By her own will

Finally, outside of her dreams

And by her own hands

Suzumine Saika indulged in her own sexual desires

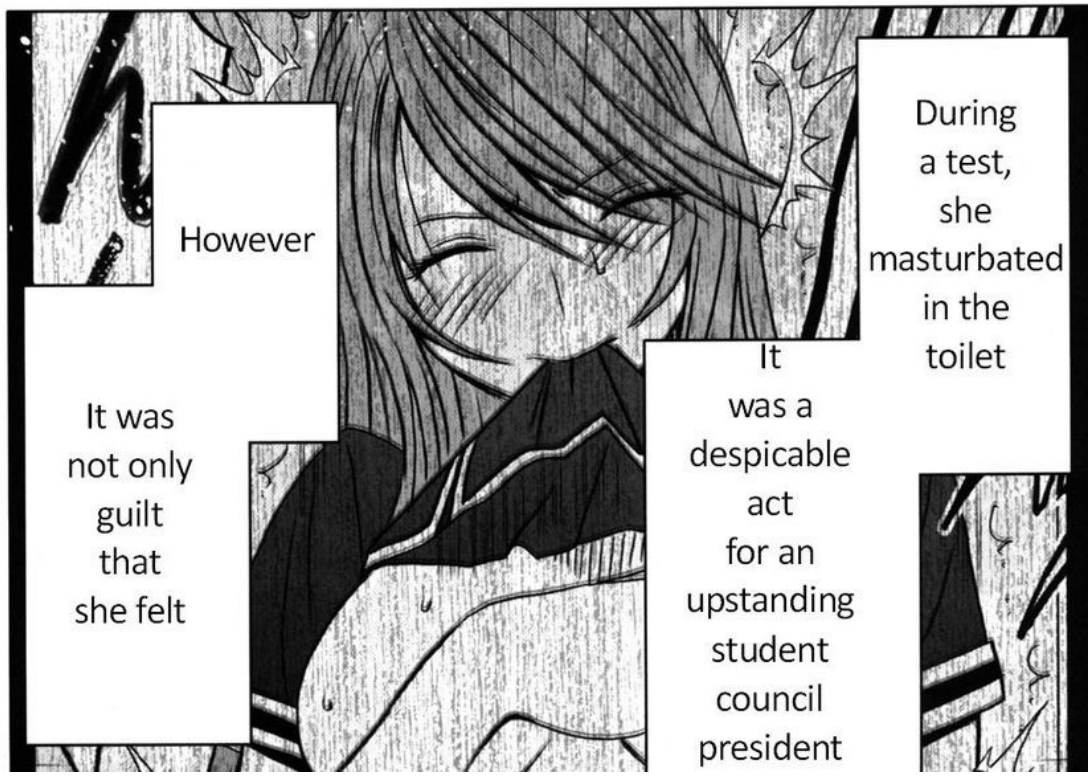

Another undeniable feeling was growing inside her

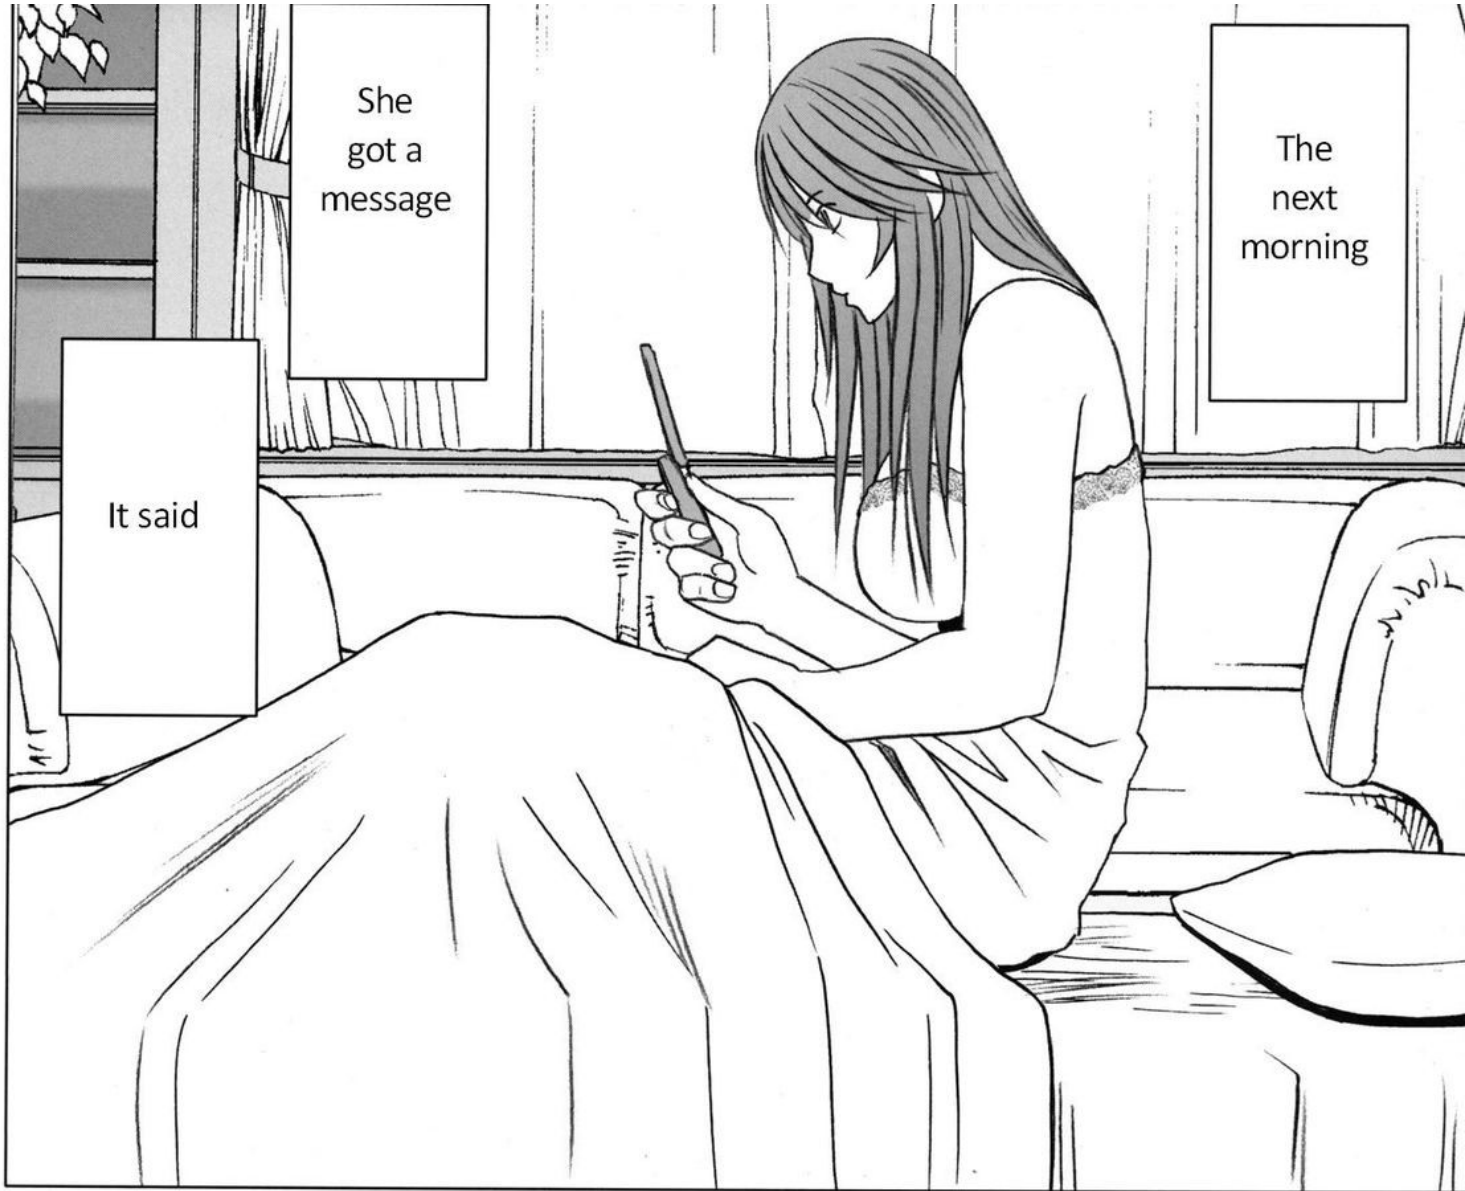

However

It was not only guilt that she felt

During a test, she masturbated in the toilet

