

Hey,
what's
with the
camera?

Good
morning!

REC

Hmm!
You must
come
home
safe, ok?

I'll never
forgive
you if you
cheat on
me with
an alien!

C'mon, let
me do it!
we're not
going to see
each other
for another
two years!

Stop!
Don't
film me!

Please?

I wanna
be able to
see your
face even
after I'm
on-board.

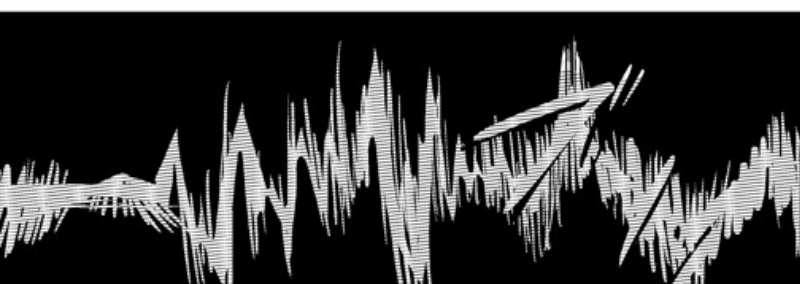

Hmm...

Alright!!

It's not
like you
left me
a choice.

Fine. But
promise
never to
show this
to anyone!

Sazanami, freighter
for the transport
of alien life forms.
Crew: single man.
Alien life form(s)
carried: one.

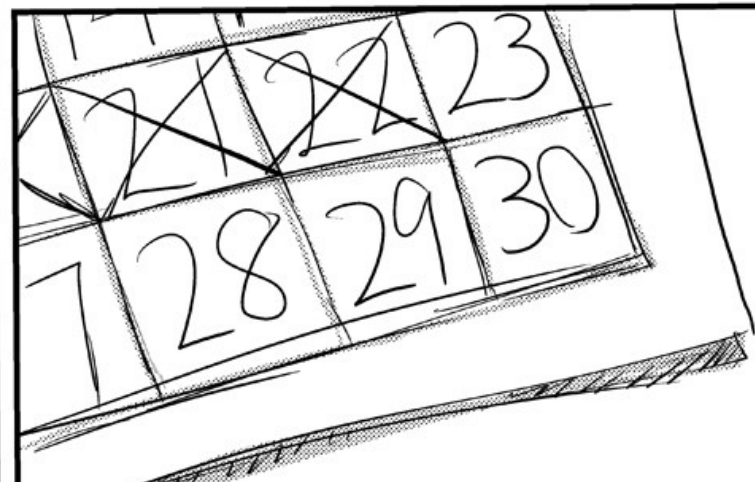

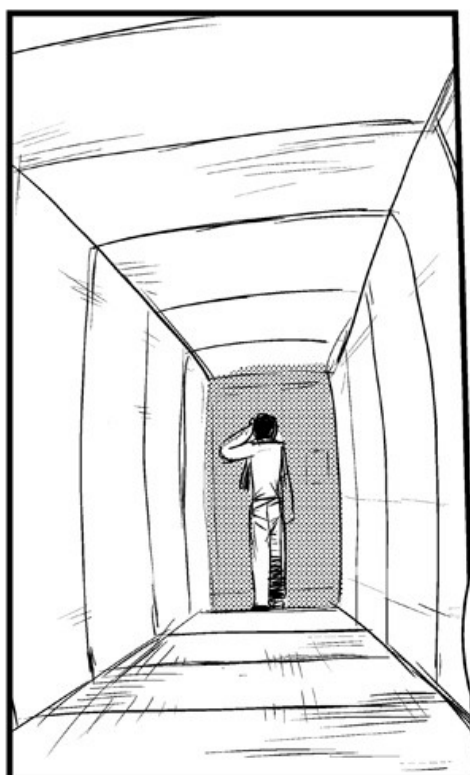

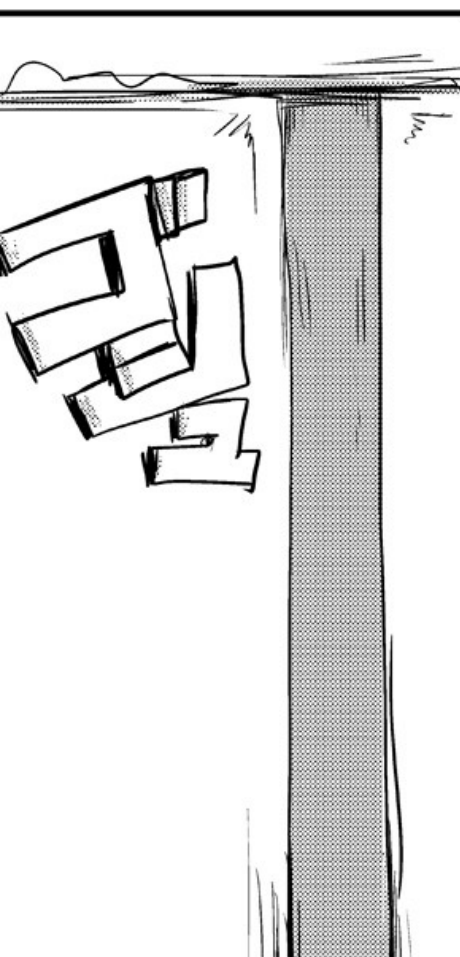

Estimated
time of
arrival at
Earth:
32 days.

