Picking the proud flower

Translated by:

So
you've
woken up,
Suzumine
-senpai

The
broad-
casting
room
...?

Th...
This
is...!

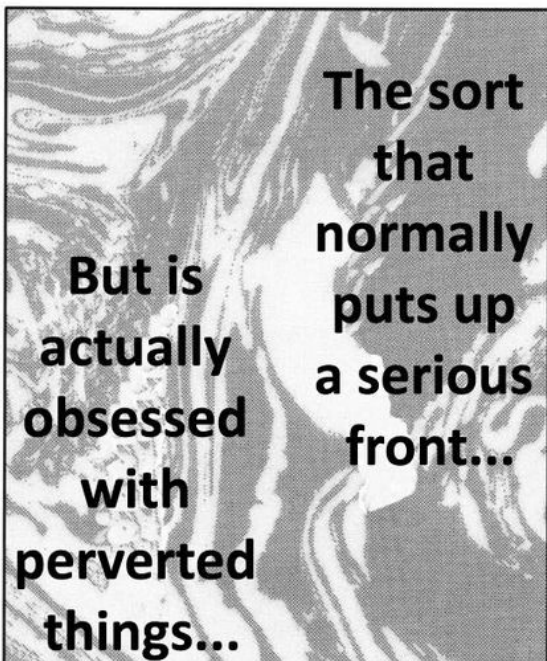

When I transferred here, the first time I met Senpai, I thought

As I thought

"That" sort of girl

She must be

But is actually obsessed with perverted things...

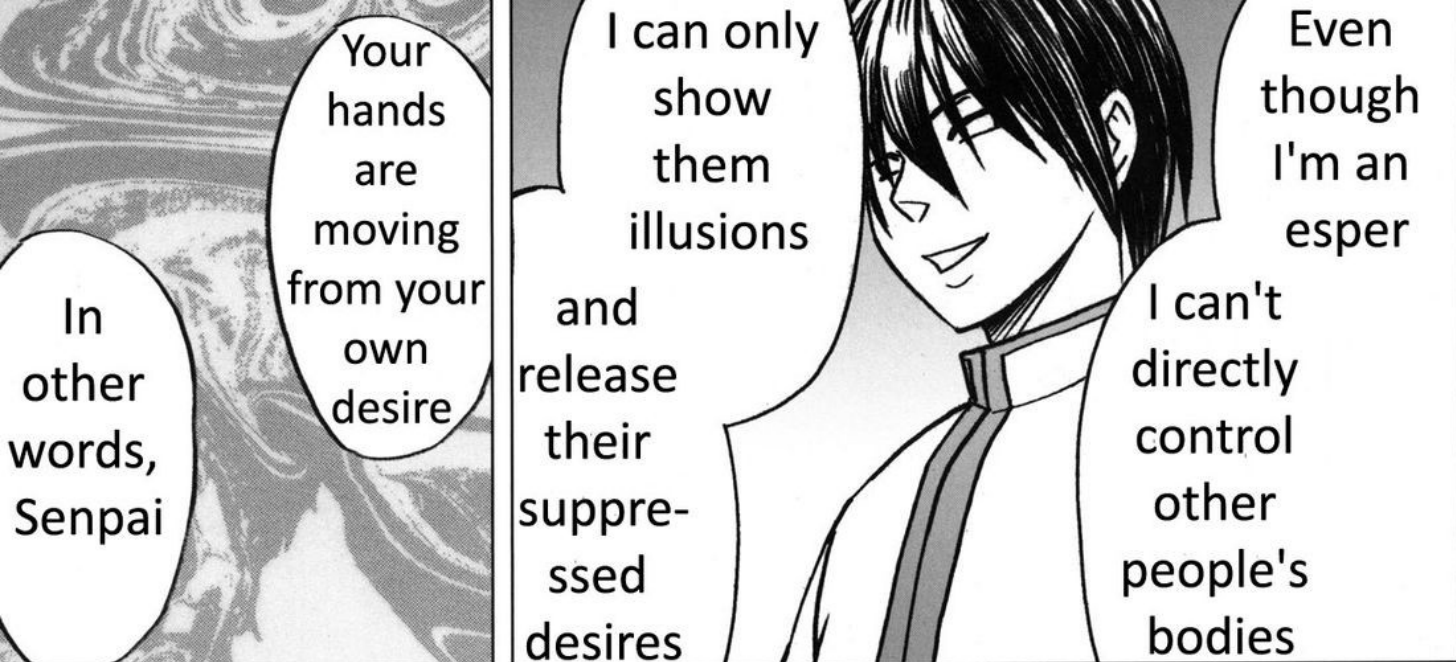

The sort that normally puts up a serious front...

