

**Unfaithful
Woman**

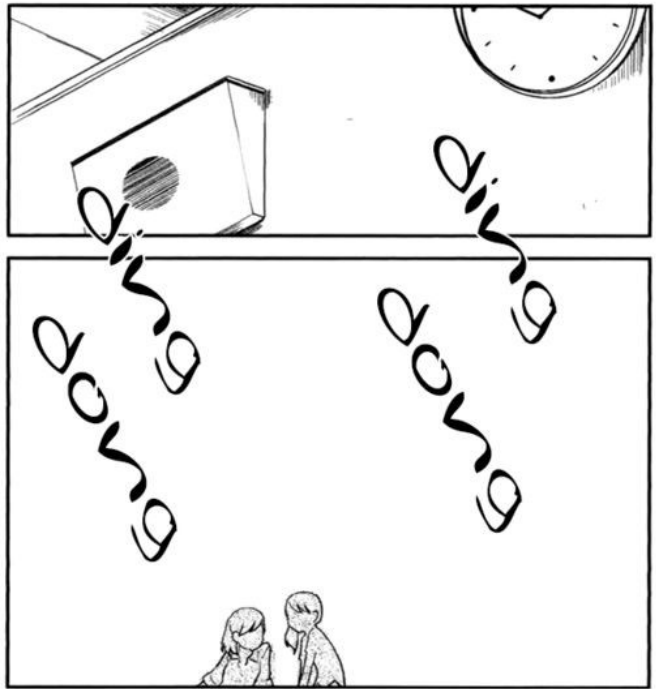

**Ootomo
Megane**

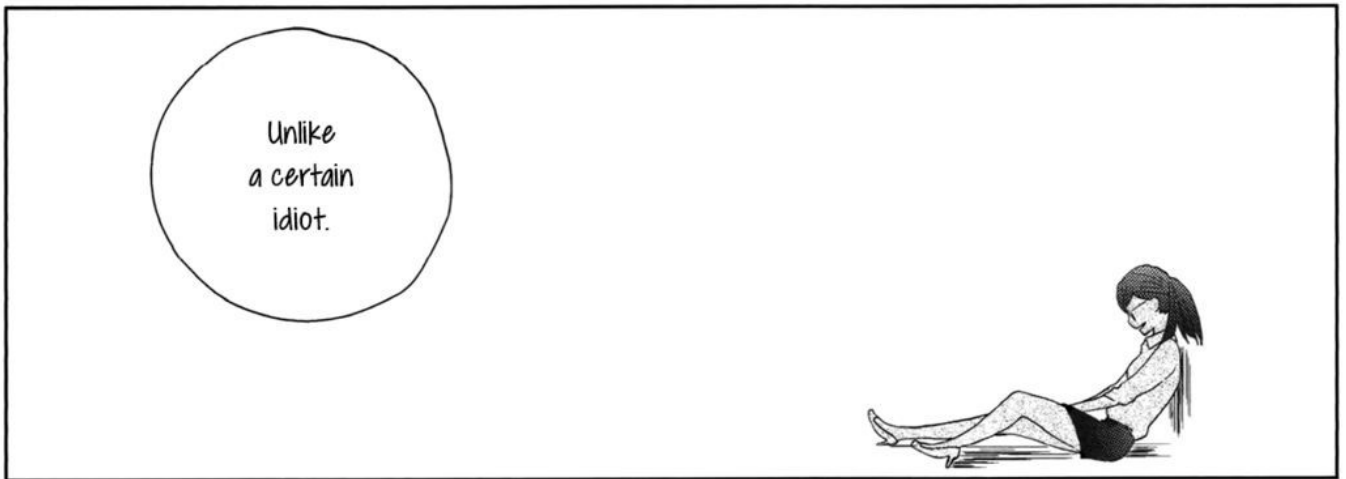

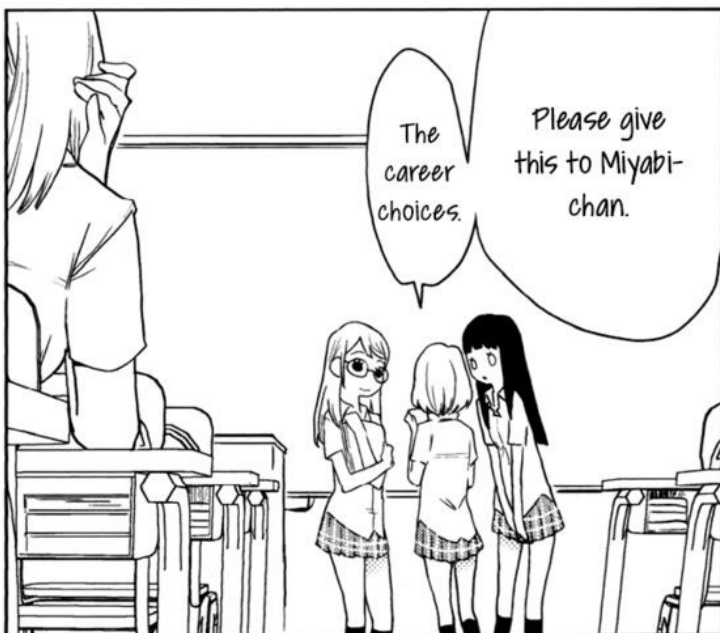

