I was always secretly in love with chief,
G-men
If you dont clean up properly, when you're doing 'that' kind of stuff it'll get in the way.
I'll come check up on you!
-Ninomiya
so I tried my best to hint at him.
Because I had things to ask the boss while he was away sick.
Jo.. Jockstrap?
When I cleaned up his room, I found out that he was gay too.
Could it be that me and chief... won't have any other relationships?
Good morning~
But ever since then, nothing changed at all
To..Tonight?? Yes!! I'll try my best to make time!
Oh, Ninomiya. Are you free tonight?
Go.. Good morning Chief
!
So straight-forward ----!!
Whenever I start to think that that...
Ah, Good morning Chief
Oh, Good morning!

T/N: HIS FACEEEEEEE I wanted to cry..... T_T

T/N: I know theres an expression for that in english, try to figure it out??

Before you do that, I'll have to eat YOU up.
I thought maybe you told people about me,
!
CH... CHIEF...
I'm just kidding! I wouldn't try anything on a straight guy
If you got it wrong, it's really a big letdown.
So I was really happy before.
Damnit, It was such a good oppurtunity...
Pa-ta
Then~~~ I'll go get what I forgot in the office.
He thinks I'm straight!?
*click
*creak
Ah, I'll open the door for you
Chi... Chief!?

