Adopted Daughter
of Ten Days

TN Notes:

This is the first time I've tried translating, rather than reading the raw, so don't expect too much.

This author seems to have an aversion to full sentences, so I have taken some liberty with the translations to try to have it make sense.

I've also skipped all of the sounds and moans because I can't find a way to write them that sounds 'cute' to me, which the protagonist makes reference to a few times. Also, I suck at sounds/moaning, nothing sounds right, and I'm lazy. Besides, if you've found your way to Sad Panda, and then gotten past him, you should be able to understand a few moans.

The English title comes from what the author used on page 38. I know it's not very accurate, but it's 'official'.

同人誌だと、表紙の裏は真っ白なんだけど、
せつかくのデジタル版なので
なんとなく、単行本っぽくしてみました。
あつ、ちなみにどちらかと言えば南国出身です。
だからこそ、北国の色白少女に憧れる！

十日目の少女…

～一ノ瀬 結衣の物語～

The Story of Ichinose Yui

Kitaguni no Yogisha

北国の夜汽車

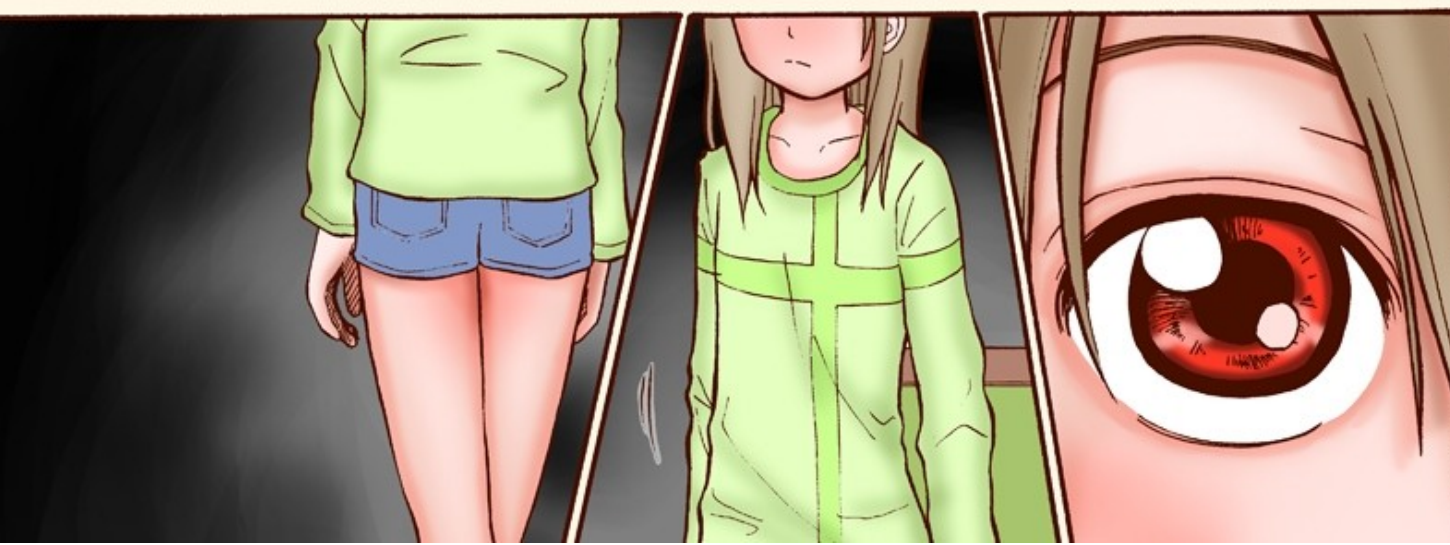

There are a lot of children who had horrible home environments in this facility.

There are also some who carry a darkness in their hearts.

I first had sex
with her seven
days ago.

I adopted her
ten days ago.

Um... Today...
please stop...
putting it in...

Yui...