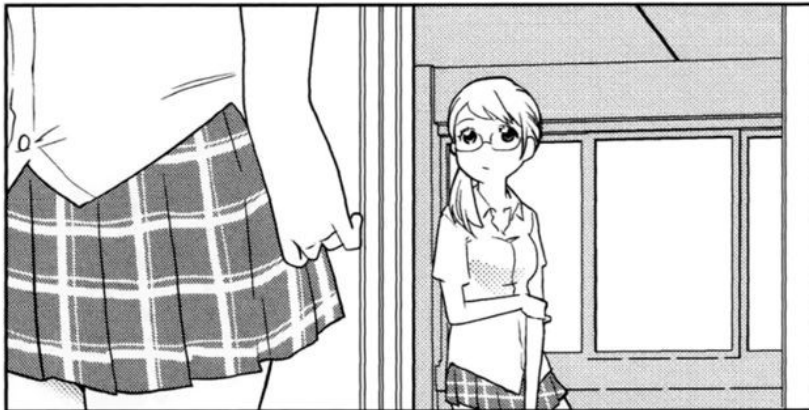

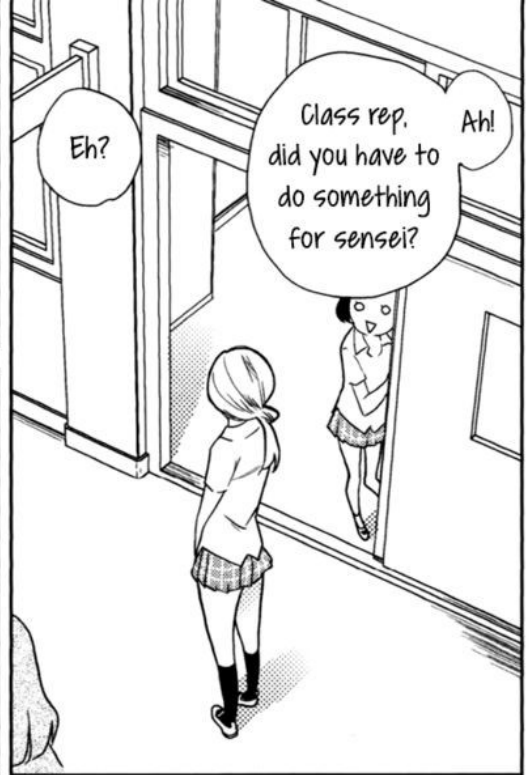

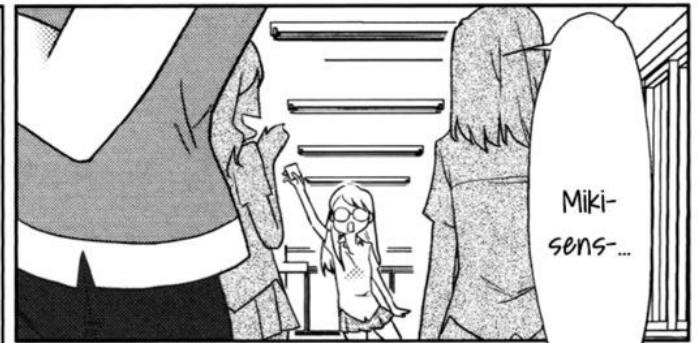

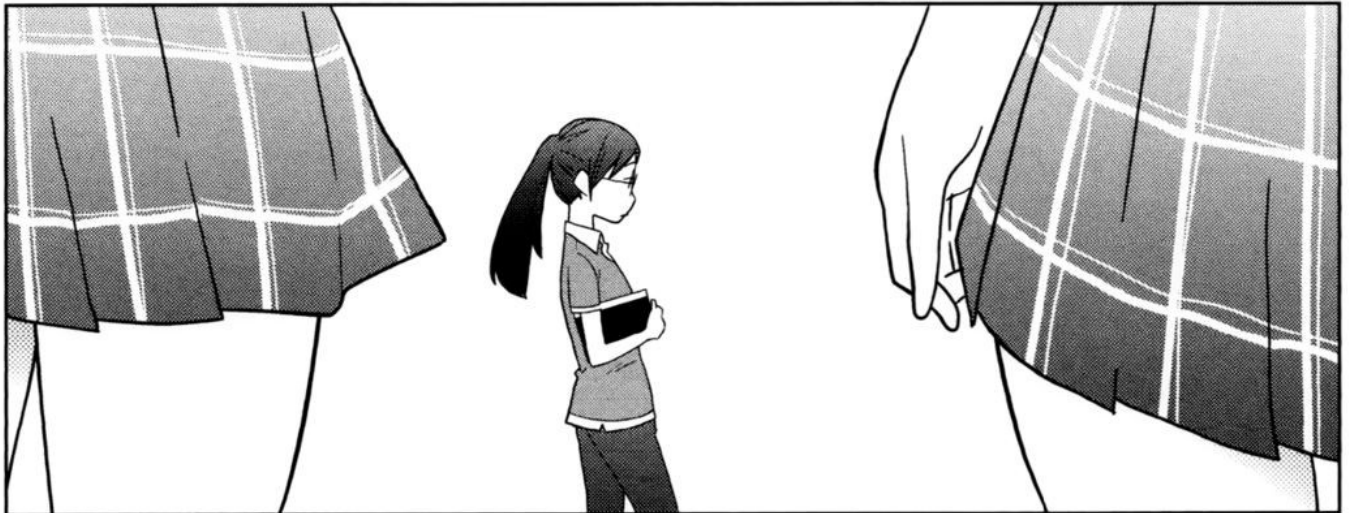

