Are you
begging
for it you
filthy slut!?
Do you really
want me to
get you
pregnant
that badly!?

Well,
if you
insist...

Get ready
for a
thick

♡

Haruka Mita (24)
MP's Secretary

Got it,
Mita!?

I don't
care how
much money
or whatever
it takes!
Just make
sure he
keeps
quiet!

If this
accident gets
out I'll be
finished!
This is a
sensitive
time with the
election
coming up

Yes sir!

I'll
take
care
of it
sir!

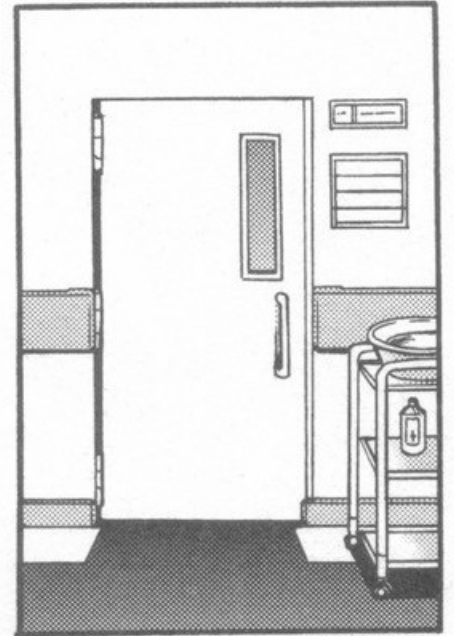

I'll be
damned if
I'm going
to let that
end my
political
career!

Just
because
that
idiot
jumped
in front
of me...

**The Minister's
SEX Bribe**

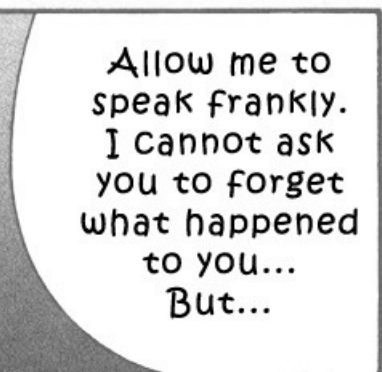

This is a small token...

Would you please allow me to take full responsibility for your accident? I promise to do whatever I must in order to make amends!

.....

Allow me to speak frankly. I cannot ask you to forget what happened to you... But...

If it becomes known that he was involved in a drunk driving accident he will not be able to stand for office

This election is very very important to Mr. Sasaki!

I'm begging you!

Eh?

Please stop this at once!

What are you doing!?

It came back

Eh?

I can squeeze again!

At last! I can feel my grip strength returning at last...

My daily rehab is paying off...

Mr. Sawaguchi!?

But I almost lost my life!!

You come in here and whine about your boss's political career!

Well fuck that!

I've got an idea of my own!

You didn't even give me a real apology and now you think you can buy me off!? HUH!?

Make me blow my load and then we'll see what you have to say!

Got it!? I'm gonna make you pay and I better not hear any whining!

Since you volunteered to take the blame for your boss's actions...

...you can start making up for it with that body of yours!!

Mr. Sa-Sawa-guchi...

Shut up!
It's your
fault I'm
in here in
the first
place
isn't it!?

M-Mr.
Sawaguchi,
this is a
hospital...
There are
other
patients
here...

You were
part of the
payoff from
the start!

I bet
Sasaki sent
you and
your stupid
huge tits
just in case
the money
wasn't
enough
didn't
he!?

Ahh!

It's just
me and
a deaf
old man
in this
room

Keep
quiet
and no
one will
hear!

Now you
can start
apologizing
by using
those big
slutty tits
to work the
cum out of
my balls!