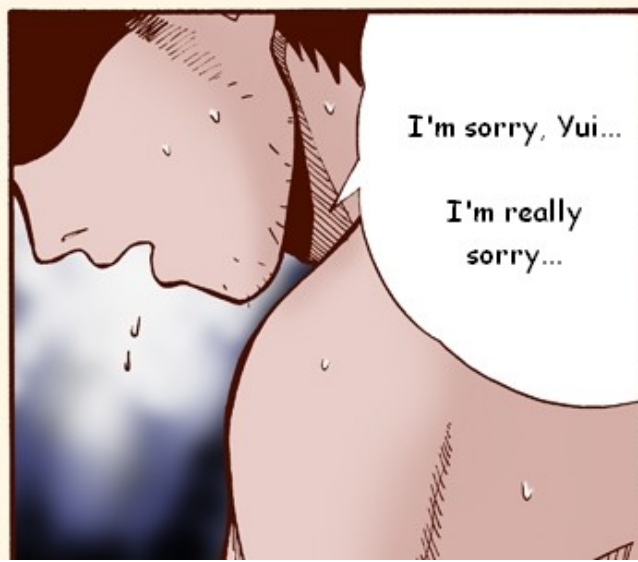

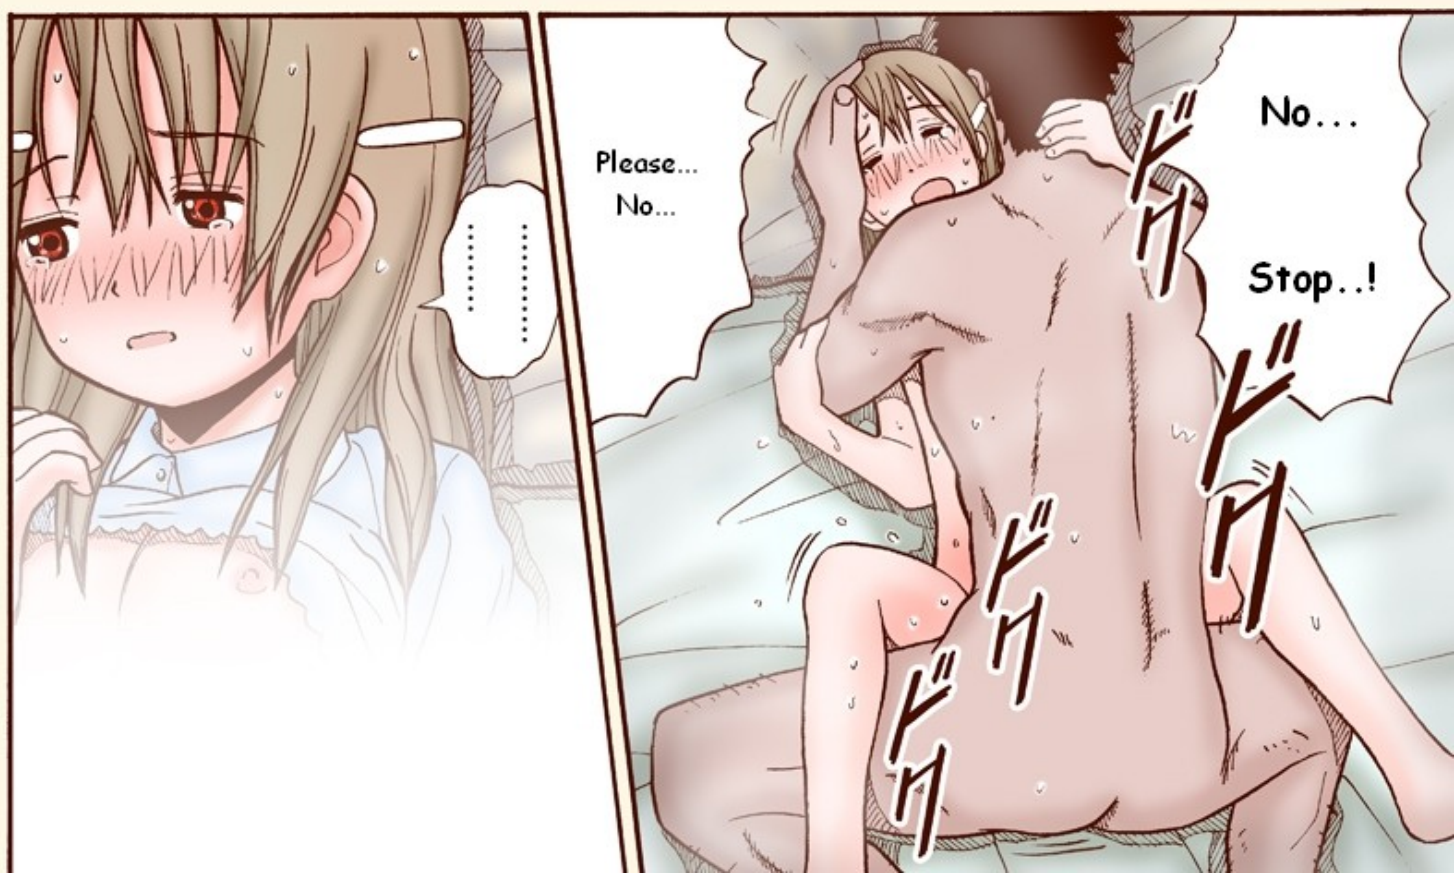

I probably...
ruined...
her life...