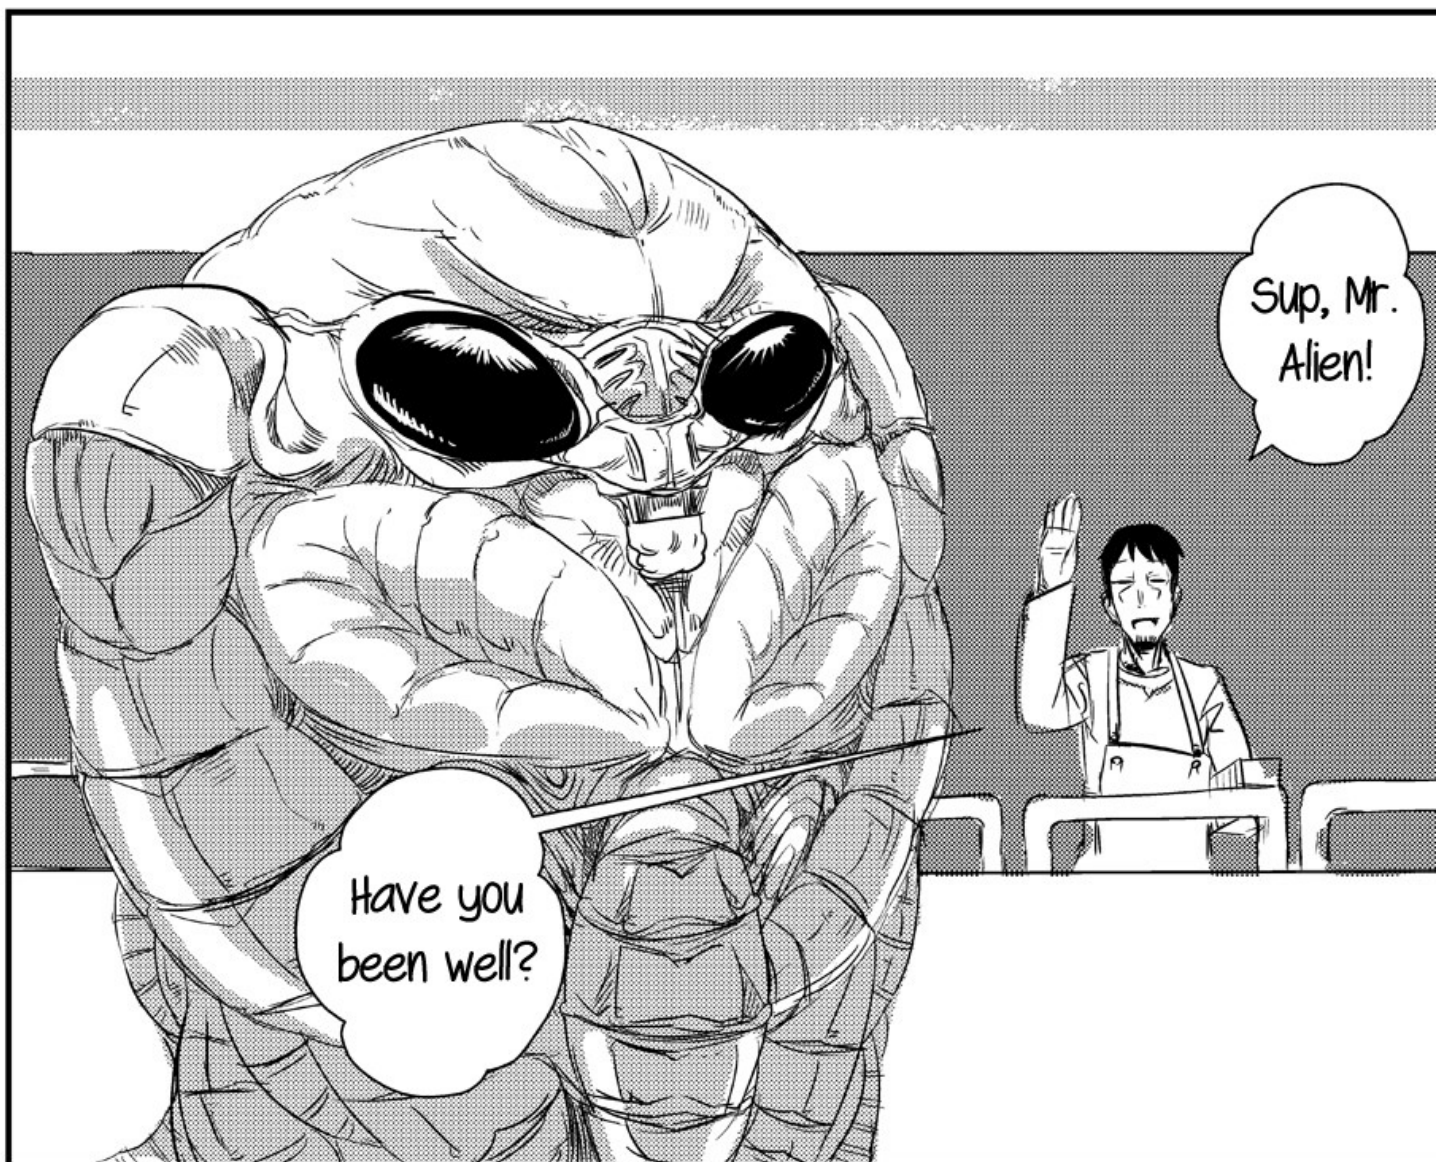

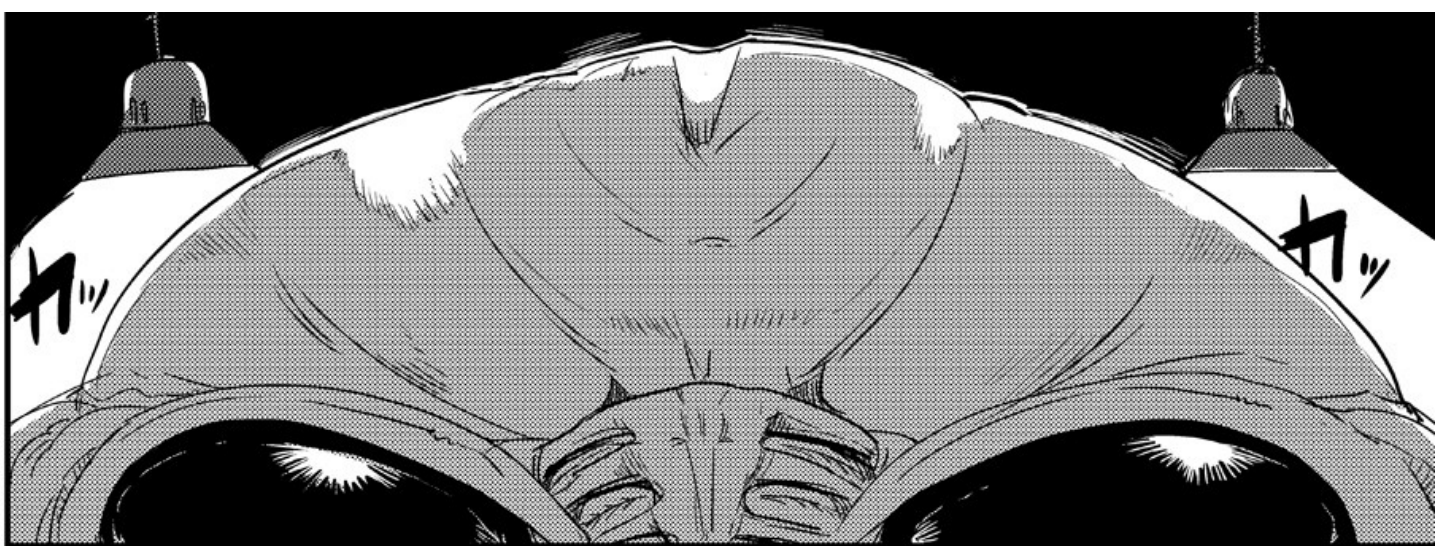

Now that I
think about
it... The date
has changed,
right?

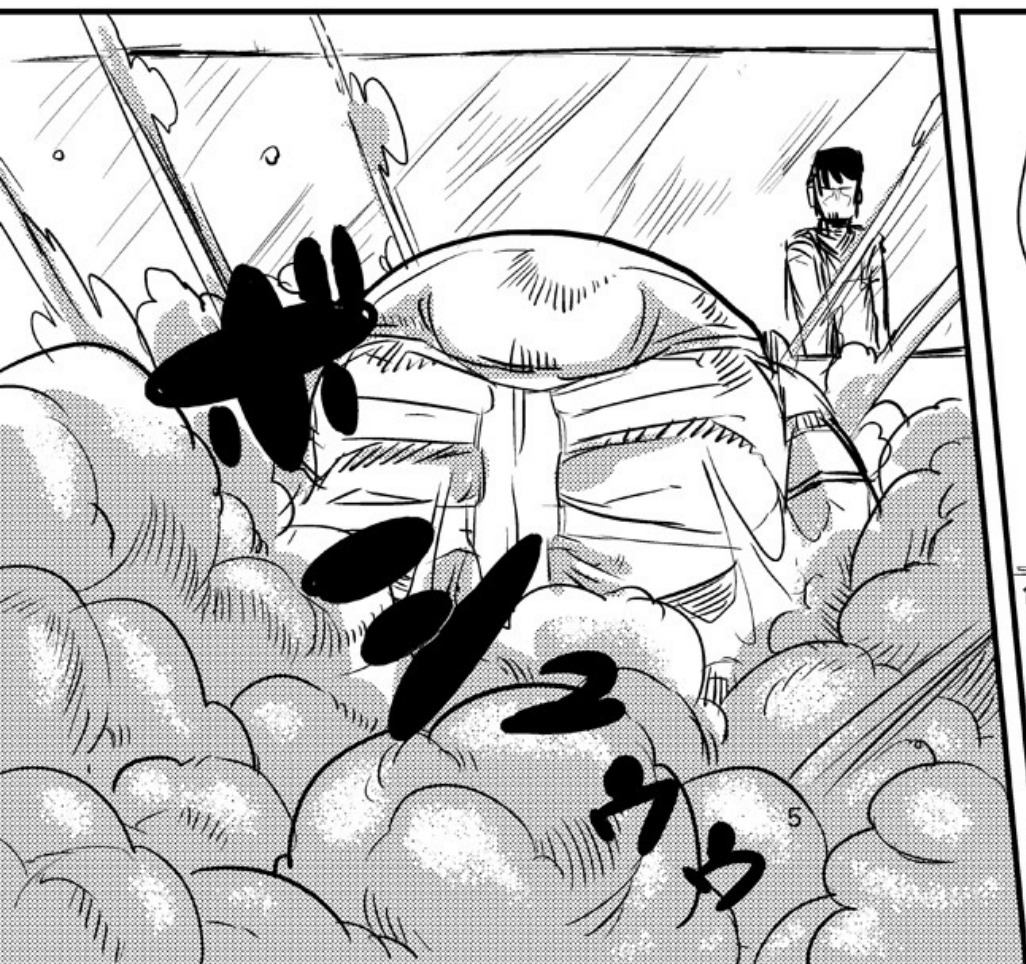

Understood.

