But the Elves, who valued culture and magical arts, and the Dark Elves, who lived by physical disciplines and valued nature, could not live in harmony. Again and again they clashed in repeated wars against one another.

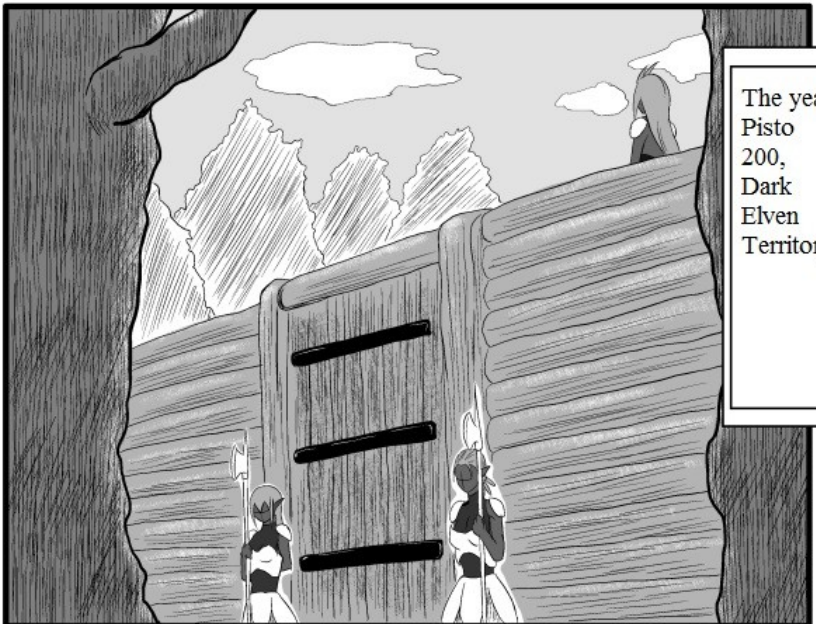

Alm Island. Located far away from the lands humanity calls home is a place home to two tribes of elves; the Elves, and the Dark Elves.

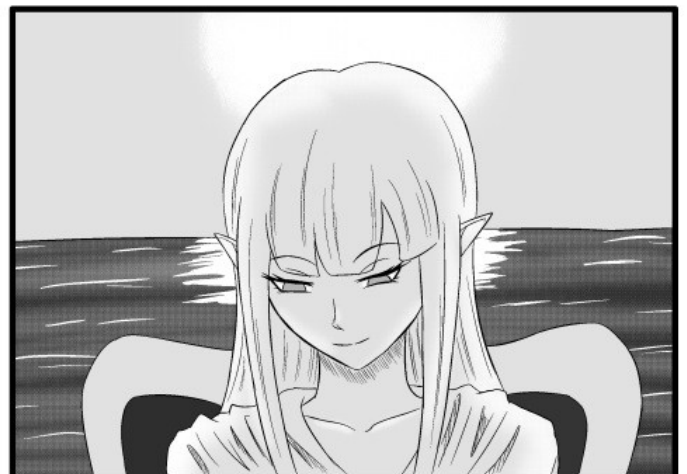

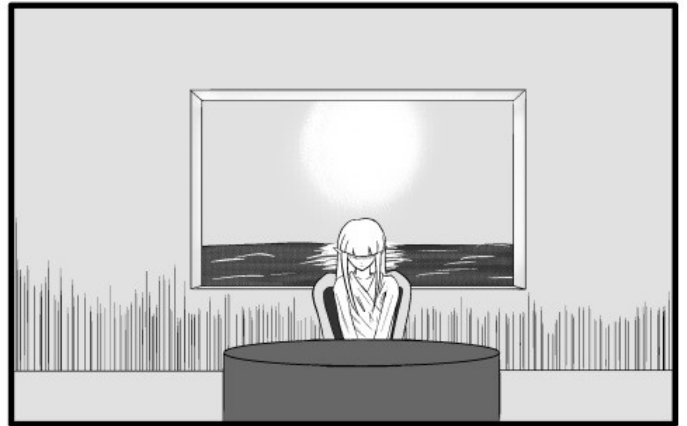

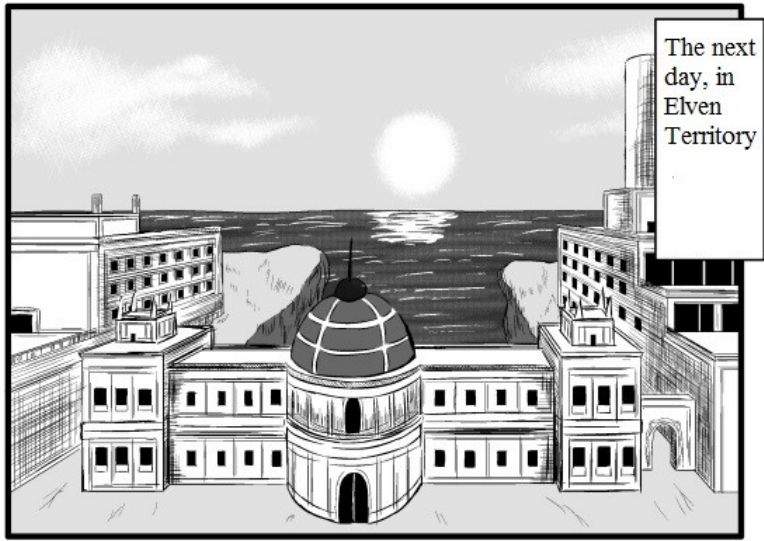

The result of this was the establishment of formal boundaries between their nations, as well as agreements not to encroach into the territory of the other, and the fighting came to an end...