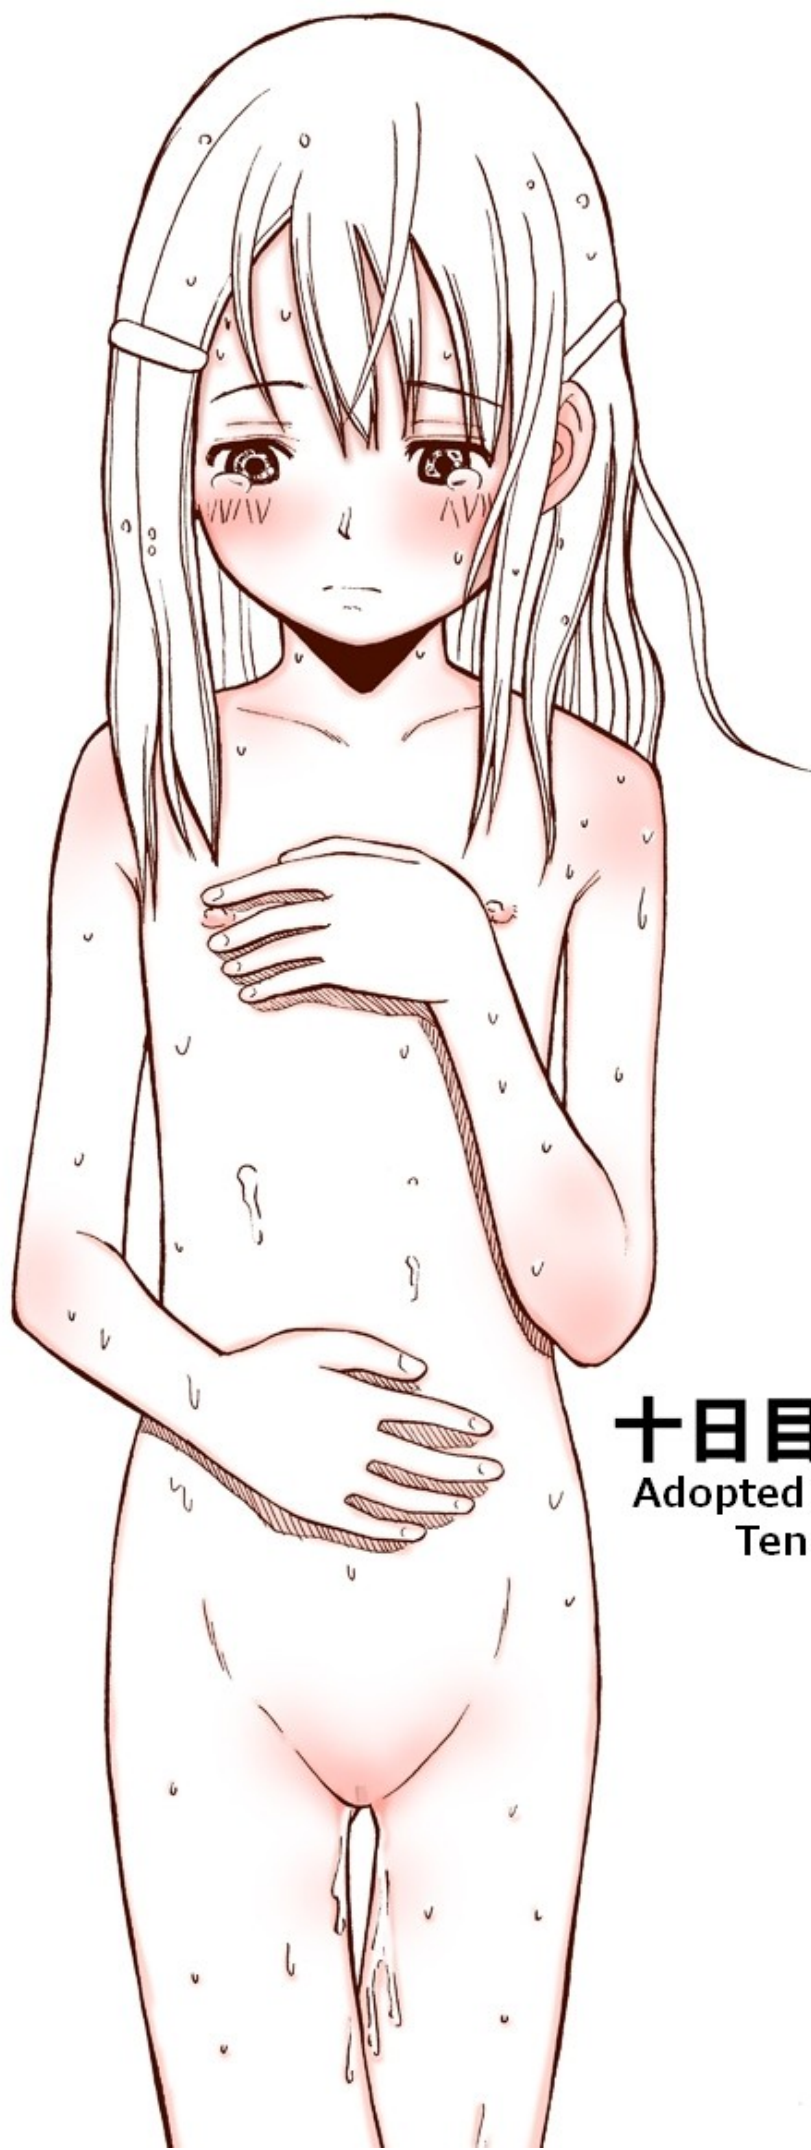

I'm sorry, Yui...

I'm really
sorry...

of Yui's pale
skin and
slender body...

Yui...

Ten days ago...
our life together
began.
It was then that
I realized...

I don't want
to today...

Please...

Endure it...
for a
little bit...

I'm sorry,
Yui.

あつ……

Yui, who has no
parents, didn't resist...
No.. resistance was
not allowed.

Though she's inexperienced, Yui seems to be starting to feel good.

Unable to control her pleasure, her small hips are moving shyly; all while letting out a few tears.

Ah, right.
Until now
we've
continued
all through
the night.

Of course,
I'm exhausted
after doing
that every
night for
a week.

Are you
tired of
me now?

Did Yui's
body not
feel good?

I'm really
sorry...

Yui's body
is just too
good...