I am ...!
That sort of girl?

That
can't
be...!

My
true
desire...?

Here,
isn't this
much
better?

Shall I
teach
you the
way?

You're
still
clumsy at
touching
your-
self

N
N
...

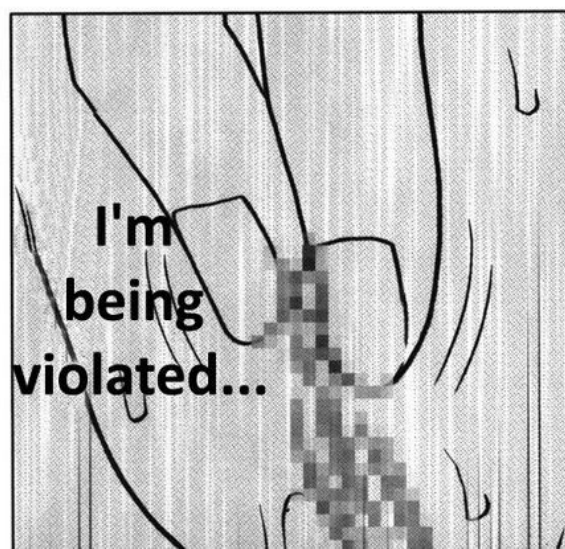

N
O
!

This way
also
feels
good

A
a
a
h
!

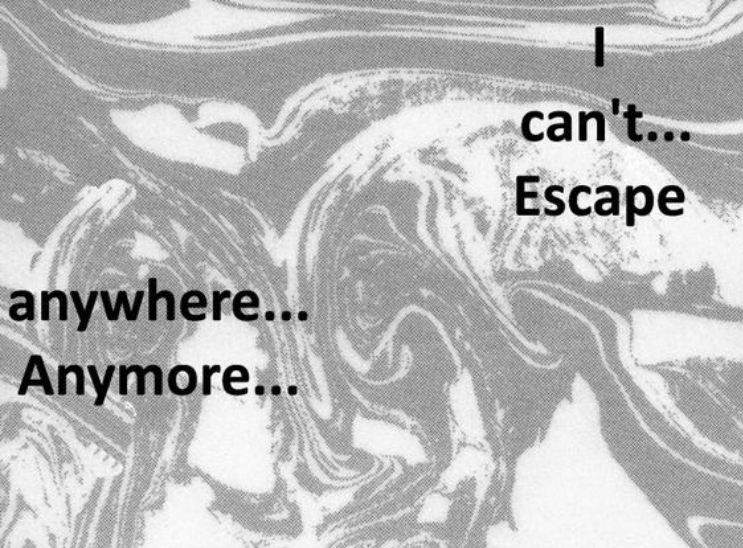

A
A
A
H
!!!

I
can't...
Escape

anywhere...
Anymore...

H
a
a
!!

H
a
a
!!

Did you
forget that
this is the
broad-
casting
room?

Are you
sure you
should
make such
loud
noises?