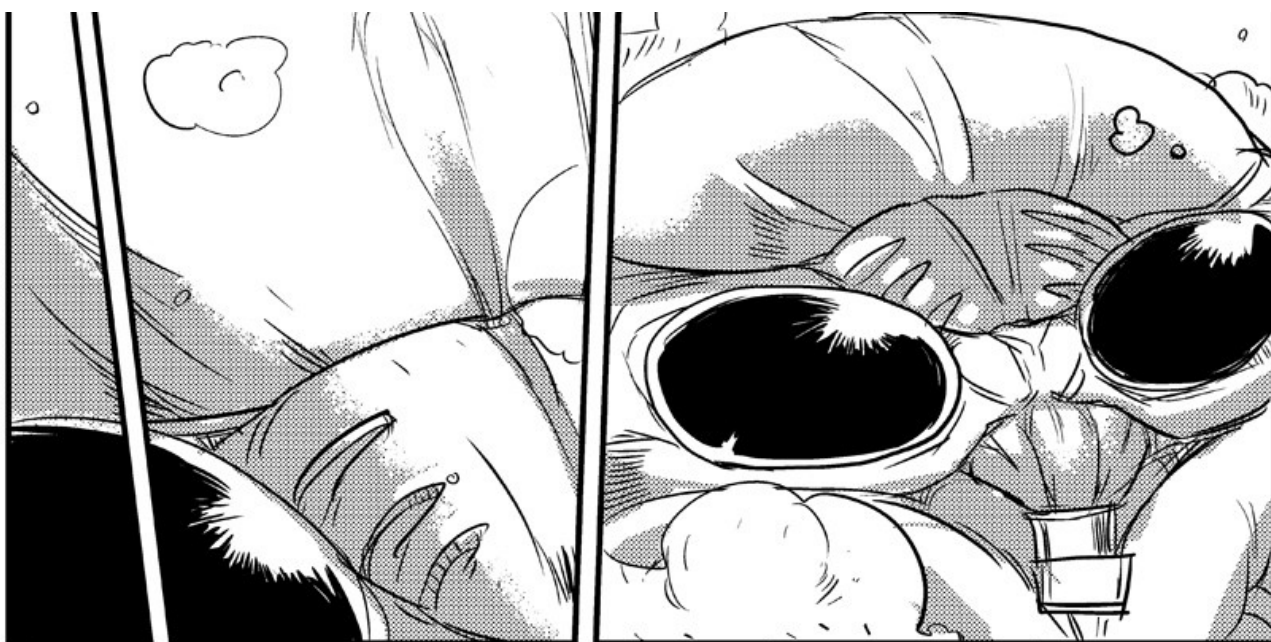

Nah, it's
fine like
this.