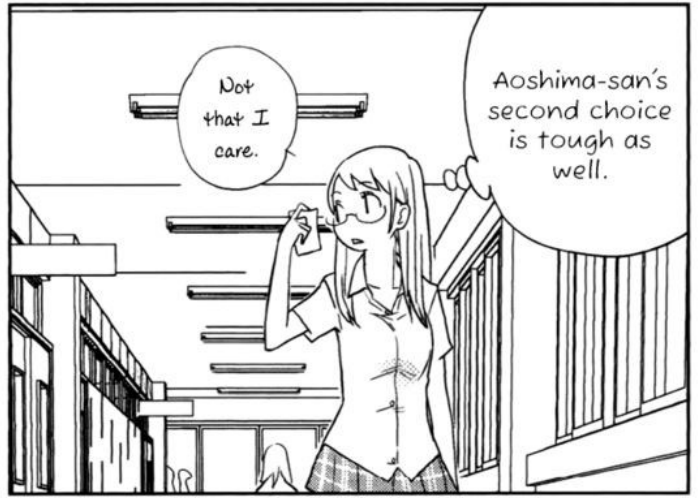

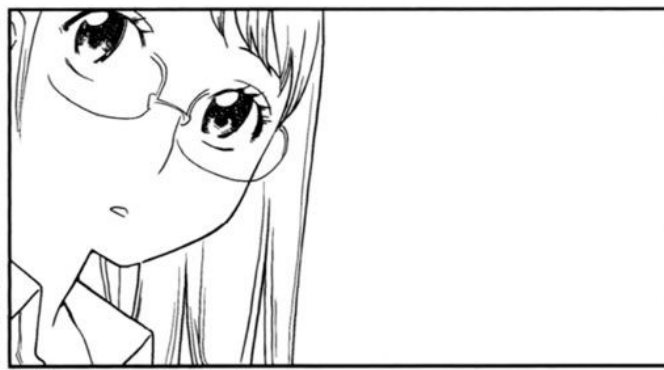

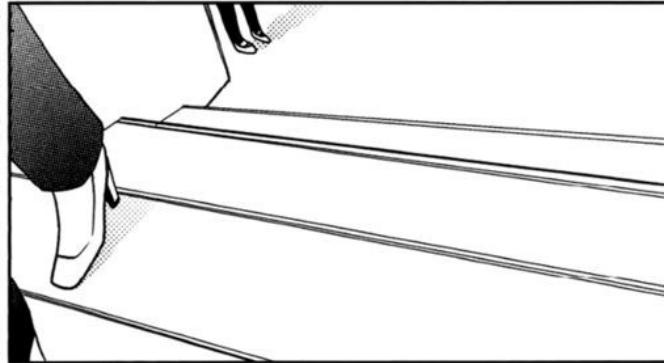

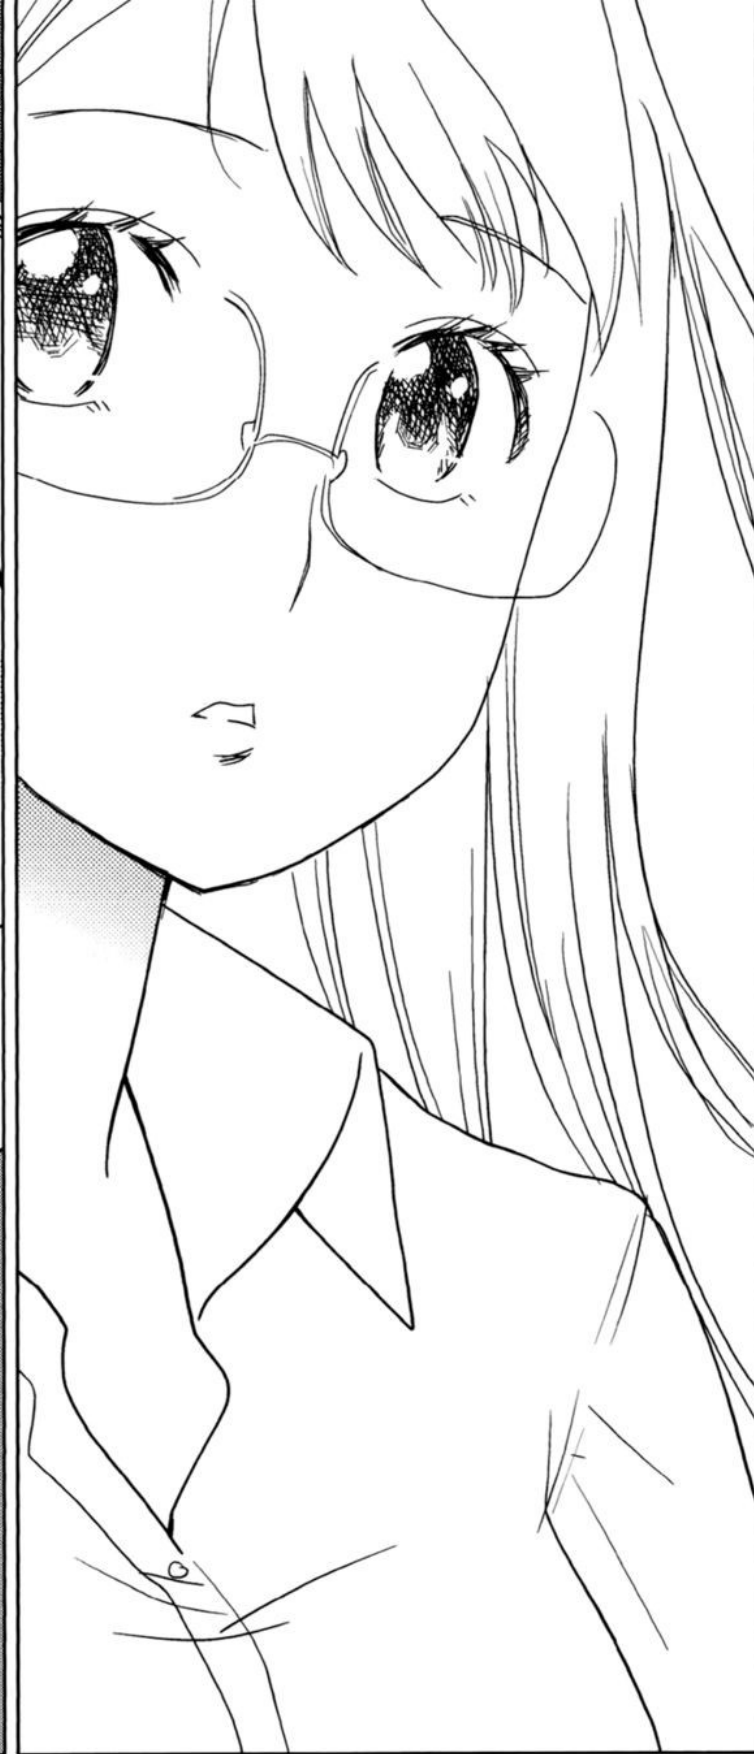

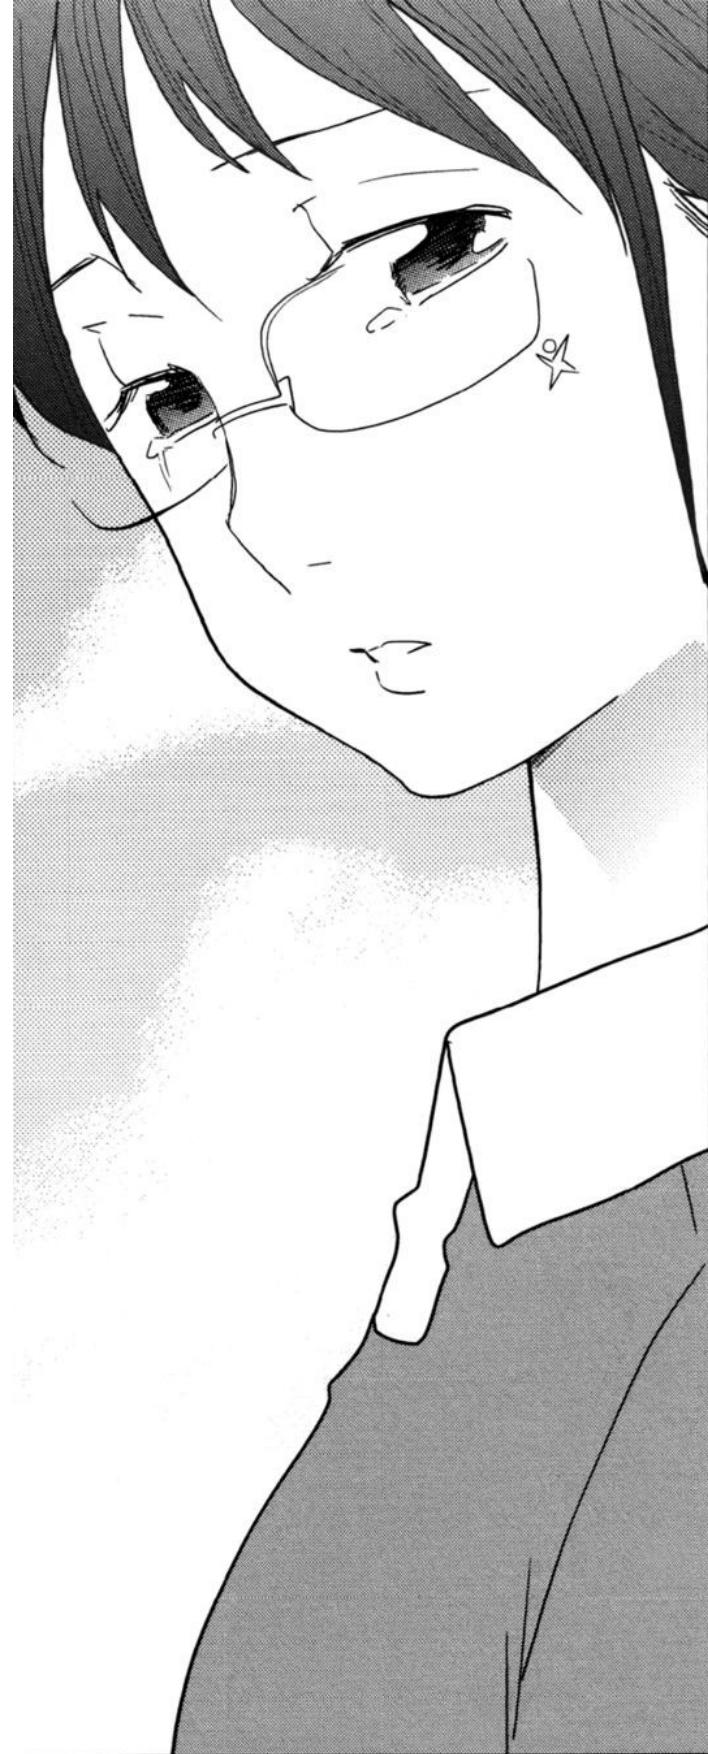

