Their own
feelings

mytyl

I don't...

It's not. Papa and mama do this kind of thing everyday.

Chihine,

the way we're playing house today is strange.

Children are said to be innocent.

That's how something considered unthinkable by adults happened.

Chihine!

Ah!

it tickles!

Chihine, stop-

Ah!

But
to beat
yourself
up after
the fact
is...

It
was...

a
dream.

Ah...
Ahh...

Mother...

What are
you doing?
Tsugumi and
the others
are already
here.

You're
still
in bed,
Chihiro!

I
wanted
to
forget
it!

Mm...

Get ready
and come
down!

Chihine!

Ah!

Tsugumi-
chan...

It's been
a long
time...

Oh,
Chihiro-
chan?
You've
grown up.

Ahh...
To be
remem-
bering
it now,
it must
be...

She's the
living
witness
to what I
did back
then!

Long
time
no
see!

Ah,
yeah...

and...

Miwa
Tsugumi...
My childhood
friend from
six years
back.

We did every-thing together...

Like sleeping, and bathing...

even that.

and...

Tsugumi was one year younger than me, the daughter of my mother's friend who lived in the neighborhood.

We were raised like sisters when we were young.

After I understood what we did, I was afraid of contacting her...

What is it, Chihiro?

W-Wha? This is...

She had to move away because of her parents' jobs. We exchanged letters for a while, but...

Ah!

I missed you!

Chiho-nee!

...Does she still remember? What should I do...

I thought you hated me!

You never replied back.

That's not it! I was just... busy back then!

I wanted to... see you too.

Yeah...

Hey,
Chihine.

Ahh... They
don't know
about it...

I'm so
ashamed...

Aren't you
glad to hear
that they're
moving back,
Chihiro?

...mm...

Hehe, it's
been so long
and they're
still close.

Hm?

Can you guide
me around?

It's changed a
lot since I lived
here.

She's just as cute as before!

Ah...
Okay.

Tsugumi-chan... hasn't changed at all...

Come to think of it... we always walked around like this back then...

This makes me...

feel like I've gone back to that time.

Yes. It's summer, after all.

Eh... A sleepover?

Of course!

Is it really alright?

Um... Mother, I...

Please take care of my daughter.

Oh no...

Don't the two of you want to spend more time together?

...Was the bed always this small?

I wasn't ready for this!

Wait...

Am I so conscious of it because of what I did?

I wouldn't have worried about it in the past...

What should I do? I'm so nervous, I can't sleep...

Tsu... Tsugumi-chan?

Eh?

Mnn... Chihine...

Eh?

She's asleep... right?

Chi-hine...

I'm awake, you know?

W h a a a a

W-Why are you...

Hehe, I knew it.

Mn?

Tsu... Tsugumi-chan?

mhh

nhhhh?

h

W... What are you doing?

Isn't this overdoing it? Are you really asleep?

to suddenly say that...

But... we haven't seen each other for so long...

So there's no problem, right?

I love you.

Tsugumi-chan...

Being touched by you.

I realized it was embarrassing when we met today, back then too, but it felt good.

Do you remember?

Tsu... gumi...

ah!

That's why I've always wanted... to do it for you too...

I-Idiot!
It's embar-
rassing!

How you
were always
letting me
suck them
when we
played
house?

These
are
mama's
BOOBS!

ah!

We're
going to do
even more
embarrassing
things
together
though.

Ah...
Tsumumi-
chan!

It's a little
different
compared
to then...

That
place
is...
dirty...

Let's do it together... okay?

I don't want to be the only one enjoying this.

Stop...

I don't like this.

Chihine?

Just that much would've been enough for me.

Chihine...

I got this wet...

While I was licking you...

Look.

ah!

I'm going to do it to you in return.

Even if you didn't ask

Touch me! The way you did before...

Tsumugi-chan

Chihi...ne

hah!

Spread your legs a bit?

Try lying down. I'll use my mouth.

Chihine
...ah!

hi

I too,
want
to...

hyah!
hey-

..55555..

ahh!

You're amazing. It's not even a girl's school and yet juniors are confessing to you left and right. How do you feel about that?