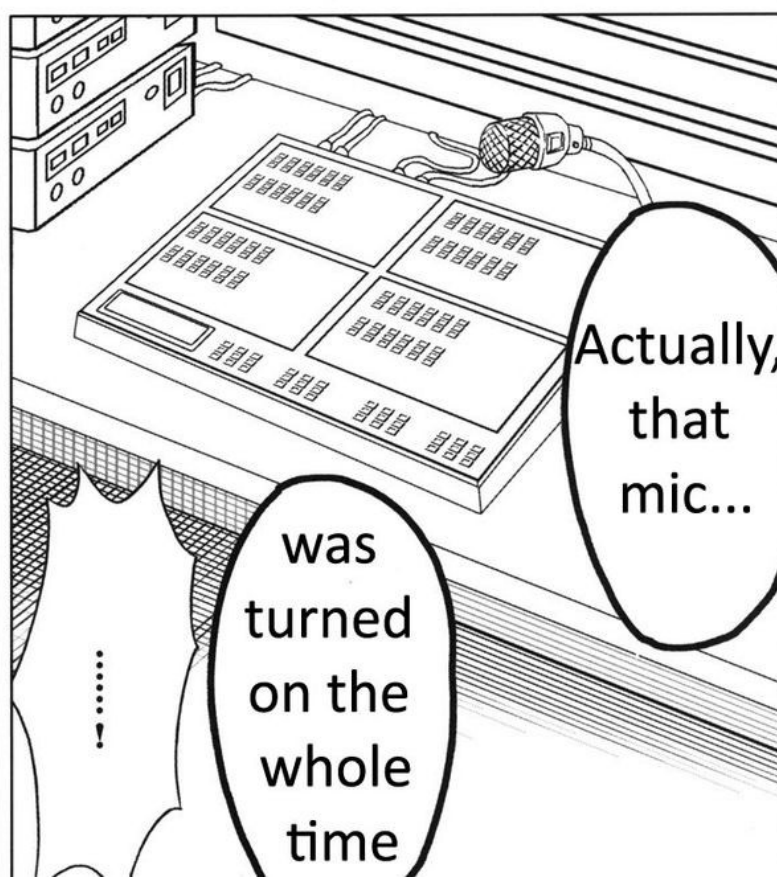

Fufufu...
Senpai...

Well
it's been
set to the
lowest
volume

And we're
pretty far
away, so I
don't think
it picked
up anything

No!

Actually,
that
mic...

was
turned
on the
whole
time

Your
true
voice...!