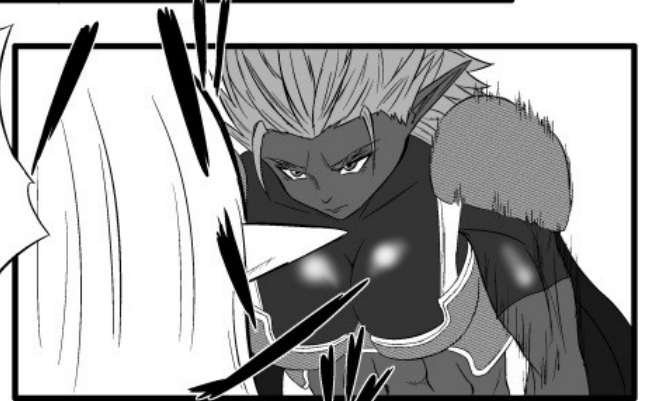

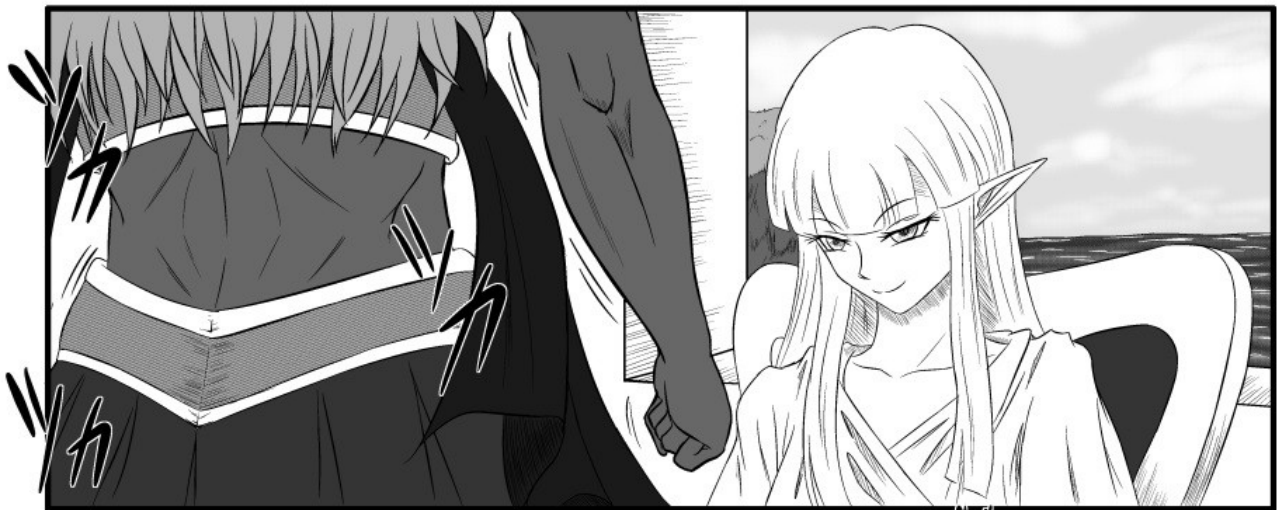

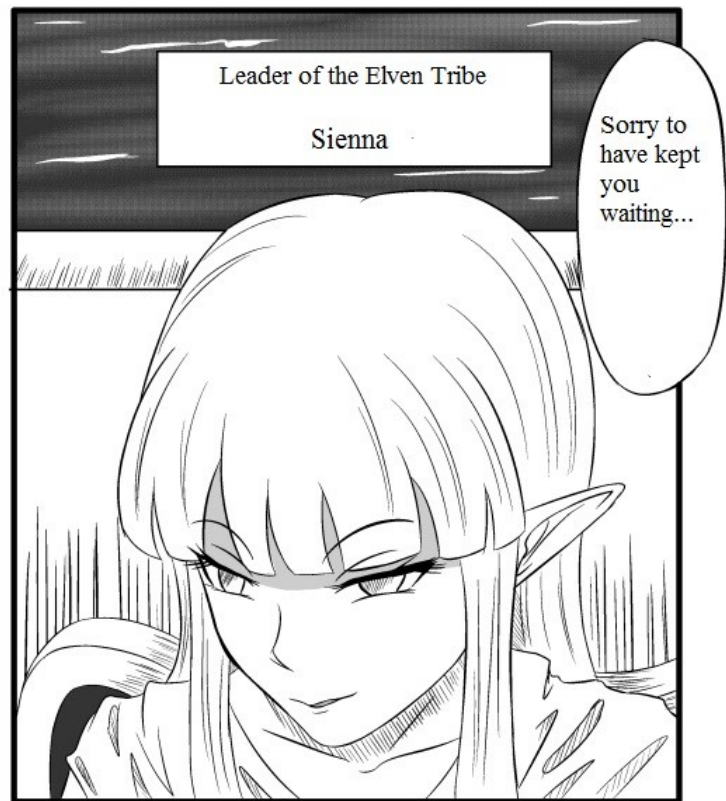

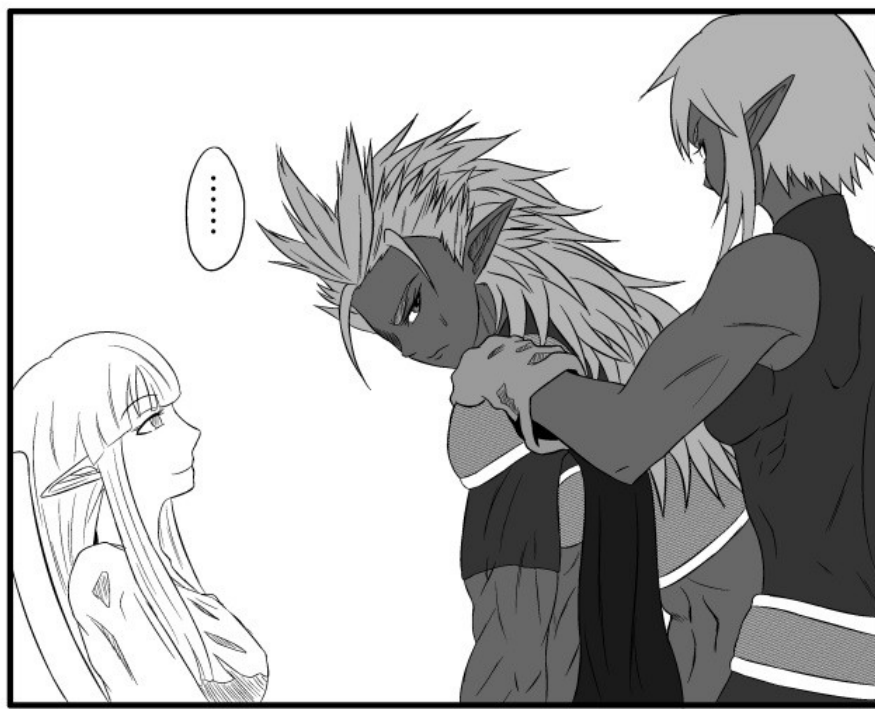

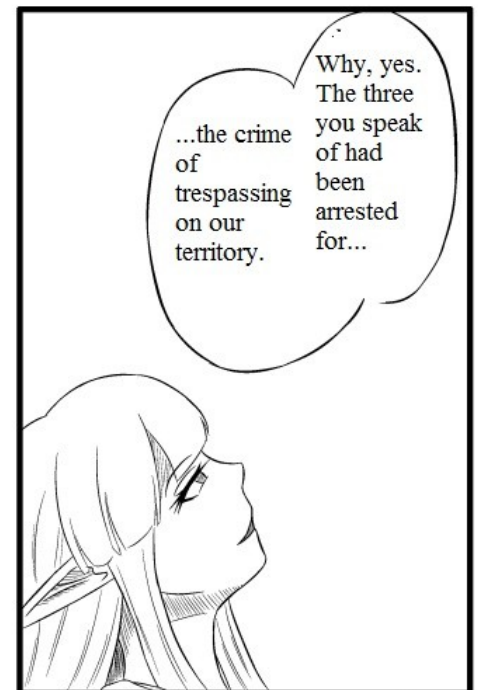

Thus, in the year Pisto 160, the leaders of each tribe came together for talks, recognizing that the continued fighting must cease.