She'll go out with a guy for a few months, sometimes as short as three days. Thanks to that she's considered the enemy of all the girls in school, and I'm her only female friend.

She's been my friend since middle school. Her personality's great, and she looks gorgeous. But she has one big problem.

What? I came because you said you wanted to see me and then this?

A confession or two is fine, right? You're worse, for turning them down too!

That's why I'll accept two candidates next time.

But he's so persistent.

She thinks I'm... not interested in men... Actually, even I have someone I like.

Like a spare for emergencies.

You're going to get stabbed someday, you know? And what do you mean by two candidates?

There's nothing wrong with that!

Got some other shampoo?

N-No! Get back in already!

Sheesh... Oh, are you sleeping over again?
Yeah. Time's important. Is your bath ready?

This one's pretty interesting. Got a message, wanna look?

That was such a loud cry earlier. What happened?

Beep Beep

If she actually knew... this would be really cruel of her, always talking about this or that guy.

...Eww.

Beep Beep

I've prepared myself in various ways, you know?

Isn't she cute? Try talking to her.

I've been getting texts about things like his abs and arms all day.

...!? Hey-

Eh?!

Duck!

He must be all smelly cause he's the athletic type- Hey, you're blocking-

Hey!

You alright?

Even so, if there was a God in this world, it would be nice if he took pity on me and gave me a reward.

It happens from time to time, but I was pretty unlucky today. I know that doing these things won't make her recognize my feelings.

Now you thank me?!

You're right. Thanks!

That's not what you say to the one who blocked it for you.

How did you learn to block balls with your face?

You looked pretty cool there.

I can't... Why am I so confused? What should I do in this situation?

No, I mean-

Eh?

Uwah!

I just blurted that out on the spot... Pass it off as a joke?

Hehe. If you were a boy, I'd talk about rewarding you and make my move! In bed service!

I'll take that reward, then.

mhh...
mnn...

I haven't
finished
rewarding
you yet.

Besides, it's
not like I
hate it.

...God, this
reward is just too
stimulating. The
way we are
now...

...We can't do
this. You'd be
disgusted,
and I
was just...
teasing you,
so let's end
it here.

はあ

Sigh

KISS

They're my pride,

you know.

Your chest's pretty big.

Yup.

So that's a "yes"?

You're proud of how big they- hm?

It's unfair for me to be the only one naked! You take off your clothes too!

H-Hey! What are you pulling my shirt for?

They're just fine.

And I like them for their shape.

...They're ... small...

Go a little slower!

Uwah... We're nude and so close to each other...

hey... mh...

Haven't you masturbated before? This is enough to get you wet?

Shut up...

haa
haa

You're just too entrancing. Just from being connected to you,

ah!

my body heats up, I get dizzy and can't think...

No, um... it's my first... time...

Hearing that got me a little fired up.

So it's your first time doing this as well.

haa

Don't... stick... your fingers-

haa!

ah!

No... this is....
how can I

act normally around
her after this?

You wouldn't
sleep with
someone you
didn't like,
would you?

Afterword

Nice to meet you, I'm Mytyl.

This is a reprint of the book that came out in Comitia the other day.

I tried fixing up a few areas I thought were lacking.

Thank you for showing interest in it!

I've always been in a doujin circle, but I wanted to draw erotic yuri-

So together with Bunong-san, whom I got along with well,

we formed a circle and released this work.

It's been a long time since I've done a collaboration,

so there was quite a lot of trial and error, but it was fun.

Using this experience, I think that it'll go smoother in the future.

Please take care of me from now on as well!

To all my readers, as well as my partner Bunong-san,

thank you very much!

Let us meet again somewhere! ^^

-Mytyl-

Nice to meet you, I'm Bunong.

Barely meeting the deadline for Comitia,

I reflected a bit over how unfinished it turned out.

And so we went and published this.

It's still quite shabby, but if you enjoyed reading it,

I'd be delighted.

As I've always been doing copybon,

I had no idea how printing worked

and caused a lot of trouble for Mytyl-san.

Sorry. And thank you.

Please support me in the future as well!