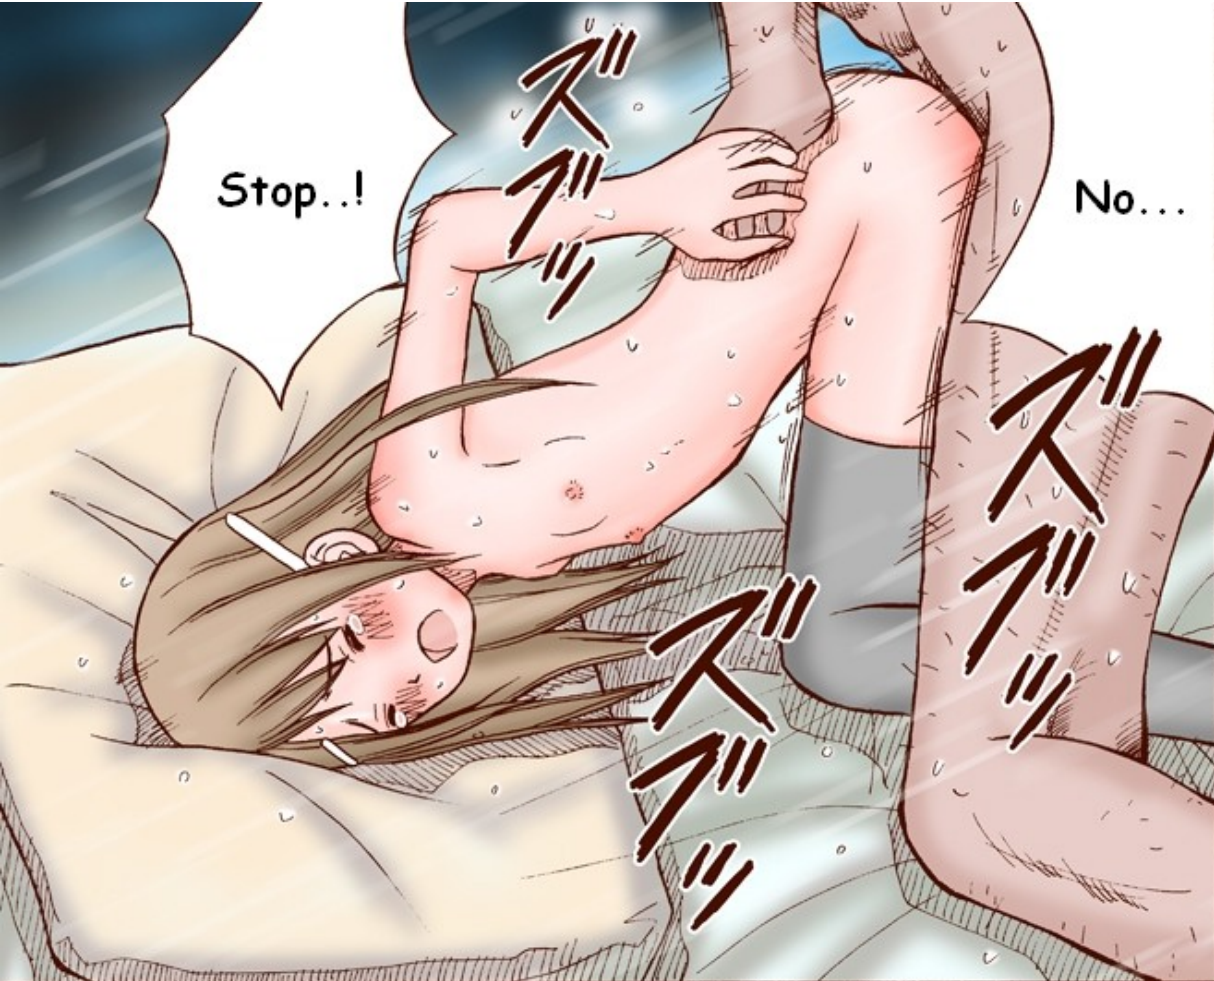

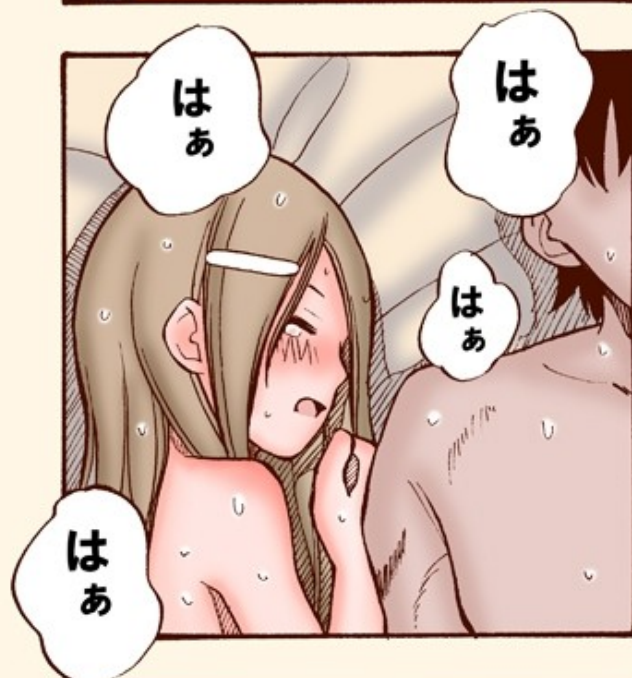

I'm sorry, Yui.
Even though I
already came
inside today..

Though she's
afraid of getting
pregnant, her
body is the
opposite. It
strongly hopes
for it.