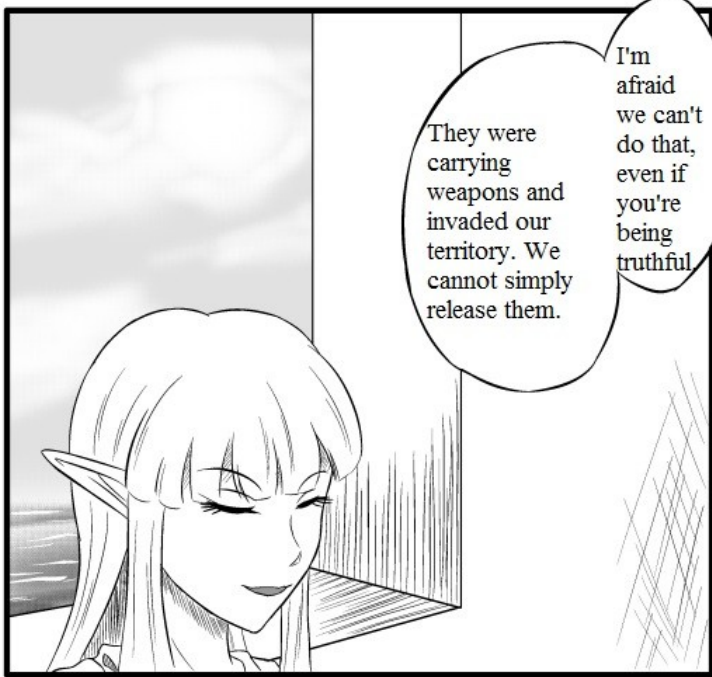

The year Pisto 200, Dark Elven Territory

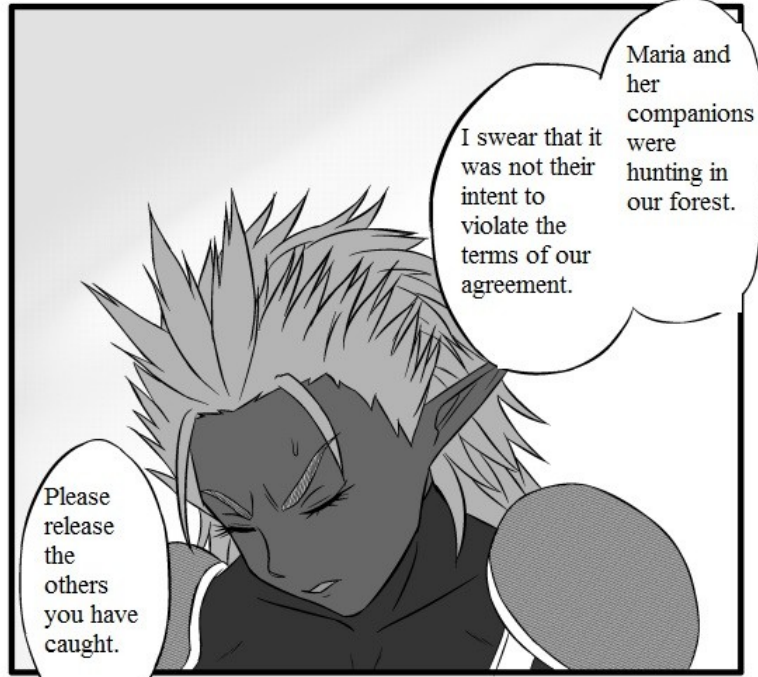

They were carrying weapons and invaded our territory. We cannot simply release them.

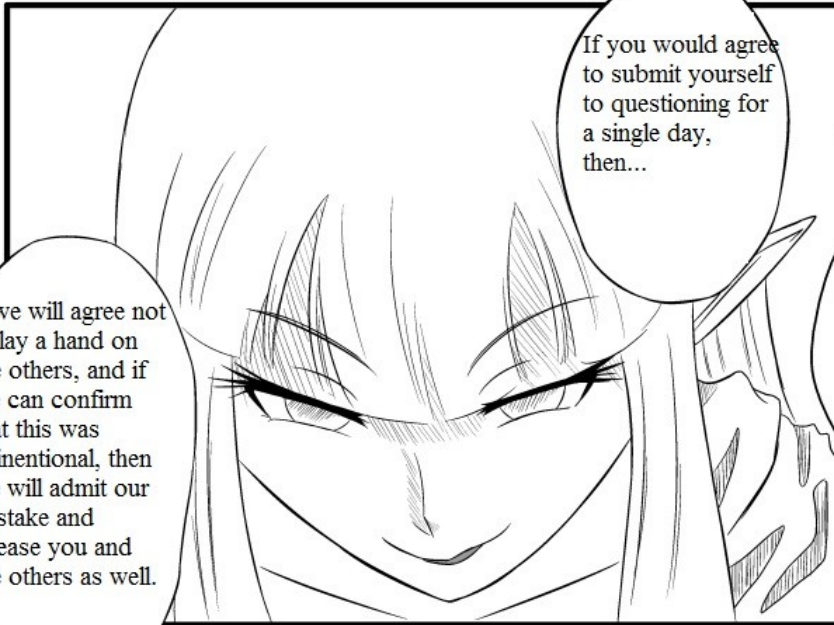

I'm afraid we can't do that, even if you're being truthful

I swear that it was not their intent to violate the terms of our agreement.

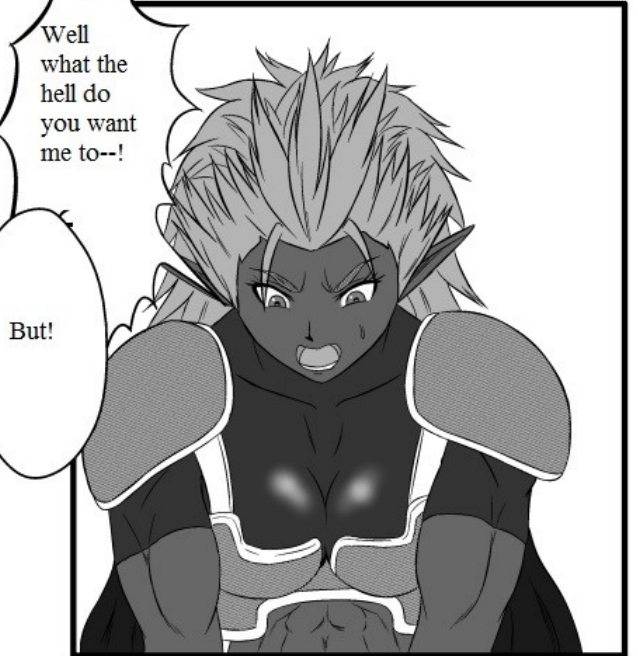

Maria and her companions were hunting in our forest.

Please release the others you have caught.

If you would agree to submit yourself to questioning for a single day, then...

...we will agree not to lay a hand on the others, and if we can confirm that this was unintentional, then we will admit our mistake and release you and the others as well.

Well what the hell do you want me to--!

But!

Do whatever you like. But!

You had best keep your promise, or else...