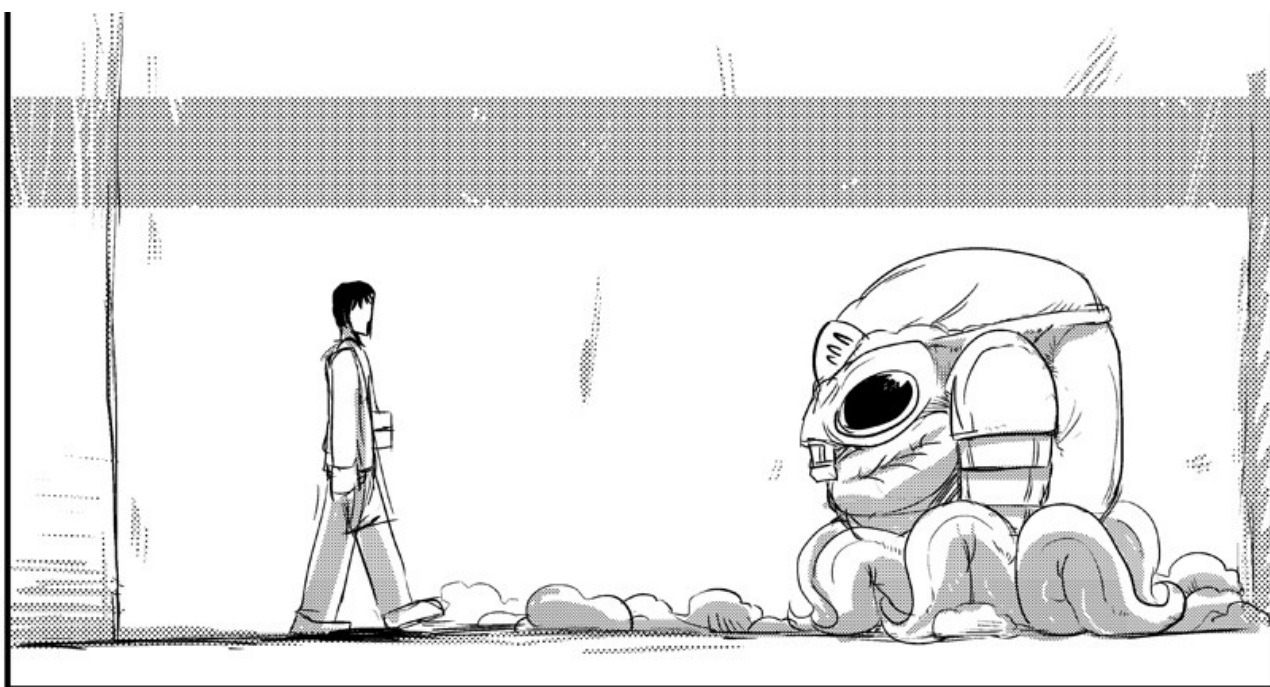

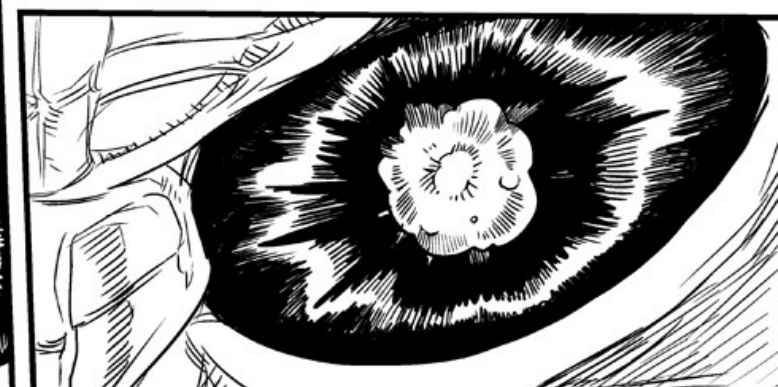

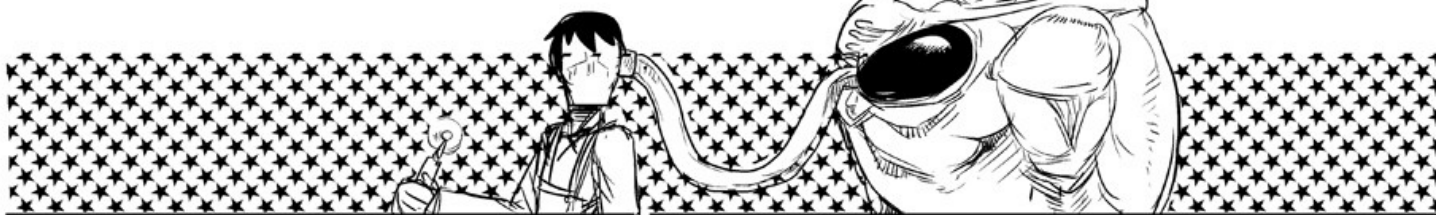

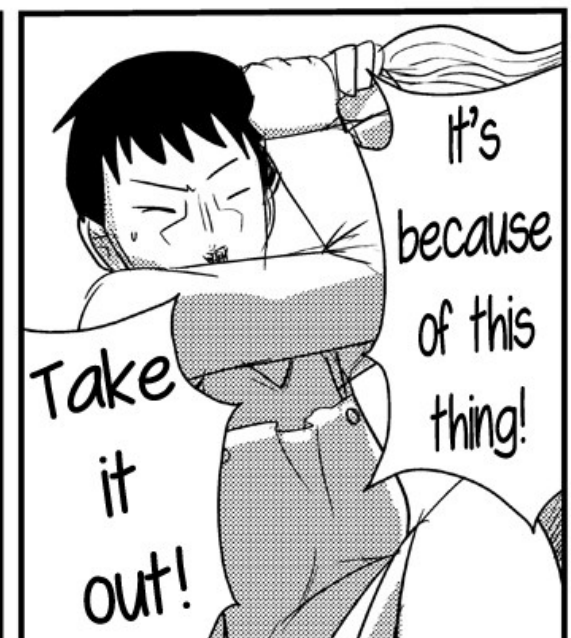

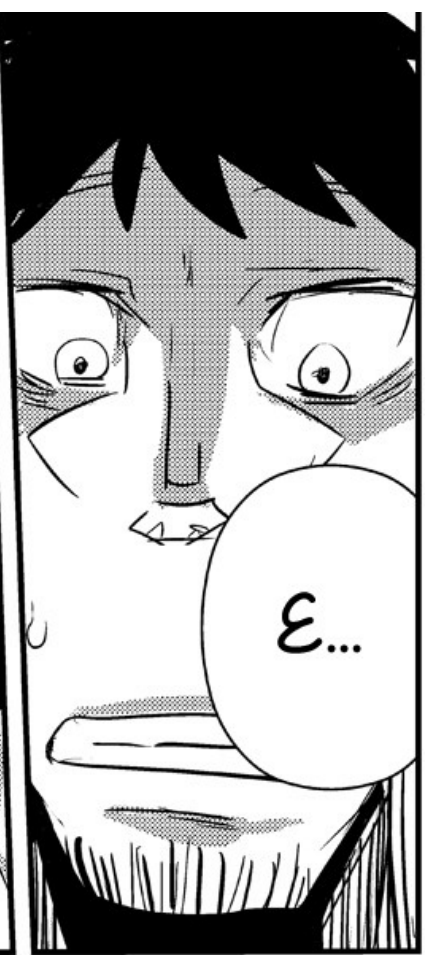

