*AN AMALGAMATION OF THE WORDS
"GEKI" AND "RYUU", LIT. "EXTREME
DRAGONCS)." I TRANSLATED IT
AS "INTENSE" IN THIS PART
INSTEAD BECAUSE I THINK IT'S A
COOLER SHOW NAME, AND IT'S
PRETTY MUCH THE SAME THING.

A HUGE FAN
OF, AND
TOTALLY
IMMERSED IN,
SPECIAL

MY CHILDHOOD

CHAN IS...

HEY,
INSTEAD OF
WATCHING

EVEN THOUGH
I TRY THIS KIND
OF STEAMY,
INTENSE
APPROACH ON

MORE INTERESTED

ABOUT
"ADULT

*LIT. "2ND YEAR MIDDLE SCHOOL SYNDROME", THIS IS OFTEN TL'D AS CHILDISH. GOOGLE IT FOR A MORE THOROUGH DESCRIPTION. AS "8TH GRADE SYNDROME", AND IT BASICALLY MEANS SOMEONE WHO HASN'T GROWN UP, OR IS INTO THINGS COMMONLY SEEN

SON OF A

*I THINK THIS IS SUPPOSED TO BE A PUN. THE WORD USED HERE PROBABLY MEANS "COMBINATION", THE WAY SHOU'S USING IT, BUT IT CAN ALSO MEAN "PENETRATION."

THING
WEIRD
AGAIN?

FUNEENEPP
WHAT'S
THAT

TO MEAN?

Chuunibyou and traps. What more could you want? I did one like this a while ago, so when I saw this one, I had to do it. I'll be honest, I'd insult the guy, but if they switched SFX out with vidya, I'd be the same way. The first time I played FFT, I locked myself in my room and didn't have contact with anyone for like two weeks. Then only tepid contact for another two weeks. I can't really say much to him. He's living the dream.

As for the TL, I know I'm going to have people commenting about this over and over and over again; yes, I know that chuunibyou is more complex than just liking kid stuff. But I'm not going to even try and stuff an entire definition into that page. If people really want to know about it, then they can google it.

The next one I do is probably going to be the Chinzuriina one from this same book. No, there's no scat (though I personally wouldn't have minded it). You non-raw English fans really got fucked over here. There are only like 4 Cz books I've seen with scat in them, and you got 2 translated. Hehehe. Most of them (that I've seen; there may be more I'm not aware of) don't have scat at all. Don't worry, I'll probably end up doing all of them as I move backwards through all the volumes of Otokonoko Heaven. Until next time.

HAPPY FAPPING!