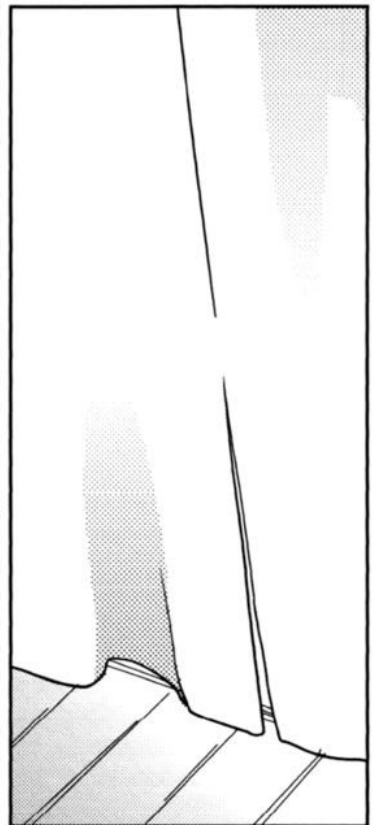

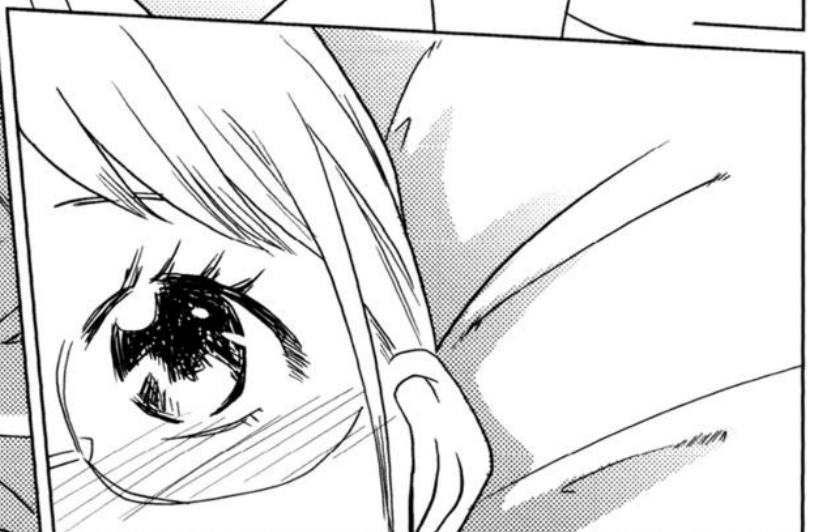

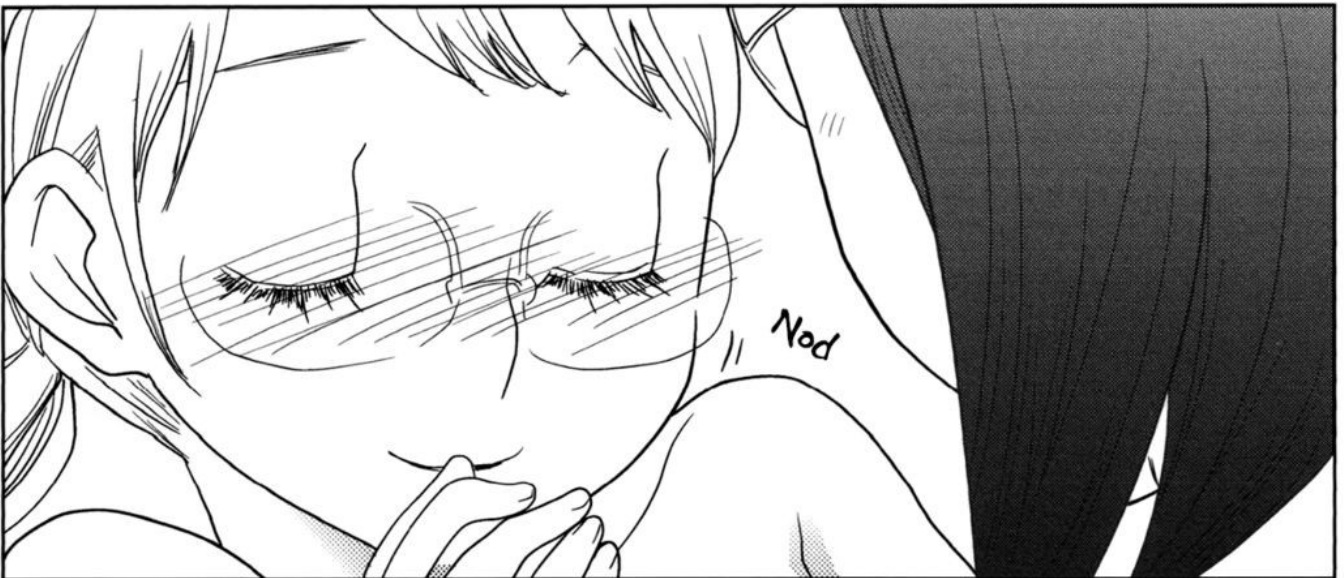

Sensei, do you remember?

Of course, I do.