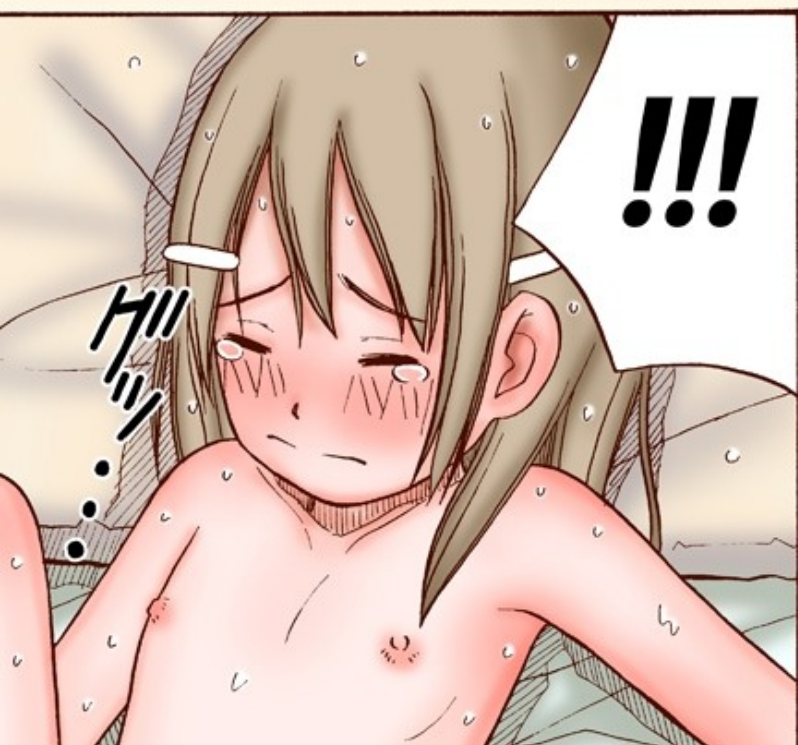

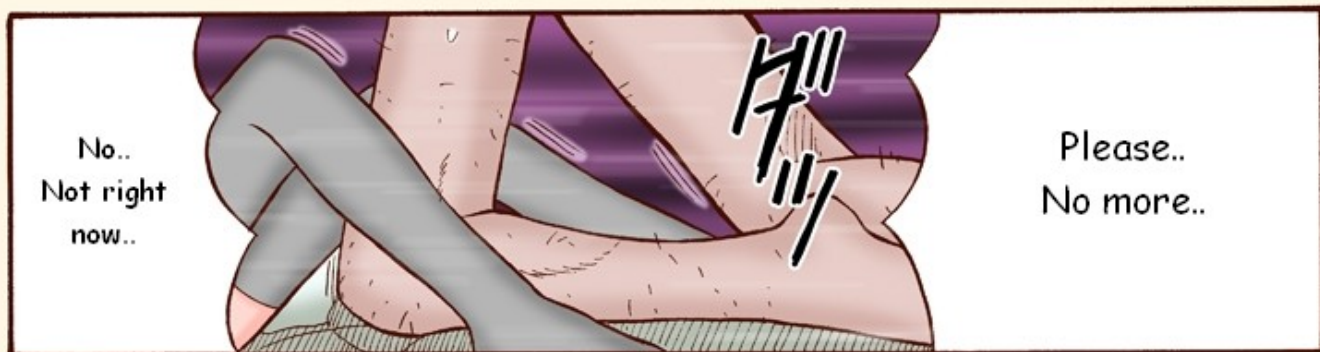

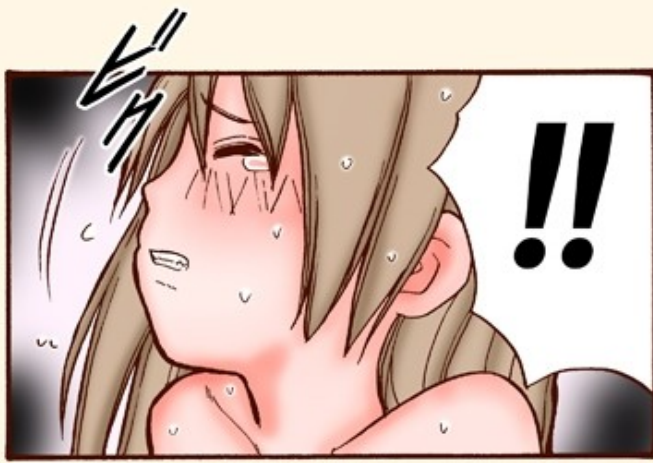

No..