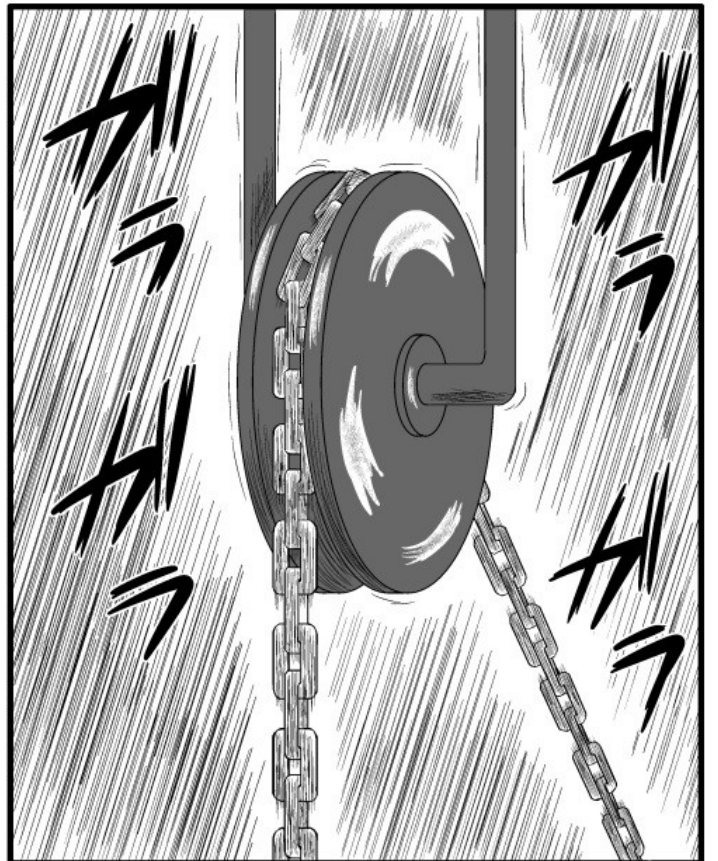

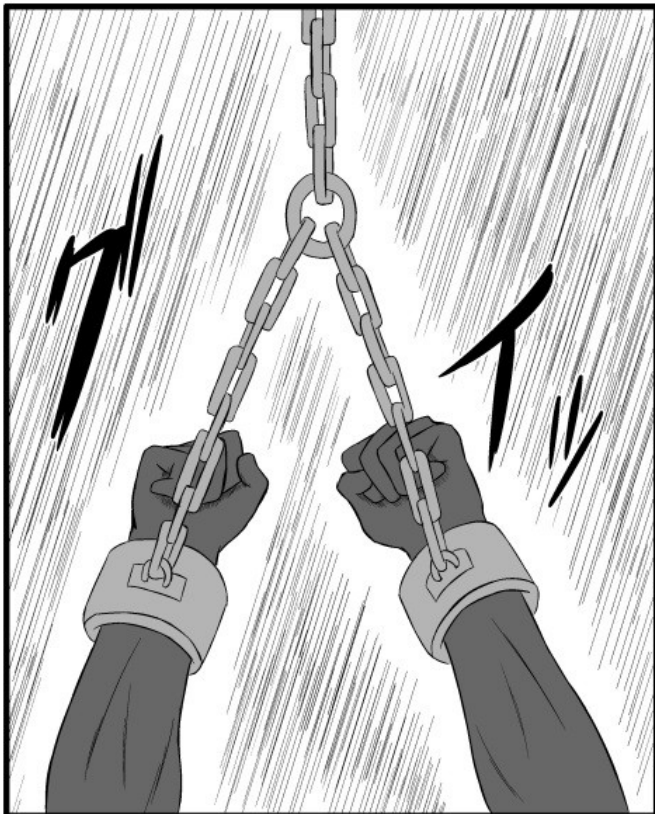

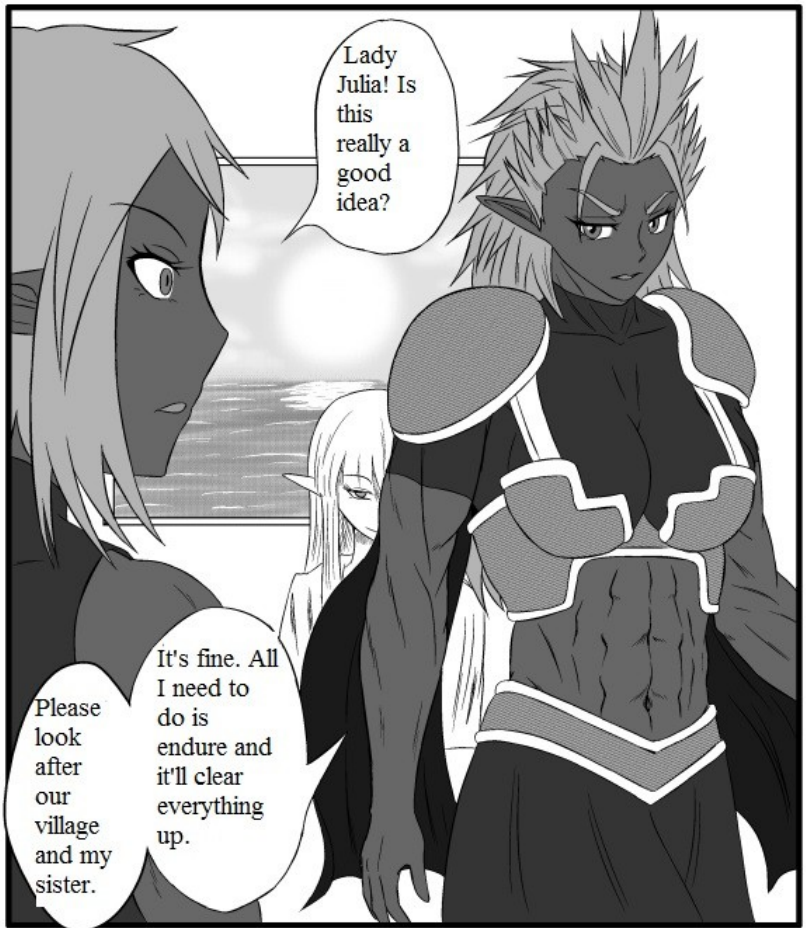

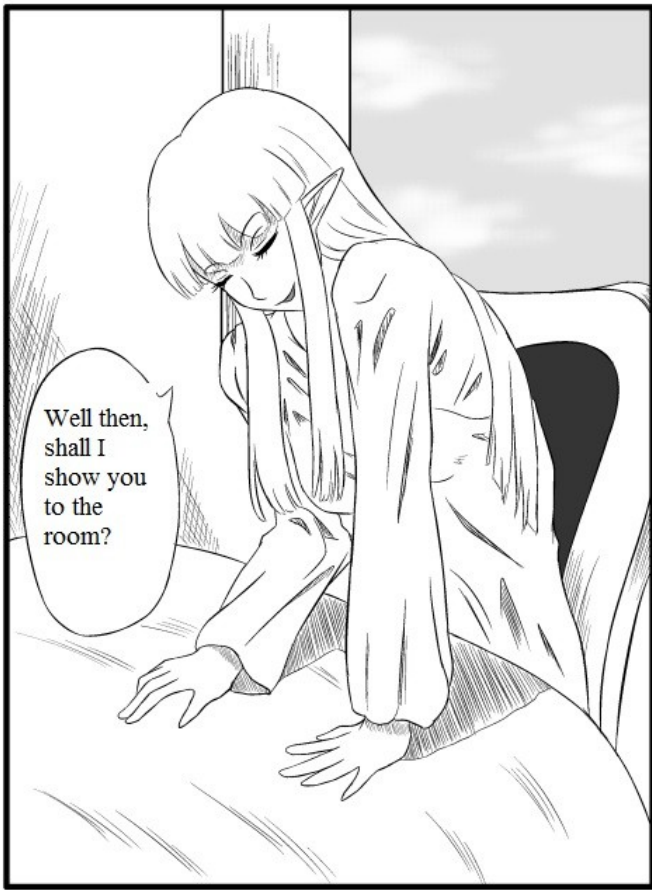

...Fine.

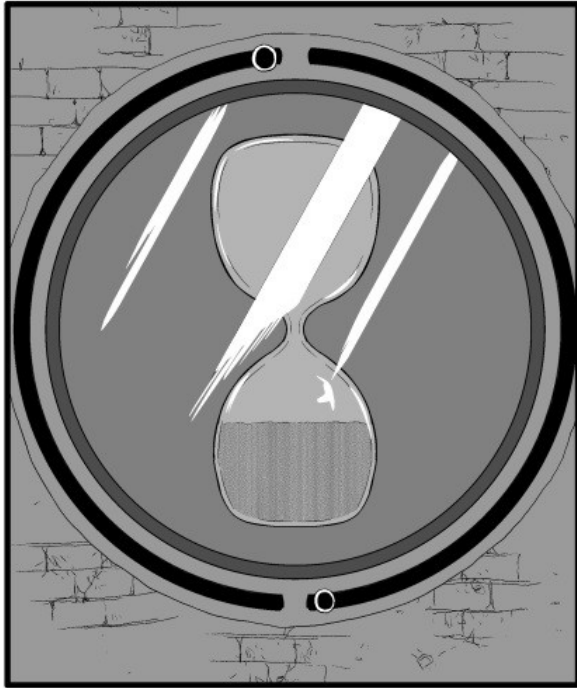

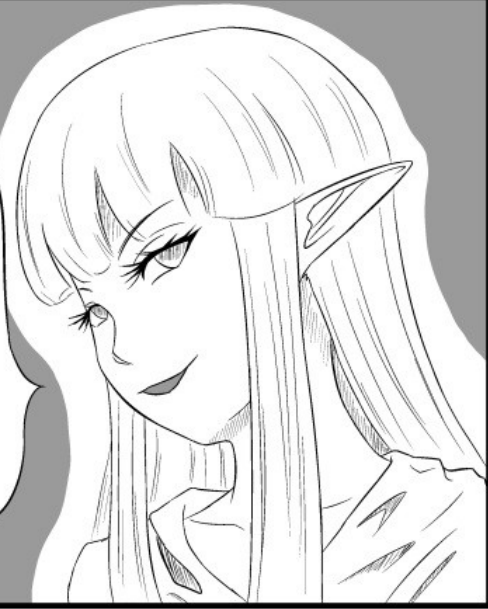

Wh...