Looking back, we are miraculous to be together now.

You know.
Sensei...

...Haah!

Ah
Haah

smooch

The way
you think we
understand
each other...

Maybe, just
maybe...

Is probably
different from
the way I think
we understand
each other.

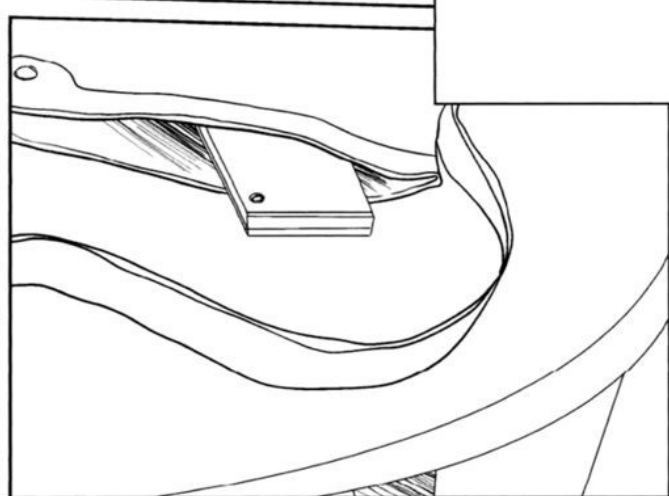

You keep an old message from a girl.

And I can tell that you sometimes pretend to touch her when you touch me.

But. I forgive you.

Because
it's not like
you chose to
fall in love
with her.

And
it's not like
either of us
are innocent
maidens.