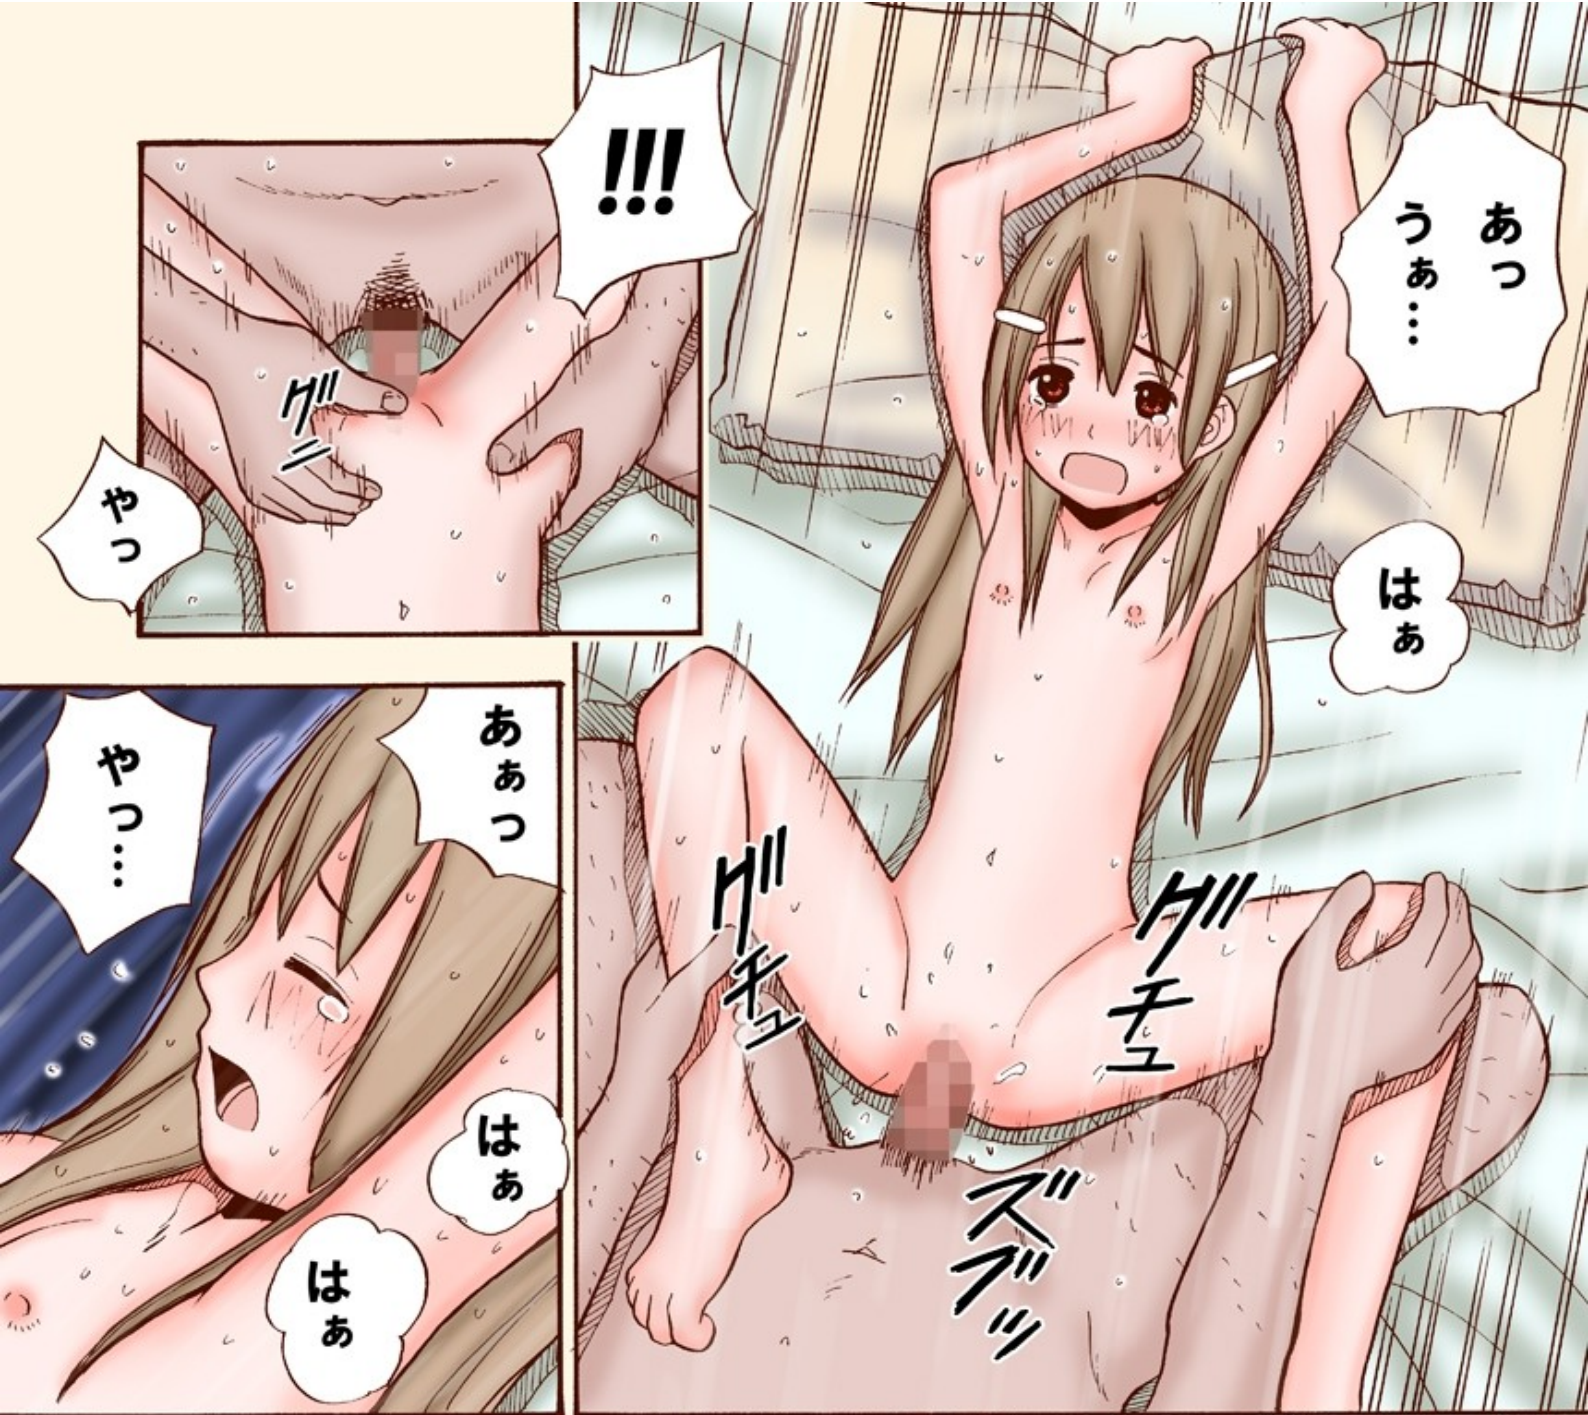

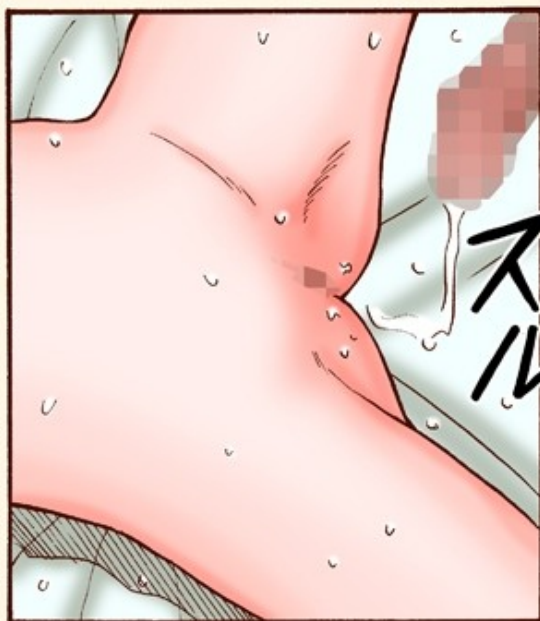

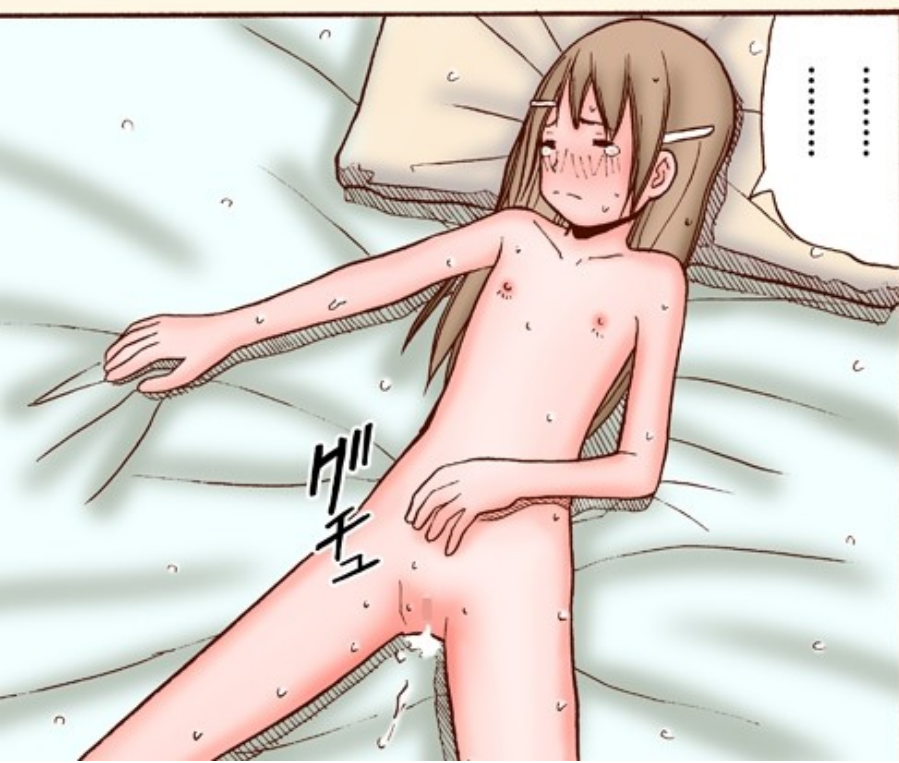

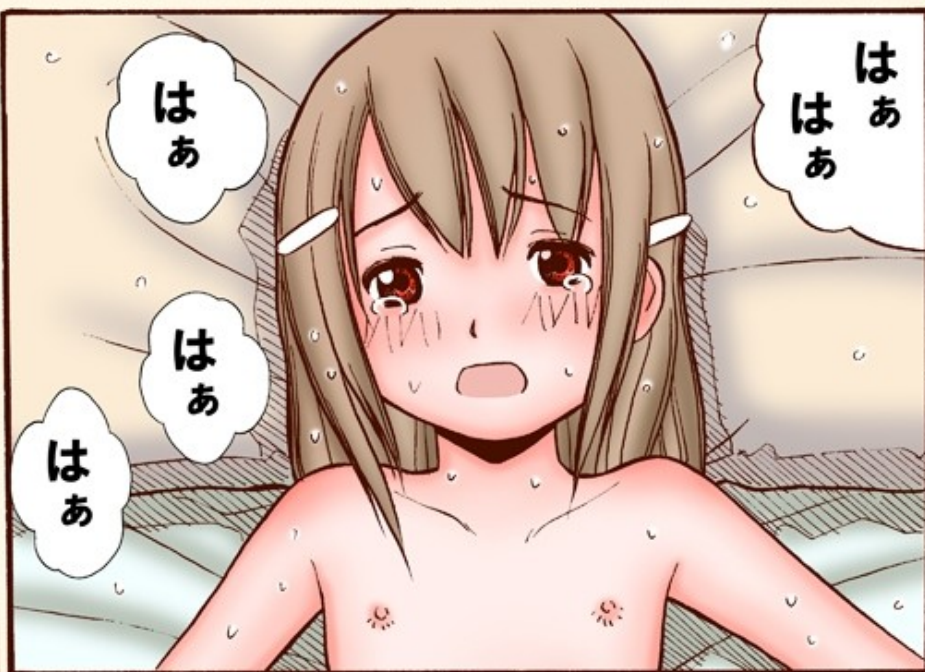

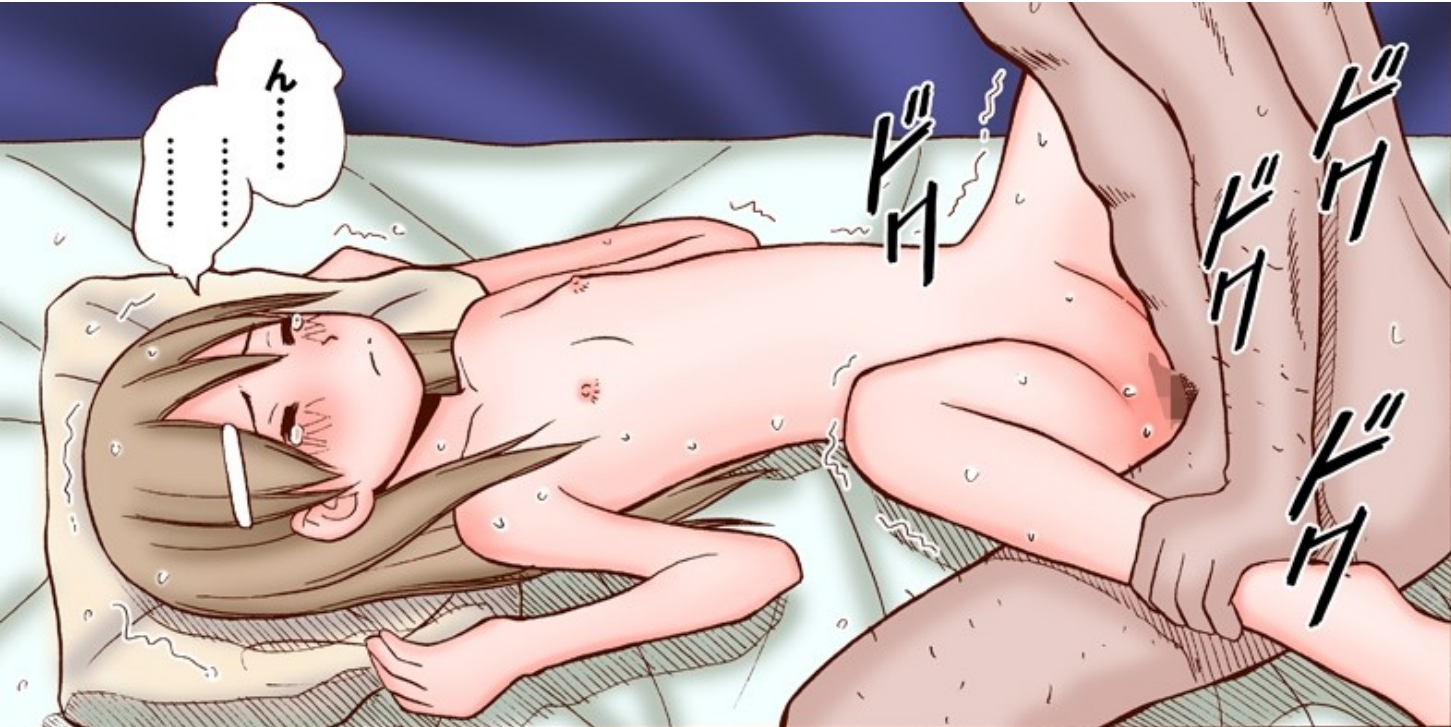

Phew..
Where's my
smokes..?

I lied to get her to take the pill for the past week. It should have already taken effect.