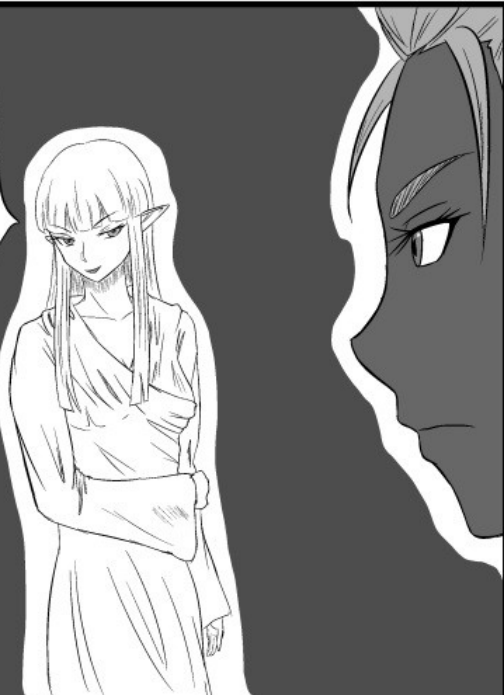

.....

Oh yes, I should say. In this room there are no windows, so we keep track of time with this hourglass.

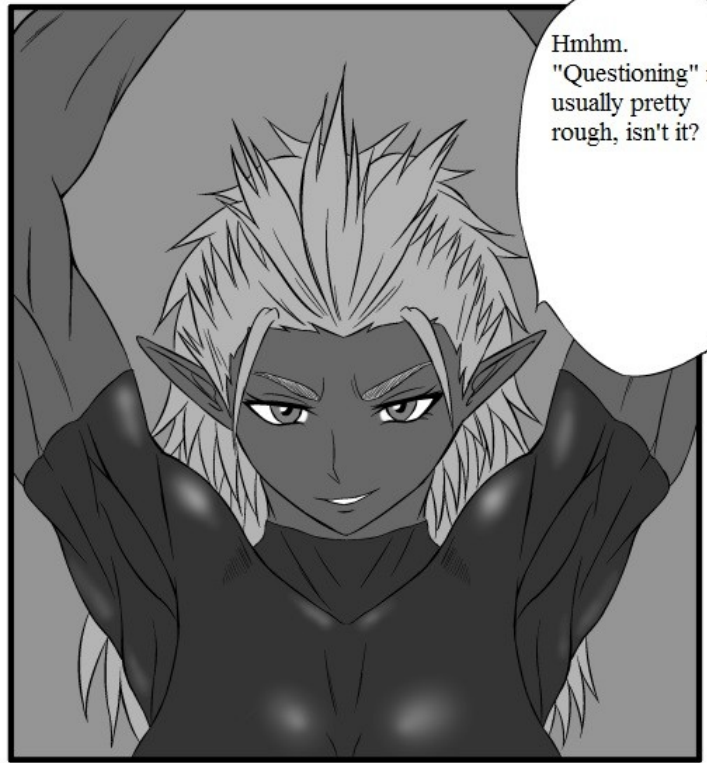

When all of the sand has fallen to the lower half, time will be up.

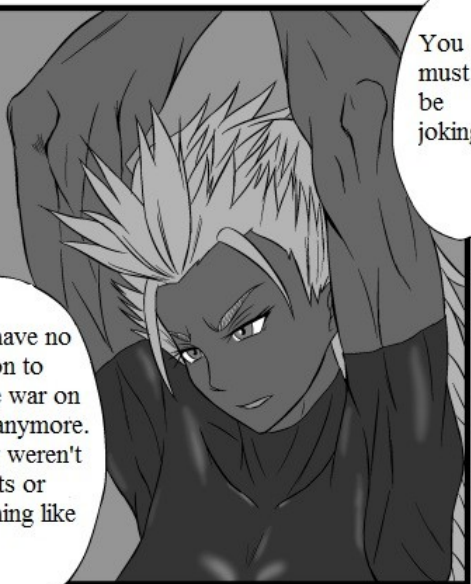

Hehehe. Just so you know, no matter how hard you struggle, your chance of triumphing over us will still be next to nothing.

Well then, shall we begin?

Hmhm. "Questioning" is usually pretty rough, isn't it?

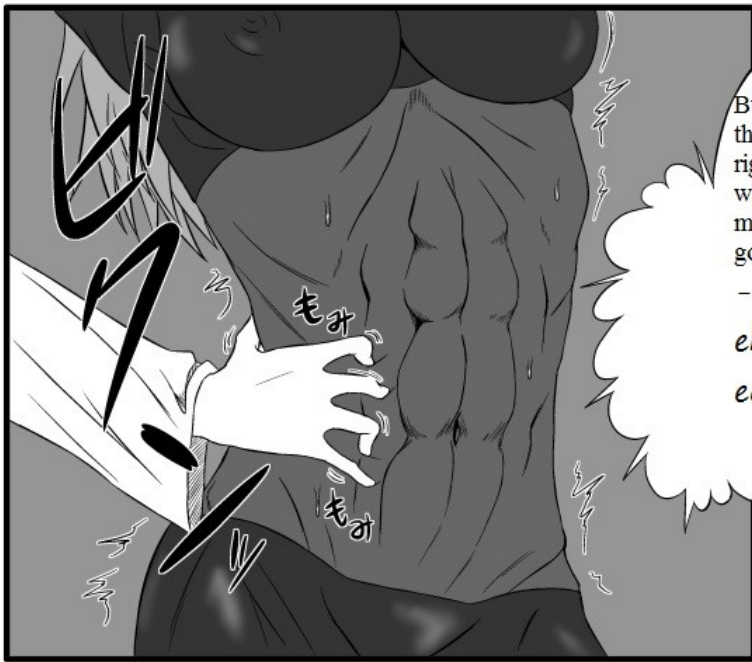

You must be joking.

We have no reason to make war on you anymore. They weren't scouts or anything like it.

So the intruders were not, in fact, scouts you had sent to reconnoiter our territory?

But you do realize this is pointless, right? No matter what you do to me, none of it is going to have any

—  
ehheheheheh  
eefeeeeeect!!!

Heh. I knew this was going to be more than just "questioning".

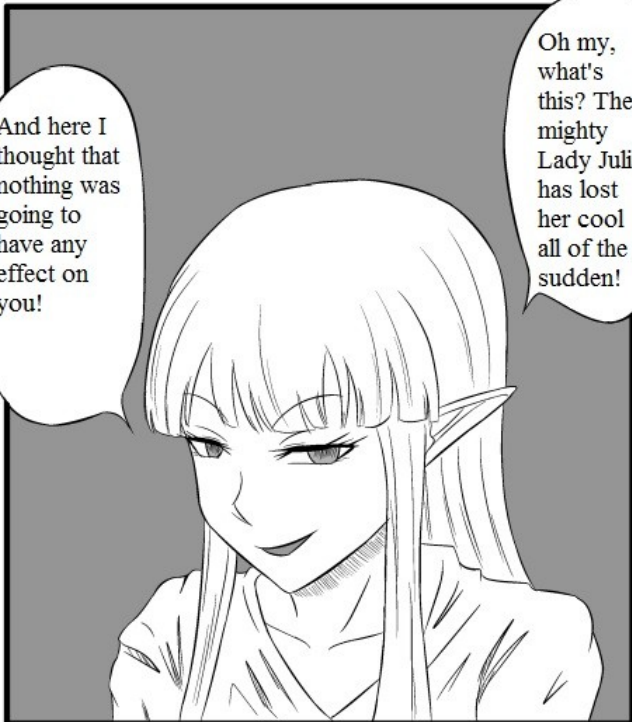

Hey! What the hell do you think you're

dohohooooing?!

And here I thought that nothing was going to have any effect on you!

Oh my, what's this? The mighty Lady Julia has lost her cool all of the sudden!