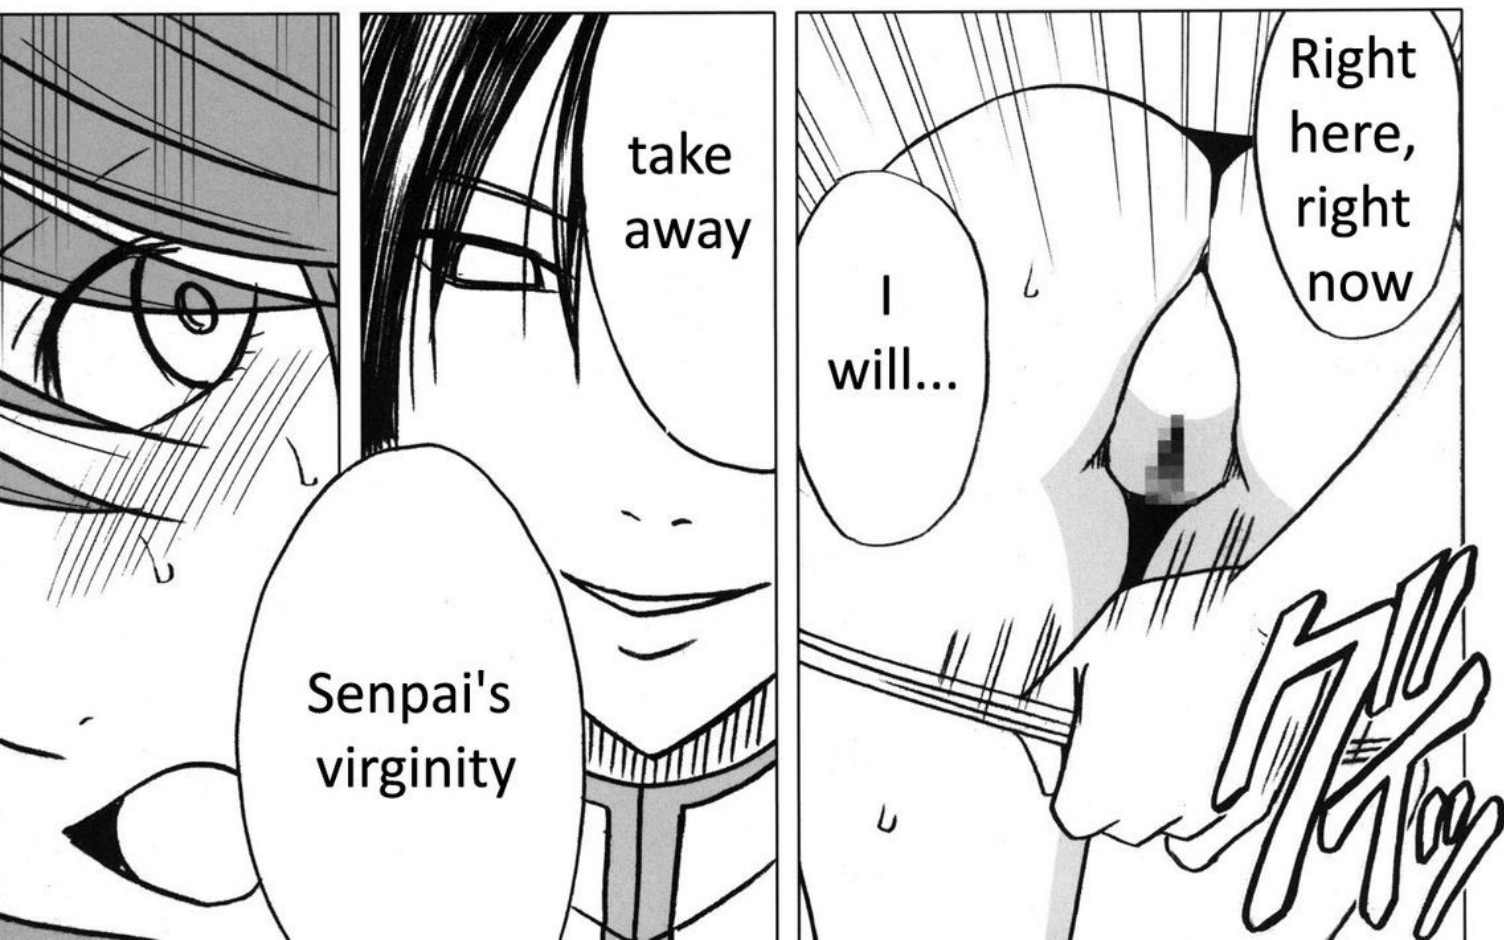

You
actually
want
everyone
to hear
it, don't
you?

Anyway
do you
really
want me
to stop
here?

Everything
that
happens
from now
on is not an
illusion

Let me
say this
clearly

take
away

Senpai's
virginity

I
will...

Right
here,
right
now

What...is
this
feeling...

It's far
beyond
what I
experience
in the
illusions...

No...
no way...
What is
this...!

This intense,
overwhelming
feeling

Like it's
taking
over
me from
the
inside...

It's
filling
my
heart...

This
feeling...

In other words, Senpai

just the released form of Senpai's suppressed desires

The illusions that I showed you were all

N n!

From the bottom of your heart, you desired these things

Gang raped by your classmates after school...

Surrounded by molesters on the train to school...

Sexually harassed in the teacher's office...