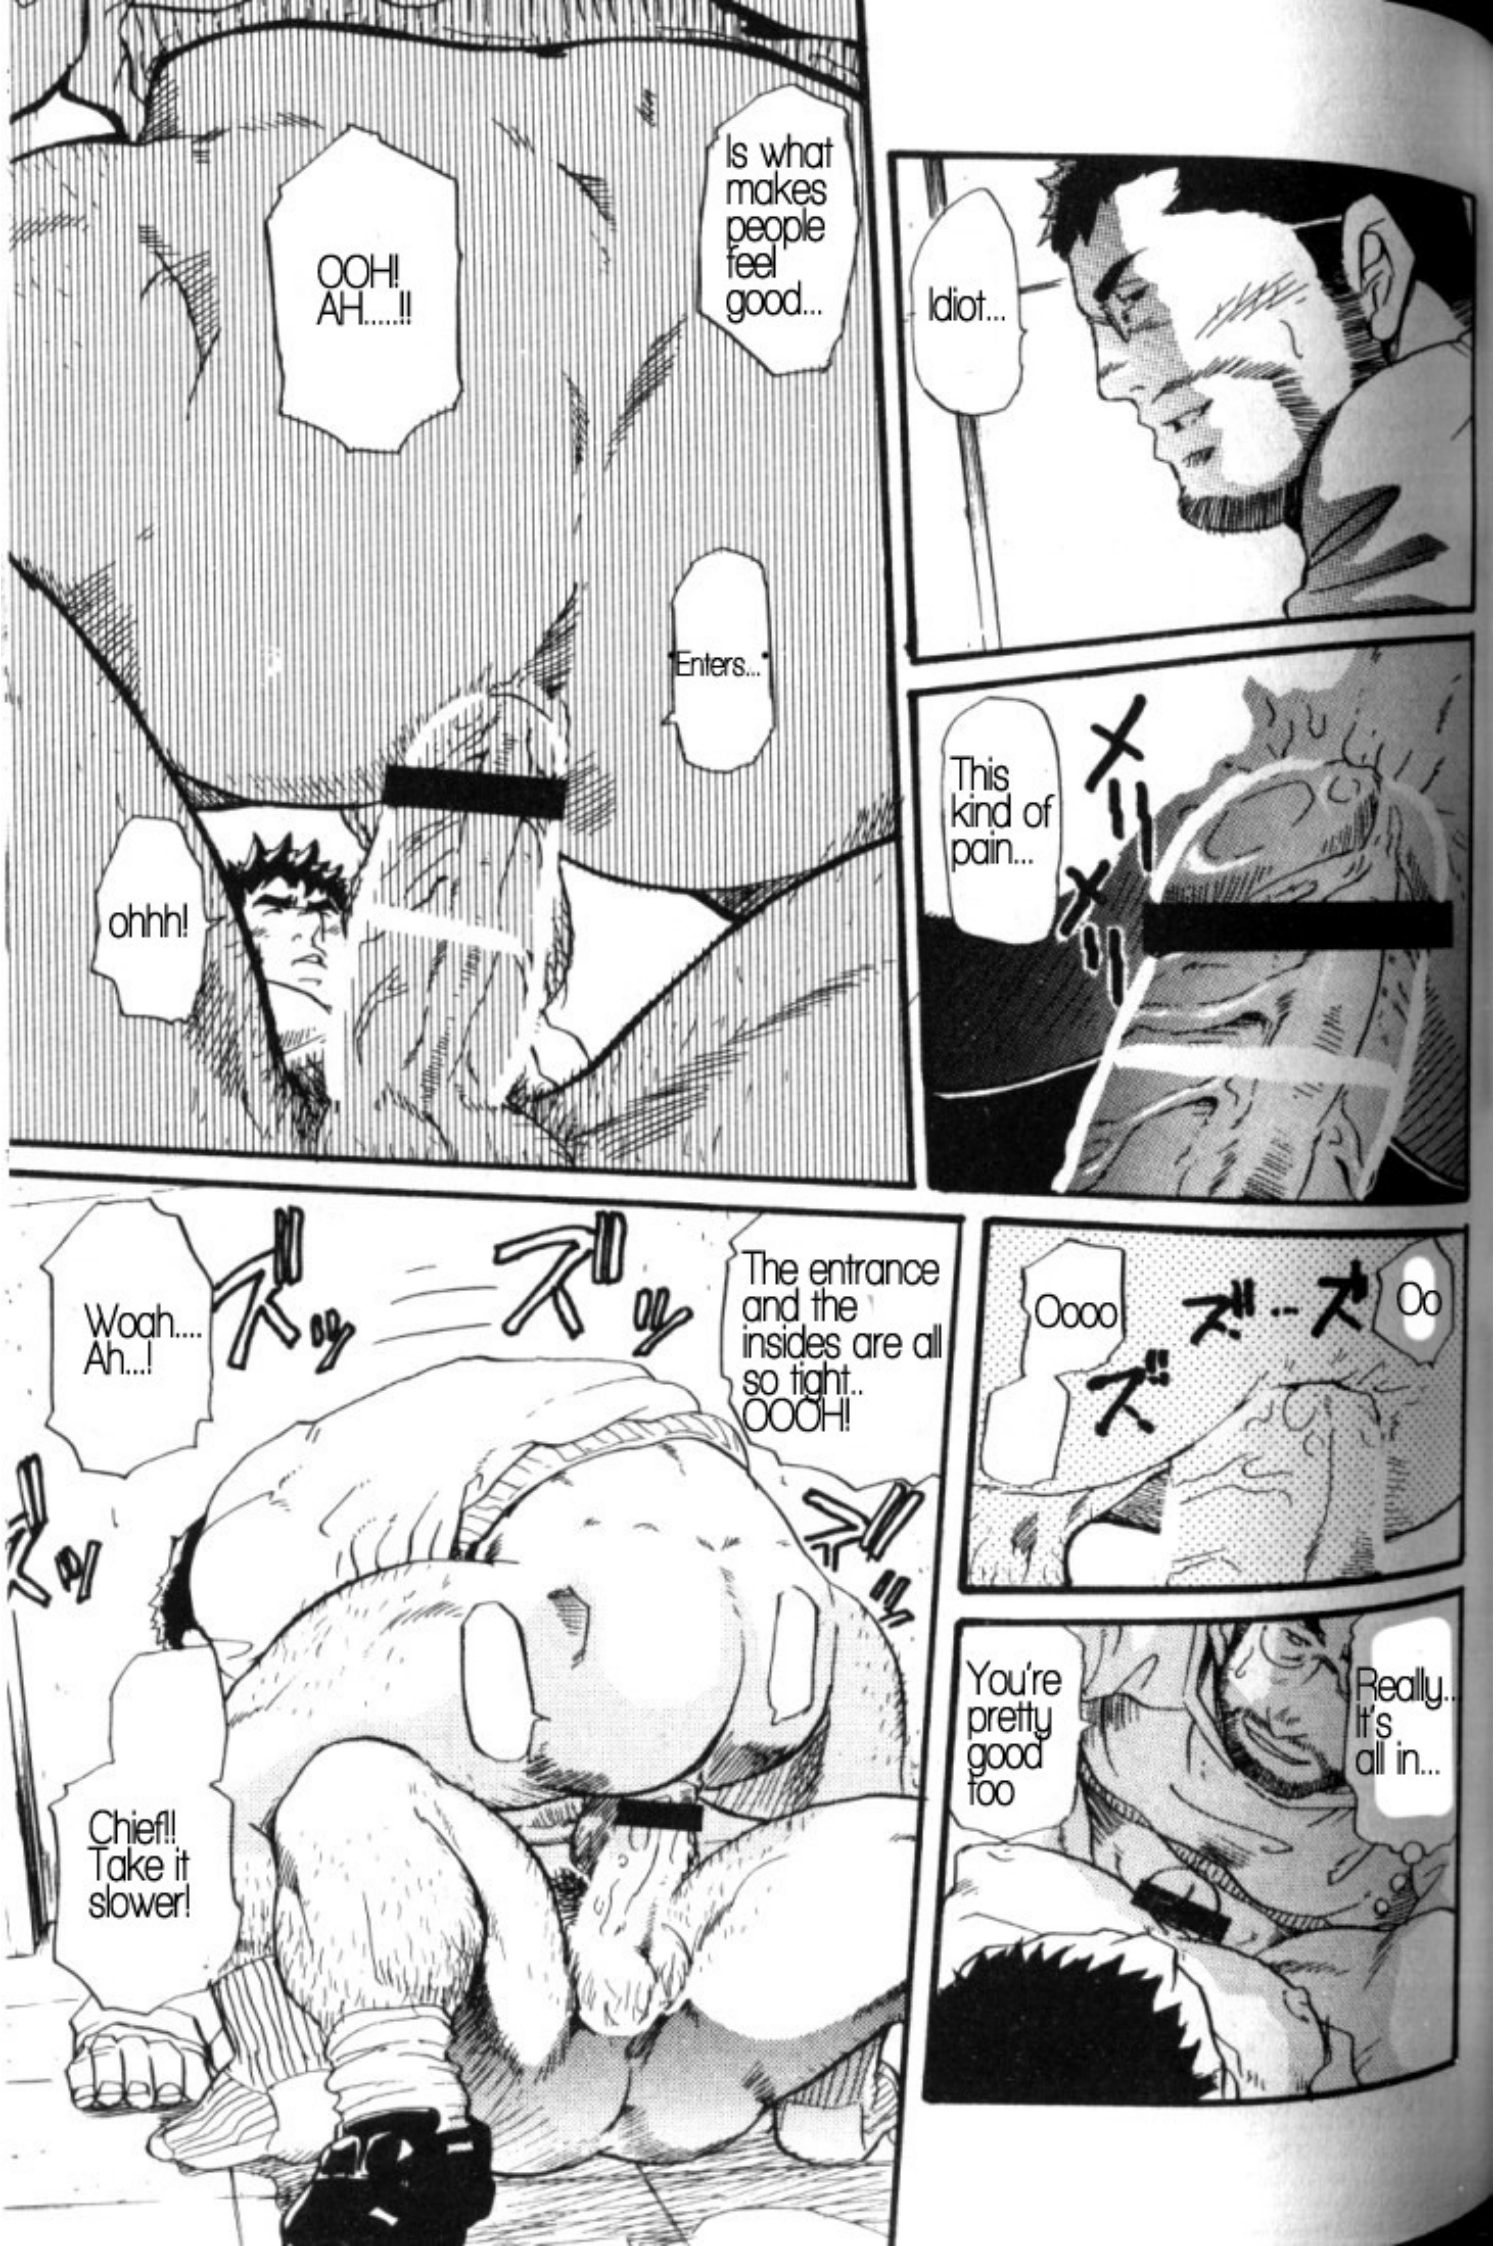
Did you really think I'd forget something?
What did you forget to bring?
Why are we in the conference room?
Yes?
パーン
Huh?
I'm really useless..
ガチャ
Was all just an excuse to get you to stay
So forgetting things and your overtime...
HUH...!!
ズイッ
From the beginning, I never forgot anything.
Me... And chief are kissing...
What? Why..?
Ha...
This isn't a joke, is it?
Huh? What are you saying...

