

And if you use that stall, a monster comes out of the hole...

It's true... They heard that in the furthest stall, there's a pitch black hole in the wall...

No way!

Eh?!

My older sister's friends heard that... there's a monster in a nearby public restroom,

Victim of the Hole

Huh?! That was it?!

and does something amazing to your butt!!

危ぶめば穴はなし。
入れればわかるさ!!

What would that amazing thing be...?

I'm telling you, it's not a monster!

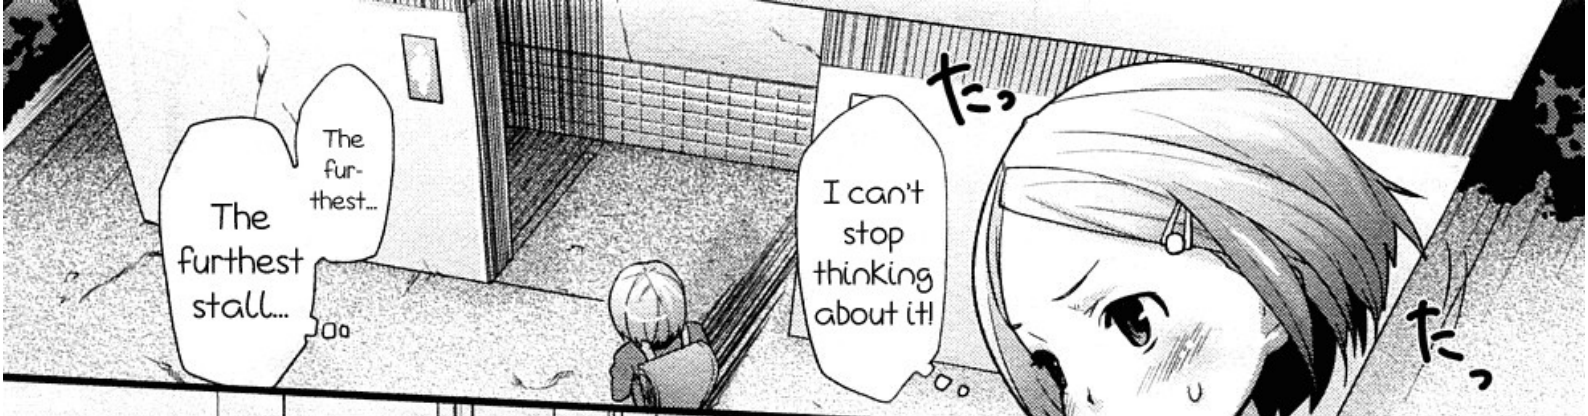

It's not! They told me there's no way for a hand to come from that hole, so it has to be a monster!

That's no monster! That's just a molester!

Yeah, I think so too.

Something amazing to your butt?!

The furthest stall...
The furthest...

Oh well...

Might as well pee while I'm here.

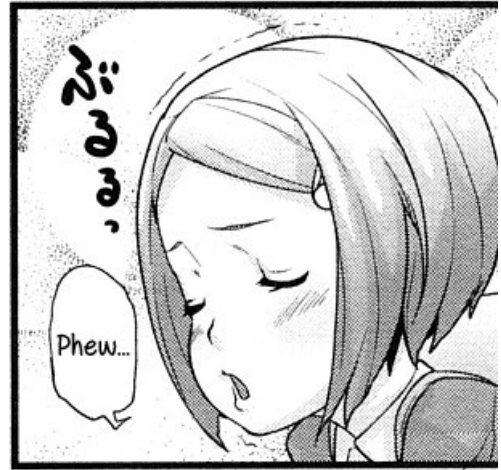

Monster-san...?!

えー！

I'm sort of disappointed...
Of course there wouldn't be any hole...

.....

If I do this...

The monster will do something amazing...

Which means...