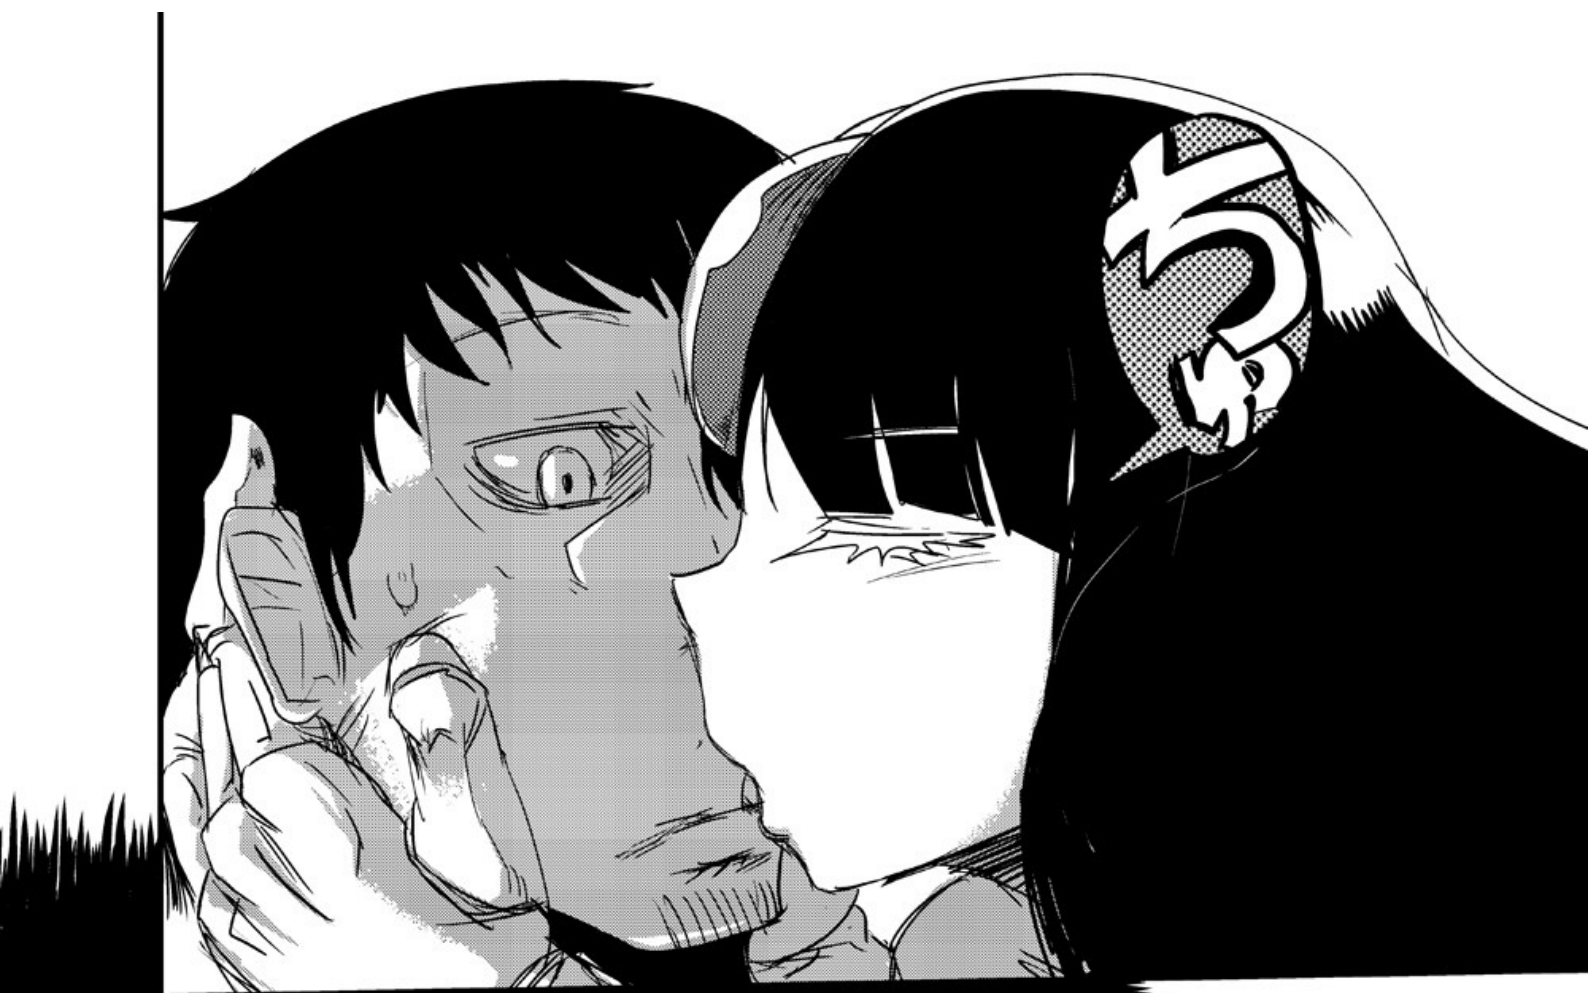

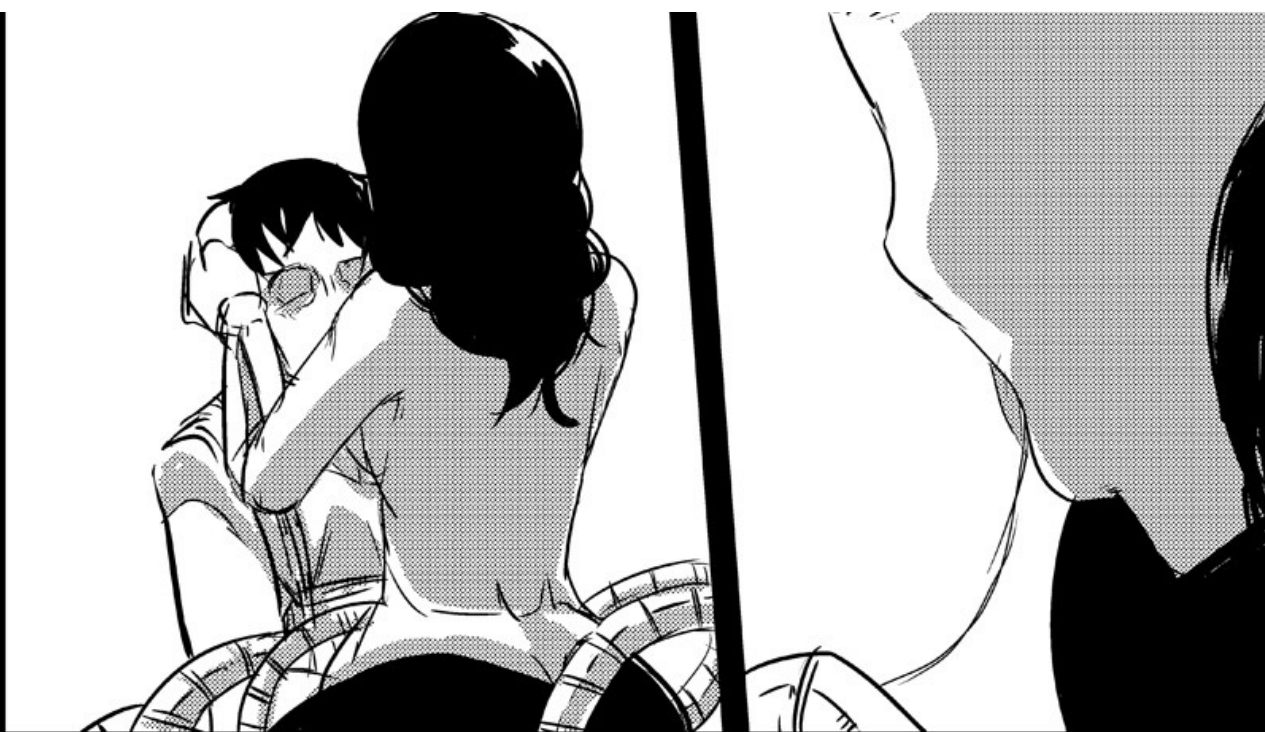

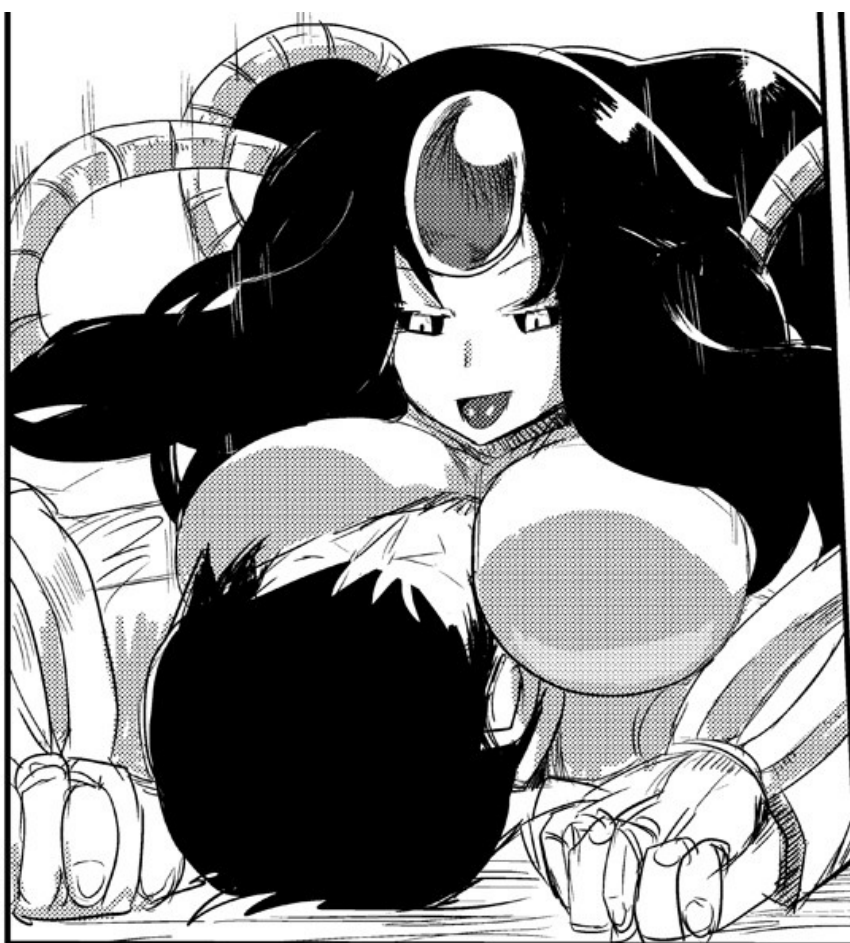

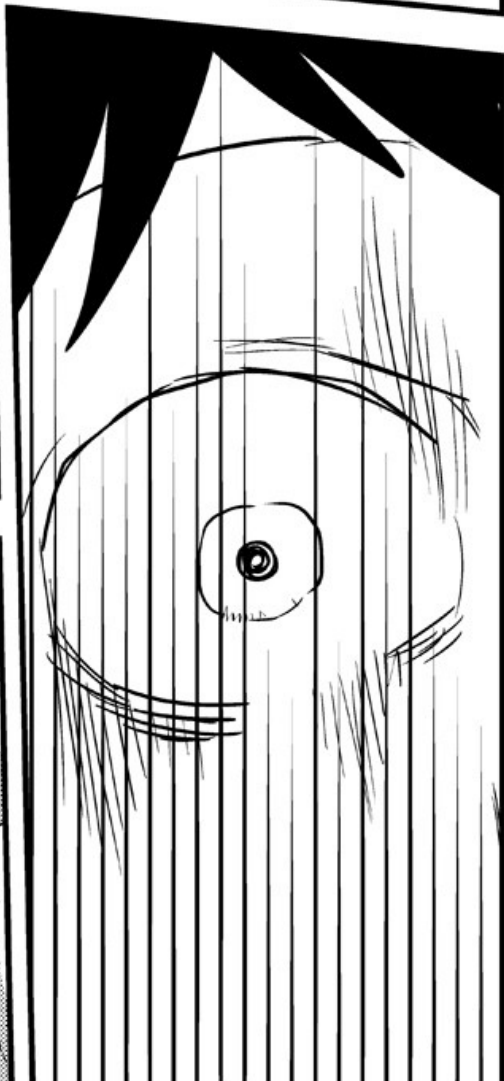

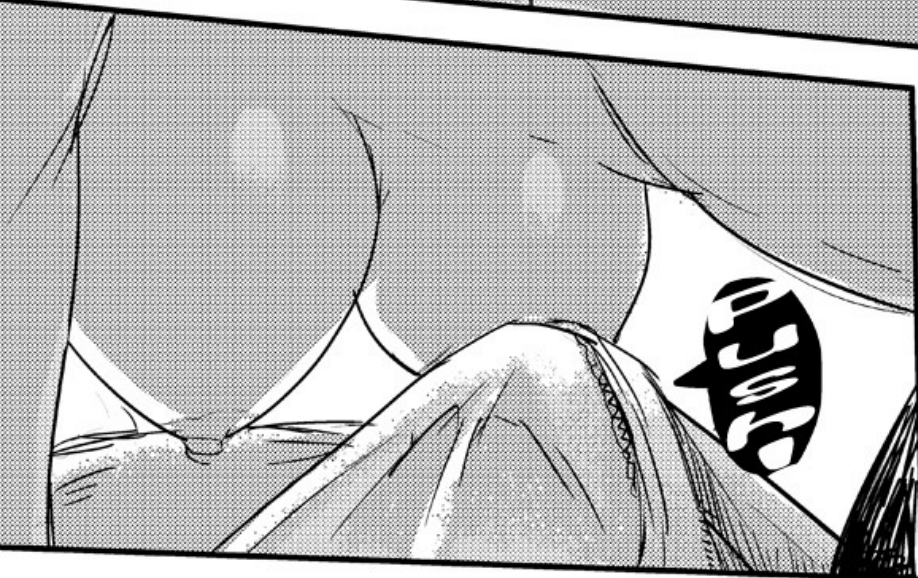

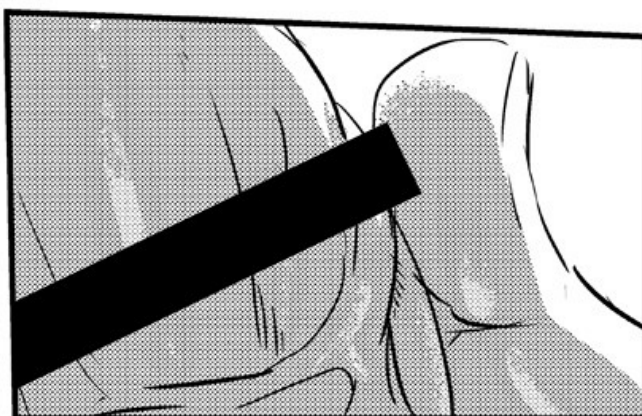