It was a despicable act for an upstanding student council president

She got a message

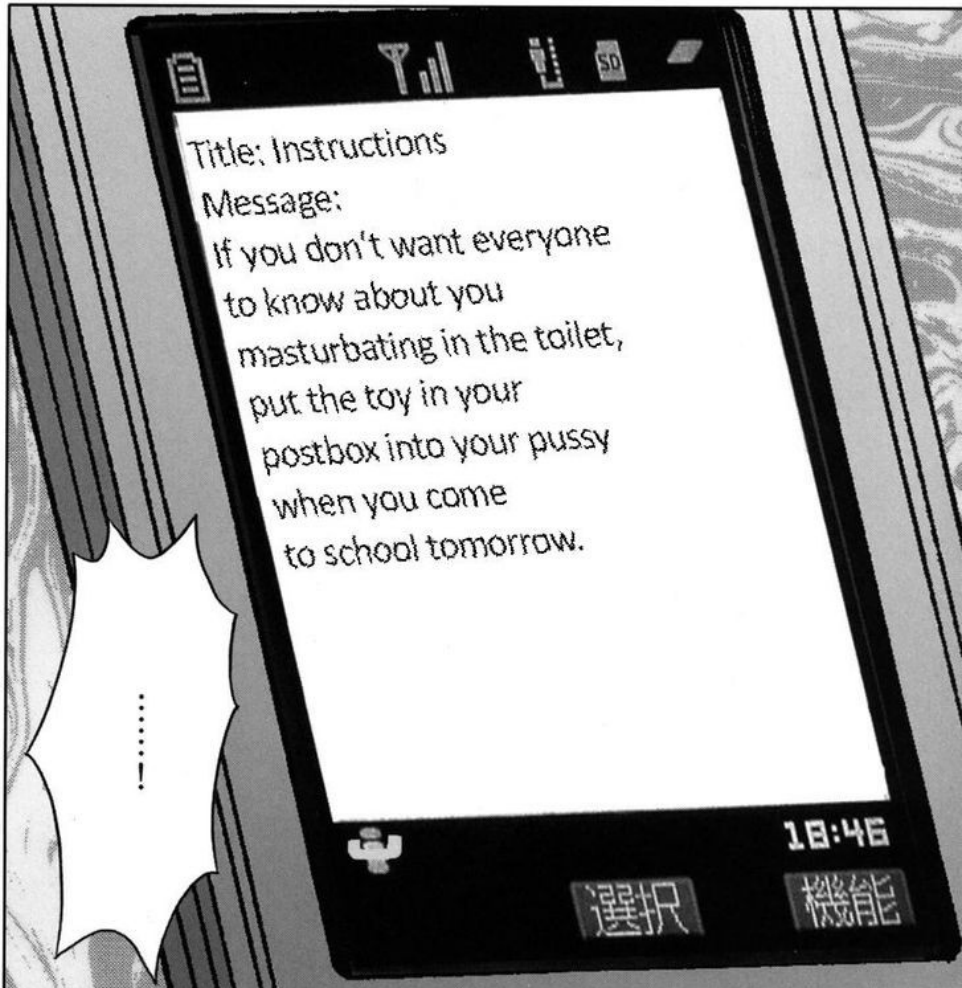

The next morning

It said

No...  
no way  
...  
at  
that  
time  
...

Did  
some-  
one  
see  
me  
...?

Title: Instructions  
Message:  
If you don't want everyone  
to know about you  
masturbating in the toilet,  
put the toy in your  
postbox into your pussy  
when you come  
to school tomorrow.

Who was it ...?

Who would do this ...

I'm ... going to school with that thing inside me...

If everyone see this ...

No ... no way ...

Even though you're a top student, you're quite a pervert

Those things to me ...!

Is it because you were doing that in the toilet?

I thought your test scores were lower than normal

They're going to do...