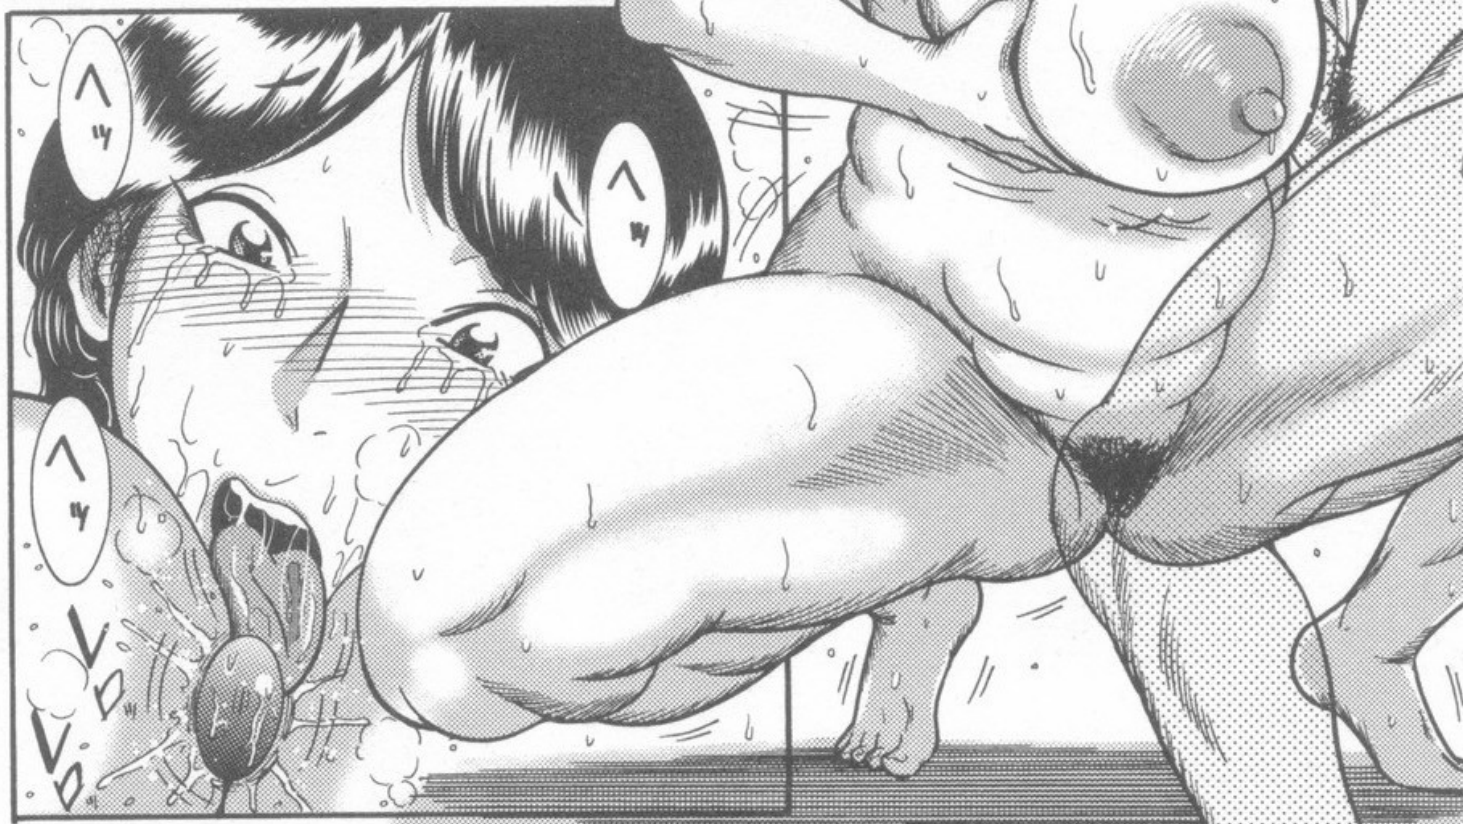

I'm gonna
spew out
all the rage
I've been
saving up
all over
your face!

Press those big heavy tits together like that!

Oh shit that feels good!

I'm cumming!

I'm gonna spurt my fucking jizz in your face!

Ahh... I'm already gonna cum...

Take that
ball cream
on your
fucking
face!!

UGLUCKH!

Whatever.
Now use your
mouth and
suck the cum
off my cock.
Get it good
and clean
♥

You
do that
for
Sasaki
too don't
you?

Holy

You're
really
good at
that!