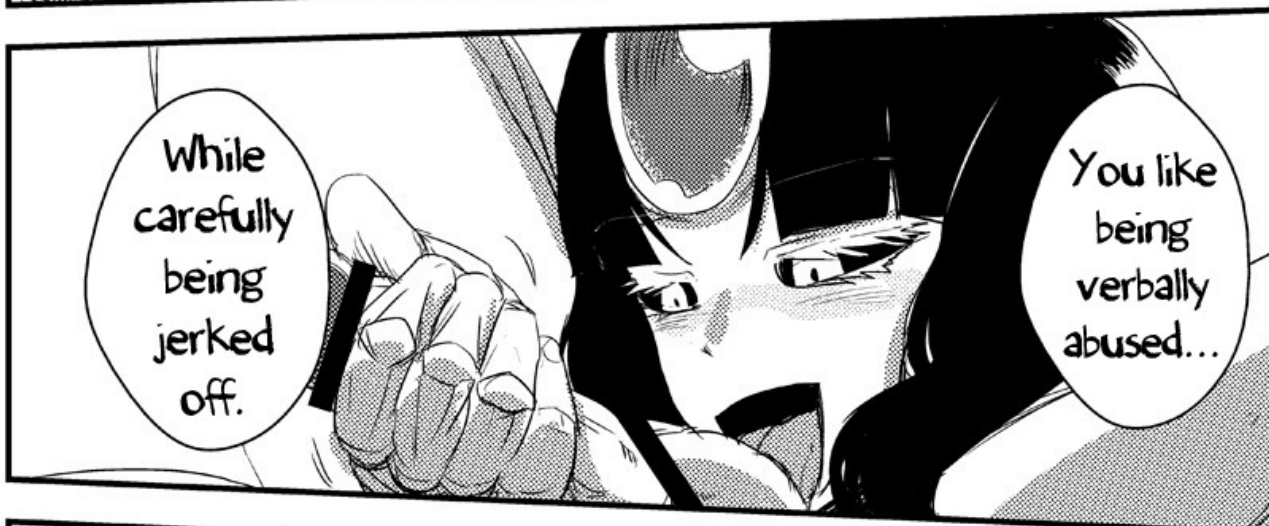

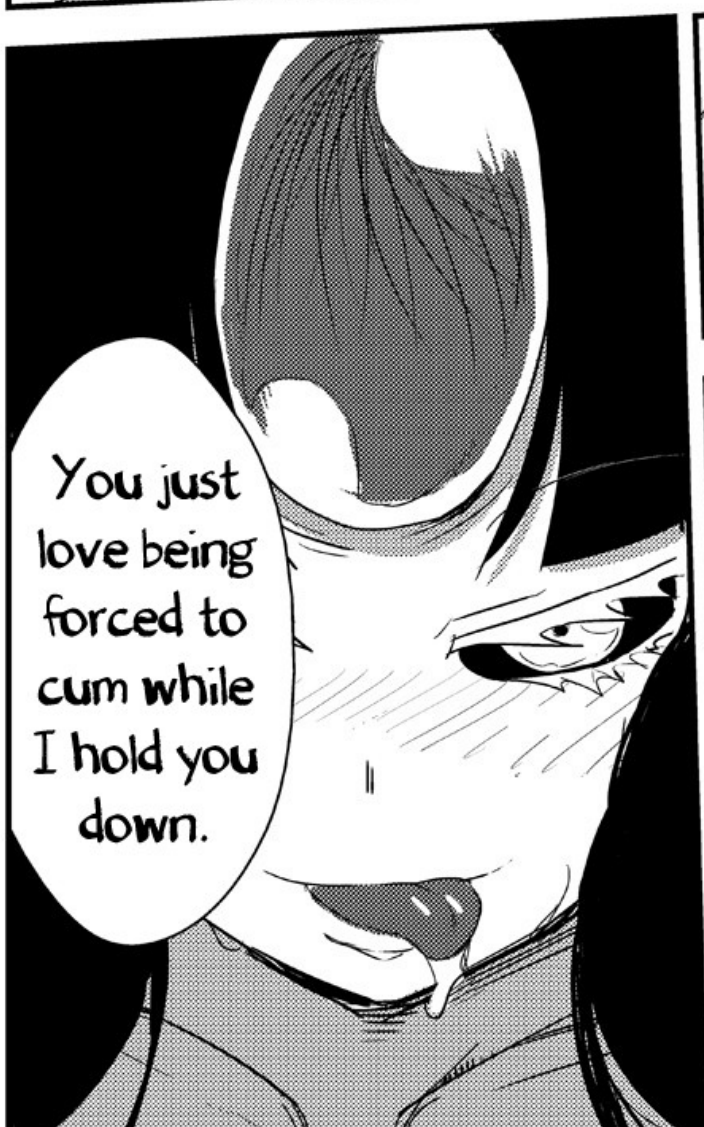

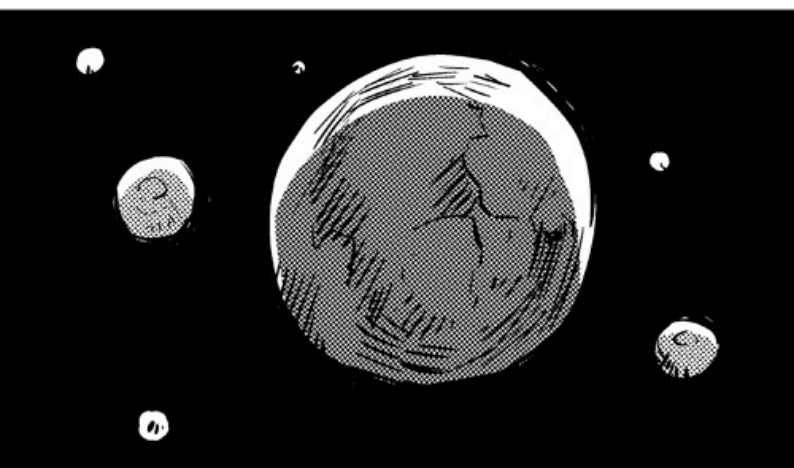

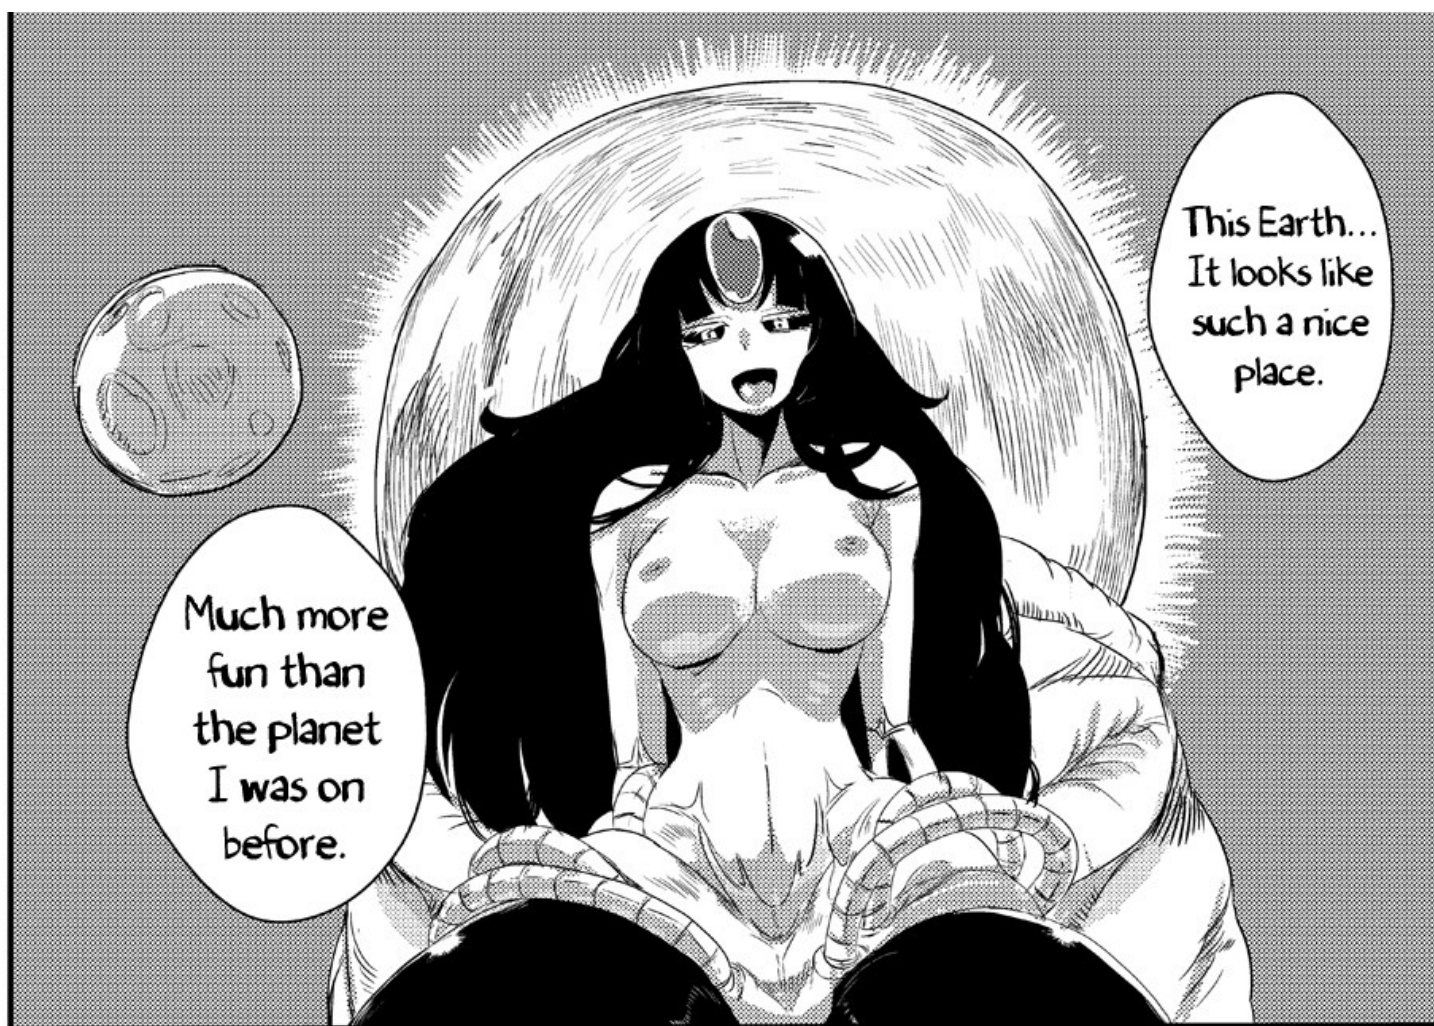

This Earth...
It looks like
such a nice
place.