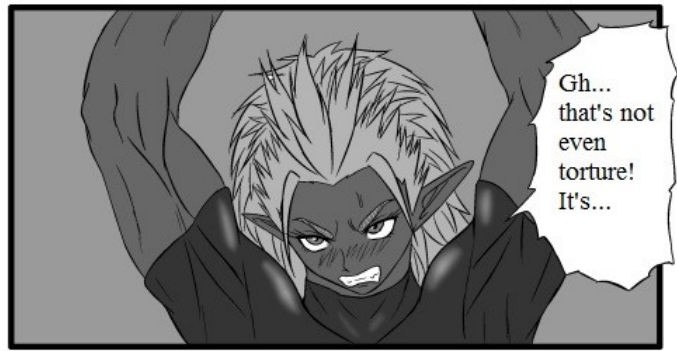

Hey! Keep your hands the fuck off of me, you hear?!

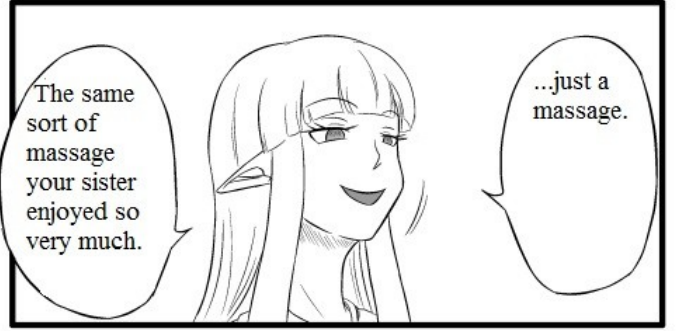

I knew it! You assholes did something to her!

Gh... that's not even torture! It's...

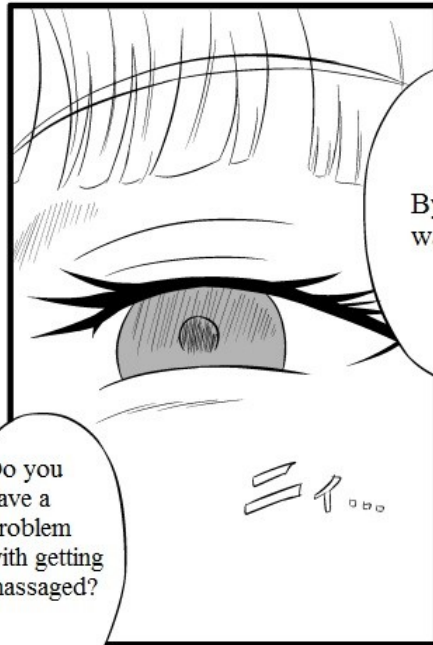

The same sort of massage your sister enjoyed so very much.

...just a massage.

Gh...!

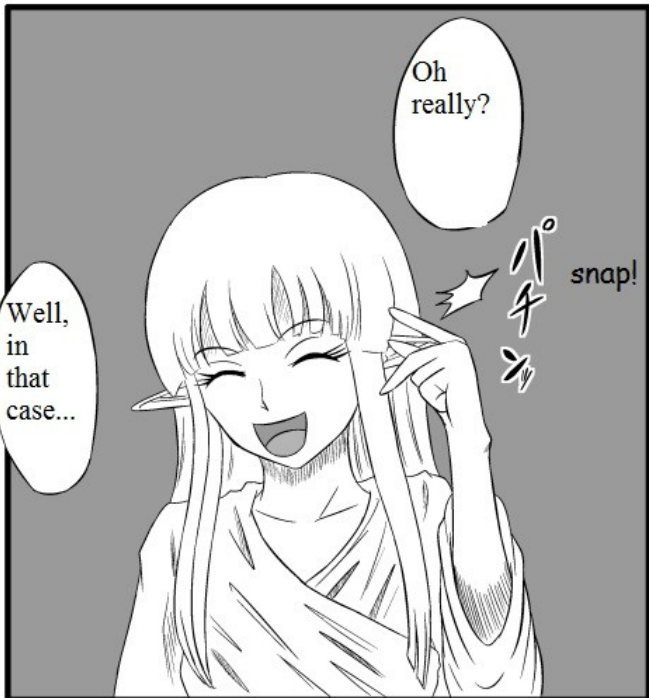

By the way...

Do you have a problem with getting massaged?

So yes, we did "lay our hands" on her. That's what a massage is.

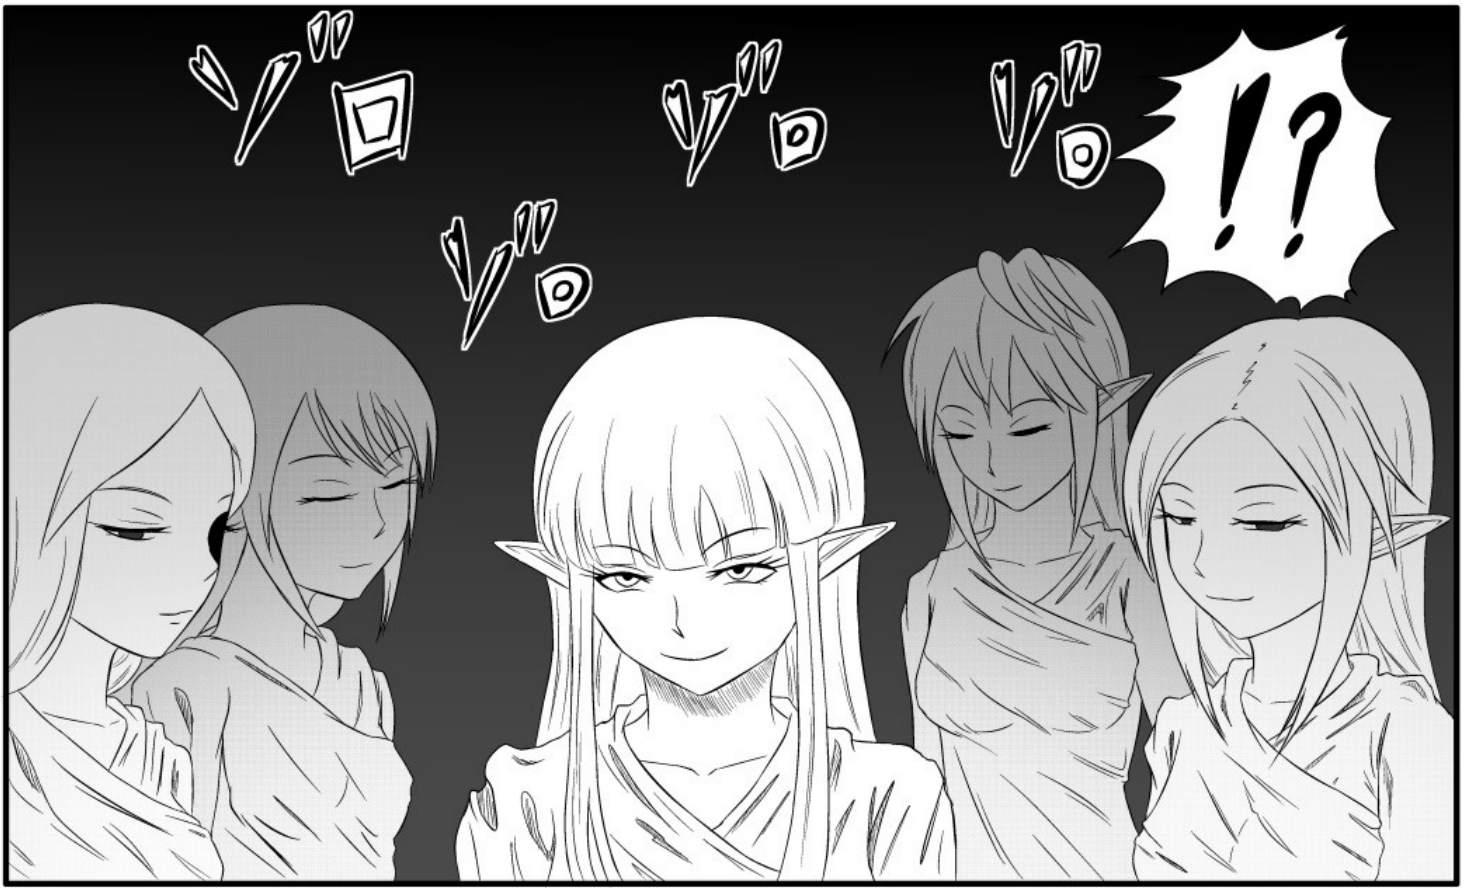

Oh really?