Your
true
maso-
chistic
nature

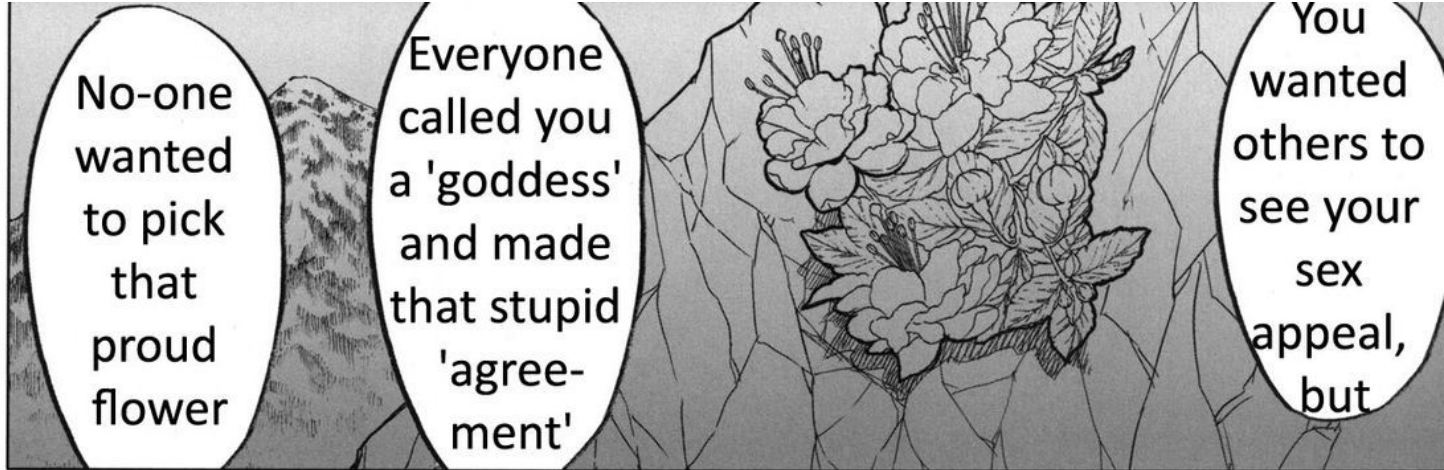

I
guessed
your true
nature
when I
first saw
you

You
became
student
council
president
because
you wanted
others to
see you

You
joined
the
swimming
club so you
could wear
the most
erotic
clothing

You
were
kind to
others
because
you wanted
them to
notice you

In the broadcasting room where everyone might hear me