Much more
fun than
the planet
I was on
before.

I'll do all
the things
you like.

My life will
be devoted
to the sole
purpose of
being by
your side.

I'll
protect
you from
all harm.

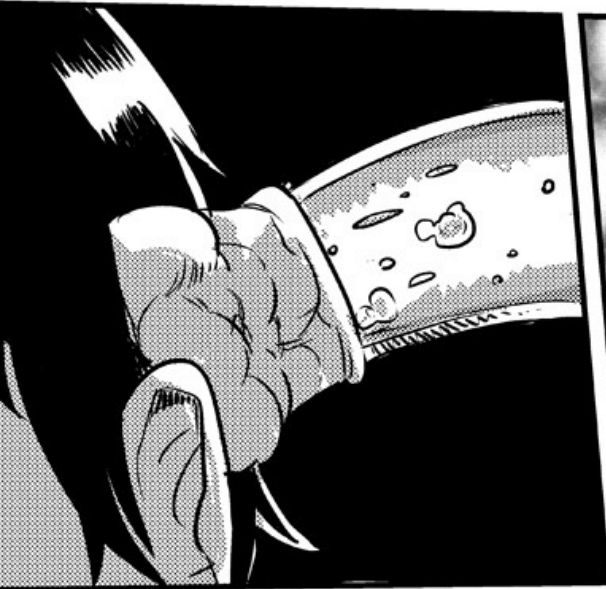

What?