Well, in that case...

O-of course not! Not a problem at all!

In fact, it feels really good!

Yes, I

that it is.

supreme  
warrior Lady  
Julia, has the

Or did you forget you agreed to this for an entire day?

I said that we were finished with the first step. We're not done yet.

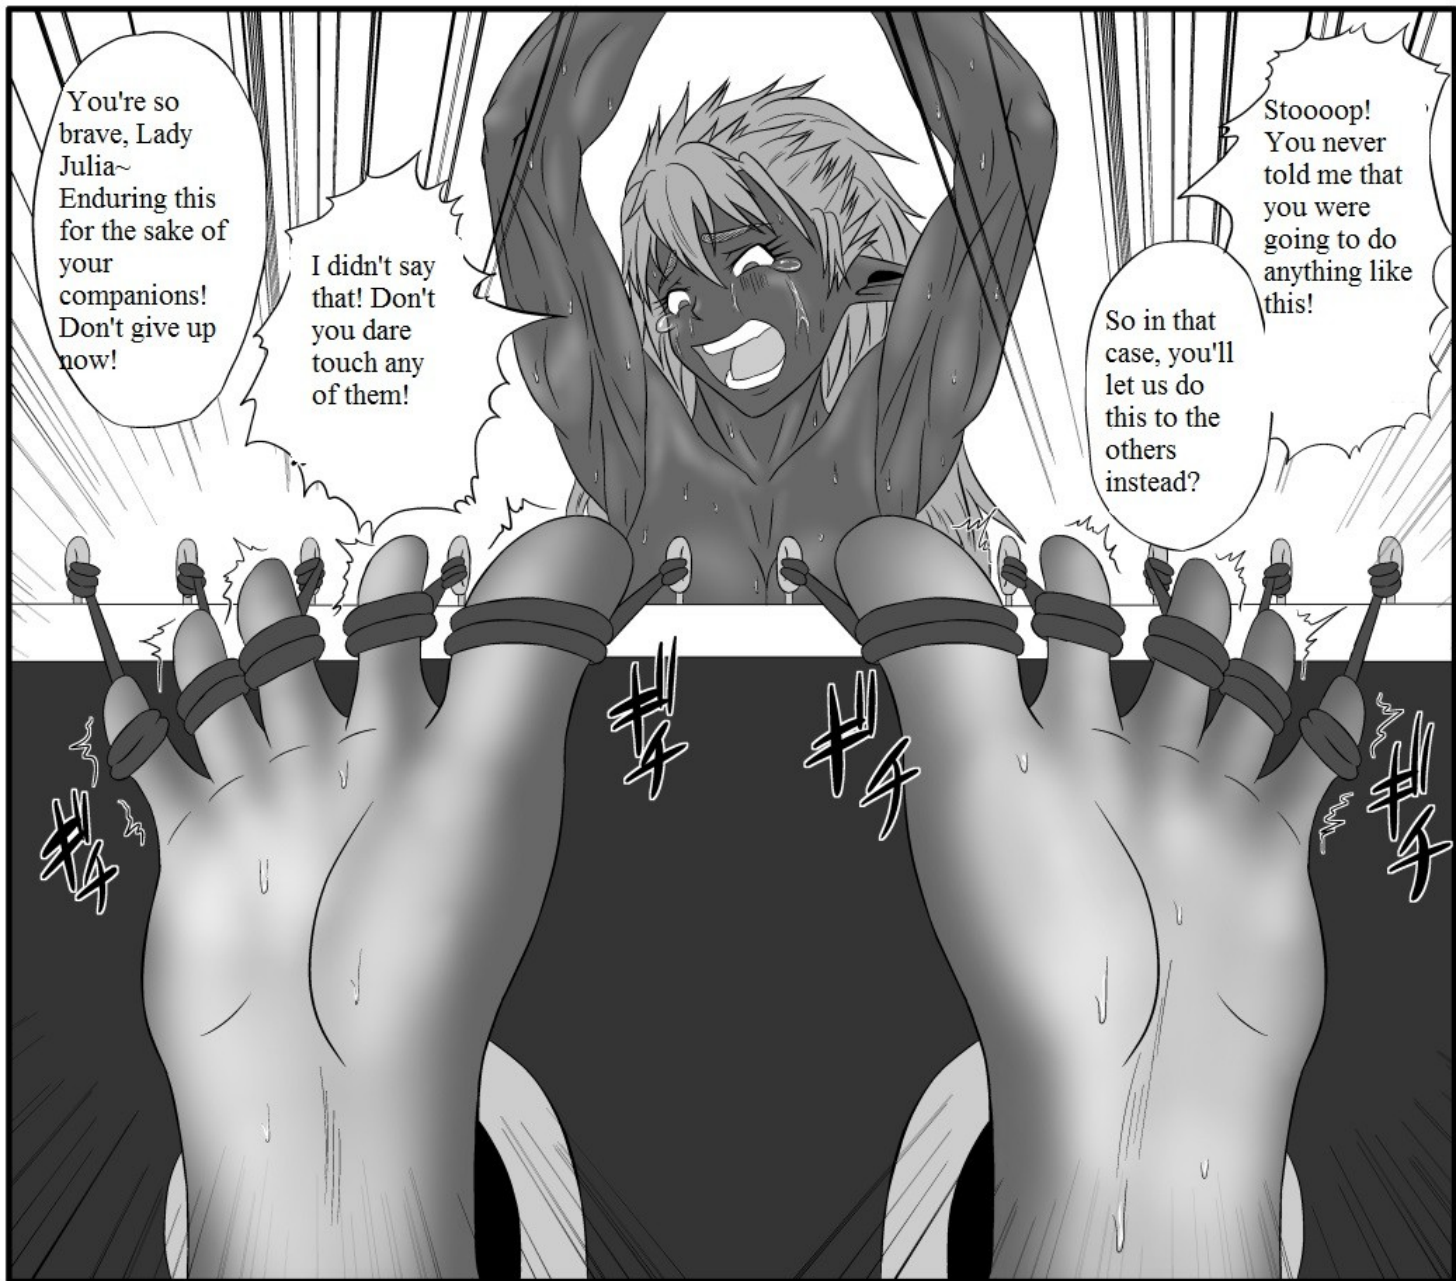

All right, begin preparing for step two.

Step two?! But you just said that we were done!

!?

Don't worry. We're still not going to hurt you. Hehe.

You're so brave, Lady Julia~ Enduring this for the sake of your companions! Don't give up now!

I didn't say that! Don't you dare touch any of them!

Stooooop! You never told me that you were going to do anything like this!

So in that case, you'll let us do this to the others instead?

Mhmm. I hope you're ready, Lady Julia.

Please, no more, pleeeeeease....