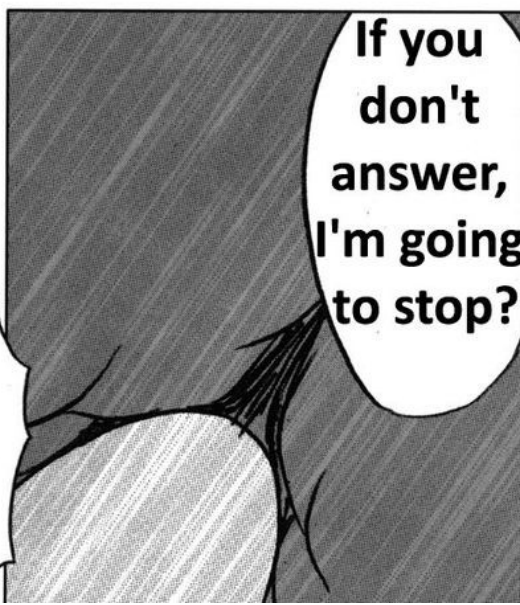

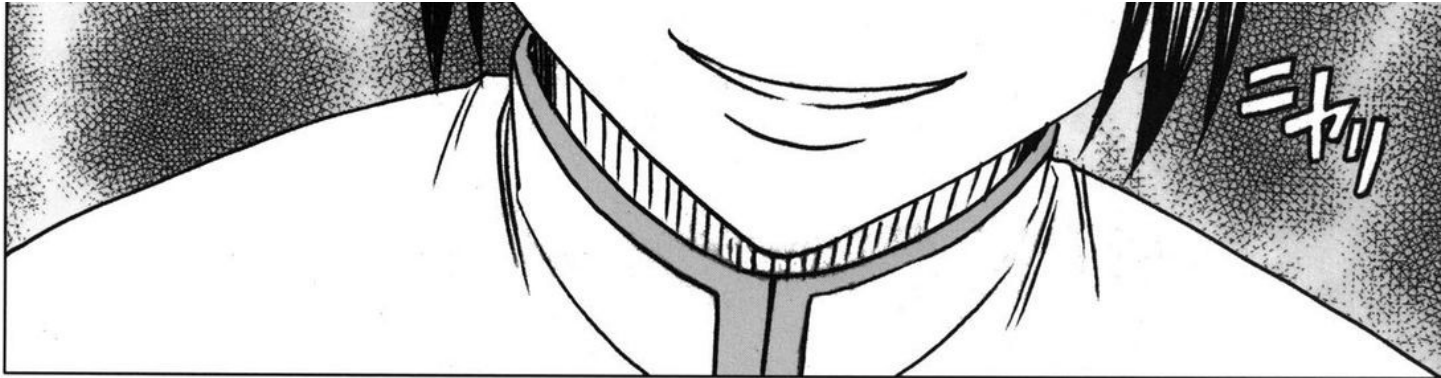

With my true nature running rampant

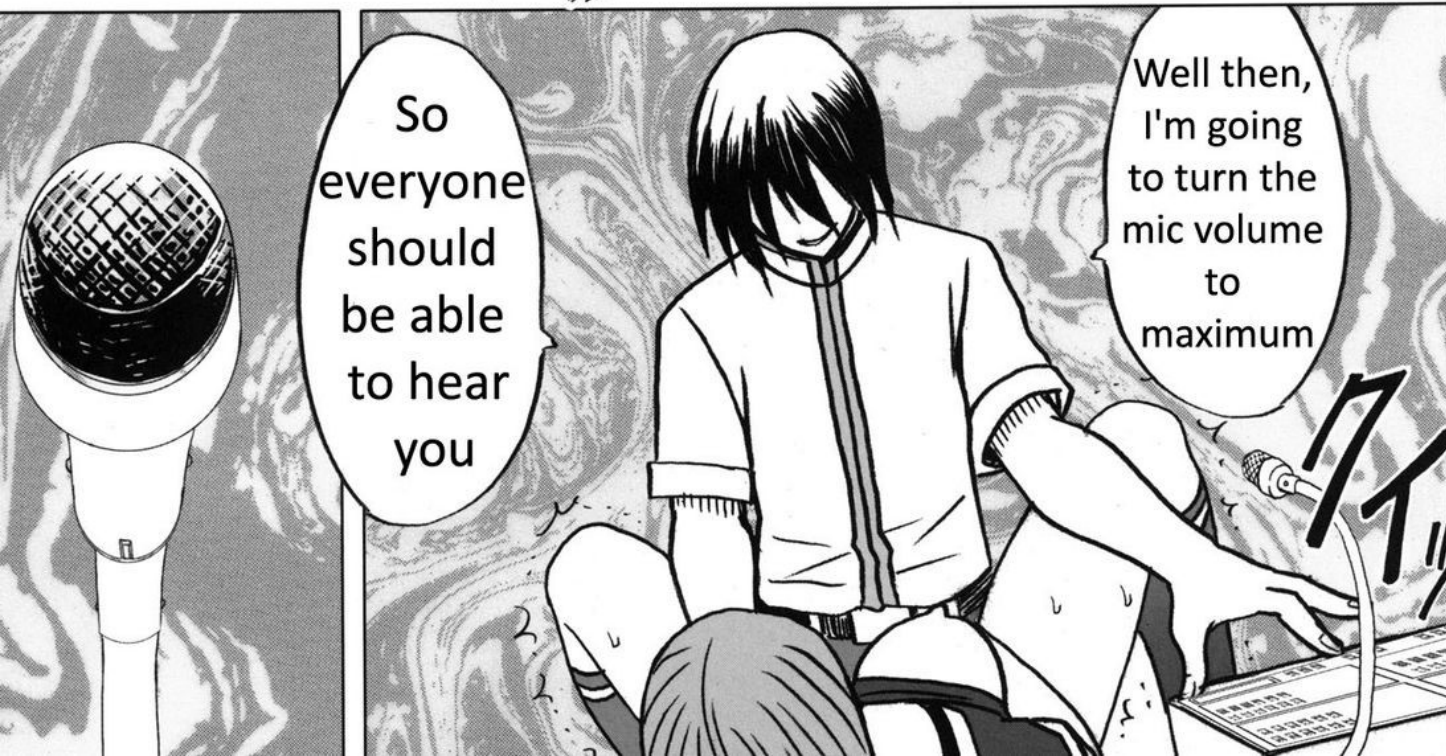

He saw right to my core

A transfer student who I've hardly met, but

Such a young boy

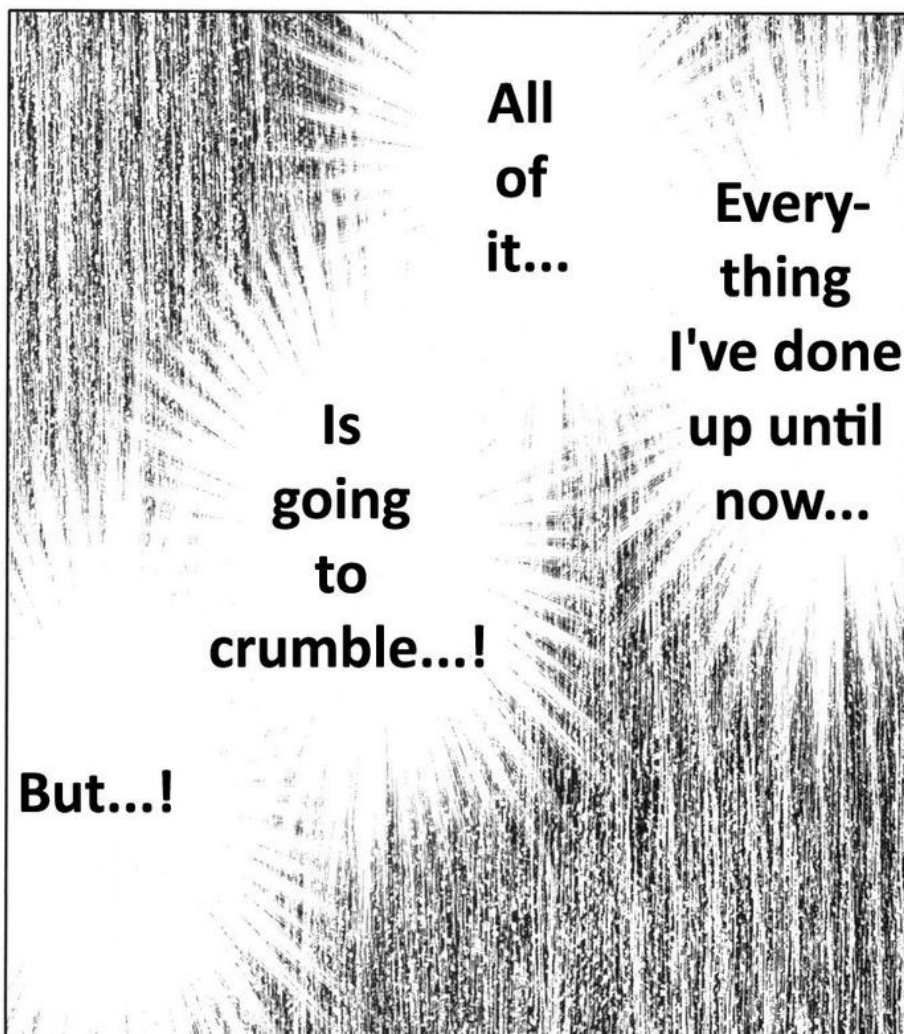

If you
do that,
I'll make
you feel
even
better

Please
tell
everyone
how you
feel right
now

Well,
Senpai

All
of
it...

Every-
thing
I've done
up until
now...

Is
going
to
crumble...!

But...!

No...
no
way...!

If I
do
that

I
can't
stop
it...!

More...
please
violate
me
more!

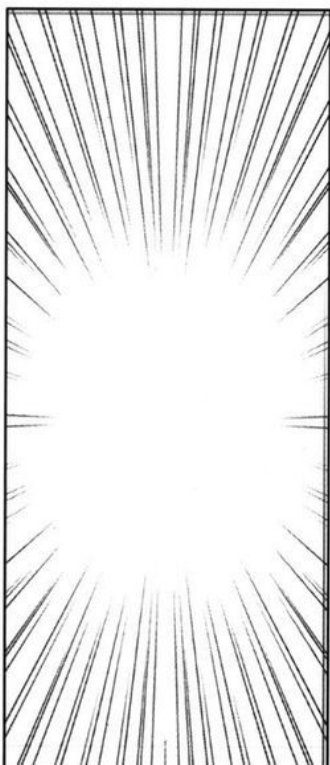

It...
it
feels
good!

Aah...
no
way...!

Even
though
everyone's
listening...!

If
they
hear
me...

A A

A A

A H

!!!

YEAH