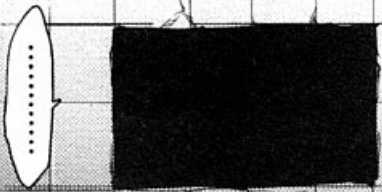

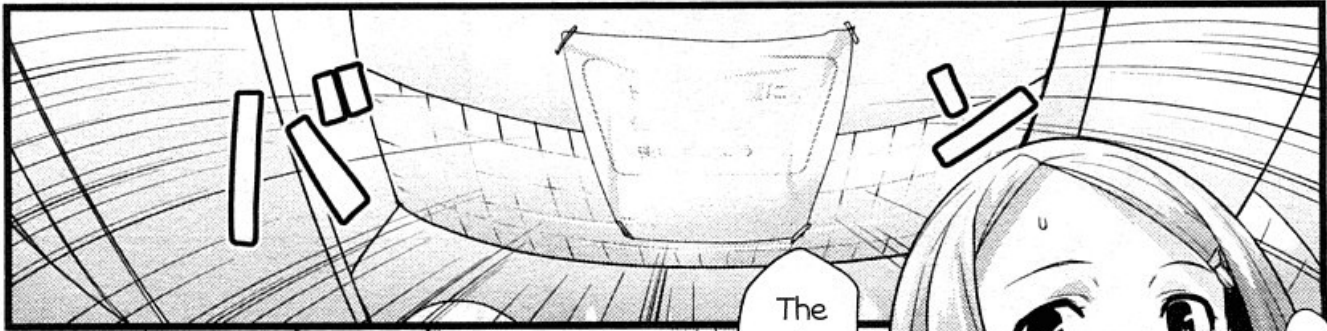

J-Just joking... There's no way...

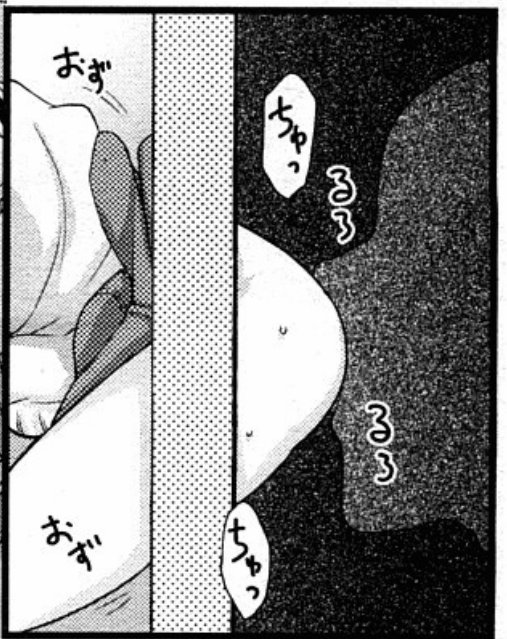

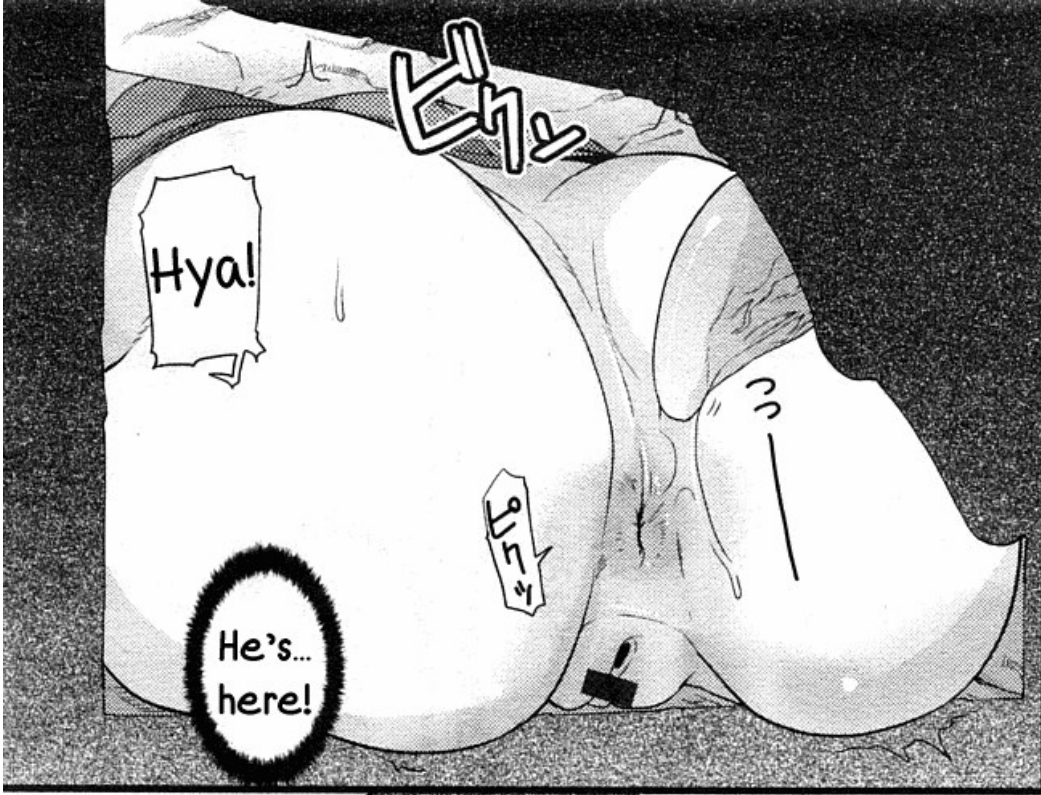

It's scary I should stop...
