likely be in the next issue or quite soon afterward if it's being serialized alone. You'd better get all your obligations out of the way now, because IT'S HAPPENING.

And that's about it. As for my next TL, I don't know what it'll be (I do know it'll be a fetish), so expect a surprise. Until then!

HAPPY FAPPING!
