How generous!

I'm so lucky, getting to practice with you today.

Good work!

You too!

Ahaha! I'll be your training partner anytime.

Oh, thanks! I'll be right there.

Your cousin's waiting at the gate like always!

Haru!

Whoa!

That brat!

She's actually my girlfriend.

It's okay, I just got here. I just came thinking it'd be nice if we walked home together.

You should've gone home ahead of me.

Sorry for making you wait in this heat, Aya-chan!

Why did you say I was your cousin?

はー

ソソソソソ

It's really hard to say you're my girl-friend.

My bad.

That's fine, then...

So I thought I should wait a little longer.

I really want to introduce you properly.

Wouldn't it be weird for a cat to have a goldfish in the family?

Isn't that good? A one-piece is cute. It suits you.

That's not it!

I'll have to hide these when I meet your friends, then.

She's looking at my underwear!

Goldfish aren't very common around here so you'd have to hide them anyway. It's all good!

Ah, well, about that...

I'm just changing cuz I'm hot

slip

Ah! Wait! Wait!

You're saying it like it taking doesn't concern you!

Oh!  
The girls  
that came  
up to the  
gates.

hehe  
he...

So that's  
the  
biggest  
goldfish  
get.

...almost  
criminal.

So what  
was that  
earlier?

That?

Even like  
this, in school

Please  
take  
this!  
It's a  
gift!

hamph.

danksh.

I'm like a  
prince!

But I'm  
actually  
well-known  
in school  
for being  
handsome!!

I may  
look like  
this,

So bad  
at  
lying...

It's not  
like I'm  
jealous or  
anything!  
It's none  
of my  
business!

It's!

I know.

h m p h

Aya!

I want to hear about you,

More importantly, since I'm having you over here for Obon,

ah

Haru, you're so close...

But

Is it ready yet?

Haru's such a...

Wanna go first, Aya?

Uh, I'll take a look at the bath!

That surprised me...

ah.

ah!

Um, um, s-s-s-sorry!

**coward!**

Good night!

Saying she had no club activities for Obon... Liar! I'm going out!

Morning, Aya-chan!

How was yesterday?

あ  
あ

あ

Tosa!

Did you...

So hot.

Isn't it?

enjoy yourselves yesterday?

Tosa!! Don't say it like that!

Am I wrong?

mn...

...Yeah.

I see.  
Even though you're staying over, huh?

I'm interested in sex! I'd be happy to do it if we both consented! As for me!

It's kinda weird hearing you say that.

I thought Haru would be the aggressive type...  
how surprising...

Are you listening?

Tosa?

But my appeals must be backfiring on me.

Must be hard for Haru-san to hold it in.

After all, she's hasn't laid a hand on me.

So you were together Sorry for making you wait.

with Tosa-wait. chan.

Oh no,

I'm also waiting for someone around here.

Oh.

Hey!

Speak of the devil.

あ あ

You're so in love with her.

Isn't it hot?

Haru-san might be thinking So you it's about don't have time. to hurry. Maybe try attacking?

Since we're out here already, why don't we go for a walk?

What should we do?

Her boyfriend?

Bye!

It's okay. Shou-chan's almost here.

Your friend? I can wait with you.

Oh. Wonder who's Shou-chan...

Mm

She might be thinking that. Attacking...

Alright.

About time...

It's about time.

But I don't have a plan...

Today I'll do it.

She already is!

Right now Aya's completely naked in the tub.

What should I do to get Haru in the mood for sex...

Being able to have her for myself today and tomorrow, what bliss!

Her teeny little hands! So cute! They should be illegal!

I want to rub her belly...

Ahhh! I wanna do her!

Is she inviting me?

A blunt declaration

I'm already at my limit!

I shouldn't lay my hands on her, but I really really want to eat her up!

Kyah!

Meow.

It's not uncommon for goldfish girls to already have lost their virginity once they reach Aya's age.

Haru!  
mn

Wah!

## Aya

The type that can't be honest with herself. As a goldfish, she's almost an adult, so she lives away from parents, spending her days with Tosa and other goldfish. The name comes from the Blue Oranda breed of goldfish.

While drawing the manuscript it was quite hot, so I had a ponytail up most of the time. Normally I'd leave my hair down.

## Haru

A closet lolicon. In front of Aya she tries her hardest to play the part of an adult. It's not like I didn't know that if she was the type to make Aya-chan worry, she'd be quite the villain. When the going gets tough the tough gets going!

She's so Boyish...

## Tosa

The very first character I designed, a Tosa goldfish girl. In the beginning I was planning to draw a story about her, but this time she's a supporting character. She's a little more mature than Aya. Her hair is red. The Shou-chan mentioned in the story is her lover, a futanari fox.

## Afterword

Hello there and nice to meet you, this is Budou Mato.  
I've turned my first idea into an eromanga this time.  
While at a festival, I thought, "the obi those  
children are wearing look so adorable!"  
and came up with the idea of drawing a story about goldfish girls.  
...didn't do much with the goldfish angle, though... (silence)

If only I made the goldfish girls the heart of the work  
and drew whatever I wanted.

(Also flesh out the world a little more)

My skill is still improving, but I would be happy  
if you could support my work again next time.

See you.