I adopted Yui ten days ago... I first had sex with her seven days ago...

I'm sorry.. Yui...

Yui's doesn't know that she's taken it, and is afraid of getting pregnant. Her body, however, remembers the pleasure, and hopes to get pregnant.

!!!

Nn...

You could get pregnant.

With how much I've cum inside...

I've drowned myself
in pleasure with her
body. Yui probably...
can't return to a
normal life anymore...

I've messed
up Yui's life.

And so.. I
can't be with
women
anymore.

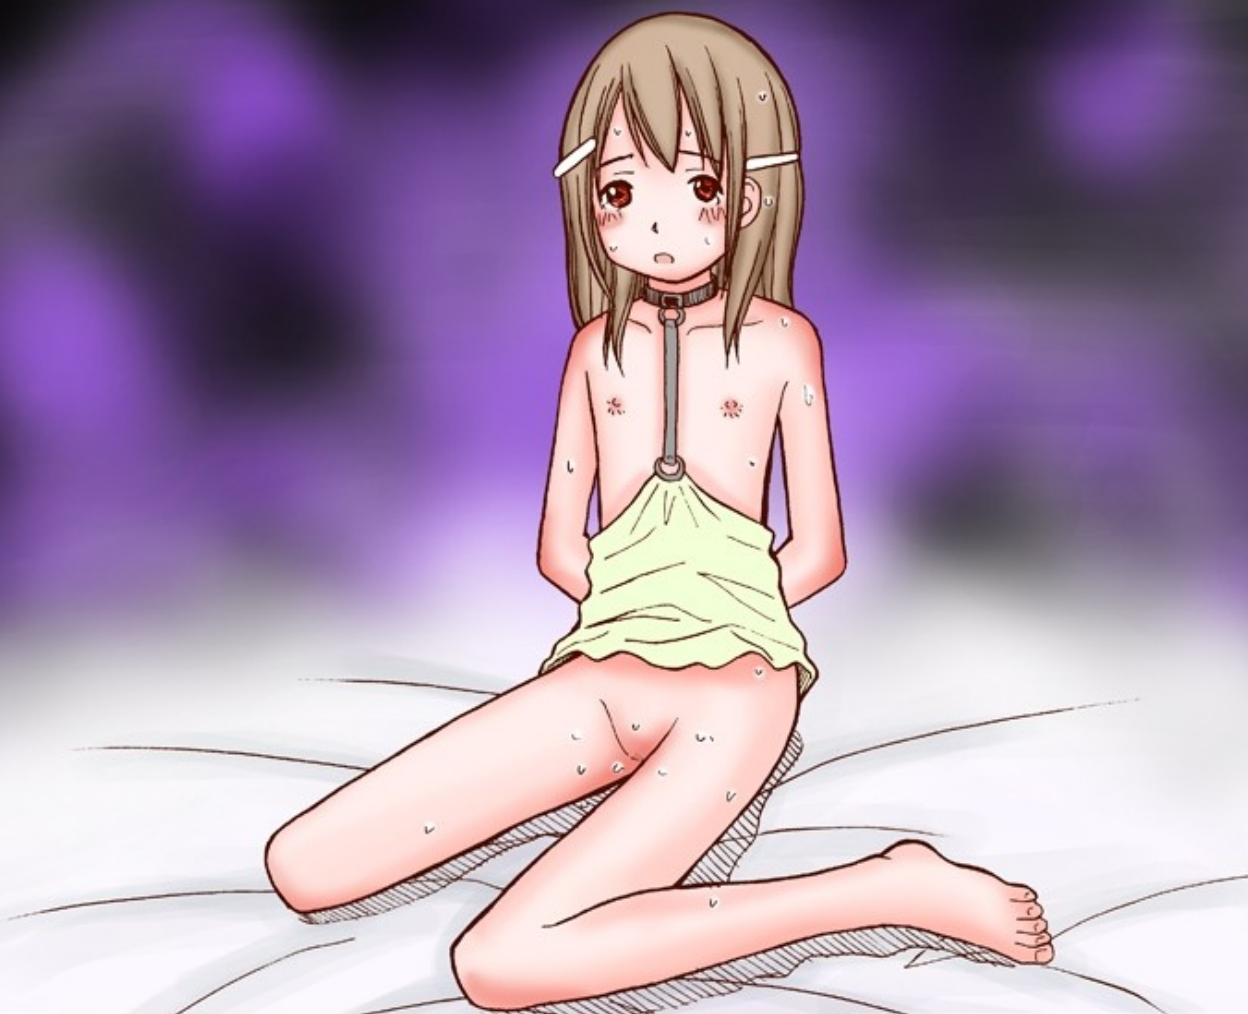

My body can no
longer accept
anyone other than
the young girl
named Yui.