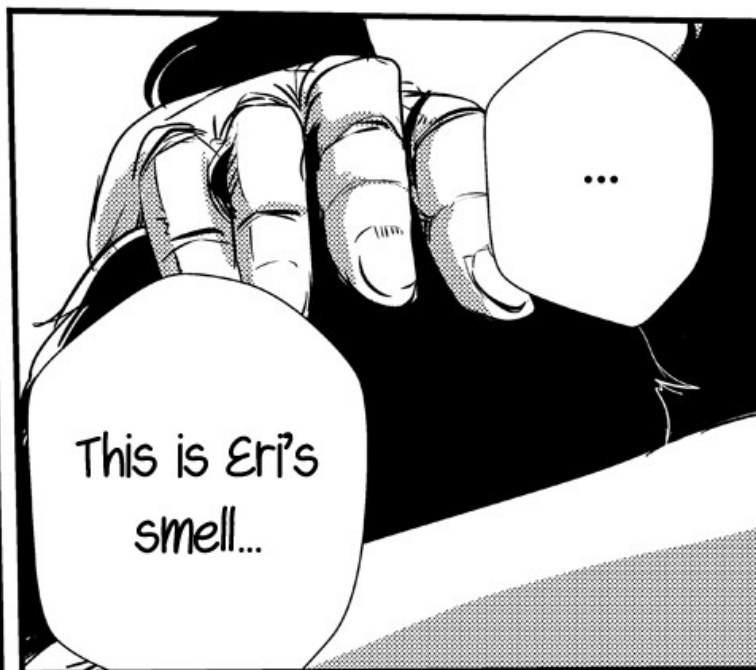

W...

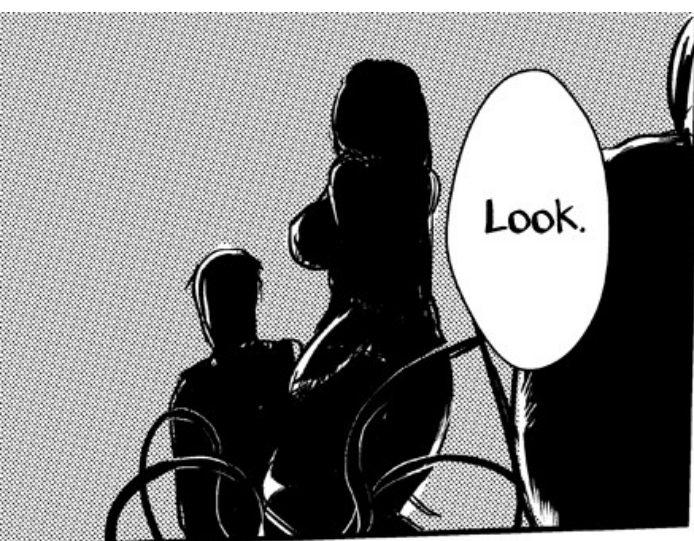

Oh?
Shouldn't
I, honey?

It's going
to be great.
I'll live
with you.

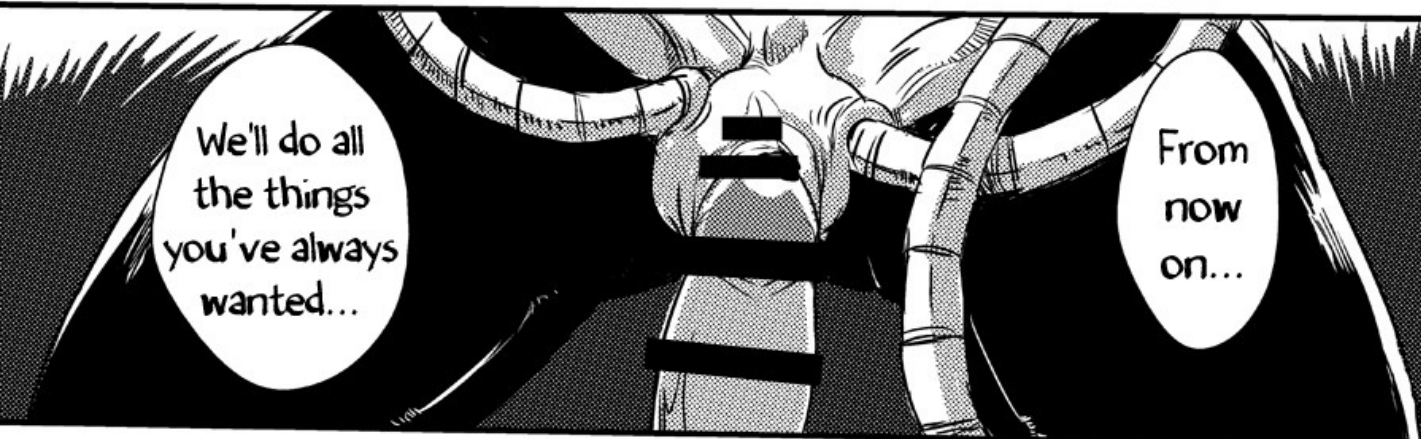

Look.

As a reward
I'll give you
something
you really
want.

Can
you lie
down
for me?

We'll do all
the things
you've always
wanted...

From
now
on...

Salreh!

Those
things
that Eri
wouldn't
let you
do...

It's ok,
don't
hold
back!

Cum as
much as
you
want!

Aha!
Does it
feel that
good?

Or
should
I say...

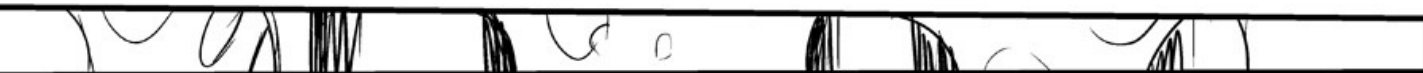

That you
can't
help but
shoot it?

You
can keep
going,
right?

Let's
do it
again.

Eri
speaking!
It's been
so long!

Hey
there
Satoshi!

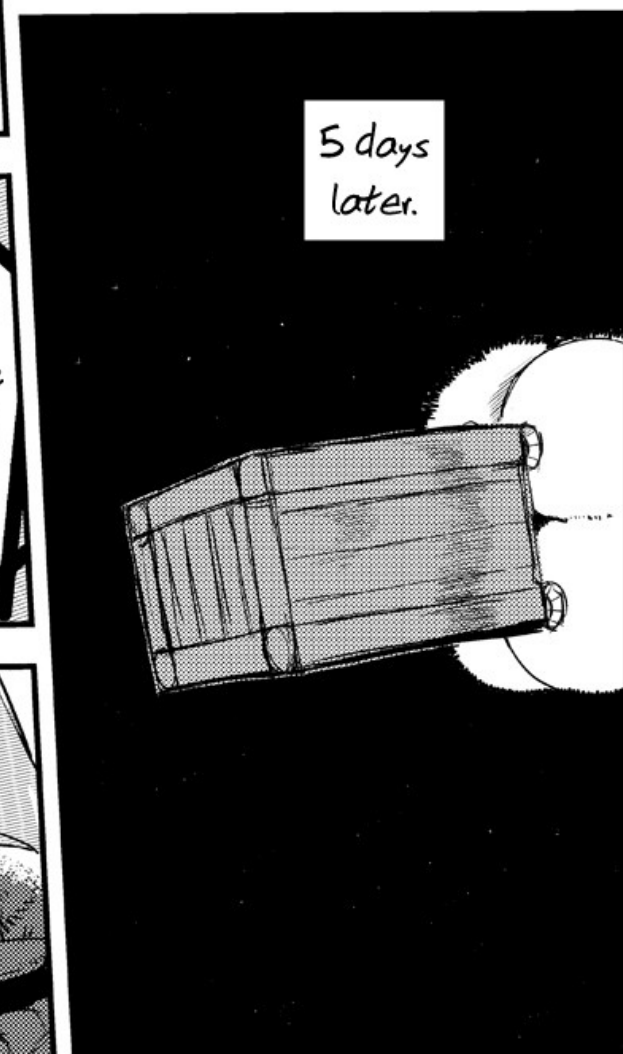

I want
to see you
so badly!

I asked a
guy from the
company and he
let me send you
the very first
message you'll
receive!

We've both
got a lot to
catch up on
from these
two years.

5 days
later.

During these
two years I
got really
close to your
mother!

You know, I
think I've found
a nice place for
the ceremony,
it's close to your
parents' home...

We'll talk
sooooo much
once you're
back home!

I love
you,
Satoshi!