But why...
I always... Wanted to.... With Chief...
I thought so too
Sorry.. Do you not like doing it with an old geezer like me?
...I don't mind.
Huh?
But why...
Then.. Why....
-flick-
Because it was really hard to tell with your note...
Idiot.
Didn't you think I was straight?
Ha...
Huh? Ya.
AH...
After seeing your face red like that, anyone could figure it out.

Young people really are just different~~~.
Ever since I got close to you, you've been hard like this haven't you? Ninomiya?
Is Chief acually a top?
Ha... Ah..
It's already this wet eh.
Oohh
Ah...
It's easier to see in the light.
I haven't even done anything. You're really perverted aren't you, Ninomiya?
AH AH AH..
If we go on like this....
Hardens
I thought he was the bottom

Oh! It's pretty big
AH!
It looks so delicious...
"Bounces up"
AH... Both at the same time...
So good, even the base..
AH!
AH! AH!
AH! No..

You're going to come already?
yeah.
I can't! I really can't! Chief! I can't hold it anymore
Hmm?
"Squeeze Squeeze"
I can't bottom
HUH!? NO! I can't!
Then let's do it! Lie down!
Huh... Then you really are a bottom... Because you're so straightforward.. I thought...
I'm not letting you take my spot you know
What are you talking about, You're obviously topping.
I didn't mean anything, but just going at it like this, isn't it too much for you?
Hey! What's wrong with a straightforward bottom? Just lie down already



Is what makes people feel good...
OOH! AH.....!!
"Enters..."
ohhh!
Idiot...
This kind of pain...
Woah.... Ah...!
The entrance and the insides are all so tight.. OOOH!

AFTER THAT....

Recently Chief Kadokura and Ninomiya are always working overtime, they're working so hard. But their relationship is so great I'm kinda jealous. I really hope that they take care of themselves more though.