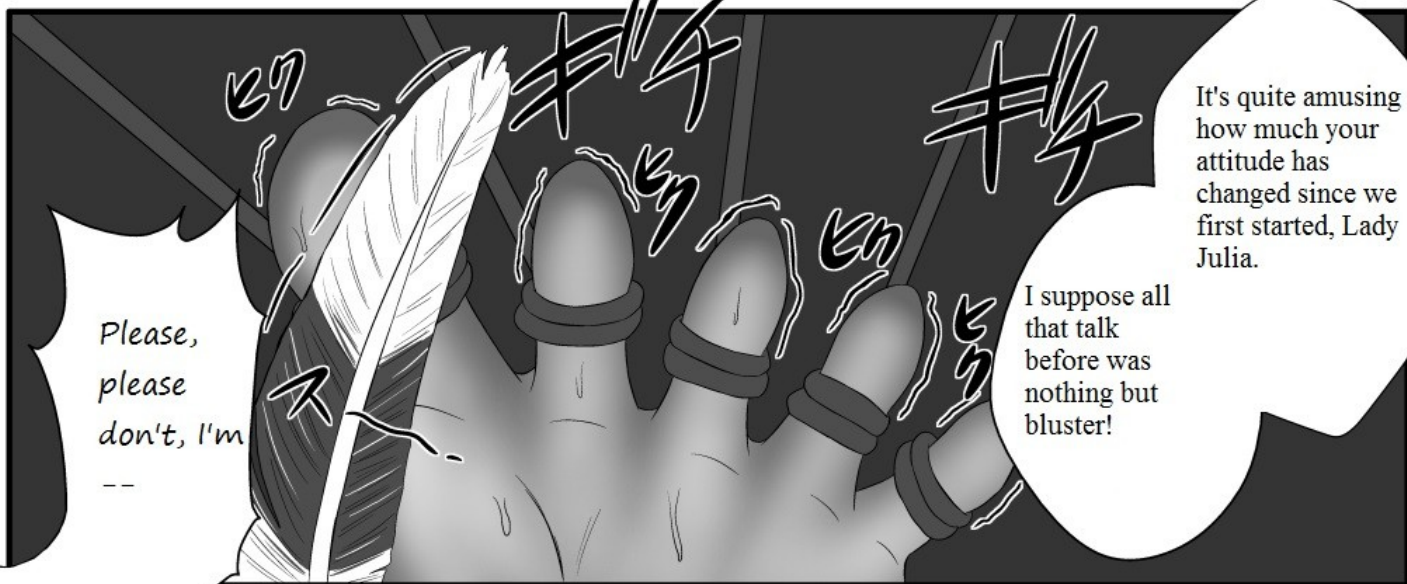

Take a look at this. This feather... it's a Gryphon feather.

When this feather touches your skin, it feels like a hundred tiny fingers scratching and wiggling all around.

Each bristle is incredibly strong, yet extremely fine as well.

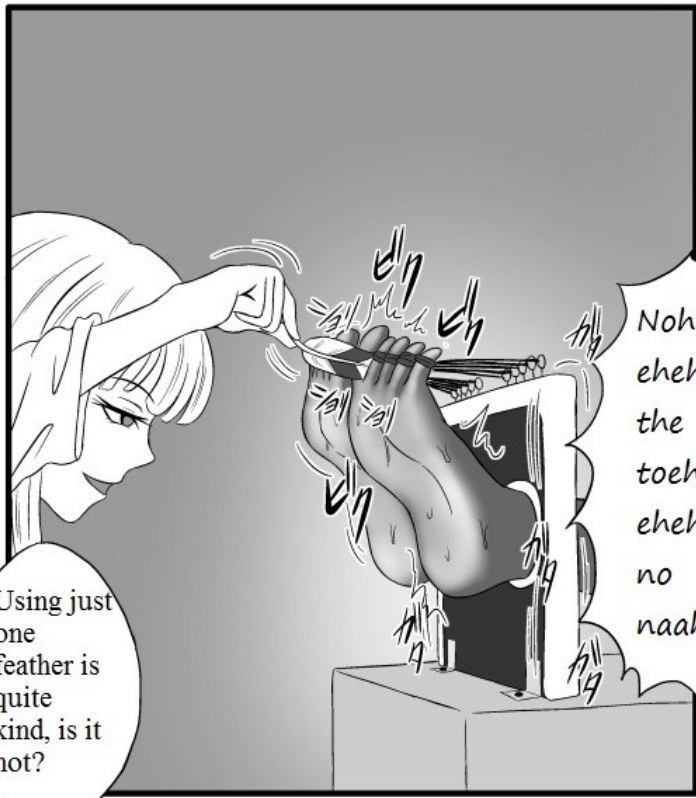

Please, please don't, I'm --

It's quite amusing how much your attitude has changed since we first started, Lady Julia.

I suppose all that talk before was nothing but bluster!

GYAHA  
HAHA  
HAHA  
HAHA  
AAAAA

Using just one feather is quite kind, is it not?

Nohohahah eheh not the toeheoehah eheheeee no naahaahaa!

You'll have  
to hold on  
for another  
twenty  
minutes at  
least!

But  
we've  
only just  
started!

Why does she  
keep looking  
at me like that? She  
said that I would  
have to endure  
whatever they did  
for an entire day,  
but...

I cahhaha  
can't  
take this  
for  
twenty  
more  
minutes!

If you're  
not doing  
anything,  
feel free to  
play with  
her upper  
body~

I can't take this for an entire day... I just can't!

Just ten minutes more~ Almost there!

YAY

But I'm sure that you'd just love to keep going...

...but you peed yourself too! That's not just childish, it's more like infantile!

Oh goodness. Not only did you cry and drool all over yourself...

Even one more minute... even one more second! I just can't take it anymore!

No... No! I can't take it. I don't want to be tickled any more. I can't do it!

...since only about an hour has passed since we started.

You still have to fulfill your duty to your comrades. Unless...

Do what you will with the others... just please let me go.

No... no more. Please. I give up.

But I'm going to do you a favor and pretend I didn't hear that.

Wh-what the... What are you saying?!

How complia nt you've become !

It's not very fitting for the leader of the Dark Elves to give up like that, mm?

Nghh!

So I'm going to let you try that one more time~

Mh!

I said let me g- hhnng hg hhhghh!!

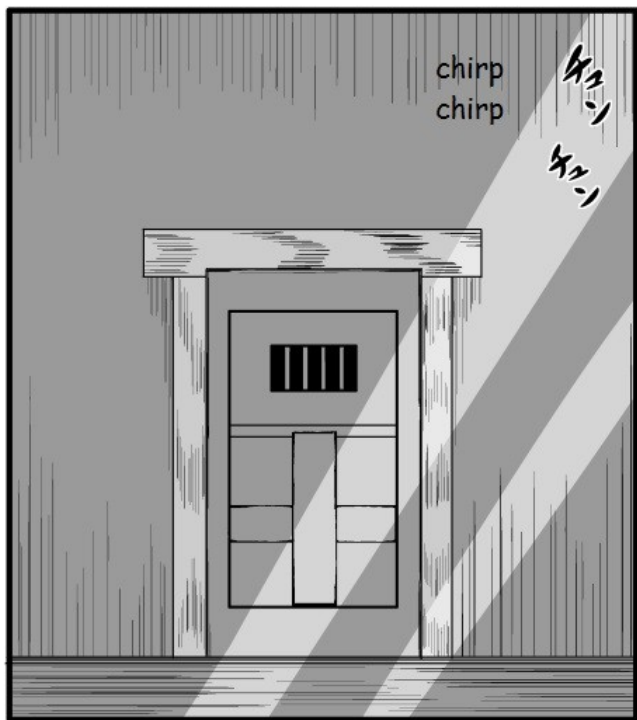

What did you say? I couldn't hear you~ If you don't say "pretty please" I won't stop~

If you can't take it anymore, just say "Pretty please stop!"

PRHHHT PLHHHS! PLHSSS! STHHHHP PP!!!

Prnnhy plhhhs sthhhh!

After (sort of) enduring Sienna's questioning for 24 hours, the captured Dark Elves were released, thanks to the Lady Julia. But...

Afterward ...

Thanks to this incident, the fate of the Elves and Dark Elves became ever more intertwined... Probably.