제 제

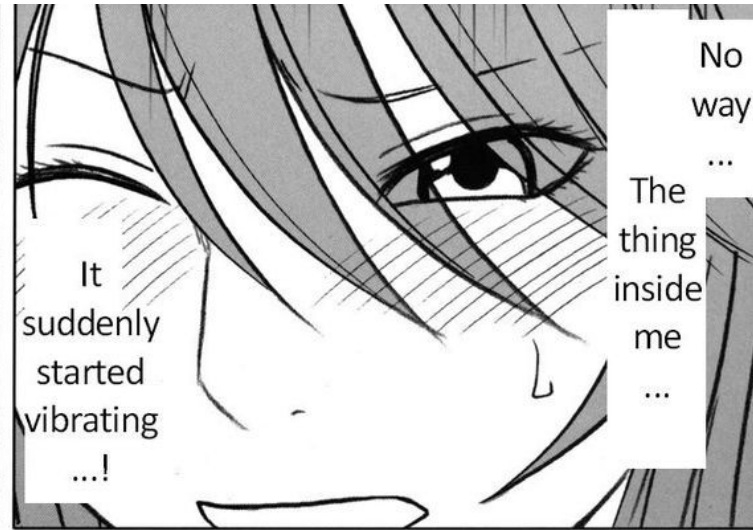

No ...

Everyone's going to see ...!

It suddenly started vibrating ...!

The thing inside me ...

No way ...

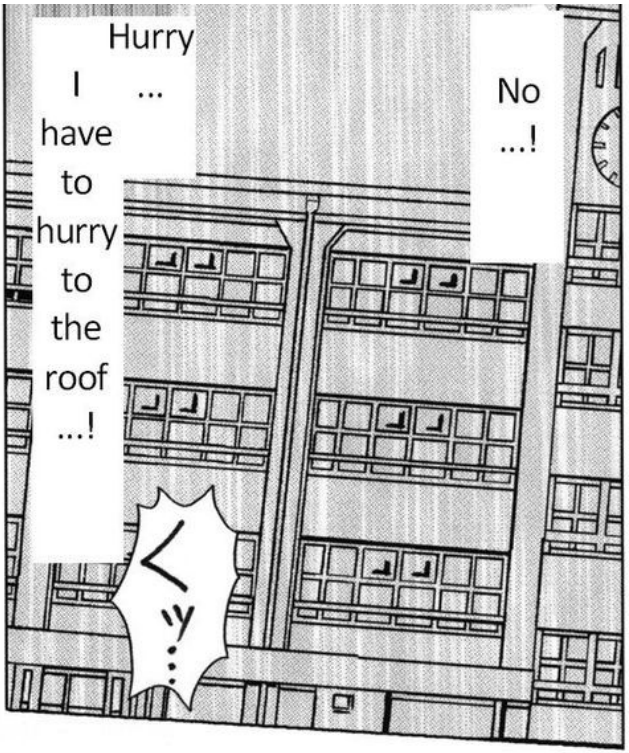

Or else everyone will realize ...

I have to walk normally ...

I ...  
have  
to

This  
thing  
...I  
can't  
walk  
properly!

You

Suzumine-san?  
Are you

I  
didn't

Suzumine  
-san  
was such a  
fan of

Here,  
these  
vibrators  
feel even  
better  
right?

They're  
going  
to...

Do  
those  
things  
...

If they  
find out  
I came  
to school  
with that  
thing  
inside me

If...  
They  
find  
out...

They're going to...

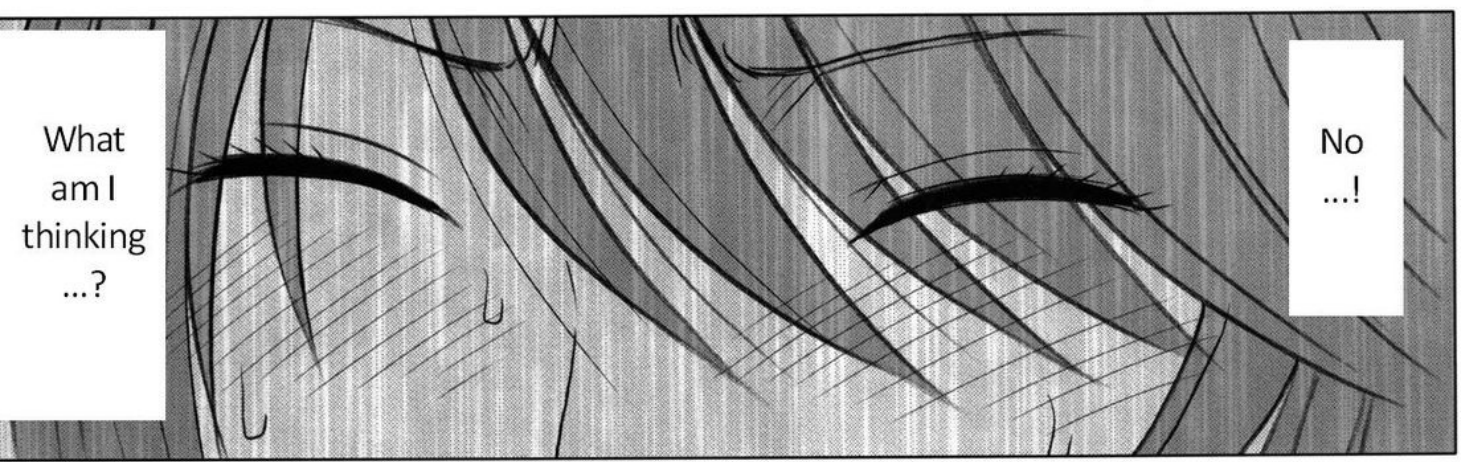

Do those things ...

You need some punishment

For the student council president to engage in such depravity

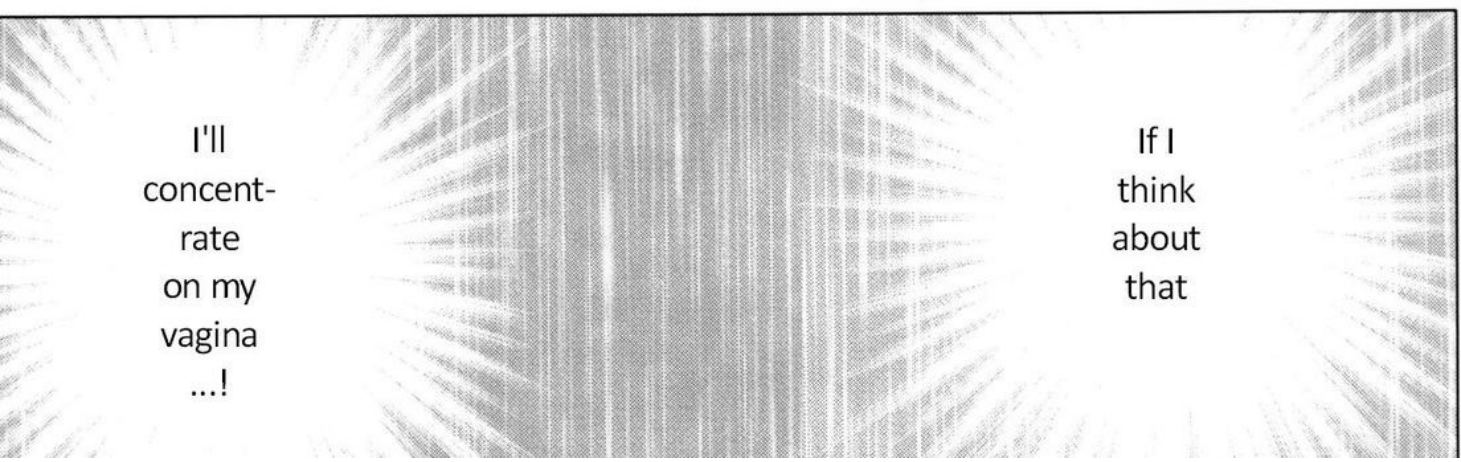

If everyone sees my toilet masturbation picture

!! あ あ

What am I thinking ...?

No ...!

I'll concentrate on my vagina ...!

If I think about that

I can't ...!

I have to get to the roof ...!

I have to hold back my voice ...!

I can't let anyone notice ...!
